

FY 2014
COPS Anti-Methamphetamine Program (CAMP)

Section 13 Attachment

Agencies that seek funding under this program are required to submit a budget narrative. This section is in addition to the Budget Detail Worksheets. Please provide detailed information explaining how the items requested in the Budget Detail Worksheets will be used in implementing your proposed CAMP project. Please provide the explanation in the corresponding category in which the items were requested in the Budget Detail Worksheet. Submit this narrative as an attachment under Section 13 of the application.

Budget Narrative:

- 1) Personnel and Fringe Benefits – Explain how each position requested (civilian and/or sworn) will be used in your proposed CAMP project. If requesting overtime costs for sworn officers engaging in anti-methamphetamine investigative activities, those costs should be requested and explained in the “Other Costs” category.

- 2) Equipment – Explain how each equipment item requested will be used in your proposed CAMP project.

- 3) Supplies – Explain how the supplies requested will be used in your proposed CAMP project.

- 4) Travel/Training – Explain how the travel and/or training requested will be used to enhance your proposed CAMP project.

- 5) Contracts/Consultants – Explain how the contract and/or consultant costs requested will be used in your proposed CAMP project.

- 6) Other Costs – Explain how the costs requested will be used in your proposed CAMP project. If requesting overtime costs for sworn officers engaging in anti-methamphetamine investigative activities, those costs should be explained here.
