Purpose:

The purpose of this guide is to assist recipients of grant awards from the Department of Justice, Office of Community Oriented Policing Services (COPS Office) with the reporting and accounting of their financial expenditures. It provides essential information for facilitating the completion and submission of the mandatory quarterly Federal Financial Report (FFR) on Standard Form 425 (SF-425).

The Office of Management and Budget (OMB) merged precious financial reporting methods into one comprehensive financial reporting form to give recipients of grants and cooperative agreements a standard format for reporting the financial status of their awards. OMB combined the Financial Status Report (FSR, or SF-269/SF-269A) and the Federal Cash Transactions Report (FCTR, or SF-272) into one Federal Financial Report (FFR, or SF-425). In so doing, OMB stated that the new form, the SF-425, went into effect beginning with the first quarter reporting period of Fiscal Year 2010.

Recipients of federal funds under COPS Office grant programs (Grantees) are required to submit quarterly Federal Financial Reports (SF-425). The SF-425 is a standard form that Grantees must use to report cumulative expenses (calculated by adding all expenses from the beginning of the grant to date) incurred under each Grant Number. These expenses can be categorized as cash disbursed, or incurred but not yet paid (Accounts Payable). When a recipient share is required, expenses incurred are further divided into federal share and recipient share (local matching contributions). A Grantee should refer to the award documentation to review federal and recipient share information.

Effective January 1, 2010, COPS Office Grantees will be required to use the SF-425 for all financial reporting requirements, regardless of the report period end date.

II: When and How to Submit the SF-425

On-Going Reporting. Upon project/grant inception, Grantees are required to submit one SF-425 per quarter for each Grant Number. Grantees who do not submit SF-425s by the due date will be unable to draw down grant funds.

Under current regulations, SF-425s for COPS Office grants must be submitted every quarter and no later than 30 days after the last day of each reporting quarter as detailed below:
Please be advised that the 30-day requirement has been adjusted from prior quarter submissions.

**Cumulative Reporting.** The SF-425 mainly differs from the SF-269A by requiring cumulative reporting of expenditures. Cumulative reporting provides a sum of expenditures for the life of a grant. To arrive at your cumulative total, add all expenses incurred to date.

In the example that follows, Block 10e-Federal Share, Block 10f-Expenditures and Block 10j-Recipient Share of Expenditures continues to increase in each successive SF-425 to show the total amount of expenditures to date. If a Grantee finds that a reporting error has occurred, and in order to correct the SF-425 a deduction from either block is necessary, the Grantee is required to make a notation in Block 12-Remarks. Please note that not all grants will require a Recipient Share.

For Example:

For the reporting period 10/01/12 to 12/31/12, a Grantee has spent the following:

- Federal Share: $28,358.00
- Recipient Share (Local Match): $7,098.50

For the reporting period 01/01/13 to 03/31/13, a Grantee has spent the following:

- Federal Share: $14,042.00
- Recipient Share (Local Match): $7,401.50

The below replication of the SF-425, Section 10, shows how to report a cumulative total for both reporting periods. Additional reporting period expenditures will be added to the current total.

**Reporting with No Incurred Expenses.** A Grantee is required to submit an SF-425 for *every quarter*, regardless of whether expenses were incurred or not, once the project has begun. Even if expenses have not been incurred during the quarter, the Grantee must report the cumulative amount of expenses to date. If expenses have not yet been incurred during the life of the grant, the Grantee should report a zero cumulative total. Once a project has begun, a Grantee will need to submit the most recent SF-425 before accessing funds. Contact the COPS Office Response Center at 1.800.421.6770 for more information.

**Early Submission of an SF-425.** There are two scenarios in which a Grantee can submit an SF-425 prior to the reporting period end date.

- **Final Report** – A Final Report may be submitted no sooner than one quarter prior to the reporting period end date. For example, if the reporting period end date is December 31, 2013, a Grantee could submit the Final Report as early as October 1, 2013.
- **Non-Final Report** – A non-Final Report may be submitted no sooner than 10 business days (or 14 calendar days) prior to the reporting period end date. For example, if the reporting period end date is December 31, 2013, a Grantee could submit a non-final report as early as December 17, 2013.

Delinquent Reporting. A Grantee is required to submit an SF-425 every quarter, even if delinquent in prior period reporting, once the project has begun or at least one report has been submitted. If the Grantee is delinquent in reporting on multiple quarters, the Grantee will be required to submit one SF-425 for each delinquent quarter. If this is the Grantee’s first submission, there is no need to catch up with previous SF-425s.

For Example:

The current reporting period is for the quarter ending 09/30/13, and the grant is not yet expired. The Grantee’s last quarterly report was submitted for the quarter ending on 12/31/12. The Grantee must submit individual quarterly reports for the reporting periods ending:

- 03/31/13
- 06/30/13
- 09/30/13

The grantee should report expenses in the appropriate quarter in which they were incurred and carry the cumulative totals forward to the next reporting quarter. Please contact the COPS Office Response Center at 1.800.421.6770 to discuss bringing SF-425 reporting up to date.

Final SF-425 Reporting by Grantee. A Grantee is required to submit a Final SF-425 no later than 90 days after the Grantee has reported and expended the total allowable federal share for the Grant Number, or after the expiration date of the award. Additionally, after the 90-day period, the Grantee is not longer eligible to draw down grant funds. A Final SF-425 is indicated by checking “YES” in Block 6-Final Report.

Please note that the quarterly reporting due date still applies. Therefore, if a Grant expires late in a reporting period, the Grantee will need to submit the Final SF-425 in accordance with the 30-day due date. This Final SF-425 will be editable until 90 days after the Grant has expired.

For Example:

<table>
<thead>
<tr>
<th>Grant Expires On</th>
<th>Final SF-425 Due On</th>
<th>SF-425 Editable Until</th>
</tr>
</thead>
<tbody>
<tr>
<td>01/31/2013</td>

<td>04/30/2013</td>
</tr>
<tr>

<td>04/30/2013</td>
<td>06/30/2013</td>
</tr>
<tr>
<td>05/31/2013</td>
<td>07/30/2013</td>

</tr>
<tr>
<td>10/31/2013</td>
<td>01/31/2014</td>
<td>01/31/2014</td>
</tr>
</tbody>
</table>
Final SF-425 Reporting by the COPS Office. The COPS Office reserves the right to update an SF-425 to “Final” status if the Grantee fails to submit an SF-425 marked “Final” within 90 days after grant period end date. At that time, the Grantee will forfeit the remaining eligible balance. The Grantee is still required to meet the 30-day reporting requirement.

Final Draw Down of Funds. Grantees are required to submit a Final SF-425 and draw down funds for allowable costs incurred within 90 days after the grant period end date. If remaining funds are not drawn down within 90 days after the grant period end date, the Grantee will forfeit the remaining eligible balance. The Grantee is still required to report those funds on the Final SF-425.

III: How Many SF-425s to Submit

A Grantee must submit one SF-425 per Grant Number every quarter. The COPS Office will not accept Federal Financial Report Attachments (SF-425As).

IV: Where to File the SF-425

Grantees are highly encouraged to submit the quarterly SF-425 online. Visit the COPS Office website at [www.cops.usdoj.gov](http://www.cops.usdoj.gov) and select the “Account Access” link in the upper right corner to login. Once logged into your COPS Agency On-Line Portal choose the “Applications” module, select the black SF-425 icon, enter the Grant Number and click on “New SF-425” button in the right corner.

If a Grantee is unable to submit the SF-425 online, a signed copy of the completed SF-425 can be faxed to 202.616.2913 or 202.514.2852, or mailed to the following address:

U. S. Department of Justice  
Office of Community Oriented Policing Services  
Federal Financial Reports (SF-425) Control Desk, 11th Floor  
145 N Street, N.E.  
Washington, DC  20530

V: Where to Get Help

- This field will pre-populate the alpha-numeric Grant Number cited on your Award Document. Verify this Grant Number is correct.
- Grantees will complete one SF-425 for each Grant Number.

**Block 3: Recipient Organization** MANDATORY
- This field will pre-populate the Grantee Organization’s Legal Name and Address, and should match the name and address on the award document. Verify this information is correct.

Block 6: Final Report MANDATORY

- Mark the appropriate box indicating No, if the SF-425 is a Quarterly Report or Yes, if the SF-425 is a Final Report.
- This field should always be checked NO until the Grantee is ready to submit the Final Report.
- The Final SF-425 is due 90 days after the Grantee has reported all federal and where applicable, local recipient share expenses, for all awards issued under the same Grant Number, or after the grant period end date of the last award. A Grantee may elect to choose ‘Yes’ to indicate a Final Report, even if all funds are not drawn down. Additionally, after the 90-day period, the Grantee is no longer eligible to draw down funds. If multiple supplements or renewals are issued under ONE Grant Number, the Grantee would not submit a Final SF-425 until the last supplement or renewal is fully expended.
- The COPS Office reserves the right to update an SF-425 to a “Final” Status if the Grantee fails to submit the SF-425 marked as “Final” in Block 6–Final Report, within 90 days after the grant period end date. At that time, the Grantee will forfeit the remaining eligible balance.
- Note: If a Grantee is using Accrual Basis of Accounting, and submits a Final SF-425, Block 10f–Federal Share of Unliquidated Obligations will automatically populate “$0.00” since accruals are not acceptable for Final reports.

Block 7: Basis of Accounting MANDATORY

- Mark the appropriate box to specify whether a cash or accrual basis was used for recording financial transactions related to the award.
- **Cash Basis of Accounting** refers to the accounting method in which expenses are recorded when they are paid.
  - If the Grantee uses Cash Basis of Accounting, the Grantee **will not** complete Block 10f-Federal Share of Unliquidated Obligations.
- **Accrual Basis of Accounting** refers to the accounting method in which expenses are recorded when they are incurred.
  - If the Grantee uses Accrual Basis of Accounting, the Grantee **will** report Accounts Payable in Block 10f-Federal Share of Unliquidated Obligations.
Block 8: Project/Grant Period (From/To) MANDATORY

- This field will pre-populate with the cumulative time period covered by all awards and extensions issued under one Grant Number. This should encompass the beginning date of the original award and the latest ending date under one Grant Number.

  - This cumulative amount will include all Recipient Share of Expenditures for the life of the grant.
  - The web form SF-425 includes a brief note with the previously reported cumulative amount. If this is the Grantee’s first report, this number will be “$0.00”.

#### Block 10k: Remaining Recipient Share to be Provided MANDATORY
- This field will pre-populate with the calculated remaining recipient share. Verify this information is correct.
If this field calculates to “$0.00”, this indicates that the Grantee has met the Budgeted Minimum Required Recipient Share based on program percentage, as indicated in the award documents.

VI: Glossary

Accrual Basis of Accounting: Expenses are recorded in the period in which they are incurred, rather than when they are paid.

Cash Basis of Accounting: Expenses are recorded in the period in which they are paid.

COPS Office: The Office of Community Oriented Policing Services (COPS Office) is the “grantor agency” for the Grantee’s COPS grants. The COPS Office is directly responsible for programmatically administering and monitoring the grant for the entire grant period.

The Office of Management and Budget (OMB) has merged previous financial reporting methods into one comprehensive financial reporting form to give recipients of grants and cooperative agreements a standard format for reporting the financial status of their awards. OMB has combined the Financial Status Report (FSR, or SF-269/SF-269A) and the Federal Cash Transactions Report (FCTR, or SF-272) into one Federal Financial Report (FFR, or SF-425). OMB has stated that the new form, the SF-425, went into effect beginning with reporting the first quarter of Fiscal Year 2010.

Federal Share Contributions: The amount of Federal funds a Grantee can draw down to reimburse allowable expenses incurred during the grant period. The allowable Federal share may not always equal the maximum Federal share.

Grant Number: This number uniquely identifies each grant (e.g., 2009RKWX0000 or 2011CKWX0000). An SF-425 will be required for EACH Grant Number.

Matching Funds: Certain COPS Office grant programs require Grantees to contribute a local match toward allowable costs of the program, project, or activity funded under the award. Any required local match can be found on the Financial Clearance Memorandum for the specific award.
