Getting Started

Congratulations on receiving an award from the U.S. Department of Justice (DOJ), Office of Community Oriented Policing Services (COPS Office). The 2018 COPS Office STOP School Violence: School Violence Prevention Program (SVPP) awards provide funding directly to States, units of local government, or Indian tribes to improve security at schools and on school grounds in the jurisdiction of the grantee through evidence-based school safety programs.

The allowable uses of your agency's SVPP award are specified on the SVPP Financial Clearance Memorandum (FCM). If your agency's local fiscal conditions have changed since submitting the FY 2018 SVPP application and your agency wishes to modify its SVPP award to reprogram awarded funding into different funding categories, please refer to award condition 6, "Modifications," in this manual for detailed information on requesting a post-award modification.

This SVPP Award Owner's Manual will assist your agency with the administrative and financial matters associated with your award. It was developed by the COPS Office to ensure that all SVPP recipients clearly understand and meet the requirements of their award. Please review this manual carefully because a failure to follow award requirements can have serious ramifications. Please do not hesitate to call the COPS Office Response Center at 800-421-6770 if you need assistance with the implementation of your award.

Thank you for providing us with the opportunity to work in partnership with your community.

I. Award Acceptance, Terms, and Conditions

To officially accept and begin your COPS Office SVPP Program award, your agency must access <https://portal.cops.usdoj.gov>, to log in, review, and electronically sign the award document with the award terms and conditions; and the financial clearance memorandum that is incorporated by reference into the award document; and, if applicable, the special award conditions or high risk conditions in the award document supplement within 90 days of the date shown on the award congratulatory letter. Please see the Agency Portal User Manual at https://cops.usdoj.gov/pdf/2018AwardDocs/Agency_Portal_GrantsMgt_Manual.pdf for detailed instructions on award acceptance.

Your agency will **not** be able to draw down award funds until the COPS Office receives your signed award document. For more information on drawing down award funds, please see the section titled "Accessing Award Funds" in this manual.

Your SVPP ORI number must be used when performing any grant management tasks associated with your SVPP award in the COPS Office Agency Portal for various system applications (e.g., progress reports, SF-425, extensions, modifications, and COPS Office Application Program, etc.). **This ORI number should only be used for SVPP and no other COPS Office programs.**

The award document

The award document is the document indicating your official award funding amount, the award number, the award terms and conditions, and the award start and end dates.

The award document is preprinted with your agency's government executives' names and addresses. If this information is incorrect or has changed, please update your "Agency Contacts" online at <https://portal.cops.usdoj.gov>. If the government official has changed since the time of application, please have the current government executive for your agency sign the award document. Be sure to familiarize yourself with all terms, conditions, and requirements of your award before signing the award document. To officially accept your award, please electronically sign the award document within 90 days of the date shown on the award congratulatory letter. Print and retain a copy of all pages of the award document, award terms and conditions, the Financial Clearance Memorandum (FCM), and if applicable, the award document supplement for your records.

The award start date indicated on the award document means that your agency may be reimbursed for any allowable costs incurred on or after this date. The duration of your SVPP award is two years (24 months).

Your award number is in the following format: 2018-SVWX-XXXX for Fiscal Year (FY) 2018 awards. The COPS Office tracks award information based upon this number. Therefore, it is important to have your agency's award number (or your agency's ORI number) readily available when corresponding with the COPS Office.

Your originating agency identifier (ORI) number begins with your state abbreviation followed by five numbers or letters (e.g., VA00000). The COPS Office tracks programmatic award information based upon this ORI number. If you have any questions regarding your award, please refer to your award number or your agency's ORI number when you contact the COPS Office.

Your Office of Justice Programs (OJP) vendor number, in most circumstances, is your agency's nine- or thirteen-digit federal tax identification number assigned to you by the Internal Revenue Service (IRS). If your OJP vendor number differs from your tax identification number, the OJP vendor number is only to be used for administrative purposes in connection with this program, and should not be used for IRS purposes.

Award terms and conditions

The award terms and conditions are listed on your agency's award document. By accepting this award, you are obtaining federal funds from the COPS Office. As part of that agreement, your agency acknowledges that it will comply with these terms and conditions (and, if applicable, any additional special or high risk conditions specific to your agency). The section that follows describes, in detail, all of the award conditions, their rationales, and their implications. It also addresses many frequently asked questions. If you have additional questions concerning any of these award conditions, please contact your COPS Office Grant Program Specialist or call the COPS Office Response Center at 800-421-6770.

In limited circumstances, your award may be subject to special conditions that prevent your agency from drawing down or accessing award funds until the special conditions are satisfied as determined by the COPS Office. Any special or high-risk conditions will be included in the award document supplement. However, if you have questions about the special or high-risk conditions, please contact your assigned COPS Office Grant Program Specialist.

Reasons for award terms and conditions

The requirements of your SVPP award are established within

- the Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018 (34 U.S.C. § 10551, et seq.);
- the applicable federal laws, rules, regulations and policies issued by the U.S. Department of Justice, Office of Management and Budget (OMB), the Government Accountability Office (GAO), and the United States Treasury;
- the specific SVPP programmatic requirements established by the COPS Office.

Review of award terms and conditions

By signing the Award Document to accept this School Violence Prevention Program (SVPP) award, your agency agrees to abide by the following award terms and conditions:

1. Award Owner's Manual

Condition:

The recipient agrees to comply with the terms and conditions in the applicable 2018 COPS Office Program Award Owner's Manual; Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018 (34 U.S.C. § 10551, et seq.); the requirements of 2 C.F.R. Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101; 48 C.F.R. Part 31 (FAR Part 31) as applicable (Contract Cost Principles and Procedures); the Cooperative Agreement as applicable; representations made in the application; and all other applicable program requirements, laws, orders, regulations, or circulars.

Why this condition:

This manual has been designed to inform you of the requirements, laws, regulations, and policies that apply to your award. Your agency will be responsible for the information and rules contained in this manual and for implementing your award in compliance with the applicable terms, conditions, and regulations. Please note that in accordance with 2 C.F.R. § 200.101(c), the COPS Office applies 2 C.F.R. Subparts A through E to for-profit (or commercial) entities. More detailed guidance regarding any particular award requirement or your agency's specific circumstances can be requested through your COPS Office Grant Program Specialist.

What you should do:

Please read the entire SVPP Award Owner's Manual carefully prior to signing the award document. If you have any questions, please contact your COPS Office Grant Program Specialist. When accepting your award, you should ensure that the proper reporting and financial systems are in place to satisfy the award requirements.

2. Assurances and Certifications

Condition:

The recipient acknowledges its agreement to comply with the Assurances and Certifications forms that were signed as part of its application.

Why this condition:

Although the COPS Office has made every effort to simplify the process of applying for and receiving awards, several provisions of federal law require us to obtain the recipient's Assurances and Certifications regarding certain matters. Most of the Assurances and Certifications apply to all federal award programs.

What you should do:

Applicants to COPS Office award programs are required to sign the Assurances and Certifications forms at the time of application. Signing these documents assures the COPS Office that you have read, understood, and accepted the award terms and conditions outlined in the Assurances and Certifications. Please read these documents carefully, because signatures on these documents are treated as a material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines whether to fund the covered award. Additional copies of the Assurances and Certifications forms are contained in the appendices of this manual. If you have any questions about the Assurances and Certifications, please contact your assigned COPS Office Grant Program Specialist or the COPS Office Response Center at 800-421-6770.

3. Allowable Costs

Condition:

The funding under this award is for the payment of approved costs for SVPP purposes. The allowable costs approved for your agency's award are limited to those listed in the Financial Clearance Memorandum (FCM), which is included in your agency's award package. The FCM specifies the costs that your agency is allowed to fund with your award. In accordance with 2 C.F.R. § 200.400, the recipient must forgo any profit or management fee. Your agency may not use award funds for any costs not identified as allowable in the FCM.

Why this condition:

SVPP funding may only be used to pay for items and services approved by the COPS Office as reflected in the Financial Clearance Memorandum (FCM). FY 2018 SVPP funds must be used to improve security at schools and on school grounds in the jurisdiction of the grantee through evidence-based school safety programs. Only actual allowable costs incurred during the award period will be eligible for reimbursement and drawdown. If your agency experiences any cost savings over the course of the award, your agency may not use that excess funding to extend the length of the award beyond 24 months. Any funds remaining after your agency has drawn down for the costs approved during the 24 month funding period will be deobligated during the closeout process, and should not be spent by your agency.

Please note that in accordance with 2 C.F.R. § 200.101(c), the COPS Office applies the cost principles set forth in 2 C.F.R. Part 200, Subpart E to for-profit (or commercial) entities instead of the Federal Acquisition Regulation (FAR) at 48 C.F.R. Subpart 31.2. In addition, in accordance with 2 C.F.R. § 200.400(g), the recipient must forgo any profit or management fee.

To be eligible for payment under this award, the purchase of approved items must be made on or after the award start date and comply with the guidelines described in the section "Accessing Award Funds" in this manual. The section "Financial Record Maintenance" outlines the types of records you must keep to document that you followed this award condition. Purchases must also reflect the costs that were approved in the FCM.

What you should do:

All recipients should keep and maintain the most recent, approved version of their 2018 SVPP application. To view and print this document, you can log into your account at www.cops.usdoj.gov. Please select "COPS Applications" from the menu of services and click on the 'Print' icon to download the most recent version of your application in pdf format.

Refer to your FCM for the list of approved allowable costs. Listed below are the budget categories that may appear on your FCM. As long as funds are spent during the award period on the equipment and technology, supplies, travel, contracts/consultants, salary and benefits, and other costs that were documented in your application's budget summary and were approved through the issuance of the FCM, this award condition will be satisfied.

Personnel (salaries and benefits)

Personnel expenses may be reimbursed for project activities that take place on or after the award start date. In addition, a position's salary must be reasonable for the services rendered and must be paid to a person appointed under the law or rules governing hiring by your agency. Salary payments must be based on payroll records. Time and attendance records or the equivalent must support payroll records. With respect to any SVPP award, a recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the Federal Government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. The 2018 salary table for SES employees is available at the Office of Personnel Management website: <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/salary-tables/18Tables/exec/html/ES.aspx>. For recipients that are state, local, or tribal government entities, award-funded salary and benefit costs must supplement, not supplant (replace), locally funded personnel costs that would have been funded even in the absence of this award. If any civilian personnel are employed on a part-time or temporary basis, your agency must specify the percentage of time that each person is working solely on the project identified in your agency's SVPP proposal. Fringe benefits may be paid if they are part of a reasonable compensation package offered to your employees. Particular items of fringe benefits must fall within the categories authorized by the COPS Office. Authorized fringe benefits include FICA, Social Security, health insurance, life insurance, vacation, sick leave, retirement, worker's compensation, and unemployment insurance.

Equipment/Technology

To be eligible for payment under this award, the purchase of equipment and technology must occur on or after the award start date, the items must be those specifically applied for and approved by the COPS Office, and they must meet the guidelines described in 2 C.F.R. Part 200, Subpart E – Cost Principles. For recipients that are state, local, or tribal government entities, award-funded equipment and technology must supplement, not supplant (replace), locally funded items that would have been funded even in the absence of this award. Funds currently budgeted or obligated for the purchase of equipment and technology may not be reallocated to other purposes or reimbursed upon receiving the SVPP award. Agencies should establish practices to receive, label, inventory, and track the location of all purchases made for award-funded equipment and/or technology.

Supplies

All supplies must be used solely for the project identified in your project proposal. Reimbursement for office supplies that are consumed for routine administrative purposes instead of project-related activities is prohibited. Items must meet the guidelines described in 2 C.F.R. § 200.314.

Travel/Training/Conferences

Travel costs for transportation, lodging, meals, temporary dependent care, and incidental expenses incurred by personnel while on official business are allowable under the SVPP program with prior approval from the COPS Office. In accordance with 2 C.F.R. § 200.474, travel costs for official business directly related to the award will be reimbursed based upon the recipient's written travel reimbursement policies if the costs are reasonable and

allocable under the project. In the absence of an acceptable written policy regarding travel costs, allowable rates and amounts established by the U.S. General Services Administration (GSA) for the relevant geographic area will apply. The current GSA travel policy and per diem rates can be found at www.gsa.gov.

Allowable airfare costs will be reimbursed based upon the least expensive unrestricted accommodations class offered by commercial airlines—for example, lowest discount commercial airfare, the Federal Government contract airfare (if authorized and available), or standard coach airfare—unless otherwise authorized in advance by the COPS Office.

Temporary dependent care costs above and beyond regular dependent care that directly results from conference travels are allowable as long as the costs incurred (1) are a direct result of the individual's travel for the federal award; (2) are consistent with the recipient's documented travel policy for all entity travel; and (3) are only temporary during the travel period.

The SVPP program will fund award-related travel costs for the recipient agency or other (nonrecipient) individuals to attend training and technical assistance conferences, seminars, or classes or to visit a site specified in the application. Allowable award-related travel costs that were included in the application have been approved by the COPS Office as part of the SVPP award and final budget. Your agency should keep timely and accurate records of all travel expenses. If at any time these costs change, you should immediately contact your COPS Office Grant Program Specialist.

Contracts/Consultants

Contracts include goods or services that directly contribute to the implementation or enhancement of the project. The applicant should distinguish clearly between subawards and contracts in allocating any funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of obtaining goods and services for the recipient's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317- 200.326, and the issuance of subawards must meet the requirements of 2 C.F.R. § 200.331.

Any recipient of an award will be responsible for monitoring subawards and contracts in accordance with all applicable statutes, regulations, and guidelines. Primary recipients will be responsible for oversight of subrecipient or partner spending and monitoring specific performance measures and outcomes attributable to the use of COPS Office funds.

All sole-source procurements of goods and services (those not awarded competitively) in excess of \$250,000 require prior approval from the COPS Office. Please see the Sole Source Justification fact sheet at https://cops.usdoj.gov/pdf/2018AwardDocs/Sole_Source_Justification_Fact_Sheet.pdf.

Consultant expenses include goods or services that directly contribute to the implementation or enhancement of the project. The use of a consultant should be more economical than direct employment. Compensation for individual consultant services procured under a COPS Office award must be reasonable and allocable in accordance with Office of Management and Budget (OMB) cost principles, and consistent with that paid for similar services in the marketplace. The services should be commensurate with the rate or salary paid by the primary employer.

Unless otherwise approved by the COPS Office, independent consultant rates will be approved based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day (or \$81.25 per hour). Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If individuals receive fringe benefits from their primary employer, such fringe benefit costs should not be included in the calculation of consultant rates. A consultant rate justification will need to be submitted for review and approval to the COPS Office for any consultants hired through a noncompetitive bidding process and paid more than \$650 per day prior to incurring any costs. Determinations of approval will be made on a case-by-case basis. Please see the Consultant/Contract Rate Information fact sheet at https://cops.usdoj.gov/pdf/2018AwardDocs/Sole_Source_Justification_Fact_Sheet.pdf.

Consultant travel costs follow the same guidelines as the "Travel/Training/Conferences" category but should be costs associated with consultant travel. These costs should not be reflected in the "Personnel" or "Travel" categories.

All other consultant-related expenses should be included in this section such as supply and equipment requests. The same guidelines as previously stated in the above sections will apply.

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. Reasonable steps to provide meaningful access to services or benefits may include interpretation or translation services, where appropriate. For additional information, see "Civil Rights Compliance."

Other costs

Items that do not conform to any of the category descriptions specific above but that have a direct correlation to the overall success of a recipient's project objectives and are necessary for the project to reach full implementation will be considered on a case-by-case basis by the COPS Office.

If at any time you are unsure if an item is considered allowable or unallowable, please contact your COPS Office Grant Program Specialist for further assistance.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

See also award condition 13, "Duplicative Funding."

4. Comprehensive School Safety Assessments

Condition:

Recipients awarded funding through the SVPP must conduct comprehensive school safety assessments for all schools involved in the funded project within the 24-month grant implementation period. The assessments should be completed as soon as possible as they can be used as strategic evaluation tools to identify school safety issues and potential resolutions. This condition can be waived for recipients that can demonstrate that comprehensive school safety assessments have already been performed or updated within the previous three years. The COPS Office will monitor SVPP grants to ensure that recipients comply with this condition.

Why this condition:

In order for school safety interventions to be most effective, they should be incorporated into broader school safety planning and assessment efforts and be designed to meet the unique individualized needs of each school and challenges of each jurisdiction and each school at which they will be implemented. Comprehensive school safety assessments examine the overall safety, accessibility and emergency preparedness of school buildings and ground and are essential to school safety decision making. Information about conducting site assessments, including free assessment software can be found at <https://rems.ed.gov/SITEASSESS.aspx>.

What you should do:

Agencies should keep record of the date(s) of the assessment(s) as well as specific areas of the school(s) where problems were identified and the proposed (if any) recommendations for resolution. Participants (law enforcement, teachers, students, any staff, et cetera) should also be included. Please contact your Grant Program Specialist at 800-421-6770 or at AskCopsRC@usdoj.gov.

5. Extensions

Condition:

Your agency may request an extension of the award period to receive additional time to implement your award program. Such extensions do not provide additional funding. Only those recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Extension requests must be received prior to the end date of the award. 2 C.F.R. § 200.308(d)(2).

Why this condition:

Under federal regulations, requests to extend the award period require prior written approval from the COPS Office. Without an approved extension, your agency is not permitted to draw down federal funding for costs incurred beyond the official award end date. When justified, the COPS Office will seek to accommodate reasonable requests for no-cost time extensions to fully implement the COPS Office award.

What you should do:

The COPS Office will contact your agency during the last quarter of the award period to determine whether a no-cost time extension is needed. Requests to extend the award period must be received by the COPS Office before the official award end date. Failure to submit a request for a no-cost time extension before the award end date may result in the immediate deobligation of any remaining award funds. Please note that the project period of performance will be extended, if necessary, until the deliverable is considered final. If the award is set to expire, prior to the final approval of the deliverable, a no-cost extension will be executed for a reasonable amount of time for the recipient to complete the final deliverable.

6. Modifications

Condition:

Award modifications under the SVPP are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308. For federal awards in excess of \$250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent (10%) of the total approved budget requires

prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, all modification requests involving new budget items or any budget modification that changes the scope of the project requires prior written approval by the COPS Office prior to their implementation. Please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

Why this condition:

The COPS Office realizes that agencies may need to reprogram award funds. Acceptable examples of such award modifications include purchasing additional equipment using cost-savings from approved items or purchasing a different type of equipment due to changing needs. Under federal regulations, you are required to expend federal funds only as approved in the FCM. Requests to change or alter an award that meet certain threshold requirements must be submitted to the COPS Office for written approval, prior to their purchase or implementation. Without prior written approval, you must continue to implement your award as it was originally outlined and accepted by your agency. Reprogrammed funds must be allocated for items covered within the original scope of the award. Please be advised that reprogramming requests for unallowable costs will not be approved.

Your agency may reprogram its budget up to an aggregate (over the course of your project) of 10 percent of the total project cost without prior written approval from the COPS Office. However, you should notify your COPS Office Grant Program Specialist of any reprogramming that falls below the 10 percent threshold as well. For awards in excess of \$250,000, any reprogramming of funds that totals an aggregate of 10 percent or more of the approved budget requires prior written approval from the COPS Office.

What you should do:

You are required to notify your COPS Office Grant Program Specialist if you determine that your agency will need to reprogram award funds. If your modification exceeds an aggregated (over the course of your project) 10 percent of your overall award, your agency must access <https://portal.cops.usdoj.gov>.

Please contact your COPS Office Grant Program Specialist for further direction on any additional requirements that may apply to your modification request. The COPS Office will then evaluate your request and notify your agency of our decision in writing. Implementation of the modified award budget may begin following written approval from the COPS Office. Please note that modification approvals for active awards will be accompanied by a modified FCM reflecting the approved changes.

7. Information Sharing with Law Enforcement

Condition:

Recipients are required to ensure that schools within their jurisdiction share school threat information and data with the appropriate local law enforcement agencies.

Why this condition:

Preventing and responding to school violence requires meaningful partnerships and information sharing with various community stakeholders, especially schools and law enforcement.

What you should do:

School threat information should be shared with appropriate local law enforcement agencies as soon as possible to ensure that there is adequate situational awareness to evaluate and respond to threats in a timely manner.

8. Reports/Performance Goals

Condition:

To assist the COPS Office in monitoring and tracking the performance of your award, your agency will be responsible for submitting quarterly programmatic progress reports that describe project activities during the reporting period and quarterly Federal Financial Reports using Standard Form 425 (SF-425). 2 C.F.R §§ 200.327 – 200.328. The progress report is used to track your agency's progress toward implementing school safety strategies and to collect data to gauge the effectiveness of increasing the recipient's capacity to improve school safety through COPS Office funding. The Federal Financial Report is used to track the expenditures of the recipient's award funds on a cumulative basis throughout the life of the award.

Why this condition:

Federal regulations and policies require that financial assistance provided by the Federal Government must be monitored carefully to ensure the proper use of federal funds. In addition, the COPS Office seeks to document, on a continuing basis, the progress of our programs and recipients.

What you should do:

This award condition is designed to make your agency aware of reporting requirements associated with SVPP awards. Quarterly programmatic progress reports and a final programmatic closeout report must be submitted directly to the COPS Office through the "Account Access" link on the COPS Office website at <https://cops.usdoj.gov>. Your agency is also required to submit quarterly Federal Financial Reports using Standard Form 425 (SF-425) within 30 days after the end of each calendar quarter. A final SF-425 will be due within 90 days after the end of the award period. This report reflects the actual cumulative federal expenditures incurred during the funding period, and the remaining unobligated balance of federal funds. Under federal regulations, your agency is not permitted to draw down federal funding for costs incurred after the official award end date; however, you will have a 90-day grace period after the award end date during which you can drawdown funds for eligible expenditures incurred before the award end date. Agencies with more than one delinquent programmatic or financial report submission per fiscal year may be subject to delays in receiving reimbursement for allowable expenses and may be required to receive technical assistance to improve compliance with reporting. These reports are discussed in greater detail in the section titled "Reporting Requirements" in this manual. All reports should be submitted within the deadlines given to avoid suspension or possible termination of award funds or other remedial actions; failure to submit required reports may also impact future funding opportunities.

9. Award Monitoring Activities

Condition:

Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and implementing evidence-based school safety strategies and programs. Both aspects of award implementation—compliance and programmatic benefits—are part of the

monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after submission of the final expenditure report. 2 C.F.R. § 200.328(e), and 2 C.F.R. §§ 200.333 and 200.336.

Why this condition:

The COPS Office actively monitors how recipients are complying with COPS Office award requirements. In addition, the monitoring component provides customer service and technical assistance to help ensure recipients understand how to remain in compliance while implementing their awards.

What you should do:

Your agency may be required to accommodate routine and nonroutine efforts by the COPS Office, or an entity designated by the COPS Office, to examine your agency's use of federal funds both programmatically and financially. The four primary means of ensuring recipients' compliance with the terms and conditions of their awards are as follows:

Site visits. The COPS Office strategically selects award recipients based on a variety of risk factors to conduct site visits to ensure compliance with award terms and conditions. The purpose of site visits is threefold:

1. To review for compliance with the terms and conditions of the award
2. To review implementation of evidence-based school safety strategies and programs
3. To provide customer service and technical assistance

If selected, recipients will be notified in writing in advance with detailed instructions for how to prepare for the review of their COPS Office awards. This review is generally performed over a period of one or more days. Recipients will have an opportunity to resolve any identified noncompliance issues while on-site or, if necessary, following the site visit. In addition, recipients will also have an opportunity to seek customer service and/or technical assistance on the implementation of their award.

Enhanced Office-Based Grant Reviews (EOBGR). In lieu of a site visit, awards may be selected for an EOBGR conducted at the COPS Office via teleconference or video conference. EOBGRs serve as an alternative for conducting award monitoring reviews in support of the COPS Office's overall award monitoring strategy. The purpose of the EOBGR is threefold:

1. To review for compliance with the terms and conditions of the award
2. To review implementation of evidence-based school safety strategies and programs
3. To provide customer service and technical assistance

If selected, the recipient will be notified in writing in advance of any EOBGR of its COPS Office awards. This review is generally performed over a one- to two-day period. Recipients will have an opportunity to resolve any identified noncompliance issues, if necessary, following the EOBGR interview. In addition, award recipients will also have an opportunity to seek customer service and/or technical assistance on the implementation of their award.

Alleged Noncompliance Referral (ANCR). An ANCR is an allegation of suspected noncompliance that originates from an internal source within the COPS Office or an external referral from one of many sources. Internal ANCRs generally originate from COPS Office Grants Administration Division, COPS Office Finance Division, or the COPS Office Legal Division, although any COPS Office component may refer a noncompliance issue to the ANCR. External noncompliance referrals may be received from anonymous complainants, media, citizens, law enforcement agencies, other Federal agencies, or other outside sources. On a case-by-case basis, COPS Office ANCR staff members determine the appropriate course of action to take to investigate complaints of alleged noncompliance. This may include phone or letter contact or a site visit by COPS Office staff or the OIG. Each ANCR referral is resolved as a violation or nonviolation based upon the preponderance of the supporting documentation or other facts to determine if the award recipient is in compliance or noncompliance.

Audit liaison. The OIG may conduct a random audit for any recipient of a COPS Office award. In the event your agency has undergone an OIG audit and there are audit recommendations (findings) resulting from noncompliance or poor accountability practices, the COPS Office Audit Liaison Section will work with your agency to resolve and close these recommendations. Remedies to close recommendations may include repayment of award funds, providing adequate documentation to demonstrate compliance, or providing proof of policies or procedures that were created or revised to directly address the causes for the noncompliance as a proactive preventative measure to avoid future noncompliance.

Recipients are responsible for remedying any award noncompliance that is identified during site visits, EOBRs, and/or ANCRs. In addition, recipients are responsible for remedying noncompliance stemming from audit recommendations identified in audits of COPS Office awards conducted by the OIG and the Office of the Chief Financial Officer (OCFO). Remedies for noncompliance may include but are not limited to repayment of award funds for unallowable or unsupported costs, providing adequate documentation to demonstrate compliance, suspending active award funding, voluntary withdrawal from or involuntary termination of remaining award funds, or a restriction from receiving future COPS Office awards for a period of time. Under certain conditions, additional actions may include referral and placement on the U.S. Department of Justice's High Risk List, which will include mandatory completion of the Office of Justice Programs Financial Management Training and being subject to increased monitoring of current and future awards while on the list. In the event of criminal misuse of award funds, recipients may also be subject to fines and imprisonment. To avoid findings of noncompliance, recipients are strongly encouraged to become familiar with the **COPS Office Grant Monitoring Division's Grant Monitoring Standards and Guidelines** and Award Owner's Manual for the year in which the award was made. Recipients should also contact their COPS Office Grant Program Specialist at any time during the life of a COPS Office award with questions concerning award conditions, terms, or requirements to seek guidance to avoid noncompliance. It is necessary for recipients to maintain all relevant documentation (administrative, financial, and programmatic) used to develop the application and implement the award that may be necessary or required to demonstrate award compliance for a period of three-years from the date of submission of the final expenditure report. For more information, please contact the COPS Office Response Center at 800-421-6770 or at AskCopsRC@usdoj.gov.

10. Federal Civil Rights

Condition:

The Applicant understands that the federal statutes and regulations applicable to the award (if any) made by the Department based on the application specifically include statutes and regulations pertaining to civil rights and nondiscrimination, and, in addition—

- a. the Applicant understands that the applicable statutes pertaining to civil rights will include section 601 of the Civil Rights Act of 1964 (42 U.S.C. § 2000d); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); section 901 of the Education Amendments of 1972 (20 U.S.C. § 1681); and section 303 of the Age Discrimination Act of 1975 (42 U.S.C. § 6102);*
- b. the Applicant understands that the applicable statutes pertaining to nondiscrimination may include section 809(c) of Title I of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10228(c)); section 1407(e) of the Victims of Crime Act of 1984 (34 U.S.C. § 20110(e)); section 299A(b) of the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); and that the grant condition set out at section 40002(b)(13) of the Violence Against Women Act (34 U.S.C. § 12291(b)(13)), which will apply to all awards made by the Office on Violence Against Women, also may apply to an award made otherwise;*
- c. the Applicant understands that it must require any subrecipient to comply with all such applicable statutes (and associated regulations); and*
- d. on behalf of the Applicant, I make the specific assurances set out in 28 C.F.R. §§ 42.105 and 42.204.*

The Applicant also understands that (in addition to any applicable program-specific regulations and to applicable federal regulations that pertain to civil rights and nondiscrimination) the federal regulations applicable to the award (if any) made by the Department based on the application may include, but are not limited to, 2 C.F.R. Part 2800 (the DOJ “Part 200 Uniform Requirements”) and 28 C.F.R. Parts 22 (confidentiality - research and statistical information), 23 (criminal intelligence systems), 38 (regarding faith-based or religious organizations participating in federal financial assistance programs), and 46 (human subjects protection).

Why this condition:

In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights and nondiscrimination laws. As a result, recipients are required to comply with the civil rights and nondiscrimination laws referenced above. A hold may be placed on your award if it is deemed that your agency is not in compliance with federal civil rights laws or is not cooperating with an ongoing federal civil rights investigation. If a hold is placed on your award, you will not be able to obligate or draw down federal funds under your agency's COPS Office award until you comply with federal civil rights laws or cooperate with any ongoing federal civil rights investigation.

What you should do:

Included with your award package is a memorandum from the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice, which addresses the federal civil rights statutes and regulations applicable to your award. You should review this memorandum to understand your agency's civil rights responsibilities.

As a recipient of federal financial assistance from the COPS Office, you are required to comply with the applicable federal civil rights and nondiscrimination laws to collect data and information sufficient to permit effective enforcement of such laws, and to cooperate with any federal civil rights investigation, which includes providing access to records, accounts, documents, information, facilities, and staff.

11. Equal Employment Opportunity Plan (EEO Plan)

Condition:

All recipients of funding from the COPS Office must comply with the federal regulations pertaining to the development and implementation of an Equal Employment Opportunity Plan. 28 C.F.R. Part 42 subpart E.

Why this condition:

It is the experience of the U.S. Department of Justice in implementing its responsibilities under the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), the statute that established the COPS Office, that “the full and equal participation of women and minority individuals in employment opportunities in the criminal justice system is a necessary component to the Safe Streets Act’s program to reduce crime and delinquency in the United States” 28 C.F.R. § 42.301. The Equal Employment Opportunity Plan (EEO Plan) does not impose quotas or hiring requirements on recipients of federal funds.

What you should do:

The obligations to comply with the EEO requirement differ depending on your organization’s legal status, the number of its employees, and the amount of the award. If your organization is a government agency or private business and has received a single award for \$25,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report and submit it to the Office for Civil Rights (OCR) within 120 days from the date of the award. Although the OCR has discretion to review all submitted Utilization Reports, it will review the Utilization Reports from recipients that receive an award of \$500,000 or more.

To begin developing a Utilization Report, please consult the OCR's website at <https://ojp.gov/about/ocr/eeop.htm> and click EEO Reporting Tool Login. Additional assistance can be found online at the bottom of the same webpage by clicking the EEO Reporting Tool Job Aid and Frequently Asked Questions.

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEO requirement. To claim the exemption, however, your organization must certify that it is exempt by logging into the EEO Reporting Tool on the OCR website at <https://ojp.gov/about/ocr/eeop.htm>, providing the contact and organizational profile information, and then submitting a Certificate of Exemption.

If you have further questions regarding the EEO requirements, you may contact an EEO specialist at the OCR by telephone at 202-307-0690, by TTY at 202-0307-2027, or by email at EEOforms@usdoj.gov.

12. False Statements

Condition:

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and/or any other remedy available by law.

Why this condition:

This condition advises recipients of the consequences of submitting false claims or statements on applications, financial and programmatic reports, or other award documents.

What you should do:

Ensure that all documentation related to your agency's receipt and use of award funding (award applications, progress reports, Federal Financial Reports, etc.) is true and accurate.

13. Duplicative Funding

Condition:

The recipient understands and agrees to notify the COPS Office if it receives, from any other source, funding for the same item or service also funded under this award.

Why this condition:

This award was made to your agency for approved project costs that are not funded with other funds, including federal, state, local, tribal, or BIA funds. Consequently, your agency may not use this funding for items or services that you already have funding for from other sources.

What you should do:

If your agency receives funding from another source for the same item(s) or services(s) also funded under this award, please contact your COPS Office Grant Program Specialist or call the COPS Office Response Center at 800-421-6770. If necessary, the COPS Office will work with your agency to reprogram funding for items or services that are allowable under this award program.

14. Additional High-Risk Recipient Requirements

Condition:

The recipient agrees to comply with any additional requirements that may be imposed during the award performance period if the awarding agency determines that the recipient is a high-risk recipient. 2 C.F.R. § 200.207.

Why this condition:

In accordance with 2 C.F.R. § 200.207, the DOJ may impose additional requirements specific to your award, as needed, when it determines that there is unsatisfactory performance, financial or administrative instability, noncompliance with award terms and conditions, or other lack of responsibility risk factors. In such cases, the DOJ

may impose special conditions or restrictions that may include requiring the production of documentation, financial award administration training, on-site monitoring, prior approval for expenditure of funds, quarterly progress reports, separate bank accounts, or other requirements.

What you should do:

In order to obtain a COPS Office award, recipients must agree to comply with any additional requirements that may be imposed during the award performance period if the awarding agency determines that the recipient is a high-risk recipient.

15. System for Award Management (SAM) and Universal Identifier Requirements

Condition:

The recipient agrees to comply with the following requirements of 2 C.F.R. Part 25, Appendix A to Part 25 – Award Term:

I. System for Award Management and Universal Identifier Requirements

A. Requirement for System for Award Management

Unless you are exempted from this requirement under 2 CFR 25.110, you as the recipient must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

B. Requirement for unique entity identifier

If you are authorized to make subawards under this award, you:

- 1. Must notify potential subrecipients that no entity (see definition in paragraph C of this award term) may receive a subaward from you unless the entity has provided its unique entity identifier to you.*
- 2. May not make a subaward to an entity unless the entity has provided its unique entity identifier to you.*

C. Definitions

For purposes of this award term:

- 1. System for Award Management (SAM) means the Federal repository into which an entity must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM Internet site (currently at <http://www.sam.gov>).*
- 2. Unique entity identifier means the identifier required for SAM registration to uniquely identify business entities.*
- 3. Entity, as it is used in this award term, means all of the following, as defined at 2 CFR part 25, subpart C:*
 - a. A Governmental organization, which is a State, local government, or Indian Tribe;*
 - b. A foreign public entity;*
 - c. A domestic or foreign nonprofit organization;*
 - d. A domestic or foreign for-profit organization; and*
 - e. A Federal agency, but only as a subrecipient under an award or subaward to a non-Federal entity.*

4. *Subaward:*

- a. *This term means a legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient.*
- b. *The term does not include your procurement of property and services needed to carry out the project or program (for further explanation, see 2 CFR 200.330).*
- c. *A subaward may be provided through any legal agreement, including an agreement that you consider a contract.*

5. *Subrecipient means an entity that:*

- a. *Receives a subaward from you under this award; and*
- b. *Is accountable to you for the use of the Federal funds provided by the subaward.*

Why this condition:

The purpose of this standard award term is to ensure government-wide uniformity in establishing the DUNS number as the universal identifier for federal financial assistance applicants, as well as recipients and their direct subrecipients (if applicable) and to establish the SAM as the repository for standard information about applicants and recipients.

What you should do:

At the time of award application, your agency was required to provide its DUNS number and be registered in the SAM database.

Your agency should continue to use the same DUNS number provided in your award application and update, as needed, the information associated with that DUNS number. If your agency is authorized to make subawards under its award, your agency may make subawards only to entities that have DUNS numbers. For more information about your DUNS number, please contact D&B using the toll-free number 866-705-5711 or visit fedgov.dnb.com/webform.

Your agency must maintain active registration and current information in the SAM until you submit the final financial report or receive the final payment under your award, whichever is later. **Your agency must review and update its SAM information at least once per year to maintain an active registration status.** For more information about SAM registration, please visit www.sam.gov.

16. *Reporting Subawards and Executive Compensation*

Condition:

The recipient agrees to comply with the following requirements of 2 C.F.R. Part 170, Appendix A to Part 170 – Award Term:

I. *Reporting Subawards and Executive Compensation.*

- a. *Reporting of first-tier subawards.*
 - 1. *Applicability. Unless you are exempt as provided in paragraph d. of this award term, you must report each action that obligates \$25,000 or more in Federal funds that does not include Recovery funds (as*

Why this condition:

To further federal spending transparency, the Federal Funding Accountability and Transparency Act of 2006 (FFATA) requires, among other things, that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov. Recipients are responsible for reporting their applicable executive compensation and subaward information, and the award term provides guidance to report the related information as required by FFATA.

What you should do:

At the time of award application, your agency was asked to ensure that it has the necessary processes and systems in place to comply with the applicable subaward and executive compensation reporting requirements should it receive funding. If your agency received awards of \$25,000 or more, you are required to report award information on any first-tier subawards totaling \$25,000 or more, and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. The FFATA Subaward Reporting System (FSRS), accessible via the website at www.fsrs.gov, is the reporting tool that your agency will use to capture and report subaward information and any executive compensation data required by FFATA. The subaward information entered in FSRS will then be displayed on www.USASpending.gov associated with your agency's award, furthering federal spending transparency.

For additional information regarding the executive compensation and subaward reporting requirements, please see Vol. 75, No. 177 (September 14, 2010) of the Federal Register, www.gpo.gov/fdsys/pkg/FR-2010-09-14/pdf/2010-22705.pdf.

17. Debarment and Suspension

Condition:

The recipient agrees not to award federal funds under this program to any party, which is debarred or suspended from participation in Federal assistance programs. 2 C.F.R. Part 180 (Governmentwide Nonprocurement Debarment and Suspension) and 2 C.F.R. Part 2867 (DOJ Nonprocurement Debarment and Suspension).

Why this condition:

Under federal regulations, recipients are required to ensure that federal funds are not given to parties that are debarred or suspended from participation in federal assistance programs. This is to protect the public interest and to ensure proper management and integrity in federal activities by conducting business only with responsible

parties. For details regarding the debarment and suspension requirements, please see 2 C.F.R. Part 180 (Governmentwide Nonprocurement Debarment and Suspension), and 2 C.F.R. Part 2867 (DOJ Nonprocurement Debarment and Suspension.)

What you should do:

If under a COPS Office award you enter into a contract for goods or services for \$25,000 or more or any subaward, you must verify that the vendor or subrecipient and their respective principals (e.g., owners, top managers) with whom you intend to do business are not excluded or disqualified from participation in federal assistance programs. In addition, you must include a term or condition in the contract or subaward requiring the vendor or subrecipient to comply with subpart C of the OMB guidance in 2 C.F.R. Part 180 (Governmentwide Nonprocurement Debarment and Suspension) and subpart C of 2 C.F.R. Part 2867 (DOJ Nonprocurement Debarment and Suspension).

18. Employment Eligibility

Condition:

The recipient agrees to complete and keep on file, as appropriate, a Bureau of Citizenship and Immigration Services Employment Eligibility Verification Form (I-9). This form is to be used by recipients of federal funds to verify that persons are eligible to work in the United States. Immigration Reform and Control Act of 1986 (IRCA), Public Law 99-603.

Why this condition:

Under federal immigration law, all employers are required to take certain steps to ensure that persons that are hired are legally permitted to work in the United States. The United States Citizenship and Immigration Services Employment Eligibility Verification Form (I-9) outlines the types of documents that an employer should review to confirm that a new hire is eligible for employment.

What you should do:

You do not need to submit any documentation to the COPS Office to satisfy this condition. Rather, you should complete and maintain the I-9 forms for all new employees under the guidelines set forth by the United States Citizenship and Immigration Services. For further information about this requirement, please visit <https://www.uscis.gov/i-9-central>.

19. Enhancement of Contractor Protection from Reprisal for Disclosure of Certain Information

Condition:

The recipient agrees not to discharge, demote, or otherwise discriminate against an employee as reprisal for the employee disclosing information that he or she reasonably believes is evidence of gross mismanagement of a federal contract or award; a gross waste of federal funds; an abuse of authority relating to a federal contract or award; a substantial and specific danger to public health or safety; or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or award. The recipient also agrees to provide to their employees in writing (in the predominant native language of the workforce) of the rights and remedies provided in 41 U.S.C. § 4712. Please see appendices in the Award Owner's Manual for a full text of the statute.

Why this condition:

Under “Enhancement of contractor protection from reprisal for disclosure of certain information” (41 U.S.C. § 4712), recipients are prohibited from taking reprisal actions against employees for certain whistleblowing activities in connection with federal awards and contracts. The law protects the public interest and ensures the proper management and use of federal funds.

What you should do:

The recipient must not take reprisal actions against an employee for disclosing misconduct under federal contracts and awards to certain persons and entities.

The recipient is prohibited from discharging, demoting, or otherwise discriminating against an employee as reprisal for disclosing information that he or she reasonably believes is evidence of

- gross mismanagement of a federal contract or award;
- a gross waste of federal funds;
- an abuse of authority relating to a federal contract or award;
- a substantial and specific danger to public health or safety; or
- a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or award.

In addition, the disclosure must also have been made to

- a member of Congress or a representative of a committee of Congress;
- an inspector general;
- the Government Accountability Office;
- a federal employee responsible for contract or award oversight or management at the relevant agency;
- an authorized official of the U.S. Department of Justice or other law enforcement agency;
- a court or grand jury; or
- a management official or other employee of the contractor, subcontractor, or recipient who has the responsibility
- to investigate, discover, or address misconduct.

An employee is deemed to have made a protected disclosure if he or she initiates or provides evidence of misconduct in any judicial or administrative proceeding relating to waste, fraud, or abuse on a federal contract or award.

The recipient must inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights, protections, and remedies under 41 U.S.C. § 4712.

Please see the appendices in this manual for a full text of “Enhancement of contractor protection from reprisal for disclosure of certain information” (41 U.S.C. § 4712).

20. Mandatory Disclosure

Condition:

Recipients and subrecipients must timely disclose in writing to the COPS Office or pass-through entity, as applicable, all federal criminal law violations involving fraud, bribery, or gratuity that may potentially affect the awarded federal funding. Failure to make required disclosures can result in any of the remedies, including suspension and debarment, described in 2 C.F.R. § 200.338.

Why this condition:

Federal regulations require recipients and subrecipients to report all federal violations involving fraud, bribery, or gratuity that may affect the awarded federal funds. This condition advises your agency of the requirement and the consequences of failing to report such violations to the COPS Office or pass-through entity.

What you should do:

Ensure that you timely report in writing to the COPS Office or pass-through entity all federal violations involving fraud, bribery, or gratuity that may affect your federal award.

21. Conflict of Interest

Condition:

Recipients and subrecipients must disclose in writing to the COPS Office or pass-through entity, as applicable, any potential conflict of interest affecting the awarded federal funding in accordance with 2 C.F.R. § 200.112.

Why this condition:

Recipients and subrecipients are required to use federal funding in the best interest of their award program. Any decisions related to these funds must be free of hidden personal or organizational conflicts of interest, both in fact and in appearance.

This means that recipients and subrecipients should not participate in any award-related decisions or recommendations that involve any of the following people or groups:

- an immediate family member
- a partner
- an organization in which they are serving as an officer, director, partner, or employee
- any person or organization with whom they are negotiating or who has an arrangement concerning prospective employment, has a financial interest, or for other reasons can have less than an unbiased transaction with the recipient or subrecipient

This also means that recipients and subrecipients should avoid any action which might result in or create the appearance of

- using your official position for private gain;
- giving special treatment to any person;
- losing complete independence or objectivity;
- making an official decision outside official channels; or
- affecting negatively the confidence of the public in the integrity of the Federal Government or the program.

What you should do:

Ensure that you report in writing to the COPS Office or pass-through entity, as applicable, any potential conflict of interest that may affect your federal award.

22. Contract Provision

Condition:

All contracts made by the award recipients under the federal award must contain the provisions required under 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards. Please see appendices in the Award Owner's Manual for a full text of the contract provisions.

Why this condition:

Federal regulations require recipients and subrecipients to comply with the necessary contract provisions in order to standardize and strengthen oversight of all contracts made under federal awards. This provision protects the public interest and ensures the proper management and use of federal funds as it relates to contracts entered into by the recipient.

What you should do:

The recipient should review all contracts made under the federal award to ensure that they contain the provisions required under 2 C.F.R. Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards in the appendices of this manual.

23. Restrictions on Internal Confidentiality Agreements

Condition:

No recipient or subrecipient under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts the lawful reporting of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. Consolidated Appropriations Act, 2018, Public Law 115-141, Division E, Title VII, Section 743.

Why this condition:

Under section 743 of Division E, Title VII, of the Consolidated Appropriations Act, 2018 (Pub. L. 115-141), neither the recipient, subrecipient, nor any entity that receives a contract or subcontract with any funds under this or any other Act may require its employees or contractors to sign an internal confidentiality agreement or statement

prohibiting or otherwise restricting their lawful reporting of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency. This provision protects the public interest and ensures the proper management and use of federal funds. This limitation is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

What you should do:

In accepting this award, the recipient

- represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above;
- represents that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict) reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the agency making this award, and will resume such obligations only if expressly authorized to do so by that agency.

If the recipient does or is authorized to make subawards or contracts under this award, in accepting, the recipient

- represents that it has or will determine that no other entity that the recipient proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above;
- represents that it has or will make appropriate inquiry, or otherwise has an adequate factual basis, to support this representation;
- represents that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict) reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

24. Recipient Integrity and Performance Matters.

Condition:

For awards over \$500,000, the recipient agrees to comply with the following requirements of 2 C.F.R. Part 200, Appendix XII to Part 200 – Award Term and Condition for Recipient Integrity and Performance Matters:

A. Reporting of Matters Related to Recipient Integrity and Performance

1. General Reporting Requirement

If the total value of your currently active awards, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the

currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2. of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of an award, cooperative agreement, or procurement contract from the Federal Government;*
- b. Reached its final disposition during the most recent five year period; and*
- c. Is one of the following:*
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5. of this award term and condition;*
 - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;*
 - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or*
 - (4) Any other criminal, civil, or administrative proceeding if:*
 - i. It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;*
 - ii. It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and*
 - iii. The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.*

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2. of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1. of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, award, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

- a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or award. It does not include audits, site visits, corrective plans, or inspection of deliverables.*
- b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.*
- c. Total value of currently active awards, cooperative agreements, and procurement contracts includes—*
 - (1) Only the Federal share of the funding under any Federal award with a recipient cost share or match; and*
 - (2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.*

Why this condition:

Under 2 C.F.R. § 200.210(b)(1)(iii), recipients of awards in excess of \$500,000 are required to report certain civil, criminal, and administrative proceedings if they have active federal grants, cooperative agreements, or contracts (or any combination of these) that total more than \$10,000,000 during the COPS Office award period. The purpose is to protect the public interest and to ensure proper management in federal activities by conducting business with responsible parties.

What you should do:

If the total value of your active grants, cooperative agreements, and contracts from all federal awarding agencies exceeds \$10,000,000 during the COPS Office award period, then you must ensure that the proceedings described in paragraph 2 of this award term that are reported in the System for Award Management (SAM) are current. The information about the reported proceedings is made available in SAM via the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIS)).

During the award period, you must either report for the most recent five year period new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. You must also disclose semiannually any information about criminal, civil, and administrative proceedings.

25. Computer Network Requirement

Condition:

The recipient understands and agrees that no award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities. Consolidated Appropriations Act, 2018, Public Law 115-141, Division B, Title II, Section 531.

Why this condition:

Section 531 of Division B, Title II, of the Consolidated Appropriations Act, 2018 (Pub. L. 115-141) prohibits the use of federal funds to maintain or establish a computer network that does not block the viewing, downloading, and exchanging of pornography. This provision protects the public interest in the proper management and use of federal funds.

What you should do:

The recipient must not use award funds to maintain or establish a computer network unless the network blocks pornography. This does not limit the use of funds for criminal investigations, prosecution, or adjudication activities.

26. Travel Costs

Condition:

Travel costs for transportation, lodging and subsistence, and related items are allowable under the SVPP with prior approval from the COPS Office. Payment for allowable travel costs will be in accordance with 2 C.F.R. § 200.474.

Why this condition:

SVPP funding will cover award-related travel costs for the recipient agency or other (nonrecipient) individuals to attend training and technical assistance conferences, seminars, or classes or to visit a site specified in the original application. Allowable expenses for award-related lodging, meals, temporary dependent care, and incidental expenses that were included in the application were approved by the COPS Office as part of your agency's SVPP award and final budget. For more information, please refer to the award condition on "Allowable Costs."

What you should do:

Your agency should refer to your FCM for a list of approved travel costs and use SVPP funds only for approved travel costs incurred during the award period. In addition, your agency should keep timely and accurate records of all travel expenses. If at any time these costs change, you should immediately contact your COPS Office Grant Program Specialist.

27. Sole Source Justification

Condition:

Recipients who have been awarded funding for the procurement of an item (or group of items) or service in excess of \$250,000 and who plan to seek approval for use of a noncompetitive procurement process must provide a written sole source justification to the COPS Office for approval prior to obligating, expending, or drawing down award funds for that item or service. 2 C.F.R. § 200.324(b)(2).

Why this condition:

In general, recipients are required to procure funded items through open and free competition. However, in some instances, recipients may have already determined that competition is not feasible.

What you should do:

If you have received an award for an item (or group of items) or service in excess of \$250,000 and have already determined that the award of a contract through a competitive process is infeasible, you must provide a written justification that explains why it is necessary to contract noncompetitively.

The initial determination that competition is not feasible can be made if one of the following circumstances exists:

- Competition is determined inadequate after solicitation of a number of sources.
- The COPS Office authorizes noncompetitive proposals in response to a written request from the recipient.
- The item/service is available only from one source.
- The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.

The COPS Office will review your request and the supporting information that you provide and will make a determination as to whether or not an exception can be made to the general rule regarding competition. If submitting a sole source justification request to the COPS Office, please use the format described in the Sole Source Justification fact sheet at

https://cops.usdoj.gov/pdf/2018AwardDocs/Sole_Source_Justification_Fact_Sheet.pdf.

28. Public Release Information

Condition:

The recipient agrees to submit one copy of all reports and proposed publications resulting from this award ninety (90) days prior to public release. Any publications (written, curricula, visual, sound, reports, or websites) or computer programs, whether or not published at government expense, shall contain the following statement:

"This project was supported, in whole or in part, by grant number 2018-SVWX- XXXX awarded by the U.S. Department of Justice, Office of Community Oriented Policing Services. The opinions contained herein are those of the author(s) or contributor(s) and do not necessarily represent the official position or policies of the U.S. Department of Justice. References to specific individuals, agencies, companies, products, or services should not be considered an endorsement by the author(s), contributor(s), or the U.S. Department of Justice. Rather, the references are illustrations to supplement discussion of the issues.

The Internet references cited in this publication were valid as of the date of publication. Given that URLs and websites are in constant flux, neither the author(s) nor the COPS Office can vouch for their current validity."

Why this condition:

The COPS Office wants to ensure the quality, objectivity, utility, and integrity of information in funded projects that are disseminated to the public. However, award-funded reports and publications are not works of authorship by the Federal Government and should not be construed to reflect the official policy or position of the U.S. Department of Justice.

What you should do:

Ensure that all publications developed under your award contain the required statement listed above.

29. Criminal Intelligence Systems

Condition:

Recipients using award funds to operate an interjurisdictional criminal intelligence system must comply with the operating principles of 28 C.F.R. Part 23. By signing the Certification of Review and Representation of Compliance with Requirements in the application, the recipient assured the COPS Office that it will comply with the requirements of 28 C.F.R. Part 23.

Why this condition:

If your agency receives funding for equipment or technology that will be used to operate an interjurisdictional criminal intelligence system, you must comply with the operating principles found in 28 C.F.R. Part 23. An "interjurisdictional criminal intelligence system" is generally defined as a system that receives, stores, analyzes, exchanges, or disseminates data regarding ongoing pre-arrest criminal activities (examples of such activities include, but are not limited to, loan sharking, drug or stolen property trafficking, gambling, extortion, smuggling, bribery, and public corruption) and shares this data with other law enforcement jurisdictions. 28 C.F.R. Part 23 contains operating principles for these interjurisdictional criminal information systems that protect individual privacy and constitutional rights.

If your agency will use award funds to operate a single agency database (or other unrelated forms of technology) and will not share criminal intelligence data with other jurisdictions, 28 C.F.R. Part 23 does not apply to your award.

What you should do:

Recipients were required to agree to the Certification of Review of Criminal Intelligence Systems/28 C.F.R. Part 23 as part of their application proposal so the COPS Office can track which agencies intend to use their award funds to operate interjurisdictional criminal intelligence systems. If your agency intends to use award funds to operate an interjurisdictional criminal intelligence system, you should have indicated this in your application and certified your agency's agreement to comply with the operating principles found at 28 C.F.R. Part 23. Your agency now must comply with 28 C.F.R. Part 23 in operating the interjurisdictional criminal intelligence system funded through your SVPP award.

30. State Information Technology Point of Contact

Condition:

The recipient agrees to ensure that the appropriate State Information Technology Point of Contact receives written notification regarding any technology or information-sharing project funded by this award during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <https://it.ojp.gov/technology-contacts>.

Why this condition:

The COPS Office is committed to promoting communication between state and local law enforcement.

What you should do:

If applicable, upon receiving the award, your agency should contact your state information technology point of contact for further guidance. Please visit the Justice Information Sharing homepage at <https://it.ojp.gov/technology-contacts> and identify your appropriate contact.

The COPS Office is committed to avoiding duplication of existing law enforcement information-sharing networks or IT systems that involve interagency connectivity between jurisdictions. Therefore, such COPS Office-funded systems should employ, to the extent possible, existing systems such as Law Enforcement Online (LEO), Regional Information Sharing Systems (RISS), Joint Regional Information Exchange System (JRIES), etc., to achieve interstate connectivity.

31. News Media

Condition:

The recipient agrees to comply with the COPS Office policy on contact with the news media. The policy establishes the COPS Office Communications Division as the principal point of contact for the news media for issues relevant to the COPS Office or parameters of this award. The recipient agrees to refer all media inquiries on these topics directly to the COPS Office Communications Division at 202-514-9079.

Why this condition:

The COPS Office Communications Division will coordinate contacts with the news media, provide supplemental information that may be helpful to you and the media outlet, and make the appropriate U.S. Department of Justice offices and personnel aware of pending articles and interviews.

What you should do:

If you are contacted by a media outlet seeking information, an interview, or other support related to your COPS Office project, please refer the requesting outlet to the COPS Office Communications Division at 202-514-9079.

32. Paperwork Reduction Act Clearance and Privacy Act Review

Condition:

The recipient agrees, if required, to submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget (OMB) for clearance under the Paperwork Reduction Act (PRA). Before submission to OMB, all information collections that request personally identifiable information must be reviewed by the COPS Office to ensure compliance with the Privacy Act. The Privacy Act compliance review and the PRA clearance process may take several months to complete. 44 U.S.C. §§ 3501-3520 and 5 U.S.C. § 552a.

Why this condition:

The purpose of the Paperwork Reduction Act is to reduce, minimize, and control paperwork burdens on the public while maximizing the practical utility and public benefit of information created, collected, disclosed, maintained, used, shared, and disseminated by or for the Federal Government. See 5 C.F.R. § 1320.1. In addition, the Privacy Act establishes a “code of fair information practices” that regulates the collection, maintenance, use, and disclosure of personally identifiable records. 5 U.S.C. § 552a.

A collection of information undertaken by a recipient is considered to be conducted or sponsored by a federal agency only if (1) the recipient is conducting the collection of information at the specific request of the agency, or (2) the terms and conditions of the award require specific approval by the agency of the collection of information or the collection procedures. See 5 C.F.R. § 1320.3(d).

What you should do:

When you undertake surveys, interviews, and other methods of information collection in furtherance of the objectives of the award, you should contact your COPS Office Grant Program Specialist. The COPS Office Grant Program Specialist will inform you whether Office of Management and Budget (OMB) approval of the information collection method is required and of the procedures necessary to obtain this approval. As part of the OMB approval process, a privacy assessment will be completed to determine if an information collection requires a privacy-related notice. OMB approval may take several months to receive, so recipients are advised to allow ample time for the processing of this request.

33. Copyright

Condition:

If applicable, the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award in accordance with 2 C.F.R. § 200.315(b). The COPS Office reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish, or otherwise use the work, in whole or in part (including create derivative works), for Federal Government purposes, and to authorize others to do so. The COPS Office also reserves the right, at its discretion, not to publish deliverables and other materials developed under this award as a U.S. Department of Justice resource.

Products and deliverables developed with award funds and published as a U.S. Department of Justice resource will contain the following copyright notice:

"This resource was developed under a grant and may be subject to copyright. The U.S. Department of Justice reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use the work for Federal Government purposes and to authorize others to do so. This resource may be freely distributed and used for noncommercial and educational purposes only."

Why this condition:

U.S. Department of Justice regulations allow the recipient of a SVPP award to copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award.

As a Federal Government agency whose activities include producing and disseminating law enforcement materials to advance public safety across the nation, the COPS Office has an interest in making your deliverables and products widely available and accessible to the public. The COPS Office may make any work that was developed or purchased under this award publically available by any means without restriction, including a U.S. Department of Justice website, social media account, a hard copy, or in electronic form. The COPS Office also reserves the right, at its discretion, to not publish deliverables and other materials (e.g., reports, publications, manuals, and training curricula) developed under this award as a U.S. Department of Justice resource.

What you should do:

The recipient is responsible for acquiring the rights, and ensuring that its subrecipients/contractors/authors acquire the rights, including the payment of required fees, to use copyrighted material for inclusion in deliverables that are developed under this award. All licensing, publishing, or similar agreements with a copyright holder, publisher, or other relevant party must include provisions giving the COPS Office a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use the work in whole or in part (including create derivative works) for Federal Government purposes and to authorize others to do so. If the recipient retains a contractor or consultant to author or coauthor a work under this award, the recipient must ensure that there is a written agreement with the contractor or consultant that explicitly (1) assigns and transfers all rights to the copyright in the work to the recipient for the full term of copyright and, if a copyright transfer is not feasible, (2) awards the COPS Office the same royalty-free, nonexclusive, and irrevocable license to use, and authorize others to use, the work for Federal Government purposes.

The U.S. Department of Justice is a nonexclusive licensee to copyrighted work that was developed, or for which ownership was purchased, under this award. Only the legal or beneficial owner of an exclusive right under a copyright is entitled to institute an infringement action. The recipient should therefore consult its own legal counsel with any copyright infringement questions. For more information about registering a copyright, please visit the U.S. Copyright Office at www.copyright.gov.

34. Local Match

Condition:

Recipients are required to contribute a local match of at least 25 percent toward the total cost of the approved award project, unless waived in writing by the COPS Office. The local match must be a cash match and must be paid during the award period. 34 U.S.C. § 10551(f).

Why this condition:

The SVPP program provides up to 75 percent funding and a federal share up to \$500,000 towards the total cost of the approved award project. Recipients are therefore responsible for at least 25 percent of the total project costs. The local match must be a cash match from local, state, or other non-COPS Office funds. Federal funds (other than COPS Office funds) may be used to meet your local match only if the federal funds are authorized by statute for that purpose and approved by both the federal agency and the COPS Office.

What you should do:

The SVPP award is for two years (24 months) in duration and the local match (cash) must be paid during the award period. Your agency must maintain records of your local share. These records should clearly show the source of the local matching funds, the amount of the match, and when the match was contributed. You do not need to provide these supporting documents to the COPS Office, but such records must be produced in the event of an audit or site visit. In addition, Recipients are required to report the amount of the match contributed on the quarterly Federal Financial Report SF-425 under "line B." Acceptable sources for local match requirements may include the following:

- Non-federal asset forfeitures funds (subject to approval from the state or local oversight agency)
- Funds from state or local governments that are committed to matching funds for your program
- Funds from federal programs whose statutes specifically authorize their use as matching funds
- Funds contributed by private sources
- Federal funds appropriated to tribal agencies or to the Bureau of Indian affairs performing law enforcement functions on Indian lands may be used as matching funds

Matching contributions may be applied at any time during the life of the award, provided that the full matching share is obligated by the end of the award period. If you have any questions about paying the local match, please contact your COPS Grant Program Specialist at 800.421.6770.

35. Contracts and MOUs with Other Jurisdictions

Condition:

The recipient understands and agrees that the equipment, technology, supplies, services, training, civilian positions, and other costs funded with this SVPP award may only be used to benefit schools within the recipient's jurisdiction.

Why this condition:

The SVPP award is intended to benefit schools within the recipient's jurisdiction. Therefore, the recipient must use the SVPP award funding to benefit its own population.

What you should do:

The SVPP award funding should be used directly to improve security at schools within the recipient's jurisdiction. Therefore, the equipment, technology, supplies, services, training, civilian positions, and other costs funded with this SVPP award may not be used for any other purposes besides benefit the schools within the recipient's jurisdiction.

What are the specific rules regarding termination of award funding?

The COPS Office may suspend, in whole or in part, or terminate funding or impose other sanctions on a recipient for the following reasons:

- Failure to substantially comply with the requirements or objectives of the Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018, 34 U.S.C. § 10551, et seq., program guidelines, or other provisions of federal law
- Failure to make satisfactory progress toward the goals or strategies set forth in this application
- Failure to adhere to award agreement requirements or special conditions
- Proposing substantial plan changes to the extent that, if originally submitted, would have resulted in the application not being selected for funding
- Failure to submit required or requested reports
- Filing a false statement or certification in this application or other report or document
- Other good cause shown

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

Awards terminated due to noncompliance with the federal statutes, regulations, or award terms and conditions will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

Accepting the award

After you have reviewed the conditions of your COPS Office SVPP Program award and your agency agrees with these conditions, you are ready to accept the award. The Director (or Acting Director) of the COPS Office has signed the award document indicating approval of your award, an obligation of federal funds to your organization, and our commitment to the award. As stated at the beginning of this section, to officially begin your award and draw down your funds, the authorized officials (see the Glossary of Terms in this manual) must access <https://portal.cops.usdoj.gov> to log in, review, and electronically sign the award document with the award terms and conditions; the Financial Clearance Memorandum that is incorporated by reference into the award document; and, if applicable, the special award conditions and high risk conditions in the award document supplement within 90 days of the date shown on the award congratulatory letter. Please see the Agency Portal User Manual at https://cops.usdoj.gov/pdf/2018AwardDocs/Agency_Portal_GrantsMgt_Manual.pdf for detailed instructions on award acceptance.

Who should sign the award document for our agency?

The authorized official is the government executive who has the ultimate and final responsibility for all programmatic and financial decisions regarding this award as representatives of the legal recipient. COPS Office SVPP awards require that the top government executive (e.g., governor, mayor, board chairman, county administrator, town manager, or equivalent) sign the award document. Typically, this is the same executive who signed the forms in your SVPP application package. If this individual has changed, please complete a Change of Information (COI) form online at https://cops.usdoj.gov/pdf/2018_Change_of_Info_508d_Form.pdf. If you have any questions as to who should sign the award, please contact your organization's legal counsel.

By when must the award document be signed?

Please electronically sign the award document and all award condition pages within 90 days of the date on the award congratulatory letter. Award funds will not be released until we have received your agency's signed award document, your budget has received final clearance, and any other relevant award conditions particular to your agency have been satisfied. Failure to electronically sign your original award document within the 90-day award acceptance period may result in your SVPP award being withdrawn and the funds deobligated without additional notification. If your agency requires an extension for accepting the award beyond the 90-day acceptance timeframe, you will be able to request an extension through the online system. Be sure to explain the circumstances that prevent your agency from electronically signing the award document within the 90-day period, and identify the date by which the award document will be signed. The COPS Office will review such requests on a case-by-case basis. The COPS Office reserves the right to deny requests to extend the 90-day award acceptance period. If you have any questions, please contact your COPS Office Grant Program Specialist or the COPS Office Response Center at 800-421-6770.

II. Procurement Process

In general, recipients are required to procure funded items through open and free competition when feasible. For the purchase of equipment, technology, or services under a COPS Office award, recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in 2 C.F.R. §§ 200.317 – 200.326.

As described in the award condition titled “Sole Source Justification,” recipients are required to submit a sole source justification (SSJ) request to the COPS Office for noncompetitive procurements in excess of \$250,000 prior to purchasing equipment, technology, or services; obligating funding for a contract; or entering into a contract with award funds. If submitting a sole source justification request to the COPS Office, please use the format described in the Sole Source Justification fact sheet at

https://cops.usdoj.gov/pdf/2018AwardDocs/Sole_Source_Justification_Fact_Sheet.pdf.

If you have any questions regarding the federal requirements that guide procurement procedures, please contact your COPS Office Grant Program Specialist.

For more information about COPS Office programs and resources, please call the COPS Office Response Center at 800-421-6770 or visit the COPS Office online at **www.cops.usdoj.gov**.

III. Accessing Award Funds

This section provides answers to payment-related questions, including all the information needed to provide access to request payments from your COPS awards. For assistance with financial management and award administration, please contact the COPS Office Response Center at 800-421-6770 or visit our website at www.cops.usdoj.gov.

Payment method

What method of payment is used?

There is currently one payment system available for accessing federal award funds—the Grant Payment Request System (GPRS). GPRS is a web-based system that enables recipients to use a secure Internet connection to request funds. Approved payment requests will automatically be scheduled for payment by the United States Department of the Treasury through electronic funds transfer (EFT). The Automated Clearing House (ACH) is the primary system that agencies use for EFT. An award recipient will be able to review previous payment requests made since July 2009. For more information regarding GPRS, please visit the following website:

<https://ojp.gov/about/offices/ocfogprs.htm>.

Setting up your account

How do we set up a new GPRS account?

If you are a new award recipient to the COPS Office, your agency should determine which authorized employee(s) will be responsible for requesting federal funds for your COPS Office awards through the GPRS system. The individual(s) selected must click on the following link and register with the GPRS system to become a drawdown specialist for your agency: <https://grants.ojp.usdoj.gov/gprs/welcome>. All individuals that need access to GPRS must register separately and create their own unique GPRS username account, as these accounts are not meant to be shared.

Once you have been approved, you will receive an email containing a temporary password and information on how to use GPRS. Please note that part of the verification process may involve outreach to your Law Enforcement Executive, Government Executive, or other financial points of contact to validate the information that was provided during the registration process. Once you receive your temporary password, you should login to the GPRS website and change your temporary password to a permanent password. If you ever have an issue regarding your GPRS password, you have the option to utilize the “Forgot Password” link on the webpage. It will email you a new temporary password. If this does not work, please contact the GMS Helpdesk (888-549-9901, option 3) for a password reset for GPRS with the username you selected upon registration.

DOJ award recipients who already have active GPRS accounts for awards created in the OJP Grants Management System (GMS) may be instructed to consolidate usernames once their COPS GPRS username is approved and becomes active. For more information on GPRS username consolidation, please visit the following link:

<https://ojp.gov/about/pdfs/gprsjobaid.pdf>.

How do we add an award to an existing GPRS account?

If you are currently registered for an active COPS Office award username in GPRS and would like to add a recently funded COPS Office award number to your existing COPS Office award username, you must contact the COPS Office GPRS Registration Desk. Please send your request via email to COPSGPRSRegistration@usdoj.gov and provide the following COPS Office award GPRS username information:

- User name (for COPS Office awards)
- First/last name
- Vendor number (as listed on your award document)
- Award number(s) to be added

How do we fill out the payment enrollment forms?

If you are a new award recipient to the COPS Office, your agency will need to complete an Automated Clearinghouse (ACH) Vendor/Miscellaneous Payment enrollment form (SF-3881). This form can be found on the COPS Office website at www.cops.usdoj.gov/pdf/ach_form_new.pdf.

Prior to accessing your award funds, your agency must mail the original signed form to:

**Office of Justice Programs
Office of the Chief Financial Officer
810 Seventh Street NW
Attn: Control Desk, Fifth Floor
Washington, DC 20001**

Your agency must complete the "Payee/Company Information" section following the directions on the back of the form and also provide the award number (printed on the award document). Next, your financial institution must complete the "Financial Institution Information" section and have the appropriate financial official sign the form.

If you are a recipient of a previous COPS Office award, you should already have filled out an ACH enrollment form. You will not be required to submit a new ACH enrollment form for the new award as long as your bank account information or OJP vendor number has not changed. If you have any questions, or wish to verify your ACH enrollment form information, please call the COPS Office Response Center at 800-421-6770 and ask to speak with your state assigned Financial Analyst.

When should Federal Financial Reports be filed?

Current regulations state that all COPS award recipients are required to submit their initial Federal Financial Report (FFR) using Standard Form 425 (SF-425) at the end of the period that includes the award start date, regardless of when the award was accepted, and thereafter, at the end of every calendar quarter, regardless of award activity. This report should reflect actual expenditures and unliquidated obligations incurred by your agency on a cumulative basis. You will not be able to make drawdowns from your GPRS account if the SF-425 report for the most recent reporting quarter is not on file with the COPS Office by the deadline date. Recipients are encouraged to submit their SF-425 reports via the Internet at <https://portal.cops.usdoj.gov>.

For more information on how to complete and where to submit your quarterly SF-425 report, see the section in this manual titled "Reporting Requirements."

Filing the Federal Financial Report (SF-425) identifies your federal and local expenditures made during that calendar quarter. However, to receive actual payment, you must request it through GPRS.

Additional payment questions

Can we receive advances?

Yes. If you receive funds through electronic transfer, the period allowed is 10 days in advance. In general, the concept of “minimum cash on hand” applies to COPS Office awards. This concept requires that your agency request funds based upon immediate cash disbursement needs. You should time your request for payment to ensure that federal cash on hand is the minimum that you need.

There should be no excess federal award funds on hand, except for advances not exceeding 10 days, as noted above.

The Federal Government has four basic rules regarding advances. Advances can be terminated if the recipient

1. is unwilling or unable to attain project goals;
2. maintains excess cash on hand;
3. does not adhere to the terms and conditions of the award;
4. fails to submit reliable or timely reports.

How often can we request reimbursement of costs?

There are no limitations on how often your agency may request reimbursements; however, your reimbursement requests should cover a specific time frame and include only costs that were approved in the Financial Clearance Memorandum (FCM). As a general guideline, most agencies request reimbursement on a monthly or quarterly basis. Also, please note that a date range for a reimbursement request can only be used once.

Can we earn interest on our award funds?

For states, payments are governed by Treasury-State CMIA agreements and default procedures codified at 31 C.F.R. Part 205 “Rules and Procedures for Efficient Federal-State Funds Transfers” and TFM 4A–2000 Overall Disbursing Rules for All Federal Agencies.

For nonfederal entities other than states, payment methods must minimize the time between your drawdown of federal funds and your payment of award costs to avoid earning excess interest on your award funds. You must account for interest earned on advances of federal funds as follows:

- The Office of Management and Budget (OMB) uniform guidance at 2 C.F.R. § 200.305(b)(9) states that interest earned on federal advance payments deposited in interest-bearing accounts **up to \$500 per year** may be retained by the nonfederal entity for administrative expenses.
- Any interest earned on federal advance payments deposited in interest-bearing accounts that is **in excess of \$500 per year** must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment. For detailed information on remittance, please see appendices for a full text of the electronic medium remittance options.

- If you do not have access to an electronic medium option, then please make a check payable to “The Department of Health and Human Services” and mail the check to Treasury-approved lockbox: HHS Program Support Center, P.O. Box 530231, Atlanta, GA 30353-0231. (Please allow 4–6 weeks for processing of a payment by check to be applied to the appropriate Payment Management System (PMS) account).
- Please notify your COPS Office Staff Accountant in the COPS Office Finance Business Unit when any interest that is earned is remitted to the Department of Health and Human Services, Payment Management System.

Matching funds

Under the COPS Office SVPP, there is a local cash match requirement of a minimum of 25 percent. The COPS Office is funding 75 percent of the allowable items approved in your FCM up to \$500,000. Any agency desiring to contribute additional funds to this project is encouraged to do so by reporting these funds on the SF-425 as a recipient share of expenditures (line 10j).

IV. Financial Record Maintenance

Under the COPS Office SVPP, your agency is required to establish and maintain accounting systems and financial records to accurately account for funds awarded and disbursed. These records must include both federal funds and any local funds contributed to this project.

Accounting systems and records

What accounting systems are required?

Your agency needs to establish and maintain accounting systems and financial records to accurately account for the funds awarded.

As required by 2.C.F.R. § 200.62 (Internal control over compliance requirements for federal awards), your accounting system should be designed to provide reasonable assurance regarding the achievement of the following objectives for federal awards:

- Transactions are properly recorded and accounted for in order to prepare reliable financial statements and federal reports and to maintain accountability over assets.
- Transactions are executed in compliance with all applicable federal statutes, regulations, and the award terms and conditions.
- Funds, property, and other assets are safeguarded against loss from unauthorized use or disposition.

What records must be kept?

Your agency's fiscal control and accounting systems should enable you to make accurate, current, and complete disclosure of the financial activity under your SVPP award. Your accounting records should contain information showing expenditures under the award and must be supported by items such as payroll records, time and attendance records, canceled checks, purchase orders, or similar documents.

Your agency must adequately safeguard award funds and make sure that they are used for authorized purposes only. Your agency will be responsible for refunding any unallowable expenses.

How long must records be kept?

All financial records and supporting documents associated with your SVPP award (including payroll, time and attendance records, canceled checks, and purchase orders) must be retained for a period of three years from the date of submission of the final expenditure report as stated in 2 C.F.R §C.F.R. § 200.333 (Retention requirements for records).

Your agency should maintain records so that you can identify them by award year or by fiscal year, whichever you find more convenient. If any litigation, claim, negotiation, audit, or other action involving these records has been started before the end of the three-year period, the records should be kept until completion of the action. These records should be easily located and should be properly protected against fire or other damage. *Failure to maintain adequate records to document award expenditures may result in a requirement to repay all federal funds that cannot be supported with appropriate records.*

What if we have more than one award?

If your agency has more than one COPS Office award or an award from another federal agency, funds received under one project may not be used to support another project without specific written authorization from the COPS Office, or in the case of an award from another agency, from both awarding agencies. Your accounting systems and financial records must reflect expenditures for each project separately.

Who may access our records?

Authorized federal representatives, including representatives from the U.S. Department of Justice, the Comptroller General of the United States, the COPS Office, and any entity designated by the COPS Office may access these records for the purposes of conducting audits, site visits, or other examinations.

V. Federal Audit Requirements

In addition to oversight by the COPS Office, your award may be subject to an audit by independent examiners. The two primary types of audit are Single Audit Act (SAA) audits and U.S. Department of Justice, Office of the Inspector General (OIG) audits.

Single Audit Act (SAA) requirements

What are the regulations governing SAA requirements?

The Single Audit Act (SAA) of 1984 established uniform guidelines for state and local governments receiving federal financial assistance. The 1984 Act was amended in July 1996, was revised on June 27, 2003 and again on June 26, 2007, and is effective for fiscal years after December 31, 2003, to reflect revised audit criteria and reporting requirements. The Office of Management and Budget (OMB) issued final guidance for 2 C.F.R. Part 200—Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance) on December 26, 2013. This guidance applies to all federal awards or funding increments awarded on or after December 26, 2014, and provides additional guidelines regarding the implementation of SAA requirements. 2 C.F.R. Part 200, Subpart F – Audit Requirements, available at www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl, establishes the requirements for organizational audits that apply to COPS Office award recipients. Recipients must arrange for the required organization-wide (not award-by-award) audit in accordance with the requirements of Subpart F.

Who must have an SAA audit?

A recipient that expends \$750,000 or more during the recipient's fiscal year in federal awards must have a single audit conducted in accordance with 2 C.F.R. § 200.514 (Scope of audit) except when it elects to have a program-specific audit conducted in accordance with 2 C.F.R. § 200.501(c). An auditee may be a recipient, a subrecipient, or a vendor.

SAA audits are conducted annually unless a state or local government is required by constitution or statute, in effect on January 1, 1987, to undergo audits less frequently than annually. The primary objective of an SAA audit is to express opinions on the recipient's financial statements, internal controls, major and nonmajor award programs, and compliance with government laws and regulations. Single Audits may also address specific compliance issues with respect to COPS Office award requirements.

In cases of continued inability or unwillingness to have an audit conducted in accordance with this part, federal agencies and pass-through entities must take appropriate action as provided in §200.338 Remedies for noncompliance. See 2 C.F.R. § 200.505.

These sanctions under 2 C.F.R. § 200.338 could include the following:

- Temporarily withholding cash payments pending correction of the deficiency by the nonfederal entity or more severe enforcement action by the federal awarding agency or pass-through entity
- Disallowing (that is, denying both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance
- Wholly or partly suspending or terminating the federal award

- Initiating suspension or debarment proceedings as authorized under 2 C.F.R. part 180 and federal awarding agency regulations (or in the case of a pass-through entity, recommending such a proceeding be initiated by a federal awarding agency)
- Withholding further federal awards for the project or program
- Taking other remedies that may be legally available

Your SAA reports should not be sent to the COPS Office.

If the U.S. Department of Justice is your cognizant federal agency (see the Glossary of Terms in the appendices), they should be sent to the Federal Audit Clearinghouse at:

**Federal Audit Clearinghouse
Bureau of Census
1201 East 10th Street
Jeffersonville, IN 47132**

The U.S. Department of Justice, Office of Justice Programs (OJP) serves as the liaison between recipients and auditors in the conduct of resolving and closing SAA audits. Questions and comments regarding SAA audits may be directed to the COPS Office Response Center at 800-421-6770.

Office of Inspector General (OIG) recipient audits

What is the role of the OIG for award audits?

The OIG is a separate component of the U.S. Department of Justice and is independent of the COPS Office. The primary objective of OIG recipient audits is to assess compliance with award terms and conditions. OIG audits are designed to prevent fraud, waste, and abuse of federal funds. The OIG audit process promotes efficiency and effectiveness in the administration and implementation of awards by evaluating compliance with the terms and conditions of awards.

How are COPS Office awards selected for an OIG audit?

The OIG randomly selects awards to be audited or may conduct a COPS Office recipient audit in response to a referral that the OIG believes warrants further evaluation. The OIG also surveys DOJ award-making agencies on an annual basis to solicit input on suggested audit areas for the upcoming fiscal year. In most instances, however, the OIG generally selects awards to be audited based on a number of factors, including the geographical distribution of awards funded, award amount, population served, award status (active and expired), and type of award (hiring and nonhiring). As such, the fact that a recipient has been selected for an OIG audit is not necessarily indicative of a suspected concern or problem area.

What are the steps in an OIG audit?

The COPS Office Grant Monitoring Division's Audit Liaison Section serves as the liaison between recipients and the OIG's Audit Division, which conducts the audit. The OIG steps in the audit process will determine the interactions between the OIG, the recipient, and the COPS Office Grant Monitoring Division Audit Liaison Section:

- **Call for award data.** The OIG requests award documentation from the COPS Office.
- **Entrance conference.** The OIG schedules to meet with the recipient to gather documentation and conduct audit.
- **Draft audit report.** The OIG reviews documentation and presents initial recommendations (findings) to the recipient and copies the COPS Office. The COPS Office interacts with the recipient to coordinate any repayments and/or policy or procedure documents to be submitted to the OIG before release of the Final Audit Report.
- **Final audit report.** The OIG has completed its direct interaction with the recipient. The COPS Office directs the recipient to formulate a Corrective Action Plan to address recommendations (findings). As each recommendation is successfully addressed by the recipient, the COPS Office requests closure on the recommendation.
- **Closing the audit.** When all recommendations have been closed, the COPS Office requests closure on the audit from the OIG and notifies the recipient that the audit is closed.

If you have any questions regarding an OIG audit, please contact the COPS Office Grant Monitoring Division's Audit Liaison Section via the COPS Office Response Center at 800-421-6770. Questions and comments regarding the administration of your COPS Office SVPP award, not specifically related to an audit, should be referred to your COPS Office Grant Program Specialist.

Typical audit findings

The OIG has typically reported the following audit findings pertaining to awards as a result of lack of proper documentation, poor business practices, or inadequate accounting and record keeping systems:

- **Unallowable costs.** Recipient incurred costs that were not approved in the original budget or a budget modification, were in excess of the approved budget, or were charged to the award after the expiration date and an award extension was not obtained.
- **Unsupported costs.** Specific award expenditures and reimbursements could not be supported by adequate documentation (including but not limited to receipts or purchase orders), that may have been allowable under the program, but for which no prior written approval was obtained from the COPS Office, or award expenditures were in excess of actual approved award costs.
- **Lack of complete/timely programmatic and financial reporting.** Recipient failed to submit required programmatic and financial reports in a timely manner and/or had inadequate record keeping systems.
- **Funds to better use.** Funds could be used more efficiently based on management actions such as reductions in outlays; deobligation of funds; withdrawal; costs not incurred by implementing recommended improvements; and other identified savings.

- **Questioned costs.** Costs that are questioned by the auditor because of an audit finding which resulted from a violation or possible violation of a provision of law, regulation, award terms and conditions, or other document governing the use of federal funds; or because costs incurred appear unreasonable and do not reflect the actions a prudent person would take under the same circumstances; or because costs at the time of the audit are not supported by adequate documentation.
- **Policy and procedure.** Weaknesses are identified in a recipient's accounting practices, fiscal stewardship, accuracy of data used in the development of the award applications, and/or inventory controls that led to the recommendation cited in the audit. The recipient is required to develop or revise policies and/or procedures consistent with their existing practices and submit to the COPS Office to forward to the OIG to close the recommendation.

After the final OIG audit report has been issued, the COPS Office Grant Monitoring Division's Audit Liaison Section will continue working as the liaison between your agency and the OIG to obtain closure on any audit findings. The COPS Office will issue a closure letter once all audit recommendations have been closed by the OIG. You must keep all documentation related to the audit for a period of three years following the audit's closure.

VI. Reporting Requirements

As an SVPP award recipient, your agency will be required to submit quarterly Federal Financial Reports as well as quarterly Programmatic Progress Reports. Awarded agencies should be prepared to track and report SVPP award funding separately from all other funding sources, in order to ensure accurate financial and programmatic reporting on a timely basis. Your agency should ensure that you have adequate financial internal controls in place to monitor the use of all funding, and also to ensure that its use is consistent with the award terms and conditions. Good stewardship in this area includes written accounting practices, use of an accounting system that adequately tracks all award drawdowns and expenditures, and has the ability to track when award-funded positions are filled or approved purchases are made. *Failure to submit complete reports or submit them in a timely manner may result in the suspension and possible termination of your agency's COPS Office award funding or other remedial actions.*

Federal Financial Reports

Your agency is required to submit a quarterly Federal Financial Report (FFR) using Standard Form 425 (SF-425) within 30 days after the end of each calendar quarter. A final SF-425 will be due within 90 days after the end of the award period. This report reflects the actual cumulative federal expenditures incurred during the funding period and the remaining unobligated balance of federal funds. Under federal regulations, your agency is not permitted to draw down federal funding for costs incurred after the official award end date; however, you will have a 90-day grace period after the award end date during which you can draw down funds for eligible expenditures incurred before the award end date.

How do we file Federal Financial Reports?

All COPS Office award recipients are required to submit quarterly Federal Financial Reports using the SF-425. Recipients are strongly encouraged to submit the quarterly SF-425 online. Visit the COPS Office Agency Portal website at <https://portal.cops.usdoj.gov> to log in; once you are logged in, select "Applications" from the agency portal menu, click on the "SF-425" icon, and follow the instructions to complete and submit your reports. The online SF-425 requires the same reporting information as the paper version. The use of this online application enables authorized users to view past reports and allows them to file or amend the SF-425 for the current quarter. Please see the Agency Portal User Manual at https://cops.usdoj.gov/pdf/2018AwardDocs/Agency_Portal_GrantsMgt_Manual.pdf for detailed instructions on federal financial reports.

If you do not have login access, you should contact your COPS Agency Portal Administrator to set up an account for you. If you have a registered account but do not remember your password, you may reset your password by going to the agency portal homepage in "Account Access," entering your email address, and clicking on the "Forgot Password" link. If you do not have your user name or password, please contact the COPS Office Response Center by phone at 800-421-6770 (from Monday through Friday between 9:00 AM and 5:00 PM Eastern time) or by email at AskCopsRC@usdoj.gov.

When are Federal Financial Reports due?

An SF-425 report must be submitted for each COPS Office award at the end of every calendar quarter and no later than 30 days after the last day of each reporting period, as detailed in table 1 on page 50.

Table 1. Due dates of SF-425 by quarter

Reporting quarter	SF-425 due date
January 1–March 31	April 30
April 1–June 30	July 30
July 1–September 30	October 30
October 1–December 31	January 30

For your initial SF-425 submission, determine when the SF-425 reporting period that includes your award start date ended and complete an SF-425 to cover the period from the award start date to the end of that period (regardless of when the award was accepted). You are required to submit an SF-425 even if you have not spent any money or incurred any costs during a reporting period. The due dates for online filing of SF-425 reports are the same as for the submission of paper copies.

Example:

If your award start date is 09-01-18 and the current date is 11-15-18, then your first SF-425 would be due no later than 10-30-18 and would cover the period 09-01-18 (award start date) through 09-30-18 (end of the initial reporting quarter for this award). This SF-425 must be on file with the COPS Office before the submission deadline so that you can avoid being delinquent and successfully complete a drawdown of funds through GPRS (submit report as soon as you accept the award and have access to the COPS Agency Portal).

Award recipients who do not submit an SF-425 report by the due date each quarter will be unable to draw down funds. The payment system contains a function which checks for SF-425 delinquency and will reject a drawdown attempt if the SF-425 is not current. Subsequent outreach through email, fax, or hard copy reminders may be sent to the recipient if the SF-425 is delinquent.

For general information concerning online filing of SF-425 reports, go to www.cops.usdoj.gov or contact the COPS Office Response Center by phone at 800-421-6770 or by email at AskCopsRC@usdoj.gov.

For assistance in completing the SF-425, contact the COPS Office Response Center at 800-421-6770 or by email at AskCopsRC@usdoj.gov or review the “Helpful Hints Guide for Completing the Federal Financial Report (SF-425)” at www.cops.usdoj.gov/pdf/SF-425_Helpful_Hints_Guide_5.9.13.pdf.

How will award funds be monitored?

The COPS Office and designated representatives from the Office of the Chief Financial Officer, Office of Justice Programs monitor the financial aspects of your agency's award through financial reports, on-site visits, office-based award reviews, meetings, telephone contacts, reports, audits, reviews of award change requests, and special request submissions.

Program Progress Reports

Quarterly Program Progress Reports and a Final Program Progress (Closeout) Report are required to be submitted directly to the COPS Office through the “Account Access” tab of the COPS Office website at <https://portal.cops.usdoj.gov>.

How do we file a Program Progress Report?

Please access the COPS Office website at <https://portal.cops.usdoj.gov> and click on the “Account Access” tab at the top-right hand side of the page. Once you are logged in, select “Applications” from the agency portal menu, click on the “Progress Report” icon, and follow the instructions to complete your report. Please see the Agency Portal User Manual at https://cops.usdoj.gov/pdf/2018AwardDocs/Agency_Portal_GrantsMgt_Manual.pdf for detailed instructions on federal financial reports.

How do we obtain online access to complete the Program Progress Report?

If you do not have login access, you should contact your agency portal administrator to set up an account for you.

If you have a registered account but do not remember your password, you may reset your password by going to the agency portal homepage at <https://portal.cops.usdoj.gov> and enter your email address, and click on the “Forgot Password” link. If you do not have your user name or password, please contact the COPS Office Response Center by phone at 800-421-6770 (from Monday through Friday between 9:00 AM and 5:00 PM Eastern time) or by email at AskCopsRC@usdoj.gov.

Do we need to request a Program Progress Report?

No. The COPS Office will notify your agency directly when the report is due. A notification for submitting your quarterly Program Progress Report will be sent electronically in January, April, July, and October covering activities for the preceding calendar quarter. Notification for submitting your Final Program Progress (Closeout) Report will be sent to your agency in the month following your award end date.

When are Program Progress Reports due?

Program Progress Reports for COPS Office awards must be submitted every quarter and no later than 30 days after the last day of each reporting quarter, as detailed in table 2.

Table 2. Due dates of Program Progress Reports by quarter

Reporting quarter	Program Progress Report due date
January 31–March 31	April 30
April 1–June 30	July 30
July 1–September 30	October 30
October 1–December 31	January 30

What kind of information will these reports require?

These reports will request information about the status of your award in terms of purchasing equipment, hiring personnel, delivering services, and progress in meeting milestones identified in the cooperative agreement, as well as general information about your agency.

What if we make a mistake or need to modify the report after it is submitted?

Recipients may need to make a change or may be asked by a subsequent COPS Office reviewer to make a correction to a submission. The recipient can update the submission by logging on to the COPS Office website or by calling the COPS Office Progress Report Team at 800-659-7379.

Will the data that we submit be publicly available?

Program Progress Reports submitted to the COPS Office may be reported publicly in response to a Freedom of Information Act (FOIA) request.

If your agency has any questions regarding the submission of these required reports, please call the COPS Office Progress Report Team at 800-659-7379.

Contact points to obtain technical assistance and report violations

Any alleged violations, serious irregularities, or acts that may result in the use of public funds in a manner inconsistent with the Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018 (34 U.S.C. § 10551, et seq.) or the purposes of this award may be reported to the U.S. Department of Justice. Furthermore, the COPS Office welcomes the opportunity to provide assistance regarding the implementation of award provisions to help ensure that federal award funds are spent responsibly. As such, the following contacts are provided to address noncompliance and technical assistance issues:

VII. When the Award Period Has Ended

At the end of your agency's SVPP award period, the COPS Office is responsible for the closeout of your award. As part of this process, the COPS Office requires documentation demonstrating that your agency has met all of the programmatic and financial requirements of the award.

After the end of the award period, your agency will be asked to submit a Final Federal Financial Report (SF-425) and any applicable final programmatic progress reports.

Final Federal Financial Report (SF-425)

The final Federal Financial Report (SF-425) for your award is due to the COPS Office no later than 90 days after the end date of the award period. To avoid being delinquent and having your funds frozen, you must submit an SF-425 report within the 30 day grace period, even if your final SF-425 is not due yet. You can revise that report to reflect your final actual costs and revise the status as final no later than 90 days after the end date of the award period. The final report should reflect the total amount of allowable federal expenditures that were incurred during the life of the award, as well as the amount of unobligated funds remaining, if any. The federal funds expended should reflect only the actual allowable costs incurred relative to the specific program requirements for that award. In addition, once you have completed your final drawdown, this report should reconcile with the total amount of federal funds drawn down by your agency. The final SF-425 should also include the required minimum total amount of local (recipient) cash match contributed, if applicable.

When should all of the award monies be spent?

Award funds reflecting allowable project costs must be obligated before the end of the award period. Obligated funds cover monies spent, and expenses incurred but not yet paid, for any approved items listed on the FCM. Your agency has up to 90 days after the end of the award period to pay for eligible expenses previously incurred, and to request reimbursement for any remaining eligible balance. You cannot list an accrual on your final SF-425. Request an extension if you will not be able to pay for any obligations within the time frames listed above.

Please be advised that 2 C.F.R. § 200.343(a) requires recipients to submit final SF-425s and 2 C.F.R. § 200.343(b) requires recipients to draw down the final reimbursement for expended funds within 90 days after the expiration of the award. In addition, be advised that failure to complete the drawdown of funds within the 90-day period following award expiration will result in the forfeiture of the remaining eligible balance.

It is possible that your agency may have unobligated and unspent award funds remaining in your account following the award period due to an overestimate of item costs during the application period. Your agency should review its records carefully to ensure that it draws down and expends only the amount required for actual costs incurred during the award period. Any remaining unobligated or unspent funds should remain in your account, and will be deobligated during the closeout process.

Final Program Progress (Closeout) Report

After your award period has ended, your agency may be sent a final progress or closeout report from the COPS Office and asked to complete it. This report will serve as your agency's final programmatic report on the award, and the information your agency provides in this report will be used to make a final assessment of your award progress.

Equipment disposition

Each recipient must use any equipment funded through a COPS Office award for approved award-related purposes and must retain the equipment for the life of the award. After the conclusion of the award period, property records must be maintained by the recipient. The records should include a description of the property; a serial number or other identification number; the source of the property; the name of the person or entity that holds the title; the acquisition date and cost of the property; the percentage of federal participation in the cost of the property; the location, use, and condition of the property; and any ultimate disposition data, including the date of disposal and sale price of the property. A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property.

When the award has expired and original or replacement equipment obtained under the award is no longer needed for the original project or for other activities currently or previously supported by a federal agency, disposition of the equipment shall be made as follows:

Items of equipment with a current per-unit fair market value of \$5,000 or less may be retained, sold, or otherwise disposed of with no further obligation to the awarding agency.

Items of equipment with a current per-unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency is entitled to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's federal share in the cost of the original purchase.

For more information, please see 2 C.F.R. § 200.313.

- (1) In general.--**An employee of a contractor, subcontractor, grantee, or subgrantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in paragraph (2) information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.
- (2) Persons and bodies covered.--**The persons and bodies described in this paragraph are the persons and bodies as follows:
 - (A)** A Member of Congress or a representative of a committee of Congress.
 - (B)** An Inspector General.
 - (C)** The Government Accountability Office.
 - (D)** A Federal employee responsible for contract or grant oversight or management at the relevant agency.
 - (E)** An authorized official of the Department of Justice or other law enforcement agency.

 - (G)** A management official or other employee of the contractor, subcontractor, or grantee who has the responsibility to investigate, discover, or address misconduct.
- (3) Rules of construction.--**For the purposes of paragraph (1)--
 - (A)** an employee who initiates or provides evidence of contractor, subcontractor, or grantee misconduct in any judicial or administrative proceeding relating to waste, fraud, or abuse on a Federal contract or grant shall be deemed to have made a disclosure covered by such paragraph; and
 - (B)** a reprisal described in paragraph (1) is prohibited even if it is undertaken at the request of an executive branch official, unless the request takes the form of a non-discretionary directive and is within the authority of the executive branch official making the request.

(b) Investigation of complaints.--

- (1) Submission of complaint.--**A person who believes that the person has been subjected to a reprisal prohibited by subsection (a) may submit a complaint to the Inspector General of the executive agency involved. Unless the Inspector General determines that the complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant, the Inspector General shall investigate the complaint and, upon completion of such investigation, submit a report of the findings of the investigation to the person, the contractor or grantee concerned, and the head of the agency.

- (2) Inspector General action.--**
 - (A) Determination or submission of report on findings.--**Except as provided under subparagraph (B), the Inspector General shall make a determination that a complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant or submit a report under paragraph (1) within 180 days after receiving the complaint.
 - (B) Extension of time.--**If the Inspector General is unable to complete an investigation in time to submit a report within the 180-day period specified in subparagraph (A) and the person submitting the complaint agrees to an extension of time, the Inspector General shall submit a report under paragraph (1) within such additional period of time, up to 180 days, as shall be agreed upon between the Inspector General and the person submitting the complaint.
- (3) Prohibition on disclosure.--**The Inspector General may not respond to any inquiry or disclose any information from or about any person alleging the reprisal, except to the extent that such response or disclosure is--
 - (A)** made with the consent of the person alleging the reprisal;
 - (B)** made in accordance with the provisions of section 552a of title 5 or as required by any other applicable Federal law; or
 - (C)** necessary to conduct an investigation of the alleged reprisal.
- (4) Time limitation.--**A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
- (c) Remedy and enforcement authority.--**
 - (1) In general.--**Not later than 30 days after receiving an Inspector General report pursuant to subsection (b), the head of the executive agency concerned shall determine whether there is sufficient basis to conclude that the contractor or grantee concerned has subjected the complainant to a reprisal prohibited by subsection (a) and shall either issue an order denying relief or shall take one or more of the following actions:
 - (A)** Order the contractor or grantee to take affirmative action to abate the reprisal.
 - (B)** Order the contractor or grantee to reinstate the person to the position that the person held before the reprisal, together with compensatory damages (including back pay), employment benefits, and other terms and conditions of employment that would apply to the person in that position if the reprisal had not been taken.
 - (C)** Order the contractor or grantee to pay the complainant an amount equal to the aggregate amount of all costs and expenses (including attorneys' fees and expert witnesses' fees) that were reasonably incurred by the complainant for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the executive agency.
 - (2) Exhaustion of remedies.--**If the head of an executive agency issues an order denying relief under paragraph (1) or has not issued an order within 210 days after the submission of a complaint under subsection (b), or in the case of an extension of time under paragraph (b)(2)(B), not later than 30 days after the expiration of the extension of time, and there is no showing that such delay is due to the bad faith of the complainant, the complainant shall be deemed to have exhausted all administrative remedies with respect to the complaint, and the complainant may bring a de novo action at law or equity against the contractor or grantee to seek compensatory damages and other relief available under this section in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy. Such an action shall, at the request

of either party to the action, be tried by the court with a jury. An action under this paragraph may not be brought more than two years after the date on which remedies are deemed to have been exhausted.

Appendix F. 2 C.F.R. Appendix II to Part 200: Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

NOTE: The National Defense Authorization Act for fiscal year 2018 (NDAA), Public Law 115–91, Division A, Title VIII, Section 805, raised the simplified acquisition threshold to \$250,000 for all recipients. The OMB Memorandum M-18-18 entitled Implementing Statutory Changes to the Micro-purchase and the Simplified Acquisition Threshold for Financial Assistance granted an exception for recipients to use the higher simplified acquisition threshold of \$250,000 effective as of June 20, 2018, in advance of revisions to the Uniform Guidance.

In addition to other provisions required by the federal agency or nonfederal entity, all contracts made by the nonfederal entity under the federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
