

CTAS Application Proposal Abstract

Applicants must include a detailed proposal abstract for each purpose area under which the applicant is requesting funding. The proposal abstract is completed in the Just Grants web-based form. It should summarize the proposed project (no more than 400 words) including primary activities, products and deliverables, the service area, and who will benefit from the proposed project. Proposal abstracts should be

- a. written for a public audience;
- b. in paragraph form, without bullets or tables and excluding personally identifiable information;
- c. specific to the project proposed for the respective purpose area(s).

The proposal abstract will not be scored.

With this funding, [Insert Name of the Program] will: [Insert itemized goals of project].

Additional question for applicants in multiple purpose areas

If you are requesting funding in multiple purpose areas, is the receipt of funding in a particular purpose area required for the implementation of any other purpose area being requested? If so, explain. An example of this would be submitting a request for funding of an officer from BJA Purpose Area #3 and a request for funding for equipment for that officer from COPS Office Purpose Area #1.
