

The background of the page is a repeating pattern of five-pointed stars. The stars are arranged in a grid, with some stars appearing larger and more prominent than others, creating a sense of depth and texture. The colors range from light gray to a slightly darker gray, giving the pattern a subtle, textured appearance.

2A. CHP Eligibility Questions

In this section, we will ask you several questions about your law enforcement agency operations and authority to determine your eligibility to apply for a COPS Hiring Program (CHP) grant. Please note that CHP applicants **must** have a police department which is operational as of the June 20, 2014 date of this application, or receive services through a new or existing contract for law enforcement services. Applicants must also maintain primary law enforcement authority for the population to be served.

Additionally, if funds under this program are to be used as part of a written contracting arrangement for law enforcement services (e.g., a town which contracts with a neighboring sheriff's department to receive services), the government agency wishing to receive law enforcement services must be the legal applicant in this application (although we will ask you to supply some information about the contract service provider later).

Part I. Law Enforcement Agency Operations

*A law enforcement agency is established and operational if the jurisdiction has passed authorizing legislation **and** it has a current operating budget.*

Q1) Is your agency established and currently operational?

Select One...

Q2) Which of the following best describes your agency (check one)?

- We are planning to establish or begin operations as a newly authorized law enforcement agency
If selected, proceed to Q3a and Q3b
- We are planning to re-establish and resume operations for a previously operational law enforcement agency
If selected, proceed to Q3b

Q3a) Will your law enforcement agency be operational as of June 20, 2014 (application close date)?

Select One...

Q3b) Has your jurisdiction passed legislation which authorizes the creation of a new law enforcement agency?

Select One...

Part II. Contracting to Receive Law Enforcement Services

Q1) If awarded, does your agency plan to use funds awarded under this grant to establish or supplement a written contract for law enforcement services (e.g., a town contracting for services with a nearby sheriff's department)?

Select One...

[If yes to Q1, text below plus Q2 will display]

An agency may apply for funds under this program to be used as part of a written contracting arrangement for law enforcement services (e.g., a town which contracts with a neighboring sheriff's department to receive services). However, the agency wishing to receive law enforcement services must be the legal applicant in this application (although we will ask you to supply some information about the contract service provider later).

Before proceeding with this application, we ask that you please log onto the COPS Office Agency Portal to update the agency providing law enforcement services as your Law Enforcement Executive/Agency Executive Information. This information will be pre-populated from the COPS Office Agency Portal in Section 4 of this application, so please ensure its accuracy.

Important Note: Two entities involved in a contracting relationship may not separately apply for funding to support the same officer position(s). For more information about contracting arrangements, please [click here](#) [Link to take applicant to Guide Instructions re: contracting]

Q2) Is the legal applicant listed in this COPS Hiring Program (CHP) application and on the SF-424 the entity that will be receiving law enforcement services?

Q3) What is the legal name of the law enforcement agency that will be providing law enforcement services to your jurisdiction?

[proceed to next section]

Part III. Law Enforcement Agency Authority

An agency with primary law enforcement authority is defined as the first responder to calls for service for all types of criminal incidents within its jurisdiction. Agencies are not considered to have primary law enforcement authority if they only: respond to or investigate specific type(s) of crime(s); respond to or investigate crimes within a correctional institution; serve warrants; provide courthouse security; transport prisoners; and/or have cases referred to them for investigation or investigational support.

Q1) Based on the definition above, does your agency have primary law enforcement authority? [Or, if contracting to receive services, does the agency that will be providing law enforcement services have primary law enforcement authority for the population to be served?]

Questions for a subset of applicants [Sheriff, County Police, State Police, Regional PD, Public University, Private University, Natural Resources Police, Transit Police, Public Housing Police, Attorney/Court, Multijurisdictional Task Force, Consortium, Constable, Marshals, Corrections]

Is your agency the first responder to **all types of criminal incidents** within your jurisdiction?

Agencies with jurisdiction limited only to correctional institutes and/or courthouse settings are not eligible under this program. Is your agency the first responder to citizen-initiated calls for service outside of a correctional institute and/or courthouse setting?

SECTION 3: GENERAL AGENCY INFORMATION

A. Applicant ORI Number:

The ORI number is assigned by the FBI and is your agency's unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county's code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your grant. ORI numbers assigned to agencies by the COPS Office may end in "ZZ."

Check here if your agency has not been assigned an ORI number.

B. Applicant Data Universal Numbering System (DUNS) Number:

*A Data Universal Numbering System (DUNS) number is required **prior** to submitting this application. A DUNS number is a unique nine or thirteen digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. For more information about how to obtain a DUNS number, please refer to the "How to Apply" section of the COPS Office Application Guide.*

C. System for Award Management (SAM)

The System for Award Management (SAM) replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and sub-recipients. DOJ requires that all applicants (other than individuals) for federal assistance maintain current registrations in the SAM database. Please note that applicants must update or renew their SAM registration at least once a year to maintain an active status.

Applicants that were previously registered in the CCR database must, at a minimum:

- *Create a SAM account*
- *Log into SAM and migrate permissions to the SAM account (all the entity registrations and records from CCR should already have been migrated).*

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM Registration procedures can be accessed at www.sam.gov.

For more information about how to register with SAM, please refer to the "How to Apply" section of the COPS Office Application Guide.

Your SAM Registration is set to expire on

Note: If your SAM registration is set to expire prior to September 30, 2014, please renew your SAM Registration prior to completing this application. Contact the SAM Service Desk at 866-606-8220 or view/update your registration information at www.sam.gov.

D. Geographic Names Information System (GNIS) ID:

Please enter your Geographic Names Information System (GNIS) Identification Number. This is a unique ID assigned to all geographic entities by the U.S. Geological Survey. To look up your GNIS Feature ID, please go to the website: <http://geonames.usgs.gov/domestic/index.html>. For more information about how to obtain a GNIS number, please refer to the "How to Apply" section of the COPS Office Application Guide.

E. Cognizant Federal Agency:

Select the legal applicant's Cognizant Federal Agency. A Cognizant Federal Agency, generally, is the federal agency from which your jurisdiction receives the most federal funding. Your Cognizant Federal Agency also may have been previously designated by the Office of Management and Budget. Applicants that have never received federal funding should select the "Department of Justice" as the Cognizant Federal Agency.

I. U.S. Department of Justice and Other Federal Funding

Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal grants that support the same or similar activities or services for which grant funding is being requested under this application.

Be advised that as a general rule COPS Office grant funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application and/or an active grant with any other federal funding source (e.g., direct federal funding or indirect federal funding through state sub-awarded federal funds) which supports the same or similar activities or services as being proposed in this COPS Office application (check all that apply):

SECTION 5A: COPS HIRING PROGRAM OFFICER REQUEST

Part I

Enter the Fiscal Year Actual Sworn Force Strength as of the date of this application. *The actual number of sworn officer positions is the actual number of sworn positions employed by your agency as of the date of this application. Do not include funded but currently vacant positions or unpaid positions.*

Part-Time:

[If contracting, only question below is displayed]

1. Enter the Fiscal Year Actual Sworn Force Strength for officers your agency currently has under contract for law enforcement services as of the date of this application. *The actual number of sworn officer positions is the actual number of sworn officers under all current contracts as of the date of this application. Do not include funded but currently vacant positions or unpaid positions.*

a. Number of officers deployed by your agency as of the date of this application:

Full-Time:

Part-Time:

What is the **actual** population your department serves as the primary law enforcement entity?

This may or may not be the same as your census population. For example, a service population may be the census population minus incorporated towns and cities that have their own police department within your geographic boundaries or estimates of ridership (e.g., transit police) or visitors (e.g., park police). An agency with primary law enforcement authority is defined as having first responder responsibility to calls for service for all types of criminal incidents within its jurisdiction.

For FY2014, COPS Hiring Program (CHP) applicants are eligible to apply for the number of officers equal to 5 percent of their actual sworn force strength up to a maximum of 25 officers. Agencies with a sworn force of 20 or fewer officers may apply for one (1) officer position. Agencies with a service population of 1 million or above may apply for up to 25 officer positions; however, agencies with a service population less than 1 million may apply for up to 15 officer positions. Based on the information provided in this application, your agency is eligible to apply for up to <<insert computed number>> officer position(s).

FY 2014 CHP grant funds cover 75 percent of the approved entry-level salary and fringe benefits of each newly-hired and/or rehired, full-time sworn career law enforcement officer for three years (36 months) up to \$125,000 per officer position. CHP grant funding will be based on your agency's current entry-level salaries and fringe benefits for full-time sworn officers.

If your agency requests officers to be deployed as School Resource Officers, ALL OF THE OFFICER POSITIONS REQUESTED BELOW MUST BE USED TO DEPLOY FULL-TIME SCHOOL RESOURCE OFFICERS. Do not request more officer positions than your agency can expect to deploy in this capacity. A "school resource officer" is a career law enforcement officer, with sworn authority, who is engaged in community policing activities and is assigned by the employing agency to work in collaboration with schools. If awarded a grant for SRO position(s), please note that the COPS Office requires that the officer(s) deployed into the SRO position(s) spend a minimum of 75 percent of their time in and around primary and secondary schools working on school and youth-related activities.

There must be an increase in the level of community policing activities performed in and around primary or secondary school in the agency's jurisdiction as a result of the grant. The time commitment of the funded officers must be above and beyond the amount of time that the agency devoted to the schools before receiving the grant.

Is your agency requesting that **all of these officer positions** be deployed as School Resource Officers (SROs)?

Yes

No

In addition, in section 6B you must select "School Based Policing through School Resource Officers" under "Child and Youth Safety Problems" as your problem area.

How many entry-level, full-time officer positions is your agency requesting in this application?

Next, your agency must allocate the number of positions requested under each of the three hiring categories described below based on your agency's current needs at the time of this application. Please be mindful of the initial three-year grant period, and your agency's ability to fill and retain the officer positions awarded, while following your agency's established hiring policies and procedures. CHP grant awards will be made for officer positions requested in each of the three hiring categories, and grantees are required to use awarded funds for the specific categories awarded.

It is imperative that your agency understand that the COPS Office statutory nonsupplanting requirement mandates that grant funds may only be used to supplement (increase) a grantee's law enforcement budget for sworn officer positions and may not supplant (replace) state, local, or tribal funds that a grantee otherwise would have spent on officer positions if it had not received a grant award. This means that if your agency plans to:

(a) Hire new officer positions (including filling existing vacancies that are no longer funded in your agency's budget):

It must hire these new additional positions on or after the official grant award start date, above its current budgeted (funded) level of sworn officer positions, and otherwise comply with the nonsupplanting requirement as described in detail in the Grant Owner's Manual.

(b) Rehire officers who have been laid off by any jurisdiction as a result of state, local, or tribal budget cuts: It must rehire the officers on or after the official grant award start date, maintain documentation showing the date(s) that the positions were laid off and rehired, and otherwise comply with the nonsupplanting requirement as described in detail in the Grant Owner's Manual.

(c) Rehire officers who are (at the time of application) currently scheduled to be laid off by your jurisdiction on a specific future date as a result of state, local, or tribal budget cuts: It must continue to fund the officers with its own funds from the grant award start date until the date of the scheduled lay-off (for example, if the CHP award start date is September 1 and the lay-offs are scheduled for November 1, then the CHP funds may not be used to fund the officers until November 1, the date of the scheduled lay-off); identify the number and date(s) of the scheduled lay-off(s) in this application (see below); maintain documentation showing the date(s) and reason(s) for the lay-off; and otherwise comply with the nonsupplanting requirement as described in detail in the Grant Owner's Manual. [Please note that as long as your agency can document the date that the lay-off(s) would occur if CHP funds were not available, it may transfer the officers to the CHP funding on or immediately after the date of the lay-off without formally completing the administrative steps associated with a lay-off for each individual officer.]

Documentation that may be used to prove that scheduled lay-offs are occurring for local economic reasons that are unrelated to the availability of CHP grant funds may include (but are not limited to) council or departmental meeting minutes, memoranda, notices, or orders discussing the lay-offs; notices provided to the individual officers regarding the date(s) of the lay-offs; and/or budget documents ordering departmental and/or jurisdiction-wide budget cuts. These records must be maintained with your agency's CHP grant records during the grant period and for three years following the official closeout of the CHP grant in the event of an audit, monitoring, or other evaluation of your grant compliance.

If your agency's request is funded, it will have the opportunity after the award announcement to request a grant modification to move awarded funding into the category or categories that meet your agency's law enforcement needs at that time (including updating the dates of future scheduled lay-offs).

If you need additional information regarding requesting a modification, please contact the COPS Office Response Center at 800-421-6770.

Category A: New, additional officer positions (including to fill existing vacancies no longer funded in your agency's budget).

Category A Request: <<insert>>

Category B: Rehire officers laid off as a result of state or local budget reductions.

Category B Request: <<insert>>

Category C: Rehire officers scheduled to be laid off (at the time of the application) on a specific future date as a result of state or local budget reductions.

Category C Request: <<insert>> (total)

We also need some information about when the layoff of officers in this category is scheduled to occur. In the space below, please indicate when the officer(s) specified in this category are scheduled to be laid off.

Number of officers:

Date these officers are scheduled to be laid off: *mm/dd/yyyy*

Number of officers:

Date these officers are scheduled to be laid off: *mm/dd/yyyy*

Number of officers:

Date these officers are scheduled to be laid off: *mm/dd/yyyy*

Part 2 [Section hidden unless Category C in previous section not null]

Since your agency plans to use CHP funds to rehire officers who are currently scheduled to be laid off on a future date (under Category C above), please certify (by checking the appropriate boxes) to the following Certification:

- My agency has and will maintain documentation showing the date(s) of the scheduled lay-off(s) and demonstrating that the scheduled lay-off(s) is/are occurring for fiscal reasons that are unrelated to the availability or receipt of CHP grant funds.
- My agency will use its own funds to continue funding these officers until the scheduled date(s) of the lay-off(s) and will use CHP funds to rehire these officers only on or after the scheduled date of the lay-off(s).
- My agency recognizes that the CHP program provides funding based on our entry-level salary and benefits package and that any additional costs for rehired officers beyond entry-level are our responsibility to pay with other sources of funding.

If an applicant receives an award, and needs to change the hiring categories after receiving the award, it must request a post-award grant modification to change the categories of hiring and receive prior approval before spending CHP funding by calling the COPS Office Response Center at 800-421-6770.

Part 3

As noted previously, the number of officers an applicant can request under the COPS Hiring Program in 2014 is capped. However, the COPS Office is interested in learning more about the overall need for officer positions within your department. Therefore, if no officer caps were in place, what is the total number of officers that your agency would be requesting in this application?

Part 4

Under the 2014 COPS Hiring Program, applicants are not required to hire post-September 11, 2001 military veterans as new hires. However, the COPS Office supports the Attorney General's commitment to hiring military veterans whenever possible. Please note that if your agency checks "yes" to the question below, your agency will be required to maintain documentation that it made every effort possible (consistent with your internal procedures and policies) to hire at least one military veteran.

Does your agency commit to hire and/or rehire at least one post-September 11, 2001 military veteran (as defined in the Application Guide) for the officer position(s) you have requested?

Yes No

If yes, how many officer position(s) from your total 2014 CHP request does your agency anticipate filling with post-September 11, 2001 military veterans?

SECTION 5B: CHILD SEXUAL PREDATOR PROGRAM (CSPP) OFFICER REQUEST

1. Is your agency requesting funding in this application for full-time, entry-level sworn officer positions?

Yes No

2. How many full-time, entry-level sworn officer positions is your agency requesting in this application?

[Note: you will be asked in Section 14 to provide detailed entry-level officer salary and benefit costs]

Non-hiring Applicants Only**SECTION 6A: LAW ENFORCEMENT & COMMUNITY POLICING STRATEGY**

COPS Office grants must be used to reorient the mission and activities of law enforcement agencies through initiating community policing or enhancing their involvement in community policing. If awarded funds, your responses to this section will constitute your agency's community policing strategy under this grant. Your organization may be audited or monitored to ensure that it is initiating or enhancing community policing in accordance with this strategy. The COPS Office may also use this information to understand the needs of the field, and potentially provide for training, technical assistance, problem solving and community policing implementation tools.

We understand that your community policing needs may change during the life of your grant (if awarded), and **minor changes to this strategy may be made without prior approval from the COPS Office**. We also recognize that this strategy may incorporate a broad range of possible community policing strategies and activities, and that your agency may implement particular community policing approaches from the strategy on an as-needed basis throughout the life of the grant. **If your agency's community policing strategy changes significantly, however, you must submit those changes in writing to the COPS Office for approval.** Changes are "significant" if they deviate from the range of possible community policing activities identified and approved in this original community policing strategy submitted with your application.

Community Policing Definition Framework

The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving.

Community policing is a philosophy that promotes organizational strategies, which support the systematic use of partnerships and problem-solving techniques, to proactively address the immediate conditions that give rise to public safety issues, such as crime, social disorder, and fear of crime.

The COPS Office has completed the development of a comprehensive community policing self-assessment tool for use by law enforcement agencies. Based on this work, we have developed the following list of primary sub-elements of community policing. Please refer to the COPS Office website (www.cops.usdoj.gov) for further information regarding these sub-elements.

Community Partnerships:

Collaborative partnerships between the law enforcement agency and the individuals and organizations they serve to both develop solutions to problems and increase trust in police.

Proposed Community Policing Strategy

COPS Office grants must be used to initiate or enhance community policing activities, either directly by your law enforcement agency, or (for non-law enforcement applicants) in collaboration with law enforcement. Please complete the following questions to describe the types of community policing activities that you are currently engaged in and that will result from COPS Office funding. For each question, answer on behalf of the applicant law enforcement agency, or for non-law enforcement applicants, the law enforcement agency with whom you will collaborate.

SECTION 6B: LAW ENFORCEMENT & COMMUNITY POLICING STRATEGY

CHP Applicants Only

Community Policing Strategy

COPS Office grants must be used to reorient the mission and activities of law enforcement agencies through initiating community policing or enhancing their involvement in community policing with the officers hired under this grant program, or an equal number of veteran officers who have been redeployed to implement this plan after hiring the entry-level COPS Office-funded officers. If awarded funds, your responses to sections II(a) and II(b) that follow will constitute your agency's community policing strategy under this grant. Your organization may be audited or monitored to ensure that it is initiating or enhancing community policing in accordance with this strategy. The COPS Office may also use this information to understand the needs of the field, and potentially provide for training, technical assistance, problem solving and community policing implementation tools. Please note that the COPS Office recognizes that your COPS Office-funded officer(s) (or an equal number of veteran officers who are redeployed after hiring the entry-level COPS Office-funded officers) will engage in a variety of community policing activities and approaches, including participating in some or all aspects of your identified community policing strategy. Your community policing strategy may be influenced and impacted by others within and outside of your organization; this is considered beneficial to your community policing efforts.

At any time during your grant, you should be prepared to demonstrate (1) the community policing activities engaged in prior to the grant award that are detailed in section I of this application and (2) **how the grant funds and grant-funded officers (or an equal number of redeployed veteran officers) were specifically used to enhance** (increase) or initiate community policing activities according to your community policing strategy contained in sections II(a) and II(b) of this application.

Finally, we also understand that your community policing needs may change during the life of your grant. **Minor changes to this strategy may be made without prior approval of the COPS Office; however, grantees will be required to report on progress and/or changes to the community policing strategy (if any) through required progress reports.** If your agency's community policing strategy changes significantly, you must submit those changes to the COPS Office for approval. Changes are "significant" if they deviate from the specific crime problems(s) originally identified and approved in the community policing strategy submitted with the application. In some cases, changes to the approved community policing approaches may also be deemed significant and may require approval of a modified community policing strategy by the COPS Office, depending on the scope and nature of those changes as identified in the quarterly progress reports.

Community Policing Definition Framework

The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving. Please refer to the COPS Office website (www.cops.usdoj.gov) for further information regarding this definition.

Community policing is a philosophy that promotes organizational strategies, which support the systematic use of partnerships and problem-solving techniques, to proactively address the immediate conditions that give rise to public safety issues, such as crime, social disorder, and fear of crime.

The COPS Office has completed the development of a comprehensive community policing self-assessment tool for use by law enforcement agencies. Based on this work, we have developed the following list of primary sub-elements of community policing. Please refer to the COPS Office website (www.cops.usdoj.gov) for further information regarding these sub-elements.

The designees have agreed to and must demonstrate a collaborative effort—between private business and federal, state, tribal, and local officials; faith-based and non-profit organizations; children and parents—to ensure that hard work leads to a decent living for every American, in every community.

To be a Promise Zone, your jurisdiction must have been designated as such by the closing date of this solicitation.

SECTION 14: BUDGET DETAIL WORKSHEETS

Instructions for Completing the Budget Detail Worksheets

The following Budget Detail Worksheets are designed to allow all COPS Office grant and cooperative agreement applicants to use the same budget forms to request funding. Allowable and unallowable costs vary widely and depend upon the type of COPS Office program. The maximum federal funds that can be requested and the federal/local share breakdown requirements also vary.

Please refer to the program-specific Application Guide to determine the allowable/unallowable costs, the maximum amount of federal funds that can be requested, and the federal/local share requirements for the COPS Office program for which your agency is applying. To assist you, sample Budget Detail Worksheets are included in each Application Guide.

Please complete each section of the Budget Detail Worksheets applicable to the program for which you are applying (see the program-specific Application Guide for requirements). If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

Final calculations will be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category, the total project costs, and the total federal and local shares.

If you need assistance in completing the Budget Detail Worksheets, please call the COPS Office Response Center at 800-421-6770.

If your agency's second and/or third-year costs for salaries and/or fringe benefits increase after the first year, check the reason(s) why in the space below:

- Cost of living adjustment (COLA)

Part 3: Federal/Local Share Costs (for Hiring Grants)

As part of the local matching requirement for the 2014 COPS Hiring Program, grantees must assume a progressively larger share of the cost of the grant with local funds over the three-year grant period. This means that your local match must increase each year, while the federal share must decrease.

Total Salary and Benefits for year 1, 2, & 3 (all positions):	Actual amount pre-populated from the budget	
Total Federal Share:	Actual amount pre-populated from the budget	Percentage pre-populated from the budget
Total local share required (sworn officer costs):	Actual amount pre-populated from the budget	Percentage pre-populated from the budget

Please project in the chart below how your agency plans to assume a progressively larger share of the grant costs during each year of the program. The chart is only a projection of your plans; while your agency may deviate from these specific projections during the grant period, it must still ensure that the federal share decreases and the local share increases. For more details on local matching requirements for this program, please refer to the program-specific Application Guide.

C. EQUIPMENT/TECHNOLOGY

No Equipment/Technology Requested

Instructions: List non-expendable items that are to be purchased. **Provide a specific description for each item and explain how the item supports the project goals and objectives as outlined in your application.** Non-expendable equipment is tangible property (e.g., technology) having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Expendable items should be included either in the “SUPPLIES” or “OTHER” categories. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “CONTRACTS / CONSULTANTS” category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made.

For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, wherever feasible, such voice or data communications equipment should be incorporated into an intra- or interjurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.

See the [program-specific Application Guide](#) for a list of allowable/unallowable costs for this program. Agencies are encouraged to limit their requests to the lines shown below and group similar items together so that all items are accounted for on the budget worksheet for each category. However, if your agency requires more lines please check the available box. Please limit your descriptions to 2,000 characters.

E. TRAVEL/TRAINING

No Travel/Training Requested

Instructions: Itemize grant-related travel expenses of grantee personnel (excluding consultants, whose expenses are listed in Section F) by event (e.g., mandatory training, staff to training, field interviews, advisory group meetings). Identify the location of travel whenever possible, and show the number of staff expected to attend each event. Training fees, transportation, lodging and per diem rates for trainees should be listed as separate travel items. Grantee travel costs specific to the grant project may be based on the grantee’s written travel policy, assuming the costs are reasonable. Grantees without a written travel policy must follow the established federal rates (found at www.gsa.gov) for lodging, meals, and per diem. For all grantees (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available). Note: Any local training costs (within a 50-mile radius) should be listed under Section G (“Other Costs”).

If your application is funded, but for a reduced number of officer positions, the percentage of the local share provided above will be applied to the total project cost of the awarded officers.

Part 4. Waiver of Local Match

The COPS Office may waive some or all of a grantee’s local match requirement based on severe fiscal distress. During the application review process, your agency’s waiver request will be evaluated based on the availability of funding, a demonstration of *severe fiscal distress* as reflected through the fiscal health data in Section 7 of this application, and a comparison of your fiscal health data with that of the overall CHP applicant pool.

Q1: Are you requesting a waiver of the local match based upon severe fiscal distress?

YES NO

If applicant answers “NO,” they would continue with the application; if “YES,” the following questions would appear:

Q1a: If awarded, please indicate the maximum local share your agency would be able to contribute to the total project cost in order to implement the grant. \$ pre-populates with percentage % If your agency’s request for a waiver of the local match is approved and your application is fully funded, your federal share would be ___ and your local share would be _____.

We anticipate that waivers of the local match will be limited. The COPS Office will carefully review your request for a waiver when your application is submitted.

Q1b: If your agency does not qualify for a waiver, do you still wish to be considered for a CHP grant?

Yes, please continue to review my agency's application even if we are not eligible for a waiver of the local match.

No, my agency could not implement this grant without a waiver of the local match, so please do not continue processing our application if we are not eligible for the waiver.

6. It will comply with all requirements imposed by the Department of Justice as a condition or administrative requirement of the grant, including but not limited to: the requirements of 28 CFR Part 66 and 28 CFR Part 70 (governing administrative requirements for grants and cooperative agreements); 2 CFR Part 225 (OMB Circular A-87), 2 CFR 220 (OMB Circular A-21), 2 CFR Part 230 (OMB Circular A-122) and 48 CFR Part 31.000, et seq. 7. It will, to the extent practicable and consistent with applicable law, seek, recruit and hire qualified members of racial and ethnic minority groups and qualified women in order to further effective law enforcement by increasing their ranks within the sworn positions in the agency.
8. It will not (and will require any subgrantees, contractors, successors, transferees, and assignees not to), on the ground of race, color, religion, national origin, sex, disability, or age, unlawfully exclude any person from participation in, deny the benefits of or employment to any person, or subject any person to discrimination in connection with any programs or activities funded in whole or in part with federal funds. These civil rights requirements are found in the non-discrimination provisions of Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000d); the Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 U.S.C. § 3789d); Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794); the Age Discrimination Act of 1975 (42 U.S.C. § 6101, et seq.); Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681 et seq.); and the corresponding DOJ regulations implementing those statutes at 28 C.F.R. part 42 (subparts C, D, E, G, and I). It will also comply with Executive Order 13279 Equal Treatment for Faith-Based Organizations and its implementing regulations at 28 C.F.R Part 38, which requires equal treatment of religious organizations in the funding process and nondiscrimination of beneficiaries by Faith-Based Organizations on the basis of belief or non-belief.

 - B. If your organization has received an award for \$500,000 or more and has 50 or more employees, then it has to prepare an Equal Employment Opportunity Plan (EEOP) and submit it to the Office for Civil Rights ("OCR"), Office of Justice Programs, 810 7th Street, N.W., Washington, DC 20531, for review within 60 days of the notification of the award. If your organization received an award between \$25,000 and \$500,000 and has 50 or more employees, your organization still has to prepare an EEOP, but it does not have to submit the EEOP to OCR for review. Instead, your organization has to maintain the EEOP on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. If your organization received an award for less than \$25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEOP requirement. However, your organization must complete Section A of the Certification Form and return it to OCR.

11. If the applicant's state has established a review and comment procedure under Executive Order 12372 and has selected this program for review, it has made this application available for review by the state Single Point of Contact.
12. It will submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget for clearance under the Paperwork Reduction Act of 1995 if required.

13. It will comply with the Human Subjects Research Risk Protections requirements of 28 CFR Part 46 if any part of the funded project contains non-exempt research or statistical activities which involve human subjects and also with 28 CFR Part 22, requiring the safeguarding of individually identifiable information collected from research participants.
14. Pursuant to Executive Order 13043, it will enforce on-the-job seat belt policies and programs for employees when operating agency-owned, rented or personally-owned vehicles.
15. It will not use COPS funds to supplant (replace) state, local, or Bureau of Indian Affairs funds that otherwise would be made available for the purposes of this grant, as applicable.
16. If the awarded grant contains a retention requirement, it will retain the increased officer staffing level and/or the increased officer redeployment level, as applicable, with state or local funds for a minimum of 12 months following expiration of the grant period.
17. It will not use any federal funding directly or indirectly to influence in any manner a Member of Congress, a jurisdiction, or an official of any government, to favor, adopt, or oppose, by vote or otherwise, any legislation, law ratification, policy or appropriation whether before or after the introduction of any bill, measure, or resolution proposing such legislation, law, ratification, policy or appropriation as set forth in the Anti- Lobby Act, 18 U.S.C. 1913.

False statements or claims made in connection with COPS grants (including cooperative agreements) may result in fines, imprisonment, disbarment from participating in federal grants or contracts, and/or any other remedy available by law.

I certify that the assurances provided are true and accurate to the best of my knowledge.

Elections or other selections of new officials will not relieve the grantee entity of its obligations under this grant.
