## Action Planner for Police–Security Partnerships

**FREE**  
**INTERACTIVE TRAINING**

### This interactive, free training was developed

by the Law Enforcement–Private Security Consortium (LEPSC), with COPS Office funding, and provides private security and law enforcement professionals with information about:

- benefits of collaboration in addressing mutual crime and disorder issues
- ways to identify the unique and important tools, resources, and skills that each partner possesses
- how to collaborate with teams and address shared problems through a plan tailored for your agency or partnership

Visit [www.lepsc.org/](http://www.lepsc.org/) and discover how to create customized action plans and use them to help establish new—or strengthen existing—partnerships.

LEPSC offers resources and technical assistance to help organizations establish partnerships or improve the effectiveness of existing partnerships.

Complete the training in about an hour, or stop at any time and return to where you left off.

LEPSC works to support partnerships between law enforcement and private security organizations to improve public safety.

Create a customized action plan and use it to help start or strengthen your partnership.
