COPS Anti-Methamphetamine Program (CAMP) (CFDA 16.710) Overview

COPS Anti-Methamphetamine Program (CAMP) description and federal award information

This program is authorized under Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. 3796dd et seq., as amended and the Violent Crime Control and Law Enforcement Act of 1994, Title I, Part Q, Public Law 103-322.

The use of methamphetamine—a central nervous system stimulant often referred to by its street names such as crank, speed, ice, or crystal—has been a persistent problem for law enforcement agencies across the United States in recent years. Methamphetamine is cheap and addictive and was traditionally developed in clandestine laboratories that were often located in remote areas. Methamphetamine use spreads quickly, most noticeably in rural areas, largely because of the simple preparation methods used and manufacturers' easy access to the necessary precursor chemicals. In more recent years, changing trends in methamphetamine production and distribution have created new obstacles for law enforcement and public health agencies. While law enforcement efforts and precursor chemical sale restrictions have been successful in decreasing the domestic production of methamphetamine, foreign drug traffickers have capitalized on this decreased availability by quickly expanding their avenues of methamphetamine distribution as users have sought out new, reliable supplies.¹

Since 1998, the COPS Office has invested more than \$500 million nationwide to combat the spread of methamphetamine. The COPS Office encourages agencies to focus on community policing approaches to methamphetamine reduction. The COPS Office also works directly with state and local law enforcement agencies to craft innovative strategies, track and evaluate their implementation, and disseminate results to other jurisdictions confronting similar challenges. To combat methamphetamine in their communities, the COPS Office encourages sites to develop partnerships with other agencies, such as the Environmental Protection Agency, fire departments, local businesses, mental health organizations, child protection services, and other local law enforcement entities. The COPS Office also encourages data collection and information-sharing efforts aimed at better identifying and responding to the needs of drug endangered children.

For example, the Drug Enforcement Administration (DEA) uses COPS Office funds to provide training to state and local law enforcement professionals on clandestine lab enforcement operations including basic certification, officer safety, and tactical training. The DEA also uses COPS Office funding to improve the clandestine lab information-gathering capabilities of the El Paso Intelligence Center, carry out regional information-sharing conferences, and assist state and local law enforcement in cleaning up methamphetamine lab sites. In FY 2014, the DEA received \$10 million in COPS Office funds for methamphetamine lab cleanup efforts.

The FY 2016 COPS Anti-Methamphetamine Program (CAMP) is designed to advance public safety by providing funds to investigate illicit activities related to the manufacture and distribution of methamphetamine. CAMP provides funding for 24 months to state law enforcement agencies for equipment, overtime, and other approved personnel costs for law enforcement officers assigned to the investigation of methamphetamine production and trafficking. Funding awarded to state law enforcement agencies may be used to support law enforcement personnel costs for allied agencies' officers participating in a state anti-methamphetamine task force. The COPS Office anticipates making approximately five 2016 CAMP awards for a total of approximately \$7,000,000. Funding requests under this program will be capped at \$1,500,000 per award.

Please be advised that a hold may be placed on any application if it is deemed that the applicant agency

is not in good standing on other U.S. Department of Justice awards, has other awards compliance issues that would make the applicant agency ineligible to receive COPS Office funding, and/or is not cooperating with an ongoing U.S. Department of Justice award review or audit. A hold may also be placed on any application if it is deemed that the applicant agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.

Misuse of COPS Office funds and/or failure to comply with all COPS Office award requirements may result in suspension or termination of award funds, the repayment of award funds, and/or other remedies available by law.

Under the False Claim Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving COPS Office funds may be referred to the Office of Inspector General (OIG). The OIG may be contacted at <http://oig.hhs.gov/fraud/report-fraud/index.asp> and 800-869-4499.

Registration

All FY 2016 Anti-Methamphetamine Program (CAMP) applicants are required to have a valid ORI number. The ORI number is assigned by the Federal Bureau of Investigation (FBI) and is your agency's unique identifier. Please contact the COPS Office Response Center at 800-421-6770 to verify your agency's ORI number. If you do not have an ORI number, a COPS Office Response Center Specialist will assign one to you for the purpose of tracking your grant application. This is required before you begin your application on Grants.gov.

In addition, the Federal Government requires that all applicants for federal grants and cooperative agreements—with the exception of individuals other than sole proprietors—have a Data Universal Numbering System (DUNS) number and be registered in the System for Award Management (SAM) database prior to submitting an application. See “section 3: General Agency Information” on page 39 of this guide for more information regarding DUNS and SAM.

Completing an application under the COPS Anti-Methamphetamine program is a two-step process. Applicants are first required to register via www.grants.gov and complete an SF-424, the government-wide standard application form for federal assistance. Once you have registered and submitted your SF-424 through Grants.gov, you will receive an e-mail from the COPS Office within one business day with instructions on completing the second part of the COPS Anti-Methamphetamine Program application process, which is the COPS Office Application Attachment to the SF-424 through the COPS Office Online Application System. If you have not renewed your COPS Office Account Access information, contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.

It is strongly recommended that applicants register immediately on www.grants.gov. In addition, applicants are strongly encouraged to complete the SF-424 and section 1 on Grants.gov as quickly as possible. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through Grants.gov or the COPS Office Online Application System.

For technical assistance with submitting the SF-424, call Grants.gov Customer Service Hotline at 800-518-4726, e-mail support@grants.gov, or consult the Grants.gov Applicant User Guide at <http://www.grants.gov/help/html/help/index.htm>. See “How to Apply/Application Submission” on page 16 of this guide for more information.

For technical assistance with submitting the online application via the COPS Office website, please call 800-421-6770 or send questions via e-mail to AskCopsRC@usdoj.gov. See “How to Apply/Application Submission” on page 16 of this guide for more information.

Deadline: Application

All completed applications must be submitted by **June 1, 2016 at 7:59 p.m. EDT**. Please see “How to Apply/Application Submission” for more information.

Applications for this program must be submitted in two parts. First, applicants must apply online via www.grants.gov to complete the SF-424. Applicants will then be directed to the COPS Office website (www.cops.usdoj.gov) to complete the second part of the application by **June 1, 2016 at 7:59 p.m. EDT**.

Eligibility Requirements

FY 2016 CAMP is a competitive award program, with a focus on advancing public safety by providing funds to investigate illicit activities related to the manufacture and distribution of methamphetamine. CAMP provides funding directly to state law enforcement agencies in states with high seizures of precursor chemicals, finished methamphetamine, laboratories, and laboratory dump seizures for the purpose of locating and investigating illicit activities, including precursor diversion, laboratories, or methamphetamine traffickers. Only state law enforcement agencies authorized by law or by a state agency to engage in or to supervise anti-methamphetamine investigative activities are eligible to apply for funding. Additional consideration will be given to agencies participating in anti-methamphetamine task forces with multijurisdictional reach and interdisciplinary team structures.

The FY 2016 COPS Anti-Methamphetamine Program does not have a local match requirement.

For additional information, please contact the COPS Office Response Center at 800-421-6770 or send questions via e-mail to AskCopsRC@usdoj.gov.

Program-Specific Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

This solicitation is being announced as an open competition targeted at state law enforcement agencies authorized by law or by a state agency to engage in or to supervise anti-methamphetamine investigative activities. Funding is limited, and this solicitation is expected to be very competitive. Approximately \$7,000,000 in funding may be available for FY 2016 CAMP, and a maximum of \$1,500,000 may be awarded to each award recipient. Strong applications should demonstrate a multijurisdictional reach and participation in interdisciplinary team structures (i.e., task forces). Strong applications should also include multiyear state level methamphetamine seizure data to support their proposal. The COPS Office reserves the right to limit awards to one per state at the time of award announcement.

Program goal

FY 2016 CAMP seeks to address the growing problem of methamphetamine abuse by assisting state law enforcement agencies in collaboration with other service providers and stakeholders to

- increase efforts to locate and investigate illicit methamphetamine activities including precursor diversion, laboratories, or traffickers;
- establish new or enhance existing multijurisdictional and interdisciplinary task forces to investigate and lead to the seizure of precursor chemicals, finished methamphetamine, laboratories, and laboratory dump seizures;
- increase the use of community policing strategies during the investigation phase (including problem solving, partnerships, and organizational changes) to reduce the manufacture, distribution, and use of methamphetamine;
- increase anti-methamphetamine collaboration efforts during investigations with federal, state, local, and/or tribal partners involved in prevention, intervention and treatment, identification of drug endangered children, and enforcement activities.

Length of award term, maximum federal share, and local share requirements

All awards will have a performance period of two years (24 months) in duration and there is no local match required.

The COPS Office will review reasonable requests made for no-cost time extensions in the event that all funds granted have not been expended within the two year award period. CAMP recipients will be provided an opportunity to extend approximately 90 days prior to the award end date. Any extensions granted will be for time only and not for additional funding. Please be advised that all extension requests must be received by the COPS Office prior to the official award end date.

At present, this is a one-time funding opportunity and the COPS Office expects that all items, personnel, and/or training requested will be purchased or hired and the project implemented within the award period.

The COPS Office statutory nonsupplanting requirement mandates that CAMP funds be used to supplement (increase) the recipient's budget and may not supplant (replace) state, local, or Bureau of Indian Affairs funds that a recipient would otherwise have spent on sworn officer positions in the absence of the CAMP award.

Federal funding: Allowable and unallowable costs

All items requested will be considered on a case-by-case basis during the budget review process. Items under the program must be purchased using the legislative guidelines established by the appropriations legislation that governs this funding. In addition, each item requested must programmatically link to the activities described in your application. To the greatest extent practical, all equipment and products purchased with these funds must be American-made.

Allowable costs: Fundable requests

Applications should include a clear and demonstrated plan for implementing comprehensive anti-methamphetamine strategies. Each award application must explain how the proposed project would fit into an overall effort to increase and/or enhance methamphetamine investigation efforts. Budget requests may be made in the categories described in the following sections.

Sworn officer positions (salaries and benefits)

Sworn officer salary and fringe benefits apply to new, full-time entry level sworn career law enforcement officers not already funded in the applicant's local budget. A "career law enforcement officer" is a person hired on a permanent basis who is authorized by law or by a state, local, or tribal agency to engage in or oversee the prevention, detection, and/or investigation of violations of criminal laws. Officers must be hired on or after the award start date, and positions must directly relate to the CAMP project. Officers previously employed by your agency may be re-hired using CAMP award funds, but funding requests must be limited to your agency's entry level salary and benefits. If current personnel are redeployed into this program, they must be paid with local funds. COPS Office award funds may be used to backfill the resulting vacancy with newly hired personnel for an equivalent amount of time. [Please note: Overtime for sworn officers engaging in CAMP-related activities is an allowable cost; however, any overtime expenses requested for sworn officer positions must be listed in the "Other Costs" section of your application's budget. Overtime expenses must exceed the expenditures that your agency is obligated or funded to pay in its current budget.]

Civilian/Non-sworn personnel (salaries and benefits)

Civilian salary and fringe benefits apply to new personnel not already funded in the applicant's local budget. Staff must be hired on or after the award start date, and positions must directly relate to the CAMP project. Examples of allowable personnel and fringe benefits costs include those for civilian CAMP project coordinators or anti-methamphetamine/drug problem analysts.

Equipment/Technology

Equipment and/or technology costs shall provide agencies with the ability to purchase new or enhance existing equipment exclusively related to methamphetamine investigations. All items requested must be clearly linked to the enhancement or implementation of the CAMP project.

Supplies

Generally, supplies include any materials that are expended or consumed during the course of the CAMP project. Such costs may include training manuals, paper, printer ink, pens, postage, etc.

Travel/Training

Travel/training costs include award-related travel costs for the recipient or other (non-recipient) individuals to attend CAMP-related training and technical assistance conferences, seminars, or classes or to visit a site specified in the application. Expenses for transportation, lodging, meals, and incidental expenses (if travel is more than 50 miles from the program location) and temporary dependent care costs will be reviewed in accordance with applicable guidelines as part of the application process.

Contracts/Consultants

Consultant expenses and contracts include goods or services that directly contribute to the implementation or enhancement of the project. The use of a consultant should be more economical than direct employment. Contract/consultant costs may include costs to provide one-time training to staff for equipment operation/usage and contracting/consulting services that provide such things as needs analysis, installation, and testing. Compensation for individual consultant services procured under a COPS Office award must be reasonable and allocable in accordance with OMB cost principles and consistent with that paid for similar services in the marketplace. Unless otherwise approved by the COPS Office, consultant rates will be based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day. For consultant or contractor rates that exceed \$650 per day, the COPS Office requires written justification if the consultants or contractors are hired through a noncompetitive bidding process, and recipients must receive COPS Office approval of those rates before drawing down funds. Determinations will be made on a case-by-case basis.

Other costs

Other costs may include such items as software and prepaid warranties or maintenance agreements (not to exceed 24 months), overtime costs for sworn officers engaging in CAMP-related investigative activities, or other miscellaneous items that have a direct correlation to the overall success of a recipient's project objectives and are necessary for the project to reach full implementation.

Applicants must provide sufficient explanation for items requested via the "Budget Narrative" section of this application. Applicants will be notified of any points of clarification the COPS Office may require. Requests may be made only for items or positions that are not otherwise budgeted with state, local, or Bureau of Indian Affairs (BIA) funds and would not be funded in the absence of this COPS Office award.

In addition, any publication material developed and/or purchased with federal award funds must contain the following designation: "This project was supported by Award Number ___ funded by the U.S. Department of Justice, Office of Community Oriented Policing Services. The opinions contained herein are those of the author(s) and do not necessarily represent the official position or policies of the U.S. Department of Justice. References to specific agencies, companies, products, or services should not be considered an endorsement by the author(s) or the U.S. Department of Justice. Rather, the references are illustrations to supplement discussion of the issues."

Unallowable costs: Requests will NOT be funded

The items listed below are generally considered to be unallowable and may only be funded under extremely limited and extenuating circumstances and at the discretion of the COPS Office based on clear demonstration of a direct link between the requested item and the applicant's CAMP project. Before including any of these items in your project proposal, please contact the COPS Office Response Center at 800-421-6770.

This is not an exhaustive list, and items not listed below will be reviewed on a case-by-case basis. The COPS Office reserves the right to deny funding for items that may not be included on this list. Agencies are expected to request items that show a direct link between the requested item and the applicant's CAMP project. All requests must contribute directly to the specific purpose of the award project and relate to the parameters stipulated in the appropriations language enacted for FY 2016.

Requests for reimbursement of items purchased or expenses incurred prior to the award start date will not be funded.

Prohibited and Controlled Equipment:

COPS funds may not be used to purchase items listed at: https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wg_final_report_final.pdf

This controlled purchase list represents items controlled under the Executive Order on “Federal Support for Local Law Enforcement Equipment Acquisition” that was signed on January 16, 2015. Pursuant to Executive Order 13688 (Federal Support for Local Law Enforcement Equipment Acquisition), a federal interagency working group has been charged with, developing a consistent government-wide list of controlled equipment allow-able for acquisition by LEAs, as well as a list of those items that can only be transferred with special authorization and use limitations.

No items on this list can be purchased without first submitting a detailed justification that supports the need for this equipment. Applicants must show both extraordinary and exigent circumstances that require the purchase of such equipment. The requested item must be an allowable cost under the program. Recipients are strongly encouraged to submit this justification at the time of application. In particular, any justification that cannot show the exigent nature of the purchase and why it could not be submitted at time of application may not be approved.

Over the past several years, the COPS Office has provided funds in concert with the Drug Enforcement Administration (DEA) to support state and local law enforcement agencies with services necessary for the cleanup of hazardous waste seized during clandestine methamphetamine laboratory investigations. While the FY 2016 COPS Anti-Methamphetamine Program does not allow for the funding of clandestine laboratory cleanup activities, state and local law enforcement agencies may contact the DEA for assistance with properly and safely disposing of hazardous waste from clandestine laboratory sites. For further information and assistance in clan-lab cleanup activities, please contact the DEA at 202-307-4724.

Monitoring, reporting, and evaluation requirements

Federal regulations require that any financial assistance from the Federal Government be monitored to ensure that those funds are spent properly. Awarded agencies will be responsible for submitting quarterly Programmatic Progress Reports and a final Closeout Report. Awarded agencies will be responsible for timely submission of quarterly and final Federal Financial Reports. In addition, the COPS Office is interested in tracking the progress of its programs and the development of its recipients’ community policing strategies. Therefore, all COPS Office recipients will be required to participate in award monitoring activities of the U.S. Department of Justice including, but not limited to, the COPS Office, the Office of the Inspector General, and any entity designated by the COPS Office.

The COPS Office monitoring staff may take a number of monitoring approaches such as site visits, office-based award reviews, and periodic surveys to gather information. The COPS Office may seek information including, but not limited to, your agency’s compliance with nonsupplanting and financial requirements of the award and progress toward achieving your community policing strategy. Program and Monitoring Specialists as well as auditors are particularly interested in confirming that the purchase of approved items is consistent with the applicant’s proposal.

Though a formal assessment is not a requirement, departments are strongly encouraged to conduct an independent assessment of their respective projects. Project evaluations have proven to be valuable tools in helping departments identify areas in need of improvement, as well as providing data of successful processes.

Reporting

If awarded, recipients will be required to electronically submit their financial reports using the SF-425 form by the 30th day following the end of each calendar quarter, and a final report is due 90 days following the award end date. Recipients who do not submit SF-425 reports by the due date will be unable to drawdown funds.

In addition, if awarded, recipients will be required to electronically submit quarterly progress reports and a final progress report. The COPS Office will notify the recipient when the progress report is due and provide instructions for submission.

Please feel free to contact the COPS Office Response Center at 800-421-6770 to discuss any questions or concerns you may have regarding the monitoring, reporting, and evaluation requirements.

Performance Measures

To assist in fulfilling the U.S. Department of Justice's responsibilities under the Government Performance and Results Act Modernization Act (GPRAMA) of 2010, P.L. 111-352, recipients who receive funding from the Federal Government must measure the results of work that funding supports. GPRAMA specifically requires the COPS Office and other federal agencies to set program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

Performance measures for CAMP are as follows:

Objective	Performance Measures	Data Recipient Provides
Increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement's capacity to prevent, solve, and control crime through funding for personnel, equipment, and training.	To what extent has COPS Office award funding (e.g., officers, equipment/training, technical assistance) increased your agency's community policing capacity?	To what extent have COPS Office knowledge resources (e.g., training or publications) increased your agency's community policing capacity? Periodic progress reports providing an overview of COPS Anti-Methamphetamine Program award purchases/implementation and implementation of community policing strategies.

COPS Office awards target increasing recipient capacity to implement community policing strategies within the three primary elements of community policing: 1) problem solving; 2) partnerships; and 3) organizational transformation. The COPS Office requires all CAMP applicants to describe how the personnel, technology, equipment, and/or training requested will assist the applicant in implementing community policing strategies. For more information on community policing, please go to the COPS Office website at www.cops.usdoj.gov.

As part of the programmatic progress report, CAMP recipients will be required to report on their progress toward implementing community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to the CAMP program to better meet the program's objective and law enforcement agency needs.

Electronic submission of the SF-424 in two parts via Grants.gov and the COPS Office website

Please read the following important information before attempting to submit your application via the COPS Office website:

- Completing an COPS Anti-Methamphetamine Program application is a two-step process. Applicants are first required to register via www.grants.gov and complete an SF-424. The Grants.gov funding code for this solicitation is COPS- COPS Anti-Methamphetamine Program -Application-2016. Once the SF-424 has been submitted, applicants will receive an e-mail from the COPS Office with instructions on completing the second part of the COPS Anti-Methamphetamine Program application through the COPS Office Online Application System. If you have not renewed your COPS Office Account Access information, contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.
- It is strongly recommended that applicants register immediately on Grants.gov. In addition, applicants are strongly encouraged to complete the SF-424 as quickly as possible. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through Grants.gov or the COPS Office Online Application System. An application is not considered submitted until you have submitted your SF-424 on Grants.gov and the second part of the application on the COPS Office website.
- Confirmation of submission: After completing the second part of the application and clicking "Submit," applicants will receive a message stating "Your application has been successfully recorded." The confirmation page will also provide the submission date, ORI, confirmation number, and program type.
- For technical assistance with submitting the SF-424, call the Grants.gov Contact Center at 800-518-4726 or e-mail support@Grants.gov. For assistance with submitting the application through the COPS Office Online Application System, please call the COPS Office Response Center at 800-421- 6770 or send questions via e-mail to AskCopsRC@usdoj.gov.
- To apply for funding, applicants must have a DUNS number (DUNS numbers are required of all agencies requesting federal funding) and have an active registration with the System for Award Management (SAM) database.
- Applicants must comply with any word and/or field limit requirements described in the COPS Office Application Guide.

- Applicants will have the opportunity to print a copy of the application prior to submission and another copy of the application after it has been submitted. Please note that the application package cannot be submitted until all required fields have been completed. Note: If Internet access is not available to print a copy of the application package, contact the Response Center at 800-421-6770 to request that a printed copy be sent to you.
- Applicants will be able to print a copy of the application package only for reference while completing the application online via the COPS Office website. The COPS Office will not accept applications submitted via mail or e-mail.
- Do not wait until the application deadline date to begin the application process through the COPS Office website. The registration steps may take several days to complete, and if you wait until the application deadline date you may be unable to submit your application online.

In addition, all applicants are required to maintain current registrations in the System for Award Management (SAM) database. SAM replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. DOJ requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Applicants must update or renew their SAM registration annually to maintain an active status.

Applicants that were previously registered in the CCR database must at a minimum

- create a SAM account;
- log in to SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM registration procedures can be accessed at www.sam.gov.

Obtaining a Data Universal Numbering System (DUNS) number

The Federal Government requires that all applicants for federal grants and cooperative agreements, with the exception of individuals other than sole proprietors, have a Data Universal Numbering System (DUNS) number prior to application submission. The DUNS number is used to identify related organizations that are receiving funding under grants and cooperative agreements and to provide consistent name and address data for electronic grant application systems. A DUNS number may be obtained by telephone at 866-705-7511 or via the Internet at fedgov.dnb.com/webform.

Data Universal Numbering System (DUNS) number

- The DUNS number is a unique nine- or thirteen-digit identification number provided by Dun & Bradstreet (D&B).
- The DUNS number is site-specific. Therefore, each distinct physical location of an entity (such as branches, divisions, and headquarters) may be assigned a DUNS number. Organizations should try to keep DUNS numbers to a minimum. In many instances, a central DUNS number with a DUNS number for each major division/department/agency that applies for a grant may be sufficient.
- You should verify that you have a DUNS number or take the steps needed to obtain one as soon as possible, if there is a possibility you will be applying for future federal grants or cooperative agreements. There is no need to wait until you are submitting a particular application.

- **If you already have a DUNS number.** If you, as the entity applying for a federal grant or cooperative agreement, previously obtained a DUNS number in connection with the federal acquisition process or requested or had one assigned to you for another purpose, you should use that number on all of your applications. It is not necessary to request another DUNS number from D&B. You may request D&B to supply a family-tree report of the DUNS numbers associated with your organization. Organizations should work with D&B to ensure the right information is on the report. Organizations should not establish new numbers, but use existing numbers and update or validate the information associated with the number.
- **If you are not sure whether you have a DUNS number,** call D&B using the toll-free number 866-705-5711 and indicate that you are a federal grant applicant or prospective applicant. D&B will tell you if you already have a number. If you do not have a DUNS number, D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.

To obtain your DUNS number

- The requestor may obtain a DUNS number via the Internet at fedgov.dnb.com/webform.
- The requestor may also obtain a DUNS number via telephone at 866-705-5711. The phone is staffed from 8:00 a.m. to 6:00 p.m. (local time of the caller when calling from within the contiguous United States). Calls placed to the above number outside of those hours will receive a recorded message requesting the caller to call back between the operating hours. The process to request a number takes about 5–10 minutes. A DUNS number will be assigned at the conclusion of the call. You will need to provide the following information:
 - Legal name
 - Headquarters name and address for your organization
 - Doing business as (DBA) or other name by which your organization is commonly known or recognized
 - Physical address, city, state, and ZIP code
 - Mailing address (if separate from headquarters and/or physical address)
 - Telephone number
 - Contact name and title
 - Number of employees at your physical location

Managing your DUNS number

- D&B periodically contacts organizations with DUNS numbers to verify that their information is current. Organizations with multiple DUNS numbers may request a free family tree listing from D&B to help determine what branches or divisions have numbers and whether the information is current. Please call the dedicated toll-free DUNS number request line at 866-705-5711 to request your family tree.
- D&B recommends that organizations with multiple DUNS numbers have a single point of contact for controlling DUNS number requests to ensure that the appropriate branches or divisions have DUNS numbers for federal purposes.
- As a result of obtaining a DUNS number you have the option to be included on D&B's marketing list that is sold to other companies. If you do not want your name or organization included on this marketing list, request to be de-listed from D&B's marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

Obtaining a DUNS number is absolutely free for all entities doing business with the Federal Government. This includes grant and cooperative agreement applicants or prospective applicants and federal contractors. Be certain to identify yourself as a federal grant applicant or prospective applicant.

Registering with the System for Award Management (SAM)

Applicants for all federal grants are required to register with the System for Award Management (SAM). If your organization already has an Employer Identification Number (EIN), your SAM registration will take up to two weeks to process. If your organization does not have an EIN, then you should allow two to five weeks for obtaining the information from the IRS when requesting the EIN via phone, fax, mail, or Internet. Follow the steps listed below to register in the SAM:

To register in SAM, follow the next steps:

Step 1.

Obtain a DUNS number at www.dnb.com/us/ or call 866-705-5711.

Step 2.

Access the SAM online registration through the SAM home page at www.sam.gov/ and follow the online instructions for new SAM users.

Step 3.

Complete and submit the online registration. If you already have the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of your business or organization. Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.

To migrate your legacy system user account from Central Contractor Registration (CCR), FedReg, ORCA, or EPLS, you must first create a personal account in SAM by clicking on "Create an Account" on the homepage. An individual account is required to manage entity registrations in SAM. You will not be able to manage your registration unless you create a system account in SAM. Once you validate that you have access to the e-mail address you provided during the registration process and login, you will see a message on the user dashboard (My SAM) that will ask you, "Would you like to migrate a legacy system account?" Click "Yes" to begin the migration process. Alternatively, you may click on "Manage My User Roles," then on "Migrate Legacy Account" link to begin the migration process. The roles you had with the legacy system will be mapped to your SAM account.

To update your entity's SAM registration, follow the next steps:

Step 1.

Go to the SAM homepage (www.sam.gov), enter your username and password, and then click the "Log In" button.

Step 2.

Select "Complete Registrations" under Registration/Update Entity" in the left navigation pane.

Step 3.

Select the entity record that you want to update and click the "Update" button.

For more details on updating your registration, please refer to the SAM User Guide, available at www.sam.gov.

If awarded funds, your agency must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

To review the System for Award Management and Universal Identifier Award Term, please see appendix D on page 62 of this guide.

Geographic Names Information System (GNIS) ID number

The Geographic Names Information System (GNIS) database is maintained by the U.S. Geological Survey, U.S. Department of the Interior. The database assigns a unique, permanent feature identifier, the feature ID, which is the only standard federal key for integrating or reconciling feature data from multiple datasets.

To determine your jurisdiction's feature ID number, follow these steps:

- Go to geonames.usgs.gov/ and click on "Search Domestic Names."
- From this screen, you can enter the name of your jurisdiction (for example, "Cleveland").
- Select your state ("Ohio").
- Click "Send Query." (The results will show that Cleveland, Ohio, is a populated place with a feature ID of 1066654.)
- Enter this seven-digit number into your application form. Some jurisdictions may have feature IDs of less than seven digits; for example, American University is a school in the District of Columbia with a feature ID of 531560. In this case, you should place a "0" in front of the number to ensure that seven digits are entered into the application form (e.g., 0531560).

Deadline/Application period

The application period for the 2016 COPS Anti-Methamphetamine Program begins **March 29, 2016**. All applications must be submitted by **June 1, 2016, at 7:59 p.m. EDT**. Applications submitted after **June 1, 2016, at 7:59 p.m. EDT** will not be considered for funding.

I. & II. Assurances and Certifications (also refer to section 15 on page 49 of this application guide and Standard Application forms.)

Applicants to COPS Office programs are required to sign the standard Assurances and Certifications forms. Signing these documents assures the COPS Office that you have read and understood and that you accept the grant terms and conditions as outlined in the Assurances and Certifications. Please read these documents carefully, as signatures on these documents are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to award the covered grant.

III. Disclosure of Lobbying Activities (also refer to section 16 on page 49 of this Application Guide and Standard Application forms.)

This disclosure form shall be completed by the reporting entity, whether subrecipient or prime federal recipient, at the initiation or receipt of a covered federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. § 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with a covered federal action. Complete all items that apply for both the initial filing and material change reports. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

If this applies to your agency, you are required to complete the disclosure form in section 16 of the application. If you need to complete and submit additional forms, please complete and submit them as attachments to your application online.

IV. Nonsupplanting requirement

The COPS Office nonsupplanting requirement mandates that award funds not be used to replace state or local funds (or, for tribal recipients, Bureau of Indian Affairs funds) that would, in the absence of federal aid, be made available for the purpose of the award. Instead, award funds must be used to increase the total amount of funds that would otherwise be made available for the award purposes.

A recipient may not use COPS Office funds to pay for any item or cost associated with this funding request that the recipient is already obligated to pay. Nonfederal funds allocated to pay for award purposes, may not be reallocated to other award purposes or refunded should COPS Office funding be awarded. Nonfederal funds must remain available for and devoted to that purpose, with COPS Office funds supplementing those nonfederal funds. Funding awarded cannot be obligated until after the award start date (unless an exception is authorized in writing by the COPS Office). This means that COPS Office funds cannot be applied to any agency cost incurred prior to the award start date.

The possibility of supplanting will be the subject of careful application review, possible pre-award review, and post-award monitoring and audit. Any supplanting of nonfederal funds by COPS Office award funds may be grounds for potential suspension.

If you have questions concerning the nonsupplanting requirement while completing this application, please contact the COPS Office Response Center at 800-421-6770 or AskCopsRC@usdoj.gov for further information.

V. Procurement and sole source justification

Sole source, or procurement by noncompetitive proposals, is procurement through solicitation of a proposal from only one source. Sole source procurements must adhere to the standards set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.318, as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101.

For the purchase of equipment, technology, or services under a COPS Office award, grant recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in 2 C.F.R. § 200.320 as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101. A sole source justification request should be submitted if a grant recipient determines that the award of a contract through a competitive process is infeasible. If a recipient determines that the award of a contract through a competitive process is infeasible, and if one of the following circumstances applies—(1) the item or service is available only from one source; (2) the public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation; (3) competition is determined inadequate after solicitation of a number of sources; or (4) based on one or more of the circumstances above, the COPS Office expressly authorizes noncompetitive proposals in response to a written request from the law enforcement entity—the grant recipient must seek written authorization from the COPS Office for sole source procurements in excess of \$150,000. Written approval for sole source procurements from the COPS Office must be received prior to purchasing equipment, technology or services; obligating funding for a contract; or entering into a contract with grant funds.

Requests for sole source procurements of equipment, technology, or services in excess of \$150,000 must be submitted to the COPS Office in writing certifying that the award of the contract through full and open competition is infeasible. The sole source request must be prepared on department letterhead.

The request should also include the following information:

Section I – A brief description of the project, the amount to be designated for the sole source procurement, and the purpose of the contract.

Section II – A statement identifying which one (or more) of the four circumstances identified below apply to the procurement transaction and an explanation as to why it is necessary to contract in a noncompetitive manner. Include supporting information as identified below under the applicable section(s).

1. The item or service is available only from one source.
 - Uniqueness of items or services to be procured from the proposed contractor or vendor (compatibility, patent issues, etc.)
 - How the agency determined that the item or service is only available from one source (market survey results, independent agency research, patented or proprietary system, etc.)
 - Explanation of need for contractor's expertise linked to the current project (knowledge of project management, responsiveness, experience of contractor personnel, prior work on earlier phases of project, etc.)
 - Any additional information that would support the case
2. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
 - When the contractual coverage is required by your department and why
 - Impact on project if deadline dates are not met

- How long it would take an alternate contractor to reach the same required level of competence (equate to dollar amounts, if desired)
 - Any additional information that would support the case
3. Competition is determined inadequate after solicitation of a number of sources.
- Results of a market survey to determine competition availability; if no survey is conducted, please explain why not
 - Any additional information that would support the case

Section III – A declaration that this action or choice is in the best interest of the agency.

Upon receipt of the request for sole source authorization, the COPS Office will review to determine if competition is infeasible, and your agency will be contacted if any of the identified information is missing or if additional supporting information is required. If the COPS Office determines that the request does not meet the standards set forth above, the request will be denied.

Please be advised that conflicts of interest are prohibited under the procurement standards set forth in 2 C.F.R. § 200.318 as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101.

If you have any questions regarding the federal requirements that guide procurement procedures, please contact the COPS Office Response Center at 800-421-6770.

VI. Criminal intelligence systems/28 C.F.R. Part 23 compliance

If your agency is receiving COPS Office funding for equipment or technology that will be used to operate an interjurisdictional criminal intelligence system, you must agree to comply with the operating principles found at 28 C.F.R. Part 23. An “interjurisdictional criminal intelligence system” is generally defined as a system that receives, stores, analyzes, exchanges, or disseminates data regarding ongoing criminal activities (such activities may include, but are not limited to, loan sharking, drug or stolen property trafficking, gambling, extortion, smuggling, bribery, and public corruption) and shares this data with other law enforcement jurisdictions. 28 C.F.R. Part 23 contains operating principles for these interjurisdictional criminal information systems which protect individual privacy and constitutional rights.

If you are simply using the COPS Office funds to operate a single agency database (or other unrelated forms of technology) and will not share criminal intelligence data with other jurisdictions, 28 C.F.R. Part 23 does not apply to this grant.

VII. Certification to mitigate possible adverse health, safety, and environmental impacts—not applicable under CAMP

VIII. Community Policing Self-Assessment Tool (CP-SAT)—not applicable under CAMP

IX. System for Award Management (SAM) and Universal Identifier requirements

Unless you are exempted from this requirement under 2 C.F.R. § 25.110, you as the recipient must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration and more frequently if required by changes in your information or other award term.

To review the System for Award Management and Universal Identifier Award Terms, please see appendix D.

X. Federal Funding Accountability and Transparency Act (FFATA)—Reporting subaward and executive compensation information

The Federal Funding Accountability and Transparency Act of 2006 (FFATA) requires, among other things, that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Applicants should note that all recipients of awards of \$25,000 or more under this solicitation, consistent with FFATA, will be required to report award information on any first-tier subawards totaling \$25,000 or more and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. If applicable, the FFATA Subaward Reporting System (FSRS), accessible via the Internet at www.fsr.gov, is the reporting tool recipients under this solicitation will use to capture and report subaward information and any executive compensation data required by FFATA.

The subaward information entered in FSRS will then be displayed on www.USASpending.gov, associated with the prime award, furthering federal spending transparency.

Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the applicable reporting requirements should it receive funding.

To review the FFATA Reporting Subaward and Executive Compensation Award Term, please see appendix C.

XI. Contract provision under federal award

All contracts made by the recipients under the federal award must contain the provisions required under 2 CFR Appendix II to part 200 (Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards) as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101.

For the full text of 2 CFR Appendix II to Part 200, please refer to appendix F on page 54 of this application guide.

XII. Prior approval, planning, and reporting of conference/meetings/training costs

If awarded funds, recipients will be required to obtain written approval from the COPS Office prior to entering into any contract, agreement, or other obligation for costs related to any conference, meeting, retreat, seminar, symposium, training activity, or similar event funded under this award. For more information on allowable costs, please visit http://ojp.gov/archives/financial_guides/financialguide11/PostawardRequirements/chapter14page1.htm.

XIII. Curriculum development—Not applicable under CAMP

XIV. Restrictions on internal confidentiality agreements

Recipients, subrecipients, or entities that receive a contract or subcontract with any funds under this award, may not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts the lawful reporting waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

XV. Mandatory disclosure

Recipients and subrecipients are required to timely disclose in writing to the COPS Office or pass-through entity, as applicable, all federal criminal law violations involving fraud, bribery, or gratuity that may potentially affect the awarded federal funding. Recipients agree to report certain civil, criminal, or administrative proceedings in SAM, if it received an award with the Term and Condition for Recipient Integrity and Performance Matters as outlined in 2 C.F.R. Part 200, Appendix XII to Part 200. Failure to make required disclosures can result in any of the remedies, including suspension and debarment, described in 2C.F.R. § 200.238.

XVI. Debarment and Suspension

Recipients agree not to award Federal funds under this program to any party which is debarred or suspended from participation in Federal assistance programs.

For the full text please refer to Appendix E of this Application Guide.

XVIII. False Statements

False statements or claims made in connection with COPS grants may result in fines, imprisonment, or debarment from participating in federal grants or contracts, and/or any other remedy available by law.

XIX. Duplicative Funding

Recipients agree to notify the COPS Office if they receive, from any other source, funding for the same item(s) or service(s) also funded under this award.

XX. Additional High-Risk Grantee Requirements

Recipients agree to comply with any additional requirements that may be imposed during the award performance period if the awarding agency determines that the recipient is a high-risk grantee (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.207 as adopted by the Department of Justice in 2 C.F.R. § 2800.101).

XXI. Modifications

Occasionally, a change in an agency's fiscal or law enforcement situation necessitates a change in its COPS Program award. Award modifications are evaluated on a case-by-case basis. All modification requests involving new budget items must be approved, in writing, by the COPS Office prior to their implementation. In addition, please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

XXII. Evaluations

The COPS Office may conduct monitoring or sponsor national evaluations of the COPS Program. Recipients agree to cooperate with the monitors and evaluators.

XXIII. Allowable Costs

The funding under this award is for the payment of approved costs identified in the Financial Clearance Memorandum (FCM). Recipients may not earn or keep any profit resulting from the award unless expressly authorized, in writing, by the COPS Office.

Recipients also agree to provide to their employees in writing (in the predominant native language of the workforce) of the rights and remedies provided in 41 U.S.C. § 4712. Please see Appendix X in this Application Guide for a full text of the statute.

XXVIII. Federal Civil Rights

As a condition of receipt of federal financial assistance, recipients acknowledge and agree that they will not (and will require any subgrantees, contractors, successors, transferees, and assignees not to), on the grounds of race, color, religion, national origin (which includes providing limited English proficient persons meaningful access to your programs), sex, disability or age, unlawfully exclude any person from participation in, deny the benefits of or employment to any person, or subject any person to discrimination in connection with any programs or activities funded in whole or in part with federal funds. These civil rights requirements are found in the non-discrimination provisions of Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000d); the Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 U.S.C. § 3789d); Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794); the Age Discrimination Act of 1975 (42 U.S.C. § 6101, et seq.); Title IX of the Education Amendments of 1972, as amended (20 U.S.C. § 1681, et seq. and the corresponding U.S. Department of Justice regulations implementing those statutes at 28 C.F.R. part 42 (subparts C, D, E, G, and I).

Recipients also agree to comply with Executive Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations; Executive Order 13559, Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations; and the U.S. Department of Justice implementing regulations at 28 C.F.R. Part 38.

XXIX. Conflict of Interest

Recipients must disclose in writing to the COPS Office or pass-through entity, as applicable, any potential conflict of interest affecting the awarded federal funding in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.112 as adopted by the Department of Justice in 2 C.F.R. § 2800.101.

XXX. Reports/Performance Goals

Recipients will be responsible for submitting quarterly programmatic progress reports that describe project activities during the reporting period and quarterly Federal Financial Reports using Standard Form 425 (SF-425). The progress report is used to track recipient's progress toward implementing community policing strategies and to collect data to gauge the effectiveness of increasing your agency's community policing capacity through COPS funding.

XXXI. Extensions

Recipients may request an extension of the award period to receive additional time to implement your grant program. Such extensions do not provide additional funding. Awards may be extended a maximum of XX months beyond the initial award expiration date. Any request for an extension beyond XX months will be evaluated on a case-by-case basis. Only recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Reasonable justifications may include technology implementation delays, procurement challenges, change in administration, staff turnover of key grant/grant-funded personnel, training delays, hiring and recruitment delays or other circumstances that interrupt the XX-month grant funding period. An extension allows recipient to compensate for such delays by providing additional time to complete the full XX months of funding. Extension requests must be received prior to the end date of the award.

XXXII. Computer Network Requirement

Recipients agree that no award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

XXXIII. Grant Monitoring Activities

Federal law requires that law enforcement agencies receiving federal funding from the COPS Office must be monitored to ensure compliance with their grant conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Grant monitoring activities conducted by the COPS Office include site visits, enhanced office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. Recipients agree to cooperate with and respond to any requests for information pertaining to their award.

XXXIV. Community Policing

Community policing activities to be initiated or enhanced by recipients were identified and described in their award application. Recipients develop a community policing plan for the grant with specific reference to a crime or disorder problem and the following elements of community policing: a) problem solving—a recipient's plan to assess and respond to the problem identified; b) community partnerships and support, including related governmental and community initiatives that complement a recipient's

proposed use of funding; and c) organizational transformation—how a recipient will use the funds to reorient its mission to community policing or enhance its involvement in and commitment to community policing. Throughout the grant period recipients are required to implement the community policing plan they set forth in the grant application.

XXXV. Retention – Not applicable to CAMP

XXXVI. Contracts and/or MOUs with Other Jurisdictions

Equipment, technology, training, vehicles, sworn law enforcement officer positions and civilian positions, awarded may only be used for law enforcement activities or services that exclusively benefit the recipient/taskforce and the population that it serves.

XLIII. Travel Costs

Travel costs for transportation, lodging and subsistence, and related items are allowable under the Community Policing Development Program with prior approval from the COPS Office. Payment for allowable travel costs will be in accordance with 2 C.F.R. § 200.474 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) as adopted by the Department of Justice in 2 C.F.R. § 2800.101.

XLIV. State Information Point of Contact

Recipients agree to ensure that the appropriate State Information Technology Point of Contact receives written notification regarding any information technology project funded by the Community Policing Development award during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, recipients agree to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <http://it.ojp.gov/default.aspx?area=policyAndPractice&page=1046>.

XXXIX. Public Release Information – Not applicable to CAMP

XL. News Media – if applicable

Recipients agree to comply with the COPS Office policy on contact with the news media. The policy establishes the COPS Office Communications Division as the principal point of contact for the news media for issues relevant to the COPS Office and/or parameters of the award. Recipients agree to refer all media inquiries on these topics directly to the COPS Office Communications Division at 202.514.9079.

XLI. Paperwork Reduction Act

Recipients agree, if required, to submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget (OMB) for clearance under the Paperwork Reduction Act (PWRA) of 1995.

Application review information

The COPS Office is committed to ensuring a fair and open process for making awards. The COPS Office will review the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation.

This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff or in collaboration with the peer review process.

Peer reviewers will be reviewing the applications submitted under this program that meet eligibility and/or basic minimum requirements. Each program may use either internal peer reviewers, external peer reviewers, or a combination to review the applications under this solicitation. Applications that meet eligibility and basic minimum requirements will be evaluated and ranked by peer reviewers.

Peer reviewers will review the applicant's project narrative and evaluate the following: (a) problem identification, (b) current activities, (c) task force participation, (d) collaboration and partnerships, (e) proposed strategies, and (f) budget items requested.

Successful applications will

- identify and describe the problem in detail using relevant facts, statistics, or other supporting information;
- comprehensively detail their current investigative activities;
- describe their participation, structure, responsibilities, and role in their task force or their plan to establish one;
- describe their current and proposed collaboration efforts with federal, state, local, and/or tribal partners;
- provide a budget that is complete, allowable, supports the total cost of the project, and directly relates to and supports the activities described in the proposal.

Each section of the project narrative will be scored on the following scale:

- **5—Comprehensive.** The application provides a thorough discussion of all elements identified for the section with no substantial weaknesses. The discussion is clear, detailed, and supported by the information provided. The information provided clearly supports the information provided in other sections of the application.
- **4—Substantial.** The application provides a strong discussion of all key elements identified for the section. The discussion is clear, detailed, and supported by the information provided. A limited number of elements may be incomplete.
- **3—Satisfactory.** The application provides an adequate discussion of all key elements identified for the section. The discussion is clear and supported by the information provided. Multiple elements may be incomplete.
- **2—Marginal.** The application provides inadequate discussion of some elements identified for the section. The discussion may be unclear, lacking in detail, or not supported by the information provided.
- **1—Poor.** The application lacks discussion of many elements identified for the section. The discussion provided is unclear, lacking in detail, and/or not supported by the information provided.
- **0—Unresponsive.**

Applications that meet eligibility and basic minimum requirements will be evaluated and ranked by peer reviewers as not recommended, recommended, or highly recommended.

Highly recommended. The full proposal provides a superior explanation of the requested selection criteria and presents the material in a sound and/or innovative approach. The full proposal comprehensively addresses the requested selection criteria. The result of the proposal has the potential to make significant impact in the field.

Recommended. The full proposal provides a satisfactory design and demonstrates the potential for making an impact in the field. The full proposal addresses the requested selection criteria.

Not recommended. The full proposal does not provide satisfactory explanation of the requested selection criteria. The program approach is weak. The application needs significant revisions and clarifications.

Within each of these rankings, each proposal will be ranked again based on seizure data provided. The highest ranking proposals will be considered for funding. Priority consideration will be given to applicants that receive a "Highly Recommended" rating AND were not previously funded under CAMP.

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the budget detail worksheet and narrative accurately supports and explains project costs. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff.

In addition, prior to making an award greater than the simplified acquisition threshold (currently set at \$150,000), any information about applicants that is in the designated integrity and performance system accessible through SAM will be reviewed and considered. Applicants may review and comment on any information about them in SAM that a Federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

Past performance on previous awards may be in an indicator in this review process. Financial and programmatic performance factors may be included in the past performance review.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including, but not limited to, underserved populations, population served, geographic diversity, strategic priorities, past performance, and available funding when making awards.

The award document

The award document is the document indicating your official award funding amount, the award number, the award conditions, and the award start and end dates.

The award document is preprinted with your agency's law enforcement and government executives' names. If this information is incorrect or has changed, please update your "Agency Contacts" online at www.cops.usdoj.gov through the "Account Access" link. If the law enforcement or government official has changed since the time of application, please have the current law enforcement executive or government executive for your agency create an account through the "Account Access" link, log in, and sign the award document once your agency contacts have been updated online. Once you have reviewed your award document, please electronically sign it and make a copy of all pages of the document for your records, along with all award condition pages, within 90 days of the date shown on the award congratulatory letter.

The award start date indicated on the award document means that your agency may be reimbursed for any allowable costs incurred on or after this date. The duration of your CAMP award is 24 months of funding for each award.

Your award number is in the following format: 2016-AMWX-0000 for awards awarded in FY 2016. The COPS Office tracks award information based upon this number. Therefore, it is important to have your agency's award number (or your agency's ORI number) readily available when corresponding with the COPS Office.

Your originating agency identifier (ORI) number begins with your state abbreviation followed by five numbers or letters (e.g., VA00000). This number is assigned by the Federal Bureau of Investigation (FBI) for use in tracking information for the Uniform Crime Report (UCR). The COPS Office tracks programmatic award information based upon this ORI number. If your agency does not have an ORI number assigned by the FBI, the COPS Office assigns a nonofficial ORI code to use as an agency identifier (in such cases, the last two characters will be "ZZ"). If you have any questions regarding your award, please refer to your award number or your agency's ORI number when you contact the COPS Office.

The award conditions are listed on your agency's award document. By accepting this award, you are obtaining federal funds from the COPS Office. As part of that agreement, if awarded, your agency will acknowledge that it will comply with these conditions (and, if applicable, additional special conditions specific to your agency).

In limited circumstances, your award may be subject to special conditions that prevent your agency from drawing down or accessing award funds until the special conditions are satisfied as determined by the COPS Office. Any special conditions will be included with your award.

Administrative and national policy requirements

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with award terms and conditions, and other legal requirements including, but not limited to, OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

Please see general terms and conditions on page 21.

Suspension or termination of funding

The COPS Office may suspend, in whole or in part, or terminate funding or impose other sanctions on a recipient for the following reasons:

- • Failure to substantially comply with the requirements or objectives of the Public Safety Partnership and Community Policing Act of 1994, program guidelines, or other provisions of federal law
- • Failure to make satisfactory progress toward the goals or strategies set forth in this application
- • Failure to adhere to grant agreement requirements or special conditions
- • Proposing substantial plan changes to the extent that, if originally submitted, would have resulted in the application not being selected for funding
- • Failure to submit required or requested reports
- • Filing a false statement or certification in this application or other report or document
- • Other good cause shown

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent

to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

Awards terminated due to non-compliance with the Federal statutes, regulations, or award terms and conditions, will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office grants may result in fines, imprisonment, debarment from participating in federal grants or contracts, and/or any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice Award.

FY 2016 CAMP is a competitive award program with a focus on advancing public safety by providing funds to investigate illicit activities related to the manufacture and distribution of methamphetamine. CAMP provides funding directly to state law enforcement agencies in states with high seizures of precursor chemicals, finished methamphetamine, laboratories, and laboratory dump seizures for the purpose of locating and investigating illicit activities including precursor diversion, laboratories, or methamphetamine traffickers. Only state law enforcement agencies authorized by law or by a state agency to engage in or to supervise anti-methamphetamine investigative activities are eligible to apply for funding. Additional consideration will be given to agencies participating in anti-methamphetamine task forces with multijurisdictional reach and interdisciplinary team structures.

Before proceeding with this application, we ask that you please log on to the COPS Office Agency Portal to update the agency providing law enforcement services as your Law Enforcement Executive/Agency Executive Information. This information will be pre-populated from the COPS Office Agency Portal in section 4 of this application, so please ensure its accuracy.

Section 3. General agency information

Please provide accurate agency information, as this information is used to identify your agency and may be used along with other data collected to determine funding eligibility.

A. Applicant ORI number

The ORI number is assigned by the FBI and is your agency's unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county's code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your grant. ORI numbers assigned to agencies by the COPS Office may end in "ZZ."

B. Applicant Data Universal Numeric System (DUNS) number

The Federal Government requires that all applicants for federal grants and cooperative agreements, with the exception of individuals other than sole proprietors, have a Data Universal Numbering System (DUNS) number prior to application submission. A DUNS number is a unique nine- or thirteen-digit sequence recognized as the standard identifier for entities receiving federal funds, and provides consistent name and address data for electronic grant application systems. A DUNS number may be obtained by telephone at 866-705-7511 or via the Internet at fedgov.dnb.com/webform. For more information about how to obtain a DUNS number, please refer to the "How to Apply" section of this application guide.

C. System for Award Management (SAM)

The System for Award Management (SAM) database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. The Federal Government requires that all applicants of federal grant funds and cooperative agreements—with the exception of individuals other than sole proprietors—be registered in the database prior to application submission. Please contact the SAM Service Desk at 866-606-8220 or view or update your registration information at www.sam.gov. If your SAM registration is set to expire prior to September 30, 2016, please renew your SAM registration prior to completing this application. All applicants are required to maintain current registrations in the SAM database. Please note that applicants must update or renew their SAM at least once per year to maintain an active status. For more information about how to register with SAM, please refer to the "How to Apply" section of this application guide.

Be advised that COPS Office grant funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application and/or an active award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state subawarded federal funds) that supports the same or similar activities or services as being proposed in this COPS Office application. Check all that apply using the check boxes provided in the application.

The total size per attachment must not exceed 20 MB, and .zip files are not acceptable attachments and must not be submitted. All CAMP applicants must attach both a project narrative and a budget narrative. Your project narrative attachment must address each element on the following form: http://www.cops.usdoj.gov/pdf/2016AwardDocs/camp/CAMP_Project_Narrative.pdf. Your budget narrative attachment must address each element on the following form: http://www.cops.usdoj.gov/pdf/2016AwardDocs/camp/CAMP_Budget_Narrative.pdf. The budget narrative must (1) describe each item requested or group of similar items requested and (2) link each item or group of items to the proposed project. All items will be reviewed on a case-by-case basis and in context of the allowable and unallowable costs lists. See section 14, Budget detail worksheets and Budget narrative attachment, for additional guidance.

Please use appropriately descriptive file names (e.g., Program Narrative, Budget Detail Worksheet and Budget Narrative, Timelines, Memoranda of Understanding, Resumes, etc.) for all attachments.

Please do not submit executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: .com, .bat, .exe, .vbs, .cfg, .dat, .db, .dbf, .dll, .ini, .log, .ora, .sys, and .zip. The system may reject applications with files that use these extensions.

Section 14. Budget detail worksheets and budget narrative attachment

Instructions for completing the budget detail worksheets and budget narrative attachment

Included within this section are instructions and sample information for completing the budget detail worksheets and budget narrative. Please complete each section of the budget detail worksheets as applicable. If you are requesting new entry level full-time officer positions not currently funded in your agency's local budget, please indicate the number of positions. If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested. **Budget requests must not exceed the two year grant period. Please insert zeros for all categories in year 3.**

The budget detail worksheets request that you provide a specific description for each item and explain how it supports the project goals and objectives outlined in your application. Applicants will be providing this information as part of the budget narrative attachment and not as part of the budget detail worksheets. Please note: ALL CAMP APPLICANTS MUST ATTACH THE BUDGET NARRATIVE AS PART OF SECTION 13. (Attachment available at: http://www.cops.usdoj.gov/pdf/2016AwardDocs/camp/CAMP_Budget_Narrative.pdf)

In the budget narrative attachment, you must provide a brief description of the item(s) proposed for purchase, their purpose, and how the item(s) relate to the overall project. Sections A, B, C, D, E, F, and G and the budget summary of the COPS Office budget detail worksheets are applicable to the COPS Anti-Methamphetamine Program. Like items may be grouped together for ease of reporting. Each item in the budget narrative must fall under one of seven categories:

1. Sworn officer positions and fringe benefits
2. Civilian/Nonsworn personnel and fringe benefits
3. Equipment/Technology
4. Supplies
5. Travel/ Training
6. Contracts/Consultants
7. Other costs

Finally, every item included on the budget detail worksheets must be included in the budget narrative attachment. For your convenience, we have included a sample budget narrative and budget detail worksheets. For more information, please see the "Allowable and Unallowable Costs" section.

All final calculations should be rounded to the nearest whole dollar. Also, please note that the total project amount requested in your COPS Anti-Methamphetamine Program may not exceed the program cap of \$1,500,000. Once the budget for your application has been completed, a budget summary page will reflect the total amounts requested in each category and the total project costs.

Sample budget detail worksheets

The following budget detail worksheets are designed to allow all COPS Office award and cooperative agreement applicants to use the same budget forms to request funding. Please refer to the "Allowable/ Unallowable Costs" section of this application guide, because these costs vary widely among programs.

To assist you, sample budget detail worksheets are included in this application guide.

If you need assistance in completing the budget detail worksheets, please call the COPS Office Response Center at 800-421-6770.

Instructions: This worksheet will assist your agency in reporting your agency's current entry level salary and benefits and identifying the total salary and benefits request per officer position for the length of the award term. Please list the current entry level base salary and fringe benefits rounded to the nearest whole dollar for one full-time sworn officer position within your agency. Please list only your agency's contribution of each fringe benefit item; do not include employee contributions. Please insert zeros for all categories in year 3.

Please note: If sick leave and/or vacation leave costs are already reflected in the base salary figure provided in section 14A, subsection A. Base salary information, please DO NOT also list these costs individually under fringe benefits (section 14A, subsection B).

SECTION 14A: BUDGET DETAIL WORKSHEETS

Instructions: This worksheet will assist your agency in reporting your agency's current entry-level salary and benefits and identifying the total salary and benefits request per officer position for the length of the grant term. Please list the current entry-level base salary and fringe benefits rounded to the nearest whole dollar for one full-time sworn officer position within your agency. Do not include employee contributions. (Please refer to <http://www.cops.usdoj.gov/Default.asp?Item=46> for information on the length of the grant term for the program under which you are applying.)

Special note regarding sworn officer fringe benefits: For agencies that do not include fringe benefits as part of the base salary costs and typically calculate these separately, the allowable expenditures may be included under Part 1, Section B. Any fringe benefits that are already included as part of the agency's base salary (Part 1, Section A of the Sworn Officer Budget Worksheet) should not also be included in the separate fringe listing (Part 1, Section B). Please refer to <http://www.cops.usdoj.gov/Default.asp?Item=46> for information about allowable and unallowable fringe benefits for sworn officer positions requested under the program to which your agency is applying.

C. EQUIPMENT/TECHNOLOGY

No Equipment/Technology Requested

Instructions: List non-expendable items that are to be purchased. Provide a specific description for each item in the description boxes below and explain how the item supports the project goals and objectives as outlined in your application. Non-expendable equipment is tangible property (e.g., information technology systems) having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Expendable items should be included either in the "SUPPLIES" or "OTHER" categories. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "CONTRACTS / CONSULTANTS" category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made.

For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, wherever feasible, such voice or data communications equipment should be incorporated into an intra- or interjurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.

See <http://www.cops.usdoj.gov/Default.asp?Item=46> for a list of allowable/unallowable costs for this program. Please limit your descriptions to 1000 characters.

Supplies

Supply costs consist of those incurred for purchased goods and fabricated parts directly related to a award proposal. Supplies differ from equipment in that they are consumable, expendable, and of a relatively low unit cost, defined as less than \$5,000 per unit. Such costs may include paper, printer ink, pens, pencils, laptops, etc.

D. SUPPLIES

Instructions: List items by type (office supplies; postage; training materials; copying paper; books; hand-held tape recorders; computing devices costing less than \$5,000; etc). Provide a specific description for each item in the description boxes below and explain how it supports the project goals and objectives outlined in your application. Generally, supplies include any materials that are expendable or consumed during the course of the project, costing less than \$5,000.

Travel/Training

Travel costs include the costs of transportation, lodging, meals, temporary dependent care, and incidental expenses incurred by personnel while on official business, such as attendance at a award-related meeting or conference when travel is further than 50 miles from the program location. Travel and subsistence estimates are based on the contemplated number of trips, places to be visited, length of stay, transportation costs, subsistence allowances, and the recipient’s own travel policies. When charging travel costs to federal awards, award recipients must adhere to their internal travel policy.

If a recipient does not have a written travel policy, it must adhere to the Federal Travel Regulations (FTR).

For information on the FTR and U.S. Government General Service Administration (GSA) per diem rates by geographic area, please visit www.gsa.gov/portal/content/104790.

- Include each trip as an individual entry in the Travel/Training section. The name should reflect the name/title of the trip and should not be a group of trips.
- Registration includes the amount for the registration of the training/conference attendance.
- Lodging includes the amount for the hotel and any taxes/fees associated.
- Per diem includes the amount for GSA-approved meals and incidentals.
- Transportation includes all ground and air transportation as well as public transportation and parking fees.

E. TRAVEL/TRAINING

No Travel/Training Requested

Instructions: Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the non-Federal entity. Itemize grant-related travel expenses of grantee personnel (excluding consultants, whose expenses are listed in Section F) by event (e.g., mandatory training, staff to training, field interviews, advisory group meetings). Identify the location of travel whenever possible, and show the number of staff expected to attend each event. Training fees, transportation, lodging and per diem rates for trainees should be listed as separate travel items. Grantee travel costs specific to the grant project may be based on the grantee's written travel policy, assuming the costs are reasonable. Grantees without a written travel policy must follow the established federal rates (found at <http://www.gsa.gov>) for lodging, meals, and per diem. For all grantees (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

See <http://www.cops.usdoj.gov/Default.asp?Item=46> for a list of allowable/unallowable costs for this program. Contracts/Consultants

Consultant expenses and contracts include goods or services that directly contribute to the implementation or enhancement of the project. The use of a consultant should be more economical than direct employment. Compensation for individual consultant services procured under a COPS Office award must be reasonable and allocable in accordance with Office of Management and Budget (OMB) cost principles and consistent with that paid for similar services in the marketplace. The services should be commensurate with the rate or salary paid by the primary employer. Unless otherwise approved by the COPS Office, independent consultant rates will be approved based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day.

- Include name of contract/consultant/travel/expense with a description of the scope of the work.
- Unless justification is provided, the daily rate for the consultant should not exceed \$650/day.
- Consultant travel should follow the same format as the travel section detailed in the section above.
- Similar to supplies and equipment, consultant expenses should be broken out by item rather than one grouping.

F. CONTRACTS/CONSULTANTS

No Contract Costs Requested

Section 15. Assurances and Certifications

Applicants to COPS Office programs are required to sign the standard Assurances and Certifications forms. Signing these documents assures the COPS Office that you have read and understood and that you accept the award terms and conditions as outlined in the Assurances and Certifications. Please read these documents carefully, as signatures on these documents are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to fund the covered award.

Section 16. Disclosure of lobbying activities

Fingerprint images may be captured by placing a finger on a scanner or by electronically scanning inked impressions on paper.

A CAD system is a computer database that can track calls for service, maintain status of units available, provide various reports, produce address histories, and support electronic mail. With the installation of integrated CAD systems, officers are able to receive calls for service on their mobile data terminals rather than over the radio. Radios can then be used only for serious emergencies.

grant number. If awarded, the grant number identifies your agency's specific grant, and can be found on your grant award document. This number should be used as a reference when corresponding with the COPS Office. The COPS Office tracks grant information based upon this number.

interoperable communications. Communications interoperability refers to the ability to talk across disciplines and jurisdictions via radio communications networks on demand, in real time. Interoperable communications equipment and technology is used to increase interoperability and data information-sharing among the law enforcement, fire service, and emergency medical service communities.

For the grantee, grant funds are obligated when monies are spent directly on purchasing items approved under the grant or cooperative agreement. The term *encumbrance* is often used at the local and state levels to describe this type of transaction. Liquidated obligations are considered cash outlays or monies actually spent. Unliquidated obligations are obligations incurred and recorded but not yet paid (accrual basis of accounting) or not yet recorded and not yet paid (cash basis of accounting).

The new assigned number is to be used for administrative purposes only, in connection with this grant program, and should not be used for IRS purposes.

The first two letters are your state abbreviation, the next three numbers are your county's code, and the final two numbers identify your jurisdiction within your county. When you contact the COPS Office with a question, you can use the ORI number, and we will be able to assist you. COPS Office grant funds may not be used to supplant (replace) state, local, or Bureau of Indian Affairs (BIA) funds that would be made available in the absence of federal COPS Office grant funding. Program funds must be used to increase the amount of state, local, or BIA funds otherwise budgeted for the grant purposes, plus any additional state, local, or BIA funds budgeted for these purposes.

The SAM database is the repository for standard information about federal financial assistance applicants, recipients, and sub-recipients. Applicants must update or renew their SAM at least once per year to maintain an active status. Information about registration procedures can be accessed at www.sam.gov.

Appendix D: Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

- (A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- (C) **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- (D) **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- (E) **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required

to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387),** as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) **Debarment and Suspension (Executive Orders 12549 and 12689)**—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)**—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) **See §200.322 Procurement of recovered materials.**

Appendix E: Appendix XII to Part 200—Award Term and Condition for Recipient Integrity and Performance Matters

General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described

in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five year period; and
- c. Is one of the following:
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
 - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
 - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

Definitions

For purposes of this award term and condition:

- a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (*e.g.*, Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.
- b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of *nolo contendere*.
- c. Total value of currently active grants, cooperative agreements, and procurement contracts includes—
 - (1) Only the Federal share of the funding under any Federal award with a recipient cost share or match; and
 - (2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.

Appendix F: 41 U.S.C. § 4712 -Pilot program for enhancement of contractor protection from reprisal for disclosure of certain information

Prohibition of reprisals

(1) In general. An employee of a contractor, subcontractor, or grantee may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in paragraph (2) information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.

(2) Persons and bodies covered. The persons and bodies described in this paragraph are the persons and bodies as follows:

- (A) A Member of Congress or a representative of a committee of Congress.
- (B) An Inspector General.
- (C) The Government Accountability Office.
- (D) A Federal employee responsible for contract or grant oversight or management at the relevant agency.
- (E) An authorized official of the Department of Justice or other law enforcement agency.
- (F) A court or grand jury.
- (G) A management official or other employee of the contractor, subcontractor, or grantee who has the responsibility to investigate, discover, or address misconduct.

(3) Rules of construction. For the purposes of paragraph (1)

(A) an employee who initiates or provides evidence of contractor, subcontractor, or grantee misconduct in any judicial or administrative proceeding relating to waste, fraud, or abuse on a Federal contract or grant shall be deemed to have made a disclosure covered by such paragraph; and

(B) a reprisal described in paragraph (1) is prohibited even if it is undertaken at the request of an executive branch official, unless the request takes the form of a non-discretionary directive and is within the authority of the executive branch official making the request.

Investigation of complaints

(1) Submission of complaint. A person who believes that the person has been subjected to a reprisal prohibited by subsection (a) may submit a complaint to the Inspector General of the executive agency involved. Unless the Inspector General determines that the complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant, the Inspector General shall investigate the complaint and, upon completion of such investigation, submit a report of the findings of the investigation to the person, the contractor or grantee concerned, and the head of the agency.

(2) Inspector General action.

(A) Determination or submission of report on findings. Except as provided under subparagraph (B), the Inspector General shall make a determination that a complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant or submit a report under paragraph (1) within 180 days after receiving the complaint.

(B) Extension of time. If the Inspector General is unable to complete an investigation in time to submit a report within the 180-day period specified in subparagraph (A) and the person submitting the complaint agrees to an extension of time, the Inspector General shall submit a report under paragraph (1) within such additional period of time, up to 180 days, as shall be agreed upon between the Inspector General and the person submitting the complaint.

(3) Prohibition on disclosure. The Inspector General may not respond to any inquiry or disclose any information from or about any person alleging the reprisal, except to the extent that such response or disclosure is

(A) made with the consent of the person alleging the reprisal;

(B) made in accordance with the provisions of section 552a of title 5 or as required by any other applicable Federal law; or

(C) necessary to conduct an investigation of the alleged reprisal.

(4) Time limitation. A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.

Remedy and enforcement authority

(1) In general. Not later than 30 days after receiving an Inspector General report pursuant to subsection (b), the head of the executive agency concerned shall determine whether there is sufficient basis to conclude that the contractor or grantee concerned has subjected the complainant to a reprisal prohibited by subsection (a) and shall either issue an order denying relief or shall take one or more of the following actions:

(A) Order the contractor or grantee to take affirmative action to abate the reprisal.

(B) Order the contractor or grantee to reinstate the person to the position that the person held before the reprisal, together with compensatory damages (including back pay), employment benefits, and other terms and conditions of employment that would apply to the person in that position if the reprisal had not been taken.

(C) Order the contractor or grantee to pay the complainant an amount equal to the aggregate amount of all costs and expenses (including attorneys' fees and expert witnesses' fees) that were reasonably incurred by the complainant for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the executive agency.

(2) Exhaustion of remedies. If the head of an executive agency issues an order denying relief under paragraph (1) or has not issued an order within 210 days after the submission of a complaint under subsection (b), or in the case of an extension of time under paragraph (b)(2)(B), not later than 30 days after the expiration of the extension of time, and there is no showing that such delay is due to the bad faith of the complainant, the complainant shall be deemed to have exhausted all administrative remedies with respect to the complaint, and the complainant may bring a de novo action at law or equity against the contractor or grantee to seek compensatory damages and other relief available under this section in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy. Such an action shall, at the request of either party to the action, be tried by the court with a jury. An action under this paragraph may not be brought more than two years after the date on which remedies are deemed to have been exhausted.

(3) Admissibility of evidence. An Inspector General determination and an agency head order denying relief under paragraph (2) shall be admissible in evidence in any de novo action at law or equity brought pursuant to this subsection.

(4) Enforcement of orders. Whenever a person fails to comply with an order issued under paragraph (1), the head of the executive agency concerned shall file an action for enforcement of such order in the United States district court for a district in which the reprisal was found to have occurred. In any action brought under this paragraph, the court may grant appropriate relief, including injunctive relief, compensatory and exemplary damages, and attorney fees and costs. The person upon whose behalf an order was issued may also file such an action or join in an action filed by the head of the executive agency.

(5) Judicial review. Any person adversely affected or aggrieved by an order issued under paragraph (1) may obtain review of the order's conformance with this subsection, and any regulations issued to carry out this section, in the United States court of appeals for a circuit in which the reprisal is alleged in the order to have occurred. No petition seeking such review may be filed more than 60 days after issuance of the order by the head of the executive agency. Review shall conform to chapter 7 of title 5. Filing such an appeal shall not act to stay the enforcement of the order of the head of an executive agency, unless a stay is specifically entered by the court.

(6) Burdens of proof. The legal burdens of proof specified in section 1221(e) of title 5 shall be controlling for the purposes of any investigation conducted by an Inspector General, decision by the head of an executive agency, or judicial or administrative proceeding to determine whether discrimination prohibited under this section has occurred.

(7) Rights and remedies not waivable. The rights and remedies provided for in this section may not be waived by any agreement, policy, form, or condition of employment.

Notification of employees

The head of each executive agency shall ensure that contractors, subcontractors, and recipients of the agency inform their employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.

Construction

Nothing in this section may be construed to authorize the discharge of, demotion of, or discrimination against an employee for a disclosure other than a disclosure protected by subsection (a) or to modify or derogate from a right or remedy otherwise available to the employee.

Exceptions

(1) This section shall not apply to any element of the intelligence community, as defined in section 3(4) of the National Security Act of 1947 (50 U.S.C. 401a(4)).

(2) This section shall not apply to any disclosure made by an employee of a contractor, subcontractor, or recipient of an element of the intelligence community if such disclosure--

(A) relates to an activity of an element of the intelligence community; or

(B) was discovered during contract, subcontract, or recipient services provided to an element of the intelligence community.

Definitions

In this section:

(1) The term "abuse of authority" means an arbitrary and capricious exercise of authority that is inconsistent with the mission of the executive agency concerned or the successful performance of a contract or award of such agency.

(2) The term "Inspector General" means an Inspector General appointed under the Inspector General Act of 1978 and any Inspector General that receives funding from, or has oversight over contracts or awards funded for or on behalf of, the executive agency concerned.

Construction

Nothing in this section, or the amendments made by this section, shall be construed to provide any rights to disclose classified information not otherwise provided by law.

Duration of section

This section shall be in effect for the four-year period beginning on the date that is 180 days after the date the enactment of this section.

Appendix G. Intergovernmental review process, points of contact by state

Executive Order 12372 requires applicants from state and local units of government or other organizations or individuals providing service within a state to submit a copy of the application to the state single point of contact (SPOC), if one exists and if this program has been selected for review by the state. Before the application due date, you must contact your state SPOC to find out if this program has been selected for review and comply with the state's process under Executive Order 12372. The Catalog of Federal Domestic Assistance reference for this program is number 16.710, "Public Safety and Community Policing Grants."

A current list of state SPOCs is listed at https://www.whitehouse.gov/omb/grants_spoc/. States that are not listed have chosen not to participate in the intergovernmental review process and therefore do not have an SPOC.

About the COPS Office

The Office of Community Oriented Policing Services (COPS Office) is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation's state, local, territory, and tribal law enforcement agencies through information and grant resources.

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques, to proactively address the immediate conditions that give rise to public safety issues such as crime, social disorder, and fear of crime.

Rather than simply responding to crimes once they have been committed, community policing concentrates on preventing crime and eliminating the atmosphere of fear it creates. Earning the trust of the community and making those individuals stakeholders in their own safety enables law enforcement to better understand and address both the needs of the community and the factors that contribute to crime.

The COPS Office funds awards for state, local, territory, and tribal law enforcement agencies to hire and train community policing professionals, acquire and deploy cutting-edge crime fighting technologies, and develop and test innovative policing strategies. COPS Office funding also provides training and technical assistance to community members and local government leaders and all levels of law enforcement. The COPS Office has produced and compiled a broad range of information resources that can help law enforcement better address specific crime and operational issues, and help community leaders better understand how to work cooperatively with their law enforcement agency to reduce crime.

- Since 1994, the COPS Office has invested more than \$14 billion to add community policing officers to the nation's streets, enhance crime fighting technology, support crime prevention initiatives, and provide training and technical assistance to help advance community policing.
- To date, the COPS Office has funded approximately 125,000 additional officers to more than 13,000 of the nation's 18,000 law enforcement agencies across the country in small and large jurisdictions alike.
- Nearly 700,000 law enforcement personnel, community members, and government leaders have been trained through COPS Office-funded training organizations.
- To date, the COPS Office has distributed more than 8.57 million topic-specific publications, training curricula, white papers, and resource CDs.

COPS Office resources, covering a wide breadth of community policing topics—from school and campus safety to gang violence—are available, at no cost, through its online Resource Center at www.cops.usdoj.gov. This easy-to-navigate website is also the grant application portal, providing access to online application forms.
