FY 2019 Community Policing Development (CPD)

Appendix L. Intergovernmental review process, points of contact by state

Executive Order 12372 requires applicants from state and local units of government or other organizations or individuals providing service within a state to submit a copy of the application to the state single point of contact (SPOC), if one exists and if this program has been selected for review by the state. Before the application due date, you must contact your state SPOC to find out if this program has been selected for review and comply with the state's process under Executive Order 12372. The Catalog of Federal Domestic Assistance reference for this program is number 16.710, "Public Safety and Community Policing Grants."

A current list of state SPOCs is listed at **https://www.archives.gov/federal-register/codification/executive-order/12372.html**. States that are not listed have chosen not to participate in the intergovernmental review process and therefore do not have an SPOC.
