Law Enforcement Mental Health and Wellness Act (LEMHWA) (CFDA 16.710) Program Description

Overview

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as violent crime, nonviolent crime, and fear of crime.

Law Enforcement Mental Health and Wellness Act (LEMHWA) funds are used to improve the delivery of and access to mental health and wellness services for law enforcement through training and technical assistance, demonstration projects, and implementation of promising practices related to peer mentoring mental health and wellness programs that are national in scope and responsive to the solicitation topic requirements. With this funding, the COPS Office supports demonstration projects that allow for the identification and expansion of promising practices and produces knowledge products that follow the principles of good guidance:

- Quality-driven, with an emphasis on action statements to drive promising practices and reduce variations in performance
- Evidence-based, with recommendations that are consistent with the weight of the best available evidence identified through systematic review
- Accessible, with clear language and manageable lengths that are appropriate and relevant for the law enforcement field
- Memorable, to encourage immediate actions or aid for the complex situations law enforcement professionals face

To read an overview of the principles of community policing, please see appendix C, “Community Policing Defined.”

Statutory authority

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Program-specific information

When applying, please be sure to select the most appropriate topic area under which to apply. Please note that applicants may submit multiple applications, but you must submit a separate application for each topic area. Any application that does not clearly state the topic area on the cover page of the project narrative or selects the incorrect topic area may not pass the basic minimum requirement phase of the review process. See “Application and Submission Information” beginning on page 12 and “Application review information” beginning on page 65 for more on the requirements for LEMHWA applicants.

LEMHWA topic areas

The following sections will provide further details on each topic area as well as any further topic-specific requirements for your application. In addition, all applicants should keep the following general requirements in mind:

- All LEMHWA recipients will be expected to begin work immediately upon selection.
- Based on the identified deliverables, the applicant must adhere to the requirements set forth in the COPS Office Curriculum Standards and Review Process Guides (see “XIII. Curriculum development” beginning on page 75).
- Based on the identified deliverables, the applicant must adhere to the requirements set forth in the COPS Office Conference request approval process (see “XII. Prior approval, planning, and reporting of conference/meetings/training costs” beginning on page 74).
- Based on the identified deliverables, the applicant should adhere to the COPS Office Editorial and Style Manual.

Good mental and psychological health is just as essential as good physical health for law enforcement officers to be effective in keeping our communities safe from crime and violence. The Law Enforcement Mental Health and Wellness Act of 2017 aims to improve the delivery of and access to mental health and wellness services for law enforcement officers. The daily realities of the job can affect officers’ health and wellness. They face a constant need to be vigilant, long hours and shift work, exposure to the daily tragedies of life, and regular interaction with people who are in crisis or even hostile toward them.
Peer mentoring programs have long been recognized as an important tool for helping law enforcement officers manage the stress of the job. Peer programs do not just help officers in the wake of critical incidents but also assist officers who are struggling with any aspect of their lives including relationship problems, financial challenges, health and fitness, and substance abuse. Peer-led training programs have even been shown to have a positive effect on the lifestyle behaviors central to officer well-being. These programs succeed because the peer volunteers inherently understand the job of those they are supporting, and their presence within a department generally makes them more accessible than a behavioral health professional. This understanding and accessibility are central to officers’ willingness to seek help when needed, making peer mentors a critical tool for supporting law enforcement mental health and wellness.

**Goal**

For peer mentoring programs to be safe and effective, training and support for peer mentors is critically important. It can be emotionally demanding work for people who are not behavioral health specialists, so not only is the quality of their training important but they also need a support network they can rely on as they cope with the problems brought to them. In addition, peer mentors need easy access to local mental health professionals who can guide them in making referrals and managing cases that are more complex.

The primary goal of this project is to develop, test, and deliver a nationally available peer training and support program that can assist agencies of varying sizes in providing employee access to qualified mentors. In addition, applicants should describe how they will provide ongoing support to the trained peers through a national network for post-training consultation and assistance.

**Objectives**

The project description should address the following objectives:

- A recognized national peer mentor training program for law enforcement
- Trained mentors who will serve a diversity of agency types and sizes across the country
- A peer mentor support network for continuing education and assistance

**Deliverables**

The primary deliverable for this award is the peer mentor training curriculum. The course should be pilot tested with officers from a diversity of agencies (size, type, geography) prior to roll-out for national delivery. The training can be for direct delivery, train-the-trainer, or both. It can be in-person, online, or a combination thereof.

A secondary deliverable is the creation of a peer mentor support network accessible to mentors who have completed the training for additional information and support.

<td>This award is not for a single agency to develop an in-house peer mentoring training program. </tr>
</tbody>
</table>
Other requirements and information

All training must adhere to the COPS Office Curriculum Standards and Review Process Guides, and a plan for training accreditation is strongly encouraged. See “Training information” in the following section for details on the requirements.

Applicants should describe not only the intended curricula and the training testing and delivery plan but also how many peer mentors they will be able to reach.

A marketing strategy for ensuring the national reach of the training should also be included.

Training information

The COPS Office has a series of training requirements for training awardees. These requirements were established to develop a common process for the development, delivery, and launch of COPS Office–funded in-person and online courses. The requirements help manage quality control through a series of review and approval checkpoints before movement to the next development phase; assist with establishing a process for vetting COPS Office training content, style, format, and quality in a manner comparable to other COPS Office products and services; establish clear outcome expectations of online and in-person training initiatives; and help maintain COPS Office training by keeping them curricula current, relevant, and applicable to community policing.

All applicants must describe the course topic, content, goals, and objectives in detail. In addition to the aforementioned requirements,

- for online courses, applicants must fully describe the functionality of the course including specifications and compatibility with the COPS Office Training Portal;
- for in-person courses, applicants must describe the delivery approach and instructor selection process.

Applicants must seek national or state-level certification for their proposed course and should articulate in the project narrative the type of certification and steps the applicant will take to reach gain that certification.

To learn more about COPS Office training and the development, delivery, and launch requirements set forth by the COPS Office, visit the training tab on the COPS Office website.

Applicants should be knowledgeable about the COPS Office training requirements and demonstrate an understanding in the course development, review, and evaluation process.

It is a requirement that all COPS Office awardees developing or delivering COPS Office–funded training adhere to the appropriate Curriculum Standards and Review Process Guide as well as the corresponding data reporting requirements and supplemental requirements outlined in each cooperative agreement and via COPS Office fact sheets and additional manuals.

At the conclusion of the award period, the award recipient must submit all training materials to the COPS Office. This includes all videos, data, participant and instructor guides, and PowerPoint presentations for in-person training. For online training, the award recipient must submit the completed online course as well as all course files. The COPS Office reserves the right to deliver training even after the funding source for the training is complete. The COPS Office reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or
otherwise use the training in part or in whole for Federal Government purposes and to authorize others to use the training. The full outline of the right to use is detailed in every cooperative agreement and can be found in the Code of Federal Regulations (2 CFR 200.315 (b)).

Good mental and psychological health is just as essential as good physical health for law enforcement officers to be effective in keeping our communities safe from crime and violence. The Law Enforcement Mental Health and Wellness Act of 2017 aims to improve the delivery of and access to mental health and wellness services for law enforcement officers.

In response to the act, the DOJ prepared a report to Congress of recommendations of mental health practices and services that could be adopted by law enforcement agencies. In particular, the report looked at examples from the military and veteran context that may be replicable in a law enforcement agency as well as at the effectiveness of crisis lines, the efficacy of mental health checks, the expansion of peer mentoring programs, and ensuring privacy for these types of programs. The report contains 22 recommendations. Applicants to this topic area should select one of the recommendations and propose projects that would advance that recommendation at the national level.

Goal

The primary goal is a project that will create activities or deliverables advancing one of the recommendations from the LEMHWA Report to Congress published by the DOJ in 2019.

Objectives

The project description should address the following objectives:

- Project activities and deliverables should be designed for a national law enforcement audience.
- The recommendation the project seeks to advance should be clearly identified.
- The logic model of how the proposed activities will advance the recommendation should be clearly described.

Deliverables

The deliverables will vary depending on the recommendation chosen but may include such things as publications and guidebooks, multimedia resources, tools, pilot projects, and other activities that promote whole health and officer resilience. Deliverables should be prepared for a national audience; pilot projects should be run in multiple agencies representing different sizes, types, and geography of departments.
Projects out of scope of this topic area

This award should not be to support the development of peer mentor training. If you are seeking this type of funding, please see LEMHWA Topic 1 starting on page 2.

Proposed projects should not only operate for the benefit of one agency but should focus on deliverables that will reach a national audience.

Proposed projects should not deliver any peer mentoring. If you are seeking this type of funding, please see LEMHWA Topic 3 starting on page 6.

Topic 3. LEMHWA Peer Support Implementation Projects

Topic Area Highlights

Funding: Up to ten (10) projects for up to $100,000 each (up to $1,000,000)

Topic summary: The COPS Office seeks law enforcement agencies to create or enhance their peer mentoring programs and to document these efforts to share with other agencies.

Topic name in section 1 of the COPS Office Online Application System: LEMHWA – Peer Support Implementation

Good mental and psychological health is just as essential as good physical health for law enforcement officers to be effective in keeping our communities safe from crime and violence. The Law Enforcement Mental Health and Wellness Act of 2017 aims to improve the delivery of and access to mental health and wellness services for law enforcement officers.

As part of the act, Congress authorized the COPS Office to establish peer mentoring mental health and wellness pilot programs within state, tribal, and local law enforcement agencies. This funding area aims to support up to ten such projects. Applicants under this topic area may be individual agencies, state or local officer associations, or other organizations responsible for the management of peer services for law enforcement officers.

Goal

The primary goal is to pilot new or enhanced peer-led mental health and wellness projects that will serve state, tribal, or local law enforcement agencies. Proposed projects may serve one agency, a consortium of agencies, or officers from agencies located within a county or state.

Applicants are strongly encouraged to refer to the LEMHWA Report to Congress for ideas in what will assist them in designing new or enhanced peer-led programs in support of officer wellness and resiliency. Peer programs may focus exclusively on critical incident stress, but programs designed to provide access to peer services for a broad range of stressors and activities in support of overall wellness and resiliency are preferred.
Objectives

The project description should address the following objectives:

- How the proposed program activities will support officer wellness in the agency(ies) served
- The intended service area and size of the program (e.g., one agency, more than one agency)
- The privacy protections that will be put in place for anyone using the mentoring services
- The subject matter expertise of the project leadership
- Reported outcomes of the program activities

Deliverables

The primary deliverable of these awards will be the provision of peer-led services for the target markets.

The secondary deliverable will be a case study report to the COPS Office describing the program and its successes at the end of the funding period. Applicants should describe how they will document or measure the reach and success of their program such that they can report on this to the COPS Office without jeopardizing the privacy of any program participants. The COPS Office may publish the case studies or excerpts from them as part of ongoing efforts to share promising practices with the field.

Projects out of scope of this topic area

Projects to support the development of peer mentor training will not be considered. If you are seeking this type of funding, please see LEMHWA Topic 1 starting on page 2.

Projects that do not develop or enhance the use of peer mentors for the benefit of officer wellness will not be considered.

Individual law enforcement agencies that seek to conduct other officer safety and wellness programs will not be considered. If you are seeking this type of funding, please visit the COPS Office website for updates on the CPD Microgrant program.

Partnerships/Subawards

Partnerships or subawards with other law enforcement agencies and associations are allowable. Subawards to organizations providing expertise in the behavioral health area are also allowable.

Any proposed partnerships or subawards should include documentation indicating support for the project by the partner as an attachment in section 13 of the application.
Goals

Program goals

Under this solicitation, the COPS Office seeks to support demonstration projects that allow for the identification and expansion of promising practices and produces knowledge products that follow the principles of good guidance:

- Quality-driven, with an emphasis on action statements to drive promising practices and reduce variations in performance
- Evidence-based, with recommendations that are consistent with the weight of the best available evidence identified through systematic review
- Accessible, with clear language and manageable lengths that are appropriate and relevant for the law enforcement field
- Memorable, to encourage immediate actions or aid for the complex situations law enforcement professionals face

Project-specific goals

Applicants should explain in the project narrative how they will accomplish the following general categories when developing their own specific project goals.

**Develop knowledge.** Develop new knowledge or leverage existing knowledge about community policing activities and strategies that show promise.

**Increase awareness.** Increase the number of agencies and individuals who are aware of the most effective community policing strategies.

**Increase skills and abilities.** Increase the skills and abilities of law enforcement agencies, relevant stakeholders, and individuals to engage in proven community policing practices.

**Increase practice.** Increase the number of law enforcement agencies, relevant stakeholders, and individuals using proven community policing practices.

**Institutionalize practice.** Increase the number of law enforcement agencies, relevant stakeholders, and individuals that systematically use and integrate proven community policing strategies as part of their routine business and will continue to engage in these practices for the foreseeable future.

Applicants should also consider the COPS Office performance measures when developing their own specific project goals and activities.

Performance measures

To assist in fulfilling the U.S. Department of Justice's responsibilities under the Government Performance and Results Act Modernization Act (GPRA Modernization Act) of 2010, P.L. 111–352, recipients who receive funding from the Federal Government must measure the results of work that funding supports. This act specifically
requires the COPS Office and other federal agencies to set program goals, measure performance against those
goals, and publicly report progress in the form of funding spent, resources used, activities performed, services
delivered, and results achieved.

Performance measures for LEMHWA are as shown in table 1.

COPS Office awards target increasing recipient capacity to implement community policing strategies within the three primary elements of community policing: (1) problem solving; (2) partnerships; and (3) organizational transformation. The COPS Office requires all LEMHWA applicants to describe how the personnel, technology, equipment, supplies, travel, or training requested will assist the applicant in implementing community policing strategies.

For more information on community policing, please visit the COPS Office website at [www.cops.usdoj.gov](http://www.cops.usdoj.gov) or please see appendix C of this guide, “Community Policing Defined.”

As part of the programmatic progress report (see “Reporting, monitoring, and evaluation requirements” beginning on page 84 for more on reporting), LEMHWA recipients will be required to report on their progress toward implementing community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to the LEMHWA program to better meet the program’s objective and law enforcement agency needs.
Federal Award Information

Up to $2 million is available through this year’s program. Depending on the quality of applications received and the availability of funding, the COPS Office may not fund every topic area or may make additional or larger awards under one or more topic areas in this solicitation. In addition, the COPS Office reserves the right to revise the scope of the project in your application submission and modify the associated budget proposal accordingly.

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. With limited funding, the COPS Office expects a competitive solicitation.

Length of award

The COPS Office expects to make the project period for all cooperative agreements and grants 24 months.

Type of award

The COPS Office may make some awards from the LEMHWA solicitation in the form of cooperative agreements, which is the funding instrument used if the COPS Office anticipates ongoing substantial involvement in award activities. Cooperative agreement recipients will be responsible for day-to-day project management but should expect direct oversight and collaboration by the COPS Office in implementing the award. Examples of substantial federal involvement may include participating in the selection of key recipient personnel, providing feedback on deliverables before publication, approving all conference-related costs prior to obligation, and redirecting the work as appropriate.

The COPS Office may make some awards in the form of a grant, which does not provide for substantial involvement between the federal awarding agency and the non-Federal entity in carrying out the activity contemplated by the federal award. Grant recipients will be responsible for day-to-day project management and may reach out to the COPS Office with assistance in implementing the award. However, grant recipients will need to work with the COPS Office program manager in situations stated in the terms and conditions, such as scope changes, extensions, or conference request approvals.

Eligibility

This solicitation is open to all public governmental agencies, for-profit (commercial) organizations, nonprofit organizations, institutions of higher education, community groups, and faith-based organizations. For-profit organizations (as well as other recipients) must forgo any profit or management fee.

Applicants are strongly encouraged to submit an application that shows partnerships with key organizations including institutions of higher education and nonprofit organizations in order to build strong working relationships. The COPS Office welcomes applications under which two or more entities would carry out the federal award; however, only one entity may be the applicant. Any other entities carrying out the Federal award must be identified as proposed subrecipients. The applicant must be the entity that would have primary responsibility for carrying out the awards, including administering the funding and managing the entire project. The terms and conditions of the federal award flow down to subrecipients.
Cost sharing or match

There is no requirement for cost sharing or a local match for LEMHWA awards.

Financial management and system of internal controls

Award recipients and subrecipients must, as set out in the Uniform Guidance at 2 C.F.R. § 200.303, do the following:

- Establish and maintain effective internal control over the federal award that provides reasonable assurance that [the recipient (and any subrecipient)] is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the Federal award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

- Comply with federal statutes, regulations, and the terms and conditions of the federal awards.

- Evaluate and monitor [the recipient’s (and any subrecipient’s)] compliance with statutes, regulations, and the terms and conditions of federal awards.

- Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.

- Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency designates as sensitive or [the recipient’s (and any subrecipient’s)] considers sensitive consistent with applicable federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

Administrative actions and legal remedies related to federal awards

Please be advised that a hold may be placed on any application if it is deemed that the applicant organization is not in good standing on other U.S. Department of Justice awards, has other award compliance issues that would make the applicant organization ineligible to receive COPS Office funding, or is not cooperating with an ongoing compliance investigation regarding a current COPS Office award. A hold may also be placed on any application if it is deemed that the applicant organization is not in compliance with federal civil rights laws or is not cooperating with an ongoing U.S. Department of Justice award review or audit.

Misuse of COPS Office funds or failure to comply with all COPS Office award requirements may result in legal sanctions including suspension and termination of award funds, the repayment of expended funds, ineligibility to receive additional COPS Office funding, and other remedies available by law.

Under the False Claims Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving COPS Office funds may be referred to the Office of Inspector General (OIG). The OIG may be contacted at oig.hotline@usdoj.gov, https://oig.justice.gov/hotline/index.htm, or 800-869-4499.
Application and Submission Information

What an application must include

This section describes in detail what an application must include. An applicant should anticipate that failure to submit an application that contains all of the specified elements may negatively affect the review of its application; and, should a decision be made to make an award, such failure may result in the inclusion of award conditions that prevent the recipient from accessing or using award funds until the recipient satisfies the special conditions and the COPS Office makes the funds available. Applicants must comply with any word and field limit requirements described in this Application Guide.

Moreover, LEMHWA applicants should anticipate that an application that the COPS Office determines does not address the scope of the solicitation or does not include the application elements that the COPS Office has designated to be critical will neither proceed to peer review nor receive further consideration. For this solicitation, the COPS Office has designated the following application elements as critical:

(See section “Late Submissions” beginning on page 63 for additional guidance).

Applicants will have the opportunity to print a copy of the application prior to submission and another copy of the application after it has been submitted. It is highly recommended that applicants print their applications and compare the printed version to the submitted version to ensure there are no application errors. Applications with errors or missing information may be disqualified or rated accordingly. Please note that the application package cannot be submitted until all required fields have been completed.
1. Obtain or confirm a DUNS number

**Estimated timeframe: up to two business days to obtain the DUNS number**

The Federal Government requires that all applicants for federal awards, with the exception of individuals other than sole proprietors, have a Data Universal Numbering System (DUNS) number prior to application submission. The DUNS number is used to identify related organizations that are receiving funding under awards and to provide consistent name and address data for electronic award application systems. A DUNS number may be obtained by telephone at 866-705-5711 or via the Internet at [fedgov.dnb.com/webform](http://fedgov.dnb.com/webform).

**Data Universal Numbering System (DUNS) number**

- The DUNS number is a unique nine- or thirteen-digit identification number provided by Dun & Bradstreet (D&B).
- The DUNS number is site-specific. Therefore, each distinct physical location of an entity (such as branches, divisions, and headquarters) may be assigned a different DUNS number. Organizations should try to keep DUNS numbers to a minimum. In many instances, a central DUNS number with a DUNS number for each major division, department, or agency that applies for an award may be sufficient.
- You should verify that you have a DUNS number or take the steps needed to obtain one as soon as possible, if there is a possibility you will be applying for future federal awards.
- **If you already have a DUNS number.** If you, as the entity applying for a federal award agreement, previously obtained a DUNS number in connection with the federal acquisition process or requested or had one assigned to you for another purpose, you should use that number on all of your applications. It is not necessary to request another DUNS number from D&B. You may request D&B to supply a family tree report of the DUNS numbers associated with your organization. Organizations should work with D&B to ensure the right information is on the report. Organizations should not establish new numbers but use existing numbers and update or validate the information associated with the number.
- **If you are not sure whether you have a DUNS number,** call D&B using the toll-free number 866-705-5711 and indicate that you are a federal award applicant or prospective applicant. D&B will tell you if you already have a number. If you do not have a DUNS number, D&B will ask you to provide the information listed in the following section and will immediately assign you a number free of charge.

**To obtain your DUNS number**

- The requestor may obtain a DUNS number via the Internet at [fedgov.dnb.com/webform](http://fedgov.dnb.com/webform).
- The requestor may also obtain a DUNS number via telephone at 866-705-5711. The phone is staffed from 8:00 a.m. to 6:00 p.m. (local time of the caller when calling from within the contiguous United States). Calls placed outside of those hours will receive a recorded message requesting the caller to call back between the operating hours. The process to request a number takes about 5–10 minutes. A DUNS number will be assigned at the conclusion of the call. You will need to provide the following information:
  - Legal name of your organization
  - Headquarters name and address for your organization
• Doing business as (DBA) or other name by which your organization is commonly known or recognized
• Physical address, city, state, and ZIP code
• Mailing address (if separate from headquarters and/or physical address)
• Telephone number
• Contact name and title
• Number of employees at your physical location

Managing your DUNS number

• D&B periodically contacts organizations with DUNS numbers to verify that their information is current. Organizations with multiple DUNS numbers may request a free family tree listing from D&B to help determine what branches or divisions have numbers and whether the information is current. Please call the dedicated toll-free DUNS number request line at 866-705-5711 to request your family tree.

• D&B recommends that organizations with multiple DUNS numbers have a single point of contact for controlling DUNS number requests to ensure that the appropriate branches or divisions have DUNS numbers for federal purposes.

• As a result of obtaining a DUNS number you have the option to be included on D&B’s marketing list that is sold to other companies. If you do not want your name or organization included on this marketing list, request to be de-listed from D&B’s marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

• Obtaining a DUNS number is absolutely free for all entities doing business with the Federal Government. This includes award and cooperative agreement applicants or prospective applicants and federal contractors. Be certain to identify yourself as a federal award applicant or prospective applicant.

2. Register in the SAM database or confirm SAM number

Estimated timeframe: up to 10 business days to complete (if you do not have an EIN, the process can take up to 5 weeks)

In addition, all applicants are required to maintain current registrations in the System for Award Management (SAM) database. The SAM database replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. DOJ requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Applicants must update or renew their SAM registration annually to maintain an active status. If your organization already has an Employer Identification Number (EIN), your SAM registration will take up to two weeks to process. If your organization does not have an EIN, you should allow two to five weeks for obtaining the information from the IRS when requesting the EIN via phone, fax, mail, or Internet.

Applicants that were previously registered in the CCR database must at a minimum

• create a SAM account;

• log in to the SAM database and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).
Applicants that were not previously registered in the CCR database must register in the SAM database prior to registering in Grants.gov. Please contact the SAM Service Desk at 866-606-8220 or view or update your registration information at www.sam.gov. If your SAM registration is set to expire prior to September 30, 2019, please renew your SAM registration prior to completing this application.

To register in SAM, follow the next steps

Step 1.

Obtain a DUNS number at www.dnb.com/us/ or call 866-705-5711 (see section 1 “Obtain or confirm DUNS number” on page 14).

Step 2.

Access the SAM online registration through the SAM home page at www.sam.gov and follow the online instructions for new SAM users.

Step 3.

Complete and submit the online registration. If you already have the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of your business or organization. Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.

To migrate your legacy system user account from Central Contractor Registration (CCR), FedReg, ORCA, or EPLS, you must first create a personal account in SAM by clicking on “Create an Account” on the homepage. An individual account is required to manage entity registrations in SAM. You will not be able to manage your registration unless you create a system account in SAM. Once you validate that you have access to the email address you provided during the registration process and login, you will see a message on the user dashboard (My SAM) that will ask you, “Would you like to migrate a legacy system account?” Click “Yes” to begin the migration process. Alternatively, you may click on “Manage My User Roles,” then on “Migrate Legacy Account” link to begin the migration process. The roles you had with the legacy system will be mapped to your SAM account.

To update your entity’s SAM registration, follow the next steps:

Step 1.

Go to the SAM homepage (www.sam.gov), enter your username and password, and then click the “Log In” button.

Step 2.

Select “Complete Registrations” under Registration/Update Entity” in the left navigation pane.

Step 3.

Select the entity record that you want to update and click the “Update” button.

If awarded funds, your agency must maintain the currency of your information in the SAM database until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

Please see appendix M addressing the SAM and Universal Identifier Award Term.

3. Request or verify an ORI

Estimated timeframe: up to three business days to process request

LEMHWA applicants are required to have a valid ORI number. The ORI number is assigned by the Federal Bureau of Investigation (FBI) and is your organization’s unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county’s code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your organization for the purpose of tracking your award. ORI numbers assigned to agencies by the COPS Office may end in “ZZ.” Please contact the COPS Office Response Center at 800-421-6770 to verify your organization’s ORI number. This is required before you begin your application on Grants.gov.

4. Register with Grants.gov / Confirm registration

Estimated timeframe: up to two weeks for your registration to become active

LEMHWA applicants are required to submit the first part of the application through the Grants.gov website. If your organization has previously applied for awards using Grants.gov and you already have an account set up with your username and password, please skip this step and move to step #5.

2. 8.5 x 11-inch page
3. One-inch margins
4. Type no smaller or larger than 12 point, Times New Roman font

8. Microsoft Word documents in .doc or .docx formats or PDF files (.pdf)
9. Headings and sub-headings that correspond to the sections identified in this section of the solicitation.

Table of contents and cover page will not count toward the overall page limit. Executive summaries, abstracts, timelines, graphs, and charts (regardless of pagination in front matter) will count toward overall page limit. Appendices are strongly discouraged.

Resumes, curriculum vitae, letters of support from partners (if applicable), and certifications should be separate attachments and do not count towards the narrative page requirements. If the project narrative fails to comply with these length-related restrictions, the COPS Office may consider such noncompliance in peer review and final award decisions. The COPS Office recommends numbering the pages as follows: “1 of 20,” “2 of 20,” etc.

The COPS Office is providing a project narrative template that can be used as a voluntary tool to assist your organization in developing your narrative, which is required by the LEMHWA program. You will be able to access the project narrative template (Microsoft Word document) via section 13 of the COPS Office Online Application System.

Note that instructions in the template are provided in italics. If you choose to use the template, please make sure to delete the instructions before submitting so that they do not factor in your page count.

Please format your narrative using the following section headings:
Cover page. Each application must have a cover page that includes the title of the application and identify the LEMHWA solicitation topic for which the applicant is applying. The LEMHWA solicitation topic identified on the cover page must match the LEMHWA topic selected in section 1 of the COPS Office Online Application System.

Topic selection and outcome identification and justification. Select one application topic area described under the “LEMHWA Topic Areas” section. Describe the outcome(s) that will be achieved, the gap in existing knowledge or practice, why and how this project will meet that need (as well as demonstrate a specific public safety need), and the level of innovation and originality of the proposed work. If applicable, supply data to support the problem or gap and what has been done previously to address it. Explain how this project will build upon, expand, or incorporate the principles of community policing. Identify related governmental and community initiatives which complement or will be coordinated with the proposed project.

Strategy to achieve program outcomes and goals. Applicants must describe the specific project goals (see “Goals” section) that are to be accomplished and provide a comprehensive description of the overall strategy and specific activities of the proposed work. Applicants must specify how these proposed activities will achieve the identified program outcomes and goals.

Capacity and experience. Please detail the capacity of your organization to carry out the proposed plan in the proposed time frame of the project and explain your experience with other similar efforts. This must include a discussion of your key staff, what roles they will play, their education and experience in similar projects, and their understanding of community policing and related subject matter expertise.

Management and implementation plan. Applicants must describe the overall management and implementation plan for the project. This should include how you will ensure effective implementation of the project; a brief timeline with a list of key activities and milestones to take place within the award performance period (24 months for all awards under this solicitation), grouped by month or quarter; a management or staffing plan detailing who will work on this project; identification of any key partnerships or stakeholders who will play a role in the implementation of this project; and, if applicable, a brief marketing plan for the deliverable(s) to ensure a broad dissemination of the product(s) to the target audience(s). The strategy and implementation plan should reflect consultation with community groups and appropriate private and public agencies. Applicants who propose delivery of reports, guidebooks, web content, training, or other substantive knowledge products are encouraged to identify a core author(s), establish the relevant subject matter expertise of the author(s), and do so expressly within the project narrative. In addition, applicants should list any major publications or training that the identified author(s) have written on closely related topic areas. Applicants should not expect that application reviewers will infer such expertise from resumes or curriculum vitae they submitted as attachments. In addition, for all proposed in-person
training, the applicant should identify the instructor(s), provide examples of the subject matter expertise and training experience of the instructor(s), and do so expressly within the project narrative. In addition, applicants should attach resumes or curriculum vitae for all instructors.

Effectiveness of programs. The COPS Office strongly encourages applicants to consider how they will determine if award funding was effective in addressing the program outcomes and goals outlined in the previous sections. Applicants must detail specifically how they will assess the extent to which the activities implemented as a result of receiving this award, and how the deliverables developed under this award would assist law enforcement in implementing or institutionalizing community policing. Applicants must explain how the grant will be utilized to reorient the affected law enforcement agency’s mission toward community policing or enhance its involvement in or commitment to community policing. Applicants must identify if or how data and information will be collected, tracked, and reported to the COPS Office and how these measures are consistent with the COPS Office performance measure to advance the capacity of law enforcement to practice community policing (see “Performance Measures” section).

Completing section 11

- **Budget Narrative** (required)—All LEMHWA applicants must attach a budget narrative. Your organization must create and attach a document that describes each item requested or group of similar items requested and links each item or group of items to the proposed project. All items will be reviewed on a case-by-case basis and in context of the allowable and unallowable costs lists. Budget narratives do not count toward the page limit of the project narrative. See section 14, “Budget detail worksheets and budget narrative,” beginning on page 35, for instructions and the appendices for a sample budget narrative.

- **Resumes/vitae for key personnel** (required)—Applicants must attach the vitae/resumes of up to three key project staff detailing work and educational history and highlighting any experience that is relevant to their ability to successfully carry out the proposed project. The applicant is still required to sign the Certifications form to certify to all the other applicable statements. Please see appendix F for a copy of this Certifications form.

Additional attachments attempting to summarize, explain, or add project details are strongly discouraged and will not be considered for review.

The COPS Office strongly recommends that uploaded files be clearly named to indicate the applicant organization name and the file contents to ensure that reviewers can easily locate application documents. All other attachments—such as letters of support and resumes—should use descriptive file names identified on the attachment(s) such as “[Applicant].Project Narrative,” “[Applicant].Budget Narrative,” “[Applicant].Indirect Cost
Rate Agreement,” “[Applicant].Resumes”. File names may only contain: a–z, 0–9, period (.), underscore (_), or hyphen (-); any other characters will be replaced by a hyphen (-). Also, the COPS Office recommends that applicants include resumes or vitae in a single file.

Please do not submit executable file types as application attachments. These disallowed file types include the following extensions: .com, .bat, .exe, .vbs, .cfg, .dat, .db, .dbf, .dll, .ini, .log, .ora, .sys, and .zip. The system may reject applications with files that use these extensions.

The COPS Office is providing templates for the project narrative, budget narrative, and list of subaward(s) that can be used as a voluntary tool to assist your organization in developing these various required documents. You will be able to access the templates (Microsoft Word document) via section 13 of the COPS Office Online Application System.

Note that instructions in the templates are provided in italics. If you choose to use these templates, please make sure to delete the instructions before submitting so that they do not factor in your page count.

If an applicant submits multiple versions of the same document, the COPS Office will review only the most recent system-validated version submitted.

Section 14. Budget detail worksheets and budget narrative attachments

Applicants must submit reasonable budgets based on the resources needed to implement their proposed projects. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative.

The budget narrative should thoroughly and clearly describe every category of expense listed in the budget detail worksheets contained in section 14 of the application. The COPS Office expects proposed budgets to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities).

An applicant should demonstrate in its budget narrative how it will maximize cost effectiveness of award expenditures. Budget narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a budget narrative should detail why planned in-person meetings are necessary, or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality. Consideration will be given to budget proposals that maximize the direct funding that supports project activities.

The budget narrative should be mathematically sound and correspond clearly with the information provided in the budget detail worksheets. The narrative should explain how the applicant estimated and calculated all costs and how those costs are necessary to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. The budget should describe costs by year and should cover the full project period (see “Length of award” beginning on page 10 for project period details).

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget. The budget narrative should not be used to explain deliverables or project activities that are not included in the project narrative. This information is to be attached as a separate document in section 13.

For-profit organizations (as well as other recipients) must forgo any profit or management fee.

Instructions for Completing the Budget

Budget requests may be made in the following categories:

- Civilian or nonsworn personnel (base salary and fringe benefits)
- Equipment/Technology
- Supplies
- Travel/Training/Conferences
- Contracts/Consultants
- Other costs
- Indirect costs
All items requested will be considered on a case-by-case basis during the budget review process. Items under the program must be purchased using the legislative guidelines established by the appropriations legislation that governs this funding. In addition, each item requested must programmatically link to the activities described in your application. To the greatest extent practical, all equipment and products purchased with these funds must be American-made.

Applicants should submit scalable proposals where appropriate. Note that the COPS Office may reduce funding for selected proposals based on the number of awards selected. The COPS Office may revise the proposed scope and modify the associated budget proposal accordingly.

Each requested budget item must be allowable, necessary, allocable, and reasonable to the project activities.

Pre-agreement costs are costs incurred by the applicant prior to the start date of the period of performance of the federal award. Requests for reimbursement of items purchased or expenses incurred prior to the award start date will not be funded. All such costs incurred prior to award and prior to approval of the costs are incurred at the sole risk of the applicant. NOTE: For awards made to states or units of local government (including law enforcement agencies), requests may be made only for items or positions that are not otherwise budgeted with state, local, or Bureau of Indian Affairs (BIA) funds and would not be funded in the absence of this COPS Office award (see award condition IV, “Nonsupplanting requirement,” beginning on page 71).

Each of the categories does not include an exhaustive list of allowable and unallowable costs but rather includes frequent requests and guidance. The COPS Office reserves the right to deny funding for any items that may not be included in this application guide.

Some tips to help complete the budget forms:

- Any greyed-out areas in the COPS Office Online System Application are automatically calculated and cannot be manually changed.
- Do not hit backspace on your keyboard outside of a text or number box.
- Click “save” after every item entry to ensure your information is saved properly.
- Use whole numbers.
- Always round up.
- Do not use the back button in the browser.

Please see appendix N for a sample budget narrative to help guide the development of your budget narrative.

Section 14.8. Base salary and fringe benefits for civilian or nonsworn personnel

Base salary

Salaries of personnel are costs based on the percentage of time spent (full time equivalent [FTE]) working directly on the project. The total salary percentage should be comparable and consistent with organizational policy. The total amount paid is comparable to industry standards and the type of work being performed.

With respect to any LEMHWA award made under this solicitation, a recipient may not use federal funds to pay total cash compensation to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the Federal Government’s Senior Executive Service (SES) at an organization.
with a Certified SES Performance Appraisal System for that year. The 2019 salary table for SES employees is available at the Office of Personnel Management website: https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2019/executive-senior-level. Note: A recipient may compensate an employee at a greater rate, provided the amount in excess of this compensation limitation is paid with nonfederal funds. (Nonfederal funds used for any such additional compensation will not be considered matching funds.) If only a portion of an employee’s time is charged to a COPS Office award, the maximum allowable compensation is equal to the percentage of time worked times the maximum salary limitation.

Typically, unallowable civilian or nonsworn personnel costs include the following:

- If your organization charges an indirect cost, those costs normally include the following positions and therefore these positions should not be charged as personnel costs to avoid possible duplication:
  - Administration (e.g., director or program head)
  - Clerical (e.g., secretary or administrative assistant)
  - Accounting (e.g., controller or bookkeeper)
  - Procurement (e.g., purchasing director or stockroom clerk)
  - Housekeeping and maintenance (e.g., custodial and janitorial, repairman, or grounds keeper)

  NOTE: These positions can be charged directly if the individual is working a significant amount of time on the project. This will be approved on a case-by-case basis and your narrative should significantly articulate the need to charge these directly if applicable.

- For awards made to states or units of local government (including law enforcement agencies), salaries and benefits for positions that are already budgeted with state, local, or Bureau of Indian Affairs (BIA) funds and would be funded in the absence of this COPS Office award are also not allowed.

- Salaries and benefits of personnel that do not work directly on the project.

 Completing section 14.B. civilian or nonsworn base salary

1. **Position title.** Enter employee title and name of employee, if known.
2. **Description.** Describe the employee’s roles, responsibilities, and activities related to the work to be completed on the project.
   - If the salary increases from one budget year to another because of cost of living increases, be sure to detail these increases in the budget description.
   - Each position should be added separately in the system. However, you may add multiple positions under subsection D “# of positions” for only positions with the same description, role, and salary and benefits (such as interns or fellows).
3. **Salary.** Enter the annual base salary rate (no more than two decimal places).
4. **% of time on a project.** Enter the percentage of time to be devoted to the project per year (only whole numbers).
5. **Vacation costs.** Select “yes” or “no” whether the base salary includes vacation costs. If “yes,” you will not be able to add any vacation costs under fringe benefits.
6. **Sick leave costs.** Select “yes” or “no” whether the base salary includes sick leave costs. If “yes,” you will not be able to add any sick leave costs under fringe benefits.

7. Repeat steps 3 through 6 for year 2 salary.

**NOTES:** If you are not applying for civilian or nonsworn personnel or are only applying for one year, select “no” for the drop-down boxes under vacation and sick leave costs. If you are applying for civilian or nonsworn personnel and the number of positions is left at zero, the page will revert to a blank page. As a reminder, LEMHWA projects are two-year awards.

Additional documentation that may need to be uploaded to section 13 outside of the Budget Narrative includes the following:
- Job description
- Organizational pay scales or written annual salary per position
- Resumes/vitae

**Fringe benefits**

Fringe benefits are allowances and services provided by the organization to its employees as compensation in addition to regular salary. Fringe benefits should be based on actual known costs or an established formula. Typical fringe benefits include the following:
- Federal Insurance Contributions Act (FICA) taxes—includes Social Security and Medicare and cannot exceed 7.65 percent (6.2 and 1.45 percent respectively)
- Health insurance—individual or family
- Life insurance
- Vacation
- Sick leave
- Retirement
- State unemployment compensation insurance
- Federal unemployment tax
- Worker’s Compensation insurance
- Other fringe benefits may include holidays, military leave, bereavement leave, sabbatical leave, severance pay, jury duty, state disability insurance, pension plan, 401(k) plan

Typically unallowable fringe benefit costs include the following:
- Bonuses or commissions
- If your indirect cost rate agreement includes fringe benefits, you may not charge these costs directly to the project
Completing section 14.B. fringe benefits

1. Enter the “% of salary” for each fringe benefit. The COPS Office Online Application System will automatically calculate the requested amount for each benefit based on the number entered.

2. Social security expenses. Select the box marked “6.2%” to automatically use the full social security amount; otherwise enter the appropriate percentage. The COPS Office Online Application System will not allow more than 6.2%.

3. Medicare expenses. Select the box marked “1.45%” in order to automatically use the full Medicare amount; otherwise enter the appropriate percentage. The COPS Office Online Application System will not allow more than 1.45%.

4. Vacation. If the base salary includes vacation, you will not be able to add anything for this benefit.

5. Sick leave. If the base salary includes sick leave, you will not be able to add anything for this benefit.

6. Worker’s Compensation. If you are exempt, click on the “exempt” button.

7. Unemployment Insurance. If you are exempt, click on the “exempt” button.

8. Other. If you have other fringe benefits that are not listed, you may use this category. If you have a flat fringe rate, include the rate under the “Other” category titled “Flat fringe Benefits (CPD Only)” and then upload your flat fringe benefit rate agreement in section 13.

9. Repeat steps 1 through 8 for year 2 costs.

10. Total salary and benefits for years 1 and 2. Select the number of positions.
    a. You must enter at least “1” in order for the personnel to be counted towards the total costs.
    b. If using the same information for more than one position, the positions must have the same description, role, and salary and benefits (such as interns or fellows).

11. Add position. Click to add additional personnel; repeat steps 1 through 8 under Base Salary and steps 1 through 10 under Fringe Benefits for any additional personnel.

12. Copy position. Click to copy the salary and fringe benefits for an additional personnel.

13. Remove position. Click to remove the selected personnel.

14. Click “next” to move to section 14.C. If any required fields are unanswered, they will be flagged with warning messages.

Section 14.C. Equipment/Technology

Necessary equipment must be specifically purchased to implement or enhance the proposed project. Equipment is tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost that equals or exceeds $5,000. Rented or leased equipment costs should be listed in section 14.F “Contracts/Consultants” (see page 47).
Typically unallowable equipment/technology costs include the following:

C. EQUIPMENT/TECHNOLOGY

Instructions: List non-expendable items that are to be purchased. Provide a specific description for each item in the description boxes below and explain how the item supports the project goals and objectives as outlined in your application. Non-expendable equipment in tangible property (e.g., information technology systems) having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. Expendable items should be included either in the “SUPPLIES” or “OTHER” categories. Applicants should analyze the cost/benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technological advances. Rented or leased equipment costs should be listed in the “CONTRACTS & CONSULTANTS” category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made. For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, whenever feasible, such voice or data communications equipment should be incorporated into an intra- or inter-jurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.

See https://cops.usdoj.gov/Default.aspx?Page=40 for a list of allowable/unallowable costs for this program. Please limit your description to 1000 characters.

For broad category requests (such as “office supplies”), explanation for project amounts should be provided with calculations. Broad grouping of items under supplies will be limited to $40 per month; otherwise items must be individually captured and justified in the budget request.

Section 14.D. Supplies

Supplies means all tangible personal property other than those described under section 14.C “Equipment/Technology.” Supplies costs consist of those incurred for purchased goods and fabricated parts directly related to an award proposal. Supplies differ from equipment in that they are consumable, expendable, and of a relatively low unit cost, defined as less than $5,000 per unit. Such costs may include paper, printer ink, pens, pencils, laptops, etc. A computing device is a supply if the acquisition cost is less than $5,000, regardless of the length of its useful life.

For any training awards, the COPS Office allows the purchase of flash drives or USB devices to distribute training materials with approval prior to purchasing.

Typically unallowable supply costs include:

- Conference or event swag, including t-shirts, bags, or mugs
- Displays, demonstrations, or exhibits
- Entertainment, including amusement, diversion, social activities, and any associated costs (i.e. tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities)
- Extracurricular expenses for youth programs, including t-shirts, meal plans, giveaways, swag bags, and games
- Narcan
• Promotional items and memorabilia, including models, gifts, and souvenirs
• Recreational supplies (such as Frisbees)
• Shared items between projects—if supplies are to be used for concurrent projects, then this should be captured in your indirect charges or you should only charge the percentage allocated to this project (for example, if a laptop is being purchased for a research assistant who works 40 percent of their time on this project, then only charge 40 percent of the laptop cost to this project)

Completing section 14.D. Supplies

1. Click “No supplies requested” if you are not requesting any supplies.
2. Name. Enter requested supply name.
3. Base cost. Enter cost for the specific supply. The cost should be broken down to the lowest form; therefore, if you are requesting $30 per month for office supplies, the calculation should be 12 x $30 and not 1 x $360.
4. Qty. Enter the quantity.
5. Subtotal. Automatically calculates (base cost times quantity).
6. Description. Enter the supply request with a description and justification explaining why the supplies are necessary for the success of the project (limited to 1,000 characters). Provide any additional calculations that make up the base cost.
7. Add item. Click to add additional supply requests (repeat steps 2 through 6).
8. Delete. Click to delete an item.
9. Click “next” to move to section 14.E. If any required fields are unanswered, they will be flagged with warning messages.

Section 14.E. Travel/Training/Conferences

Travel costs include the costs of transportation, lodging, meals, temporary dependent care, and incidental expenses incurred by personnel while on official business, such as attendance at an award-related meeting or conference when travel is further than 50 miles from program location. Travel and subsistence estimates are based on the contemplated number of trips, places to be visited, length of stay, transportation costs, subsistence allowances, and the recipient’s own travel policies. For additional guidance, please see the Uniform Guidance 2 C.F.R. § 200.474.
When charging travel costs to federal awards, award recipients must indicate the source of travel policies applied (applicant or federal travel regulations). If a recipient does not have a written travel policy, it must adhere to the Federal Travel Regulations (FTR). For information on the FTR and U.S. Government General Service Administration (GSA) per diem rates by geographic area, please visit https://www.gsa.gov/travel/plan-book/per-diem-rates. For all applicants (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

Temporary dependent care costs above and beyond regular dependent care that directly results from conference travels are allowable as long as the costs incurred (1) are a direct result of the individual’s travel for the federal award; (2) are consistent with the recipient’s documented travel policy for all entity travel; and (3) are only temporary during the travel period.

The only individuals traveling who should be charged in this section are those listed in section 14.B “Base salary and fringe benefits for civilian or nonsworn personnel” beginning on page 36. All other individuals traveling for the project, including participant and consultant travel, should be listed under section 14.F “Contracts/Consultants” beginning on page 47.

Typically unallowable travel/training/conference costs include the following:

- Bar charges/alcoholic beverages
- Costs exceeding Federal Travel Regulations if no other organizational written policy is supplied that supersedes these established rates
- Credit card fees
- Entertainment, including amusement, diversion, social activities, and any associated costs (i.e. tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities)
- Food and beverages at conferences, meetings, or trainings your organization is hosting
- Foreign travel
- GPS and Easy Pass rentals (when renting a car)
- Laundry services while on travel
- Local travel costs (lodging, meals, per diem, or transportation costs) within a 50-mile radius of the project location
- Mileage reimbursement, rental cars, parking fees, and/or taxi fare for local travel within a 50-mile radius of the project location
- Paying for meals other than your own
- Tips/gratuity

Completing section 14.E. Travel/Training/Conference

1. Click “No travel, training, or conferences requested” if you are not requesting any travel expenses.
2. **Name.** Enter name/title/purpose of the trip. Each trip should be entered as an individual entry rather than a group of trips.
3. **Registration.** Enter the amount for the registration of the training/conference attendance.
4. **Lodging.** Enter the amount for the hotel and any associated taxes/fees.

5. **Per diem.** Enter the amount for GSA-approved meals and incidentals.

6. **Transportation.** Enter all ground and air transportation as well as public transportation and parking fees.

7. **# of Staff.** Enter number of staff traveling.

8. **Subtotal.** Automatically calculates (# of staff x [registration + lodging + per diem + transportation]).

9. **Description.** Enter the purpose of the trip, proposed destination, trip duration by day/night, and list of individuals traveling as well as a detailed cost breakdown for each travel category (lodging, per diem, etc.) (limited to 1,000 characters).
   a. Cost breakdown should include
      - mode of transportation and proposed fare per trip (airfare, train, etc.) broken down by day;
      - mileage allowances if private vehicle will be used;
      - per diem rates for the destination per day (including full per diem and travel day per diem);
      - lodging costs per night;
      - transportation fees per day;
      - parking fees per day.
   b. For example, if the transportation is $610, the description breakdown should include $500/round trip flight + (3 days x $20/day = $60) for parking + $30/taxi to airport + $30/taxi from airport = $620. If two people are traveling, then “2” should be reflected in the quantity rather than the full amount in the transportation section.

10. **Add item.** Click to add additional travel requests (repeat steps 2 through 9).

11. **Delete.** Click to delete an item.

12. Click “next” to move to section 14.F. If any required fields are unanswered, they will be flagged with warning messages.

E. TRAVEL/TRAINING/CONFERENCES

Instructions: Travel costs are the expenses for transportation, lodging, subsistence, temporary dependent care, and related items incurred by employees who are in travel status on official business of the nonfederal entity. Official travel can include attendance at an educational/training event or conference when travel is further than 50 miles from the program location. The only individuals traveling that should be included in this section are those listed in Section 14.E. Base Salary and Foreign Benefits for Competitive-bid or Proprietary. All other individuals traveling for the project including participant and consultant travel should be listed under “Section 14.F. Conference/Consultants.” Applicants without a written travel policy must follow the OPM in lieu of travel policy (https://www.opm.gov/policyapr2019/) and/or any other written policies that state the travel policy of the company or the travel policy of the Government contractor where the event will be held. The travel policy must be specific to the event and must be in writing. If a group or event requires an OPM travel policy, contact the OPM directly for guidance.

See https://opm.gov/Default.aspx?node=47 for a list of allowable/unallowable costs for this program. Provide a specific description in the description boxes below for each item and explain how the item supports the project goals and objectives as outlined in your application. Please limit your descriptions to 1000 characters.

Event Title and Location:
Section 14.F. Contracts/Consultants

Contract costs

Contracts include goods or services that directly contribute to the implementation or enhancement of the project. The applicant should distinguish clearly between subawards and contracts in allocating any funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of obtaining goods and services for the recipient’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.326, and the issuance of subawards must meet the requirements of 2 C.F.R. § 200.331.

Any recipient of an award will be responsible for monitoring subawards and contracts in accordance with all applicable statutes, regulations, and guidelines. Primary recipients will be responsible for oversight of subrecipient/partner spending and monitoring specific performance measures and outcomes attributable to the use of COPS Office funds.

All sole source procurements of goods and services (those not awarded competitively) in excess of $250,000 require prior approval from the COPS Office.

Typically unallowable contract costs include the following:

- Construction costs
- Maintenance and/or service contracts that extend the life of the award period (multiyear contracts and extended warranties are allowable but must be paid in full within the initial award period and must not exceed the award period)

Completing section 14.F. contract costs

1. Click “No contract costs requested” if you are not requesting any contract costs.
2. Name. Enter name of contract.
3. Base cost. Enter estimated cost for the specific contract.
4. Qty. Enter the quantity.
5. Subtotal. Automatically calculates (base cost times quantity).
6. Description. Enter the description and justification for the product or services to be procured by contract including the nature and scope of goods purchased, price proposals, and length of contract (limited to 1,000 characters). Provide any additional calculations that make up the base cost.
7. Add item. Click to add additional contract requests (repeat steps 2 through 6).
8. Delete. Click to delete an item.
9. Continue to “Consultant fees.”

Additional documentation that may need to be uploaded to section 13 outside of the Budget Narrative includes the following:

- Sole Source Justification
**Consultant fees**

Consultant expenses include goods or services that directly contribute to the implementation or enhancement of the project. The use of a consultant should be more economical than direct employment. Compensation for individual consultant services procured under a COPS Office award must be reasonable and allocable in accordance with Office of Management and Budget (OMB) cost principles, and consistent with that paid for similar services in the marketplace. The services should be commensurate with the rate or salary paid by the primary employer.

Unless otherwise approved by the COPS Office, independent consultant rates will be approved based on the salary a consultant receives from his or her primary employer, as applicable, up to $650 per day *(or \$81.25 per hour)*. Please note that this does not mean that the rate can or should be as high as $650 for all consultants. If individuals receive fringe benefits from their primary employer, such fringe benefit costs should not be included in the calculation of consultant rates. A consultant rate justification will need to be submitted for review and approval to the COPS Office for any consultants hired through a noncompetitive bidding process and paid more than $650 per day prior to incurring any costs. Determinations of approval will be made on a case-by-case basis.

Typically unallowable consultant costs include the following:

- Compensation of federal employees—this category of unallowable costs includes salary payments, consulting fees, or other compensation to full-time federal employees.
- Honoraria when the primary intent is to confer distinction on, or to symbolize respect, esteem, or admiration for the recipient of the honorarium. A payment for services rendered, such as speaker’s fee under an award, is allowable.

**Completing section 14.F. consultant fees**

1. Click “No consultant fees requested” if you are not requesting any consultant fees or expenses.
2. **Name.** Enter name of the consultant.
3. **Base cost.** Enter estimated cost for the specific consultant per day.
4. **Qty.** Enter the number of days.
5. **Subtotal.** Automatically calculates (base cost times quantity).
6. **Description.** Enter the description and justification for the services to be provided; include the nature and scope of services rendered in relation to the services required for the project; necessity of contracting these services regarding the organizations capability; whether services can be performed more economically by direct employment; and qualifications of individual (limited to 1,000 characters). Provide any additional calculations that make up the base cost.
7. **Add item.** Click to add additional consultant fee requests (repeat steps 2 through 6).
8. **Delete.** Click to delete an item.

Consultant Travel

Consultant travel costs follow the same guidelines as section 14.E “Travel/Training/Conferences” on page 44 but should be costs associated with consultant travel. These costs should not be reflected in the “Personnel” or “Travel” categories.

Typically unallowable consultant travel costs include the following:

- Bar charges/alcoholic beverages
- Costs exceeding Federal Travel Regulations if no other organizational written policy is supplied that supersedes these established rates
- Credit card fees

      ▪ mileage allowances if private vehicle will be used;
per diem rates for the destination per day (including full per diem and travel day per diem);
- lodging costs per night;
- transportation fees per day;
- parking fees per day.

b. For example, if the transportation is $620, the description breakdown should include $500/round trip flight + (3 days x $20/day = $60) for parking + $30/taxi to airport + $30/taxi from airport = $620. If two people are traveling, then “2” should be reflected in the quantity rather than the full amount in the transportation section.

11. **Delete.** Click to delete an item.
12. Continue to “Consultant expenses.”

Additional documentation that may need to be uploaded to section 13 outside of the Budget Narrative includes the following:
- Organizational travel policy

**Consultant expenses**

All other consultant-related expenses should be included in this section such as supply and equipment requests. The same guidelines as previously stated in the above sections will apply.

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. Reasonable steps to provide meaningful access to services or benefits may include interpretation or translation services, where appropriate. For additional information, see the “Civil Rights Compliance.”

Typically, unallowable consultant expenses include the following:
- Conference or event swag, including t-shirts, bags, or mugs
- Displays, demonstrations, or exhibits
- Entertainment, including amusement, diversion, social activities, and any associated costs (i.e. tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities)
- Narcan
- Promotional items and memorabilia, including models, gifts, and souvenirs
- Shared items between projects—if supplies are to be used for concurrent projects, then this should be captured in your indirect charges or you should only charge the percentage allocated to this project (for example, if a laptop is being purchased for a research assistant who works 40 percent of their time on this project, then only charge 40 percent of the laptop cost to this project)
Completing section 14.F. consultant expenses

1. Click “No consultant expenses requested” if you are not requesting any consultant expenses.

Section 14.G. Other costs

Items not included in the previous categories but that have a direct correlation to the overall success of a recipient’s project objectives and are necessary for the project to reach full implementation will be considered on a case-by-case basis by the COPS Office. Requests that may fall under the “other” category include officer overtime, rent (see next paragraph for more details), or software purchases.

Rental costs are generally allowable under the LEMHWA program when the costs are not included in indirect costs. Applicants should list square footage cost in the budget. The amount must be based on the space that will be allocated to implement the COPS Office project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

For applicants that anticipate using COPS Office funds to cover only a portion of a particular service they provide, the budget should prorate operational costs like rent and phone service accordingly.

Typically unallowable other costs include the following:

- Advertising and public relations designed solely to promote the recipient
- Conference or event swag, including t-shirts, bags, or mugs
- Construction costs
- Corporate formation (startup costs)
- Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 C.F.R. Part 200 Subpart F – Audit Requirement are unallowable. If the applicant organization did not meet the applicable expenditure threshold during the organization’s fiscal year, the cost of any audit performed may not be charged to the award.
- Costs incurred for intramural activities, student publications, student clubs, and other student activities
- Entertainment, including amusement, diversion, social activities, and any associated costs (i.e., tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities)
- Extracurricular expenses for youth programs, including t-shirts, meal plans, giveaways, swag bags, and games
- Fuel for general patrol vehicles
- Land acquisition including renting, leasing, or construction of buildings or other physical facilities
Live animals (including dogs and horses) including associated supplies, food, transportation, and veterinary expenses

- Maintenance of vehicles and enhancements (such as mounts)
- Membership fees to organizations whose primary activity is lobbying
- Office rental/lease space, except for costs proportionate to work conducted under the LEMHWA award (if included within an indirect cost rate negotiated agreement)
- Promotional items and memorabilia, including models, gifts, and souvenirs
- Publishing services—the COPS Office provides editing, graphic design, and printing services for deliverables and other project materials; therefore, these costs cannot be directly charged unless approved on a case-by-case basis.
- Scholarships, fellowships, and other programs for student aid (exceptions are for institutions for higher education)
- Uniforms (including helmets, boots)

Section 14.H. Indirect costs

Overview of indirect costs

Indirect costs means those costs incurred for a common or joint purpose benefiting more than one cost objective, and not readily assignable to a particular project but necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and maintenance, depreciation, and administrative salaries.

If a cognizant federal agency has approved your negotiated indirect cost rate, the negotiated rate must be accepted by all federal awarding agencies, unless otherwise capped by federal statute or regulation.

Indirect cost rates may vary depending on your cognizant federal agency determinations. In some cases, project budgets may include more than one rate, particularly when offsite activity is conducted at a location other than the organizations premises. Note: Ensure the indirect calculation is in accordance with your agency’s indirect cost rate agreement.

Expired indirect cost rate agreement

If your indirect cost rate agreement has expired, either you must renegotiate the rate or you may request a one-time extension from your cognizant agency. The negotiated cost rate may be extended for up to four years. Once the cognizant federal agency has approved your extension, you must abide by the rate for the agreed-upon time period. No further negotiations regarding indirect cost rates may occur until the extension has expired. At the end of the extension period, you must then negotiate a new indirect cost rate.

No approved plan

If you are a nonfederal entity that has never received a negotiated indirect cost rate, except for those nonfederal entities described in 2 C.F.R. Part 200, Appendix VII to Part 200, paragraph D.1.b., you may elect to charge a de minimis rate of 10 percent of modified total direct costs (MTDC) which may be used indefinitely. When using this method, cost must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. Also, if this method is chosen then it must be used consistently for all Federal awards until such time as you choose to negotiate an indirect cost rate (which may be done at any time). See 2 C.F.R. § 200.414(f).

If you elect to negotiate an indirect cost rate with your cognizant federal agency, a special condition will be added to the award prohibiting the obligation, expenditure, or drawdown of funds reimbursement for indirect costs until an indirect cost rate has been approved by your cognizant Federal agency, and the appropriate notification has been made retiring the special condition.

For assistance with identifying the appropriate cognizant federal agency for indirect costs, please contact the OCFO Customer Service Center at 800-458-0786 or at ask.ocfo@usdoj.gov. If DOJ is the cognizant federal agency, applicants may obtain information needed to submit an indirect cost rate proposal at https://www.ojp.gov/funding/Apply/Resources/IndirectCosts.pdf.

Exception: If you are a unit of local government in which the Office of Management and Budget (OMB) has not assigned a cognizant Federal agency, then you are not required to submit your indirect cost proposal, unless the awarding agency requires a copy of the proposal. Please see the appropriate Appendix section in 2 C.F.R. Part 200 as listed above.
Approval of indirect cost rates for subrecipients

As the direct recipient, you are responsible for approving indirect cost rates for your subrecipients if funded. Such rates must be consistent with the requirements of 2 C.F.R. Part 200. The COPS Office will not approve indirect cost rates beyond the direct recipient level; however, subrecipients who are also direct recipients of Federal awards may already have a Federally approved indirect cost rate. If your subrecipient has negotiated an indirect cost rate with the Federal government, then that rate applies.

The subrecipient rates should not be included in this section, but rather under Section 14.F.

Calculating direct cost base

The following direct cost bases may be used as a distribution base:

- **Modified total direct cost (MTDC)**—This base includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards up to the first $25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of $25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency.

- **Direct salaries and wages**—This base includes only the costs of direct salaries and wages incurred by the organization.

- **Direct salaries and wages plus fringe benefits**—This base includes the costs of direct salary, wages and fringe benefits incurred by the organization.

Exclusions in direct cost bases

Applicants should pay particular attention to the two areas listed below to ensure that their indirect cost rate application is in compliance with the existing requirements of the government-wide award rules set out in the Office of Management and Budget (OMB) circular and regulations:

- **$25,000 Subcontract/Subaward limitation.** For institutions of higher education and nonprofit organizations, indirect cost rates negotiated on the basis of modified total direct costs may only be applied against the first $25,000 of any subcontract or subaward under the agreement. This limitation must be applied to all conference related subcontracts and subawards, including those with hotels and travel agents. (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.400 et seq.)

- **Participant support costs.** For nonprofit organizations, in accordance with 2 C.F.R. part 200, Appendix IV to 2 Part 200, paragraph B.2.c.—Indirect (F&A) Costs Identification and Assignment and Rate Determination for Nonprofit Organizations: “The distribution base may be total direct costs (excluding capital expenditures and other distorting items, such as [contracts or] subawards for $25,000 or more), direct salaries and wages, or other base which results in an equitable distribution. The distribution base must exclude participant support costs as defined in § 200.75 Participant support costs.”
Please note that only employees of the nonprofit organization are excluded from the definition of participant support costs. Costs related to contractors of the nonprofit organization who are acting in the capacity of a conference trainer/instructor/presenter/facilitator are considered participant support costs. For more information on allowable costs for conferences and training, please visit https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf.

If you need additional information on an indirect cost rate negotiated agreement, go to the DOJ Grants Financial Guide at https://ojp.gov/financialguide/doj/index.htm.

- If your organization does not have a provisional or current indirect cost rate negotiated agreement or it is expired and under review, the applicant must submit supporting documents to show the applicant’s cognizant federal agency is reviewing the request. **Submitting the application**

Before you submit your application, the system will flag any validation errors.

Please return to each identified page using the table of contents on the left side of the page. Once you fix the error, immediately click “next” on the identified page to re-run the validation routine. If any required fields are unanswered, they will be flagged with warning messages. In this case, answer these required fields and click “next”
again. You will move to the next section. Once you have responded to all of the validation error flags, return to section 17 and click “next.” You will not be able to submit your application until all validation issues are corrected.

After completing the second part of the application and clicking “Submit,” applicants will receive a message stating “Your application has been successfully recorded.” The confirmation page will also provide the submission date, ORI number, confirmation number, and program type.

Applicants will have the opportunity to print a copy of the application prior to submission and another copy of the application after it has been submitted. Note: If Internet access is not available to print a copy of the application package, please contact the Response Center at 800-421-6770 to request that a printed copy be sent to you.

The COPS Office will not accept applications submitted via mail or email. Printing off the application is only for reference.

If you “edit” your application once it is submitted and prior to the application deadline, you will need to resubmit the application in order to rerun the validation checks and to ensure the application submission timestamp reflects the most current edits.

Application deadline

All completed applications must be submitted by May 28, 2019 at 7:59 p.m. EDT. Applications submitted after 7:59 p.m. EDT on May 28, 2019 will not be considered for funding.

Late submissions

The COPS Office offers a process for LEMHWA applicants to provide advance notice to the COPS Office if receipt of their application will be delayed due to unforeseen COPS Office Online Application System technical issues. Applicants must provide notice prior to the close of the solicitation. If applicants do not provide advance notice to the COPS Office about an issue that may cause a delay in the submission of the application, the application will not be considered for funding. If applicants follow the steps outlined as follows, submission may be considered. Extension of deadlines is not guaranteed.

Experiencing unforeseen COPS Office Online Application System technical issues

If you experience unforeseen COPS Office Online Application System technical issues beyond your control that prevent you from submitting your application by the deadline, please immediately contact the COPS Office Response Center at 800-421-6770 to create a record of the issue. You will need to provide the following information to the COPS Office Response Center:

- ORI
- Organization name
- Point of contact name and contact information
- Application ID
- Nature of technical issues
The COPS Office will respond to each applicant as soon as possible with an approval and instructions for submission, or a rejection. If the technical issues you reported cannot be validated, your request for an extension will be rejected. Any requests to submit applications after the deadline because of technical issues will be rejected as untimely.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons for extensions of the submission deadline: (1) failure to begin the registration process in sufficient time; (2) failure to follow the COPS Office Online Application System instructions on how to register and apply as posted on its website; (3) failure to follow all of the instructions in the LEMHWA solicitation, including the LEMHWA application guide; (4) failure to register or update information on the SAM website; and (5) failure to register or complete SF-424 in Grants.gov.

Notifications regarding known technical problems with COPS Office Online Application System will be posted on https://portal.cops.usdoj.gov/ and https://cops.usdoj.gov/grants.

No late submission requests will be considered once the LEMHWA application closes.

Extraordinary natural or manmade disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or mass casualty events, applicants may request to submit late applications by sending an email to AskCopsRC@usdoj.gov. Applicants will need to follow these directions:

- Send email directly to AskCopsRC@usdoj.gov
- The subject line should read “FY19 LEMHWA Extraordinary Circumstances: ORI, Organization Name, Application ID,” with your specific ORI, organization name, and application ID included in the subject line.
- Message: The message should include the following information:
  - ORI
  - Organization name
  - Application ID
  - Nature of the disaster and how it affected the applicant’s ability to submit an application on time

The email message must be sent by the deadline or as soon as possible given the specific emergency. The COPS Office will respond to each applicant as soon as possible with an approval and instructions for submission or a rejection of the request for late submission.
Application Review Information

The COPS Office is committed to ensuring a fair and open process for making awards. The COPS Office will review the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation.

Review process

Once the solicitation closes, COPS Office staff screen and score applications for compliance with basic minimum requirements (as described under “Review Criteria” beginning on page 66). A total score of 3 is a passing score. Any applications that do not pass the basic minimum requirements will be reviewed by a COPS Office senior manager as a final check for concurrence.

Peer review panels will evaluate, score, and rate applications that meet the basic minimum requirements. The COPS Office may use internal peer reviewers, external peer reviewers, or a combination to assess applications on technical merit using the solicitation’s review criteria. An external peer reviewer is an expert in the subject matter of a given topic area who is not a current federal employee. An internal reviewer is a current federal employee who is well-versed or has expertise in the subject matter of the topic area. Peer reviewers’ ratings and any resulting recommendations are advisory only, although reviewer views are considered carefully.

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the budget detail worksheet and narrative accurately supports and explains project costs. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by COPS Office staff.

Past performance on previous awards may be an indicator in this review process. Past performance with DOJ grant funding will be considered in this review process. Past performance review may include a reduction in score for prior poor performance. Factors that may be included in the past performance review are whether progress reports demonstrate effectiveness of the project, whether past activities of the applicant have been limited to program purpose areas, the extent to which the applicant has adhered to all special conditions in the prior awards, the extent to which the applicant has complied with programmatic and financial reporting requirements, the extent to which the applicant has completed closeout of prior awards in a timely manner, whether the applicant has received financial clearances in a timely manner, whether the applicant has resolved any issues identified in an audit or on-site monitoring visit in a timely manner, whether the applicant has adhered to single audit requirements, and the extent to which the applicant has spent prior grant funds in a timely manner.

Financial and programmatic performance factors may be included in the past performance review. The COPS Office may contact applicants regarding budget and financial questions as part of the review process. This outreach is not an indication of funds or awarding decisions.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including prior funding history, current award balances, underserved populations, population served, geographic diversity, strategic priorities, past performance, significant concerns regarding ability of the applicant to administer federal funds, and available funding when making awards.
Pursuant to 2 C.F.R. Part 200 ("Uniform Guidance"), before award decisions are made, the COPS Office also reviews information related to the degree of risk posed by applicants. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, the COPS Office checks whether the applicant is listed in SAM as excluded from receiving a federal award. The COPS Office also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, “FAPIIS”).

All award decisions are final and not subject to appeal.

Review criteria

Applications will receive a basic minimum requirement score. In order to pass the basic minimum requirements review, the following requirements must be met (point allocation in italics):

- **Application must include a project narrative attached in section 13.** The project narrative must meet the page limits (no fewer than 10 pages and no more than 20 pages) as well as the other requirements set forth in the application guide. Note: the Project Abstract under section 10 will not be reviewed during this review and will not count as a project narrative. See “Application and Submission Information” beginning on page 12 for the other requirements. **1 point**

- **Application responsive to all mandatory requirements.** Each application must include a separate project narrative that meets the following requirements. **1 point:**
  - Double-spaced
  - 8.5 x 11-inch page
  - One-inch margins
  - Type no smaller or larger than 12 point, Times New Roman font
  - Page numbers

  - Microsoft Word documents in .doc or .docx formats or PDF files (.pdf)
  - Headings and subheadings that correspond to the sections identified in this section of the solicitation
  *Table of contents and cover page will not count toward the overall page limit. Executive summaries, abstracts, timelines, graphs, and charts (regardless of pagination in front matter) will count toward overall page limit. Appendices are strongly discouraged. Resumes, curricula vitae, letters of support from partners (if applicable), and certifications should be separate attachments and do not count towards the narrative page requirements.

- **Separate budget narrative that is 60 percent or more allowable.** Sixty percent or more of the budget must be allowable costs and should be at or below the maximum budget amounts. See “Application and Submission Information” beginning on page 12 for the allowable and unallowable costs. **1 point**
Applications must receive a score of 3 to pass to the next round. You must meet all of the stated requirements to proceed to the next round.

If an application fails to meet the basic minimum requirements, it will not advance to the consensus peer review phase.

LEMHWA applications that meet eligibility and basic minimum requirements will be evaluated and ranked by peer reviewers. Peer reviewers will be asked to review applications based on the application topic and the goal of the LEMHWA program to develop the capacity of law enforcement to implement community policing strategies by providing guidance on promising practices through the development and testing of innovative strategies; building knowledge about effective practices and outcomes; and supporting new, creative approaches to preventing crime and promoting safe communities. Reviewers will also be asked to consider the topic-specific solicited goals, objectives, and deliverables described in the solicitation language.

LEMHWA applications will be evaluated based on the following merit criteria, which the applicant addresses in their application, project narrative, budget narrative, budget worksheets, and other attachments. Terms and conditions

The following section describes the compliance terms and conditions that applicants should be aware of before applying to COPS Office programs. Table 4 further defines which of the requirements are applicable to the program for which you are applying. Please review each section carefully. The signatures of the applicant’s Authorized Organizational Representative, Law Enforcement Executive/Program Official, and Government Executive/Financial Official on section 17: Reviews and certifications assure the COPS Office that your organization will comply with all legal and administrative requirements that govern the applicant for acceptance and use of federal award funds.

I. & II. Assurances and Certifications (also refer to “section 15: U.S. Department of Justice Certified Standard Assurances and U.S. Department of Justice Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; And Drug-Free Workplace Requirements” of this application guide and Standard Application forms.)

Applicants to COPS Office programs are required to sign the standard Assurances and Certifications forms. Signing these documents assures the COPS Office that you have read and understood and that you accept the terms and conditions as outlined in the Assurances and Certifications. Please read these documents carefully, as signatures on these documents are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to make an award.

III. Disclosure of Lobbying Activities (also refer to section 16A “Disclosure of lobbying activities” of this Application Guide and Standard Application forms.)

This disclosure form shall be completed by the reporting entity, whether subrecipient or prime federal recipient, at the initiation or receipt of a covered federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. § 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with a covered federal action. Complete all items that apply for both the initial filing and material change reports. Refer to the implementing guidance published by the Office of Management and Budget for additional information.
If this applies to your agency, you are required to complete the disclosure form in section 16A of the application. If you need to complete and submit additional forms, please complete and submit them as attachments to your application online.

Please be advised that all recipients and subrecipients must comply with the provisions of 2 C.F.R. § 200.450 Lobbying, as appropriate, regarding unallowable costs under the Federal award associated with lobbying or influencing activities. Additional restrictions in 2 C.F.R. § 200.450(c) are applicable to nonprofit organizations and institutions of higher education.

IV. Nonsupplanting requirement

COPS Office funds awarded to states or units of local government (including law enforcement agencies) may not be used to supplant (replace) state, local, or Bureau of Indian (BIA) funds that would, in the absence of federal assistance, be made available for award purposes (hiring, training, purchases, and/or other activities). Instead, COPS Office funds must be used to supplement (increase) the total amount of funds that would otherwise be made available for award purposes. 34 U.S.C. § 10384(a).

A recipient may not use COPS Office funds to pay for any item or cost associated with this funding request that the recipient is already obligated to pay. Nonfederal funds allocated to pay for award purposes may not be reallocated to other purposes or refunded should COPS Office funding be awarded. Nonfederal funds must remain available for and devoted to that purpose, with COPS Office funds supplementing those nonfederal funds. Funding awarded cannot be obligated until after the award start date (unless an exception is authorized in writing by the COPS Office). This means that COPS Office funds cannot be applied to any agency cost incurred prior to the award start date.

The possibility of supplanting will be the subject of careful application review, possible pre-award review, and post-award monitoring and audit. Any supplanting of nonfederal funds by COPS Office funds may be grounds for potential suspension or termination of award funding, recovery of misused funds, and/or other applicable legal sanctions.

If you have questions concerning the nonsupplanting requirement while completing this application, please contact the COPS Office Response Center at 800-421-6770 or AskCopsRC@usdoj.gov for further information.

V. Procurement and sole source justification

Sole source procurement, or procurement by noncompetitive proposals, is procurement through solicitation of a proposal from only one source. Sole source procurements must adhere to the standards set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.318.

For the purchase of equipment, technology, or services under a COPS Office award, recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in 2 C.F.R. § 200.320. A sole source procurement request should be submitted if a recipient...
determines that the award of a contract through a competitive process is infeasible. If a recipient determines that the award of a contract through a competitive process is infeasible, and if any one of the following circumstances applies:

1. The item or service is available only from one source.
2. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
3. Competition is determined inadequate after solicitation of a number of sources.
4. The COPS Office expressly authorizes noncompetitive proposals in response to a written request from the law enforcement entity.

The recipient must include this information in the sole source procurement request and submit it to the COPS Office. The award recipient must seek written authorization from the COPS Office for sole source procurements in excess of $250,000. Written approval for sole source procurements from the COPS Office must be received prior to purchasing equipment, technology or services; obligating funding for a contract; or entering into a contract with award funds.

Requests for sole source procurements of equipment, technology, or services in excess of $250,000 must be submitted to the COPS Office in writing certifying that the award of the contract through full and open competition is infeasible. The sole source procurement request must be signed and submitted on department letterhead.

The request should also include the following information:

Section I – A brief description of the project, the amount to be designated for the sole source procurement, and the purpose of the contract.

Section II – A statement identifying which one (or more) of the four circumstances identified below apply to the procurement transaction and an explanation as to why it is necessary to contract in a noncompetitive manner. Include supporting information as identified below under the applicable section(s).

1. The item or service is available only from one source.
   - Uniqueness of items or services to be procured from the proposed contractor or vendor (compatibility, patent issues, etc.)
   - How the agency determined that the item or service is only available from one source (market survey results, independent agency research, patented or proprietary system, etc.)
   - Explanation of need for contractor’s expertise linked to the current project (knowledge of project management, responsiveness, experience of contractor personnel, prior work on earlier phases of project, etc.)
   - Any additional information that would support the case

2. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
   - When the contractual coverage is required by your department and why
   - Impact on project if deadline dates are not met
   - How long it would take an alternate contractor to reach the same required level of competence (equate to dollar amounts, if desired)
   - Any additional information that would support the case
3. Competition is determined inadequate after solicitation of a number of sources.
   • Results of a market survey to determine competition availability; if no survey is conducted, please explain why not
   • Any additional information that would support the case

4. The COPS Office authorizes noncompetitive proposals in response to a written request from the recipient.

Section III – A budget breakdown for the contract.

Section IV – A declaration that this action or choice is in the best interest of the agency.

Upon receipt of the request for sole source authorization, the COPS Office will review to determine if competition is infeasible, and your agency will be contacted if any of the identified information is missing or if additional supporting information is required. If the COPS Office determines that the request does not meet the standards set forth above, the request will be denied.

Please be advised that conflicts of interest are prohibited under the federal procurement standards set forth in 2 C.F.R. § 200.318(c).

If you have any questions regarding the federal requirements that guide procurement procedures, please contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.

VI. Criminal intelligence systems/28 C.F.R. Part 23 compliance

If your agency is receiving COPS Office funding for equipment or technology that will be used to operate an interjurisdictional criminal intelligence system, you must agree to comply with the operating principles found at 28 C.F.R Part 23. An interjurisdictional criminal intelligence system is generally defined as a system that receives, stores, analyzes, exchanges, or disseminates data regarding ongoing criminal activities (such activities may include loan sharking, drug or stolen property trafficking, gambling, extortion, smuggling, bribery, and public corruption) and shares this data with other law enforcement jurisdictions. 28 C.F.R. Part 23 contains operating principles for these interjurisdictional criminal information systems that protect individual privacy and constitutional rights.

If you are simply using the COPS Office funds to operate a single agency database (or other unrelated forms of technology) and will not share criminal intelligence data with other jurisdictions, 28 C.F.R. Part 23 does not apply to this award.

VII. Certification to mitigate possible adverse health, safety, and environmental impacts—Not applicable to any FY18 COPS Office programs

VIII. Community Policing Self-Assessment Tool (CP-SAT)—Not applicable under the LEMHWA program

IX. System for Award Management (SAM) and Universal Identifier requirements

Unless exempted from this requirement under 2 C.F.R. § 25.110, the recipients must maintain the currency of their information in the SAM until submission of the final financial report required under this award or receipt of the final payment, whichever is later. This requires recipients to review and update the information at least annually after the initial registration and more frequently if required by changes in information or other award term.
X. Federal Funding Accountability and Transparency Act (FFATA)—Reporting subaward and executive compensation information

The Federal Funding Accountability and Transparency Act of 2006 (FFATA) requires, among other things, that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Applicants should note that all recipients of awards of $25,000 or more under this solicitation, consistent with FFATA, will be required to report award information on any first-tier subawards totaling $25,000 or more and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. If applicable, the FFATA Subaward Reporting System (FSRS), accessible via the Internet at www.fsrs.gov, is the reporting tool recipients under this solicitation will use to capture and report subaward information and any executive compensation data required by FFATA.

The subaward information entered in FSRS will then be displayed on www.USASpending.gov, associated with the prime award, furthering federal spending transparency.

Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the applicable reporting requirements should it receive funding.

To review the FFATA Reporting Subaward and Executive Compensation Award Term, please see the appendices of this guide.

XI. Contract provision under federal award

All contracts made by the recipients under the Federal award must contain the provisions required under 2 C.F.R. part 200 (Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards.)

The full text of the contract provision may be found in the appendices.

XII. Prior approval, planning, and reporting of conference/meetings/training costs

Recipients are required to obtain written approval from the COPS Office prior to entering into any contract, agreement or other obligation for costs related to any conference, meeting, retreat, seminar, symposium, training activity, or similar event funded under this award. Submit all request to the Conference Cost Request mailbox at COPS.Conferencecosts@usdoj.gov and copy your program manager.

For more information on allowable costs, please visit https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf.

Submit the Conference Cost Request/Reporting Form (CCR) at least 90 days prior to event. The document will have you breakout each event or training deliveries and ensures that all costs comply with current guidelines and policies on event/training planning, food and beverages, minimizing costs. Training or events should not be scheduled or delivered prior to receiving notice from your program manager that the CCR is approved.
All cooperative agreement award recipients must submit reports on conferences with total costs that exceed $20,000, exceed cost thresholds, or for any conference at which more than 50 percent of the attendees were U.S. Department of Justice employees. The report must be submitted within 45 days of the end of the event. Award recipients are encouraged to establish policies regarding timely submission of invoices to ensure that they can meet the conference reporting deadline.

The reporting form is on the same form as the conference request.

XIII. Curriculum development

The COPS Office defines training as the teaching and learning activities carried out for the primary purpose of helping members of an organization acquire and apply the knowledge, skills, abilities, and attitudes needed by a particular job or organization. Training is driven by specific goals and objectives; it is not a single event but rather an ongoing process that requires continuous self-reflection and evaluation.

The COPS Office trainings are national in scope and should have a specific law enforcement audience: executives, first line supervisors, line officers, dispatchers, joint community and officers, etc. COPS Office training supports the needs of the law enforcement field and strives to increase public safety.

The COPS Office has a series of requirements for the development and delivery of in-person and online training. These requirements can be found in the Curriculum Standards, Review, and Approval Guides, which were established to provide guidance to COPS Office training providers and program managers on instructional design, promising practices, and the process by which curricula will be reviewed and approved by the COPS Office. There are two guides separated by training type: (1) online training and (2) in-person training. They can be found at https://cops.usdoj.gov/training.

The COPS Office also has a series of requirements that instructors must meet prior to becoming instructors for COPS Office courses and for the duration of their instructor tenure. Those requirements can be found in the COPS Office Instructor Quality Assurance Guide, which can be accessed at https://cops.usdoj.gov/training.

In addition, the COPS Office has a series of technical requirements for online courses. Those requirements can be found at https://cops.usdoj.gov/training.

Applicants that propose the development and/or delivery of in-person training or development and/or online launch of training should clearly articulate the steps they propose to ensure all content, instructors, and technical requirements meet the requirements set forth by the COPS Office. Applicants should not assume that reviewers are experts in the course they are proposing in the application and should provide specific process steps and information pertinent to achieve effective training outcomes.

If awarded funds to develop and/or deliver training under a cooperative agreement, recipients will be required to follow these guides and comply with all terms outlined in the cooperative agreement.
XIV. Restrictions on internal confidentiality agreements

Recipients, subrecipients, or entities that receive a contract or subcontract with any funds under this award may not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts the lawful reporting waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. Consolidated Appropriations Act, 2019, Public Law 116-6, Division D, Title VII, Section 742.

XV. Mandatory disclosure

Recipients and subrecipients are required to timely disclose in writing to the COPS Office or pass-through entity, as applicable, all federal criminal law violations involving fraud, bribery, or gratuity that may potentially affect the awarded federal funding. Recipients agree to report certain civil, criminal, or administrative proceedings in SAM if they received an award with the Term and Condition for Recipient Integrity and Performance Matters as outlined in 2 C.F.R. Part 200, Appendix XII to Part 200. Failure to make required disclosures can result in any of the remedies, including suspension and debarment, described in 2 C.F.R. § 200.338.

XVI. Debarment and Suspension

Recipients agree not to award federal funds under this program to any party which is debarred or suspended from participation in federal assistance programs. 2 C.F.R. Part 180 (Government-wide Debarment and Suspension) and 2 C.F.R. Part 2867 (DOJ-specific requirements).

XVII. Recipient Integrity and Performance Matters

Recipients that received $500,000 or more in a federal award agree to comply with the terms and conditions outlined in 2 C.F.R. Part 200, Appendix XII to part 200 - Term and Condition for Recipient Integrity and Performance Matters.

For the full text of 2 C.F.R. Part 200, Appendix XII to part 200, please refer to appendix I.

XVIII. False Statements

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, or debarment from participating in federal awards or contracts, and/or any other remedy available by law.

XIX. Duplicative Funding

Recipients agree to notify the COPS Office if they receive, from any other source, funding for the same item(s) or service(s) also funded under this award.

XX. Additional High-Risk Award Recipient Requirements

Recipients agree to comply with any additional requirements that may be imposed during the award performance period if the awarding agency determines that the recipient is a high-risk award recipient (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.207).
XXI. Modifications

Award modifications are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308. For federal awards in excess of $250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office. The COPS Office will not approve any modification request that results in an increase of federal funds.

XXII. Evaluations

The COPS Office may conduct monitoring or sponsor national evaluations of COPS Office award programs. Recipients agree to cooperate with the monitors and evaluators. 34 U.S.C. § 10385(b).

XXIII. Allowable Costs

The funding under this award is for the payment of approved costs identified in the Financial Clearance Memorandum (FCM). Recipients must forgo any profit or management fees in accordance with 2 C.F.R. § 200.400(g).

XXIV. Local Match—Not applicable under the LEMHWA program

XXV. Equal Employment Opportunity Plan

Recipients agree to comply with the federal regulations pertaining to the development and implementation of an Equal Employment Opportunity Plan. 28 C.F.R. Part 42 subpart E.

XXVI. Employment Eligibility

Recipients agree to complete and keep on file, as appropriate, the Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) Employment Eligibility Verification Form (I-9). This form is to be used by recipients of federal funds to verify that persons are eligible to work in the United States. See Immigration Reform and Control Act of 1986 (IRCA), Public Law 99-603.

XXVII. Enhancement of Contractor Protection from Reprisal for Disclosure of Certain Information

Recipients agree not to discharge, demote, or otherwise discriminate against an employee as reprisal for the employee disclosing information that he or she reasonably believes is evidence of gross mismanagement of a federal contract or grant; a gross waste of federal funds; an abuse of authority relating to a federal contract or grant; a substantial and specific danger to public health or safety; or a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or grant. Recipients also agree to provide to their employees in writing (in the predominant native language of the workforce) of the rights and remedies provided in 41 U.S.C. § 4712. Please see [appendix J](#) for a full text of the statute.
XXVIII. Federal Civil Rights

The Applicant understands that the federal statutes and regulations applicable to the award (if any) made by the Department based on the application specifically include statutes and regulations pertaining to civil rights and nondiscrimination, and, in addition—

a. the Applicant understands that the applicable statutes pertaining to civil rights will include section 601 of the Civil Rights Act of 1964 (42 U.S.C. § 2000d); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); section 901 of the Education Amendments of 1972 (20 U.S.C. § 1681); and section 303 of the Age Discrimination Act of 1975 (42 U.S.C. § 6102);

The progress report is used to track recipients’ progress toward implementing community policing strategies and to collect data to gauge the effectiveness of increasing your agency’s community policing capacity through COPS Office funding. The Federal Financial Report is used to track the expenditures of the recipient’s award funds on a cumulative basis throughout the life of the award.
XXXI. Extensions

Recipients may request an extension of their award period to receive additional time to implement their award. Such extensions do not provide additional funding. Only recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Extension requests must be received prior to the end date of the award and should be requested in the COPS Office Online System.

XXXII. Computer Network Requirement

Recipients agree that no award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities. Consolidated Appropriations Act, 2019, Public Law 116-6, Division C, Title V, Section 523.

XXXIII. Award Monitoring Activities

Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutes and regulations. Award monitoring activities conducted by the COPS Office may include site visits, enhanced office-based award reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. Recipients agree to cooperate with and respond to any requests for information pertaining to their award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after submission of the final expenditure report. 34 U.S.C. § 10385(a) and 2 C.F.R. §§ 200.333 and 200.336.

For a list of State Information Technology Points of Contact, go to https://it.ojp.gov/technology-contacts.

The COPS
Office license applies to (1) the copyright in any work developed under the award including any related subaward or contract and (2) any rights of copyright to which the recipient, including its subrecipient or contractor, purchases ownership with award funds.

Recipients agree that they are responsible for acquiring the rights, and ensuring that their subrecipients/contractors/authors acquire the rights, to copyrighted material for inclusion in U.S. Department of Justice publications and other deliverables developed under the award, including the payment of required fees. The COPS Office may make available for reproduction material produced under the award by any means, including a DOJ website, a hard copy, or in electronic form, without restriction. Federal award administration information

Federal award notices

Award notification will be sent electronically. To officially accept and begin your award, your organization must access www.cops.usdoj.gov and select the “Account Access” tab in the upper right corner to log in, review, and electronically sign the award document (including award terms and conditions) and, if applicable, the special award conditions or high risk conditions within 90 days of the date shown on the award congratulatory letter, unless an extension is requested and granted.

Your organization will not be able to draw down award funds until the COPS Office receives your signed award document.

For more information, please contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.

The award document

The award document is the document indicating your official award funding amount, the award number, the award terms and conditions, and award start and end dates.
The award document is preprinted with your organization’s law enforcement and government executives’ names. If this information is incorrect or has changed, please update your “Agency Contacts” online at www.cops.usdoj.gov through the “Account Access” tab. If the law enforcement or government official has changed since the time of application, please have the current law enforcement executive or government executive for your organization create an account through the “Account Access” tab, log in, and sign the award document once your organization contacts have been updated online. Once you have reviewed your award document, please electronically sign it and make a copy of all pages of the document for your records, along with all award condition pages, within 90 days of the date shown on the award congratulatory letter.

The award start date indicated on the award document/cooperative agreement means that your organization may be reimbursed for any allowable costs incurred on or after this date. The duration of most LEMHWA awards is 24 months.

Your FY 2019 award number is in the following format: 2019-MHWXX-000 or 2019-MHWX-0000. The COPS Office tracks award information based upon this number. Therefore, it is important to have your organization’s award number (or your organization’s ORI number) readily available when corresponding with the COPS Office.

The award conditions are listed on your organization’s Award Document and, if applicable, the Award Document Supplement. By accepting this award, you are acknowledging that you are obtaining federal funds from the COPS Office. As part of that agreement, if awarded funds, your organization will acknowledge that it will comply with these conditions (and, if applicable, additional special conditions or high risk conditions in the Award Document Supplement specific to your organization).

In limited circumstances, your award may be subject to special conditions or high risk conditions that prevent your organization from drawing down or accessing award funds until the special conditions or high risk conditions are satisfied as determined by the COPS Office. Any special conditions or high risk conditions will be included in your Award Document Supplement.

**Administrative and national policy requirements**

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with award terms and conditions, and other legal requirements including, but not limited to, OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

Please see general terms and conditions beginning on page 69.

**Suspension or termination of funding**

The COPS Office may suspend, in whole or in part, or terminate funding or impose other sanctions on a recipient for the following reasons:

- Failure to substantially comply with the requirements or objectives of the Public Safety Partnership and Community Policing Act of 1994, program guidelines, or other provisions of federal law
- Failure to make satisfactory progress toward the goals or strategies set forth in this application
- Failure to adhere to award agreement requirements or special conditions
• Proposing substantial plan changes to the extent that, if originally submitted, would have resulted in the application not being selected for funding
• Failure to submit required or requested reports
• Filing a false statement or certification in this application or other report or document
• Other good cause shown

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

Awards terminated due to noncompliance with the federal statutes, regulations, or award terms and conditions will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.
Reporting, Monitoring, and Evaluation Requirements

Reporting

If awarded, your organization will be required to submit quarterly Federal Financial Reports as well as quarterly Programmatic Progress Reports. Recipient should be prepared to track and report LEMHWA award funding separately from other funding sources (including other COPS Office federal awards) to ensure accurate financial and programmatic reporting on a timely basis. Recipients should ensure that they have financial internal controls in place to monitor the use of LEMHWA funding and ensure that its use is consistent with the award terms and conditions. Good stewardship in this area includes written accounting practices, and use of an accounting system that tracks all award drawdowns and expenditures, and the ability to track when LEMHWA award-funded positions are filled or approved purchases are made. Failure to submit complete reports or submit them in a timely manner may result in the suspension and possible termination of a recipient’s COPS Office award funding or other remedial actions.

Monitoring

Federal law requires that law enforcement agencies receiving federal funding from the COPS Office be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice.

Awarded agencies will be responsible for submitting Programmatic Progress Reports and Federal Financial Reports on a quarterly basis. In addition, awarded agencies will be responsible for the timely submission of a final Closeout Report and any other required final reports. All COPS Office recipients will be required to participate in such award monitoring activities of the U.S. Department of Justice, including but not limited to the COPS Office, the Office of the Inspector General, or any entity designated by the COPS Office.

Please note that the COPS Office may take a number of monitoring approaches, such as site visits, enhanced office-based award reviews, alleged noncompliance reviews, and periodic surveys to gather information and to ensure compliance. The COPS Office may seek information including, but not limited to, your organization’s compliance with nonsupplanting and both programmatic and financial requirements of the award, and your organization’s progress toward achieving your community policing strategy. Program and monitoring specialists as well as auditors are particularly interested in confirming that the purchase of items and/or services is consistent with the applicant’s approved award budget as reflected on the Financial Clearance Memorandum and Final Funding Memorandum.

If awarded funds, you agree to cooperate with and respond to any requests for information pertaining to your award in preparation for any of the above-referenced award monitoring activities.

Please feel free to contact your COPS Office Program Manager at 800-421-6770 to discuss any questions or concerns you may have regarding the monitoring, reporting, and evaluation requirements.
Program evaluation

Though a formal assessment is not a requirement, awarded agencies are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping departments identify areas in need of improvement, providing data of successful processes and reducing vulnerabilities.

Selected award recipients shall be evaluated on the local level or as part of a national evaluation, pursuant to guidelines established by the Attorney General. Such evaluations may include assessments of individual program implementations. In selected jurisdictions that are able to support outcome evaluations, the effectiveness of funded programs, projects, and activities may be required. Outcome measures may include crime and victimization indicators, quality of life measures, community perceptions, and police perceptions of their own work.
Audit Requirement

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 C.F.R. Part 200, Subpart F – Audit Requirements, available at www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl, establish the requirements for organizational audits that apply to COPS Office award recipients. Recipients must arrange for the required organization-wide (not award-by-award) audit in accordance with the requirements of Subpart F.

Civil rights

All recipients are required to comply with nondiscrimination requirements contained in various federal laws. A memorandum addressing federal civil rights statutes and regulations from the Office for Civil Rights, Office of Justice Programs will be included in the award package for award recipients. All applicants should consult the Assurances form to understand the applicable legal and administrative requirements.

Please be advised that a hold may be placed on this application if it is deemed that the applicant organization is not in compliance with federal civil rights law or is not cooperating with an ongoing federal civil rights investigation.

28 C.F.R. Part 38 Partnerships with Faith-Based and Other Neighborhood Organizations

Recipients, and subrecipients at any tier, must comply with all applicable requirements of the DOI regulation entitled “Partnerships with Faith-Based and Other Neighborhood Organizations” at 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Among other things, Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipients and subrecipients that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based organizations.

For more information on the regulation, please see the Office for Civil Rights website at https://ojp.gov/about/ocr/partnerships.htm.

Section 508 of the Rehabilitation Act

If you are an applicant using assistive technology and you encounter difficulty when applying using the COPS Office online system (www.cops.usdoj.gov), please contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.

Other Award Information

Award decisions

It is anticipated that LEMHWA awards will be announced on or after September 1, 2019. Notifications will be sent electronically. Any public announcements will be posted on the COPS Office website at www.cops.usdoj.gov.

All award decisions are final and not subject to appeal.

All applications submitted to the COPS Office (including all attachments to applications) are subject to the federal Freedom of Information Act (FOIA) and to the Privacy Act. By law, DOJ may withhold information that is responsive to a request if DOJ determines that the responsive information is protected from disclosure under the Privacy Act or falls within the scope of one or more of the nine statutory exemptions under FOIA. DOJ cannot agree in advance of a request pursuant to the FOIA not to release some or all portions of an application/award file.

In its review of records that are responsive to a FOIA request, the COPS Office will withhold information in those records that plainly falls within the scope of the Privacy Act or one of the statutory exemptions under FOIA. (Some examples include certain types of information in budgets, and names and contact information for project staff other than certain key personnel.) In appropriate circumstances, the COPS Office will request the views of the applicant/recipient that submitted a responsive document.

For example, if the COPS Office receives a request pursuant to the FOIA for an application submitted by a nonprofit organization, for-profit organization, or an institution of higher education, or a request for an application that involves research, the COPS Office typically will contact the applicant/recipient that submitted the application. The COPS Office ask the applicant/recipient to identify—quite precisely—any particular information in the application that the applicant/recipient believes falls under a FOIA exemption, the specific exemption it believes applies, and why. After considering the submission by the applicant/recipient, the COPS Office makes an independent assessment regarding withholding information.

Feedback to the COPS Office

Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

National Incident-Based Reporting System (NIBRS). A comprehensive reporting database. Agencies provide individual records for eight index crimes and 38 other offenses.

nonfederal entity. Nonfederal entity means a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient.
**nonprofit organization.** Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including institutions of higher education, that is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest; is not organized primarily for profit; and uses net proceeds to maintain, improve, or expand the operations of the organization.

**obligation of funds.** If this application is awarded, the COPS Office obligates federal funds when the award document is signed by the director or his or her designated official. For the recipient, award funds are obligated when monies are spent directly on purchasing items approved under the award. The term *encumbrance* is often used at the local and state levels to describe this type of transaction. Liquidated obligations are considered cash outlays or monies actually spent. Unliquidated obligations are obligations incurred and recorded but not yet paid (accrual basis of accounting) or not yet recorded and not yet paid (cash basis of accounting).

**OJP vendor number/EIN number.** This is your agency’s nine-digit federal tax identification number assigned to you by the IRS. Your accounting/bookkeeping department should have this number.

If your EIN previously has been assigned to another agency within your jurisdiction, the Office of the Comptroller will assign a new OJP vendor number to you. The new assigned number is to be used for administrative purposes only, in connection with this award program, and should not be used for IRS purposes.

**ORI (Originating Agency Identifier) number.** This number is assigned by the FBI and is your agency’s originating agency identifier. The first two letters are your state abbreviation, the next three numbers are your county’s code, and the final two numbers identify your jurisdiction within your county. When you contact the COPS Office with a question, you can use the ORI number, and we will be able to assist you. If you are a previous COPS Office award recipient, you may have been assigned an ORI number through the COPS Office if the FBI had not previously assigned your agency this identifier number.

**participant support costs.** Participant support costs means direct costs for items such as stipends or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants or trainees (but not employees) in connection with conferences, or training projects.

**primary law enforcement authority.** An agency with primary law enforcement authority is defined as the first responder to calls for service for all types of criminal incidents within its jurisdiction. Agencies are not considered to have primary law enforcement authority if they only respond to or investigate specific type(s) of crime(s); respond to or investigate crimes within a correctional institution; serve warrants; provide courthouse security; transport prisoners; and/or have cases referred to them for investigation or investigational support.

**program income.** Program income means gross income earned by the non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance.

**Public Safety Partnership and Community Policing Act of 1994.** The COPS Office is charged with fulfilling the mandates of this law. The purposes of the law are to

- increase the number of community policing officers on the beat;
- provide additional and more effective training to law enforcement officers to enhance their problem solving, service, and other skills needed in interacting with members of the community;
• encourage the development and implementation of innovative programs to permit members of the community to assist law enforcement agencies in the prevention of crime;
• encourage the development of new technologies to assist law enforcement agencies in reorienting the emphasis of their activities from reacting to crime to preventing crime.

recipient. The Uniform Guidance defines it as “Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See also § 200.69 Non-Federal entity.” 2 C.F.R. § 200.86.

research and development. Research and development (R&D) means all research activities, both basic and applied, and all development activities that are performed by non-Federal entities. The term “research” also includes activities involving the training of individuals in research techniques where such activities use the same facilities as other research and development activities and where such activities are not included in the instruction function. “Research” is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. “Development” is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes.

school resource officer (SRO). A career law enforcement officer, with sworn authority, deployed in community-oriented policing, and assigned by the employing police department or agency to work in collaboration with schools and community-based organizations to (a) address crime and disorder problems, gangs, and drug activities affecting or occurring in our around and elementary or secondary school; (b) deploy or expand crime prevention efforts for students; (C) educate likely school-age victims in crime prevention and safety; (d) develop or expand community justice initiatives for students; (e) train students in conflict resolution, restorative justice, and crime awareness; (f) assist in the identification of physical changes in the environment that may reduce crime in or around the school; and (g) assist in developing school policy that addresses crime and to recommend procedural changes.

simplified acquisition threshold. Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. § 1908. Currently, the simplified acquisition threshold is $250,000.

subaward. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

subrecipient. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

supplanting. COPS Office award funds may not be used to supplant (replace) state, local, or Bureau of Indian Affairs (BIA) funds that would be made available in the absence of federal COPS Office award funding. Program funds must be used to increase the amount of state, local, or BIA funds otherwise budgeted for the award purposes, plus any additional state, local, or BIA funds budgeted for these purposes.
supplies. Supplies means all tangible personal property other than those described under equipment. A computing device is a supply if the acquisition cost is less than the lesser of the capitalization level established by the non-Federal entity for financial statement purposes or $5,000, regardless of the length of its useful life.

System for Award Management (SAM). Institutions applying for any type of award from the Federal Government must register with SAM. The SAM database is the repository for standard information about federal financial assistance applicants, recipients, and sub-recipients. Applicants must update or renew their SAM at least once per year to maintain an active status. Information about registration procedures can be accessed at www.sam.gov.

About the COPS Office

The Office of Community Oriented Policing Services (COPS Office) is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation’s state, local, territorial, and tribal law enforcement agencies through information and grant resources.

Community policing begins with a commitment to building trust and mutual respect between police and communities. It supports public safety by encouraging all stakeholders to work together to address our nation’s crime challenges. When police and communities collaborate, they more effectively address underlying issues, change negative behavioral patterns, and allocate resources.

Rather than simply responding to crime, community policing focuses on preventing it through strategic problem-solving approaches based on collaboration. The COPS Office awards grants to hire community policing officers and support the development and testing of innovative policing strategies. COPS Office funding also provides training and technical assistance to community members and local government leaders, as well as all levels of law enforcement.

Since 1994, the COPS Office has invested more than $14 billion to add community policing officers to the nation’s streets, enhance crime fighting technology, support crime prevention initiatives, and provide training and technical assistance to help advance community policing. Other achievements include the following:

- To date, the COPS Office has funded the hiring of approximately 130,000 additional officers by more than 13,000 of the nation’s 18,000 law enforcement agencies in both small and large jurisdictions.
- Nearly 700,000 law enforcement personnel, community members, and government leaders have been trained through COPS Office–funded training organizations.
- To date, the COPS Office has distributed more than eight million topic-specific publications, training curricula, white papers, and resource CDs and flash drives.
- The COPS Office also sponsors conferences, roundtables, and other forums focused on issues critical to law enforcement.

COPS Office information resources, covering a wide range of community policing topics such as school and campus safety, violent crime, and officer safety and wellness, can be downloaded via the COPS Office’s home page, www.cops.usdoj.gov. This website is also the grant application portal, providing access to online application forms.
