Overview and Eligibility

Q. What is the purpose of COPS Anti-Methamphetamine Program (CAMP) funding?

- A. CAMP is a competitive award program that provides funding in amounts not less than \$1,000,000 to state law enforcement agencies in states with high seizures of precursor chemicals, finished methamphetamine, laboratories, and laboratory dump seizures for the purpose of locating or investigating illicit activities such as precursor diversion, laboratories, or methamphetamine traffickers.

Q. Who is eligible to apply for funding?

- A. State law enforcement agencies authorized by law or by a state agency to engage in or to supervise anti-methamphetamine investigative activities such as locating and investigating illicit activities including precursor diversion, laboratories, or methamphetamine traffickers are eligible to apply.

Q. Are recipients of CAMP awards required to coordinate with other law enforcement entities?

- A. Yes. Recipients are required to coordinate with federal, state, local, and tribal law enforcement agencies to maximize the impact and effectiveness of the award. The recipients must coordinate and work with U.S. Attorneys’ Offices in their states, coordinate and work with local and tribal law enforcement agencies in any area impacted by the work of the CAMP program, and coordinate as appropriate with other federal law enforcement partners such as the Federal Bureau of Investigation or Drug Enforcement Administration (DEA) to assist tribal law enforcement agencies.

Q. How long is the award period for CAMP?

- A. CAMP is a three-year (36-month) award program with an opportunity for a no cost time extension. Budget requests must not exceed this three-year period.

Q. Is there a cost share or matching funds requirement?

A. No. There is no cost share or matching funds requirement.

Q. Is there a nonsupplanting requirement for this program?

A. Yes. The nonsupplanting requirement is a legal requirement in the Public Safety and Community Policing Act, which is the COPS Office’s authorizing statute. See Omnibus Crime Control and Safe Streets Act of 1968, as amended, and the Violent Crime Control and Law Enforcement Act of 1994, Title I, Part Q, Public Law 103-322, 34 U.S.C. § 10381 et seq. The nonsupplanting requirement means COPS Office award funds must be used to supplement (not replace) state, local, or Bureau of Indian Affairs (BIA) funds that would have been dedicated toward law enforcement if federal funding had not been awarded. As it applies to your agency’s CAMP award, recipients must not reduce the level of state, local, or BIA funding that would have been dedicated toward any hiring or procurement as a result of receiving federal funding. 34 U.S.C. § 10384(a).

Q. What is the formula for disbursing CAMP funds?

A. CAMP is not a “formula” award program. All applications will be reviewed based on the information provided in the solicitation, the statewide methamphetamine seizure data, and other relevant factors determined by the COPS Office. Awards will be made on a competitive basis.

Q. What is the maximum amount to be awarded per award?

A. Each award will be capped at \$2,000,000.

Q. How much funding is anticipated to be awarded under CAMP and how many awards does COPS expect make under CAMP in FY24?

A. Up to \$16,000,000 is anticipated to be awarded under the CAMP with 12 awards anticipated in FY24.

Q. When will CAMP awards be announced?

A. It is anticipated that awards will be announced on or after September 30, 2024. Any public announcements will be posted on the [COPS Office website](#).

Q. May our agency request funding under CAMP if we have an active COPS Office Hiring Program (CHP) award for sworn officer positions?

A. Yes. Agencies with an active CHP award are not disqualified from applying for a CAMP award, but the CAMP-funded position(s) must be over and above the number of officer positions funded in the agency’s local budget and under any other CHP award.

Q. May CAMP funding be used to retain officers to fulfill a retention requirement under other COPS Office awards?

- A.** No. CAMP funding may not be used to comply with the retention requirement of other COPS office awards, such as the COPS Hiring Program or U.S. Department of Justice Coordinated Tribal Assistance Solicitation Purpose Area 1. Instead, your agency must use state, territorial, local, or tribal funding to retain the COPS Office-funded positions for the required retention period following the conclusion of the award period. In addition, the retained officer position(s) must be over and above your agency's locally funded sworn force and any full-time sworn positions awarded under the CAMP award.

Q. Is CAMP subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs?

- A. Yes. CAMP is subject to E.O. 12372, "Intergovernmental Review of Federal Programs," which requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the state single point of contact (SPOC) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs (<https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf>) to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 that refers to EO 12372.

Allowable Costs Under CAMP

Q. What may my agency request funding for under CAMP?

- A. Budgets submitted under CAMP must be at least \$1 million. Agencies may request funding to pay for the following:
- Personnel and fringe benefits
 - New civilian personnel to work directly on anti-methamphetamine investigation activities

Funding requests are not limited to your agency's entry-level salary and benefits. CAMP award funds will pay for experience level salaries as reflected in your agency's approved pay-scale.

CAMP will pay only for costs not already funded in the applicant's local budget. Please refer to the CAMP solicitation at <https://cops.usdoj.gov/camp> for a nonexhaustive list of allowable and unallowable costs.

A. No. Officers funded with CAMP funds must be in addition to any officers funded in your agency's local budget. However, CAMP funding may be used to fill vacant sworn officer positions if the positions are unfunded in the law enforcement budget (i.e., state, local, or BIA funding has not been budgeted to pay for the salary and benefits costs of the positions) because of a hiring freeze or budget cuts due to local fiscal distress.

Q. Is there a retention requirement for officers hired under CAMP?

A. No. There is no retention requirement for officers hired using CAMP funding. However, recipients will be subject to the nonsupplanting requirement.

Q. If awarded funding from CAMP, will our agency be obligated to keep the total number of officers on staff at the time the award was funded?

The COPS Office will not pay for any fringe benefits not listed, and if your agency pays those benefits for locally funded officer positions, your agency will be required to do so for CAMP funded officer positions with local funds.

Q. Are fringe benefits allowable for requested overtime costs?

A. Yes, but the only fringe benefits allowable for requested overtime compensation are Social Security, Medicare, worker’s compensation, and unemployment insurance. The COPS Office will not pay for any other fringe benefits for requested overtime costs. If your agency pays for additional benefits for overtime, then your agency will be required to do so with its own funds.

Q. How do I determine the health care and fringe benefits costs for my agency?

A. An agency should contact its human resources/benefits office to help determine their costs for health care and fringe benefits.

Q. How should an agency calculate the first-year salary and benefit package of officers who will be recruits promoted to sworn officer positions, given that a recruit and sworn officer fall under different pay and benefit levels?

A. The first-year salary and benefits package should cover the sworn officer salary and benefits of the officer post-graduation.

Q. My agency has officers who are exempt from Social Security benefit deductions. How should I address this in the CAMP application?

A. Agencies that have officers that are exempt from Social Security benefit deductions should check the “Exempt” option on the application. By checking “Exempt,” the agency is not required to submit additional information.
