This program is authorized under the Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018 (34 U.S.C. § 10551 et seq.).

The COPS Office School Violence Prevention Program (SVPP) provides funding directly to states, units of local government, Indian tribes, and their public agencies to improve security at schools and on school grounds in the recipient's jurisdiction through evidence-based school safety programs. The COPS Office anticipates making an estimated 150 SVPP awards for a total of approximately \$50 million. Funding requests will be capped at \$500,000 per award. All awards are subject to the availability of funds. FY 2020 funding will cover up to 75 percent of the approved awards, up to \$500,000, for the following purposes and example budget items:

- **Equipment.** Entry control equipment, school site alarm and protection systems.
- **Technology.** Communication technology, emergency alerts, identification technology, laptops, maps of schools and bus routes, printers, social media monitoring, tracking systems, and video surveillance technology.
- **Supplies.** Manuals, paper, pens, and postage.
- **Travel/Training** for law enforcement officers to prevent school violence.
- **Contracts/Consultants.**
- **Subawards.**
- **Other costs.** Allowable overtime, other office supplies not already listed, and shipping costs.

Registration

All FY 2020 applicants for SVPP must have an ORI number to apply. Please contact the COPS Office Customer Care Center at 800-421-6770 to verify your agency's ORI number. If your agency needs an ORI number, a COPS Office Customer Care Specialist will assign one to you for the purpose of tracking your application.

In addition, the Federal Government requires that all applicants for federal awards—with the exception of individuals other than sole proprietors—have a Data Universal Numbering System (DUNS) number and be registered in the System for Award Management (SAM) database prior to submitting an application. See section 3 “General agency information” on page 41 of this guide for more information regarding DUNS and SAM.

Completing an application under this program is a two-step process. Applicants must first register via www.grants.gov and complete an SF-424, the government-wide standard application form for federal assistance. Once you have registered and submitted your SF-424 through Grants.gov, you will receive an email from the COPS Office within one business day with instructions on completing the second part of the SVPP application process, which is the COPS Office Application Attachment to the SF-424 through the COPS Office Online Application System. If you need assistance with your COPS Office Account Access information, contact the COPS Office Customer Care Center at AskCopsRC@usdoj.gov or 800-421-6770.

It is strongly recommended that applicants register immediately on Grants.gov. In addition, applicants are strongly encouraged to complete the SF-424 and section 1 on Grants.gov as quickly as possible. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through Grants.gov or the COPS Office Online Application System.

For technical assistance with submitting the SF-424, call Grants.gov Customer Service Hotline at 800-518-4726, email support@grants.gov, or consult the Grants.gov Applicant User Guide at <https://www.grants.gov/help/html/help/index.htm>. See “How to Apply/Application Submission” on page 17 of this guide for more information.

For technical assistance with submitting the online application via the COPS Office website, please call 800-421- 6770 or send questions via email to AskCopsRC@usdoj.gov/ See “How to Apply/Application Submission” on page 17 of this guide for more information.

Deadline: Application

All completed applications must be submitted by **April 29, 2020, at 7:59 p.m. EDT**. Please see “How to Apply/Application Submission” for more information.

Late submissions

The COPS Office offers a process for SVPP applicants to provide advance notice to the COPS Office if receipt of their application will be delayed due to unforeseen COPS Office Online Application System technical issues.

Applicants must provide notice prior to the close of the solicitation. If applicants do not provide advance notice to the COPS Office about an issue that may cause a delay in the submission of the application, then the application will not be considered for funding. If applicants follow the steps as outlined in the following sections, submission may be considered. Extension of deadlines is not guaranteed.

Experiencing unforeseen COPS Office Online Application System technical issues

If you experience unforeseen COPS Office Online Application System technical issues beyond your control, which prevent you from submitting your application by the deadline, **please immediately contact the COPS Office Customer Care Center at 800-421-6770** to create a record of the issue and provide the following information.

- ORI
- Agency Name
- Point of Contact name and contact information
- Application ID
- Nature of technical issues

The COPS Office will respond to each applicant as soon as possible with either an approval and instructions for submission or a rejection. If the technical issues you reported cannot be validated, your application will be rejected. Any requests to submit applications late because of technical issues after the deadline will be rejected as untimely.

To ensure a fair competition for limited discretionary funds, the following conditions are *not* valid reasons: (1) failure to begin the registration process in sufficient time; (2) failure to follow the COPS Office Online Application System instructions on how to register and apply as posted on its website; (3) failure to follow all of the instructions in the SVPP solicitation, including the SVPP application guide; (4) failure to register or update information on the SAM website; and (5) failure to register or complete the SF-424 in Grants.gov.

Notifications regarding known technical problems with COPS Office Online Application System will be posted on <https://portal.cops.usdoj.gov/>.

No late submission requests will be considered once the SVPP application closes.

Extraordinary natural or manmade disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or mass casualty events, applicants may request to submit applications late by sending an email to AskCopsRC@usdoj.gov.

Applicants will need to follow these directions:

- Send email directly to **AskCopsRC@usdoj.gov**.
- The subject line should read “FY20 SVPP Extraordinary Circumstances: ORI, Agency Name, Application ID” with your specific ORI, organization name, and application ID included in the subject line.
- Message. The message should include the following information:
 - ORI
 - Agency Name
 - Application ID
 - Nature of the disaster and how it affected the applicant’s ability to submit an application on time

The email message must be sent by the deadline or as soon as possible given the specific emergency. The COPS Office will respond to each applicant as soon as possible with further instructions.

Eligibility Requirements

The COPS Office School Violence Prevention Program (SVPP) solicitation is open to all states, units of local government, Indian tribes, and their public agencies. Applicants are strongly encouraged to submit an application that demonstrates a comprehensive approach to school safety. Pursuant to 34 U.S.C. §§ 10552(a)(1)–(2), each application shall:

1. Include a detailed explanation of
 - the intended uses of funds provided under the SVPP and
 - how the activities funded under the SVPP will meet the purposes identified under section 34 U.S.C. § 10551(b)(5)–(9):
 - Coordination with local law enforcement;
 - Training for local law enforcement officers to prevent student violence against others and self;
 - Placement and use of metal detectors, locks, lighting, and other deterrent measures;
 - Acquisition and installation of technology for expedited notification of local law enforcement during an emergency; or
 - Any other measure that the director of the COPS Office determines may provide a significant improvement in security.
2. Be accompanied by an assurance that the application was prepared after consultation with individuals not limited to law enforcement officers (such as school violence researchers/academics, licensed mental health professionals, social workers, teachers, principals, and other school personnel) to ensure that the improvements to be funded under the grant are
 - consistent with a comprehensive approach to preventing school violence and
 - individualized to the needs of each school at which those improvements are to be made.

As part of your application, your agency will be required to answer questions directly related to this statutory assurance. Applicants that do not provide this assurance will be deemed ineligible. Your responses regarding the assurance questions and other program eligibility questions will assist our office in determining your agency's eligibility.

For additional information, please contact your COPS Office Grant Program Specialist by calling the COPS Office Customer Care Center at 800-421-6770.

Program-Specific Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Program goal

SVPP is designed to provide funding to improve security at schools and on school grounds in the recipient's jurisdiction through evidence-based school safety programs. FY 2020 funding may be used for coordination with local law enforcement; training for local law enforcement officers to prevent school violence against others and self; placement and use of metal detectors, locks, lighting, and other deterrent measures; acquisition and installation of technology for expedited notification of local law enforcement during an emergency; and any other measure that, in the determination of the COPS Office Director, may provide a significant improvement in security. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. This solicitation is expected to be very competitive.

Length of award term, maximum federal share, and local share requirements.

The SVPP award is three years (36 months) in duration and provides a maximum federal share of \$500,000. Applicants are required to contribute a local cash match of a minimum of **25 percent** towards the total cost of the approved project during the award period. Your agency must maintain records that clearly demonstrate the source of local matching funds, the amount of the match, and when the match is contributed.

The COPS Office will review reasonable requests made for no-cost time extensions in the event that all funds awarded have not been expended within the three-year award period. SVPP recipients will be provided an opportunity to extend approximately 90 days prior to the award end date. Any extensions granted will be for time only and not for additional funding. Please be advised that all extension requests **must** be received by the grant period end date.

At present, this is a one-time funding opportunity and the COPS Office expects that all items, personnel, and training requested will be purchased or hired and the project implemented within the three-year award period.

Federal funding: Allowable and unallowable costs

Allowable costs: Fundable requests

All items requested will be considered on a case-by-case basis during the budget review process. Items under the program must be purchased in accordance the requirements set forth by the STOP School Violence Act of 2018 (34 U.S.C. § 10551 et seq.). In addition, each item must programmatically link to the SVPP activities described in your application. To the maximum practicable extent, all equipment and products purchased with these funds must be American-made. All applicants are required to explain their inability to address the need for this award without federal assistance in their application. Applicants may request allowable improvements for which they have a demonstrated financial need that support a comprehensive approach to preventing school violence and are individualized to the needs of each impacted school."

The allowable uses of SVPP funds include the following:

- Acquisition and installation of technology for expedited notification (to law enforcement) during an emergency
- Coordination with local law enforcement
- Placement and use of metal detectors, locks, lighting, and other deterrent measures
- Training for local law enforcement officers to prevent school violence
- Any other measure that the COPS Office Director determines may provide a significant improvement in security

Budget requests may be made in the categories described in the following sections.

Unless otherwise approved by the COPS Office, consultant rates will be based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day. For consultant or contractor rates that exceed \$650 per day, the COPS Office requires written justification if the consultants or contractors are hired through a noncompetitive bidding process, and recipients must receive COPS Office approval of those rates before drawing down award funds. Determinations will be made on a case-by-case basis.

Other costs

Other costs may include such items as software and prepaid warranties or maintenance agreements (not to exceed 36 months), overtime costs for civilian personnel engaging in SVPP-related activities (not to exceed 20% of the awarded budget), or other miscellaneous items that have a direct correlation to the overall success of a recipient's project objectives (such as awareness campaigns) and are necessary for the project to reach full implementation.

Administrative Actions and Legal Remedies Related to Federal Awards

Please be advised that a hold may be placed on any application if it is deemed that the applicant agency is not in good standing on other U.S. Department of Justice awards, has other award compliance issues that would make the applicant agency ineligible to receive COPS Office funding, and/or is not cooperating with an ongoing U.S. Department of Justice award review or audit. A hold may also be placed on any application if it is deemed that the applicant agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.

Misuse of COPS Office funds or failure to comply with all COPS Office award requirements may result in suspension or termination of award funds, the repayment of award funds, and other remedies available by law.

Under the False Claim Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving COPS Office funds may be referred to the Office of the Inspector General (OIG). The OIG may be contacted at oig.hotline@usdoj.gov or 800-869-4499.

Monitoring, reporting, and evaluation requirements

Monitoring

Federal regulations require that recipients receiving federal funding from the COPS Office be monitored to ensure compliance with their award conditions and other applicable statutes and regulations. The COPS Office is also interested in tracking the progress of our programs and implementing evidence-based school safety strategies and programs. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, enhanced office-based award reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution.

Through these monitoring efforts, the COPS Office may seek information including your agency's compliance with programmatic and financial requirements of the award and your agency's progress toward achieving your project's strategies. Program and Monitoring Specialists as well as Auditors are particularly interested in confirming that the purchase of items and services is consistent with the applicant's approved award budget as reflected on the Financial Clearance Memorandum and Final Funding Memorandum. All COPS Office recipients will be required to participate in award monitoring activities of the U.S. Department of Justice including reviews conducted by the COPS Office, the Office of the Inspector General, or any entity designated by the COPS Office.

Reporting

If awarded, all recipients will be required to submit quarterly Federal Financial Reports and Programmatic Progress Reports. The quarterly Federal Financial Reports can be submitted electronically using the Standard Form 425 (SF-425) by the 30th day following the end of each calendar quarter, and a final report is due 90 days following the award end date. Recipients who do not submit SF-425 reports by the due date will be unable to draw down SVPP award funds. Recipient should be prepared to track and report SVPP award funding separately from other funding sources (including other COPS Office federal awards) to ensure accurate financial and programmatic reporting on a timely basis. Recipients should ensure that they have financial internal controls in place to monitor the use of SVPP funding and ensure that its use is consistent with the award terms and conditions. Good stewardship in this area includes written accounting practices and use of an accounting system that tracks all award drawdowns and expenditures. *Failure to submit complete reports or submit them in a timely manner may result in the suspension and possible termination of a recipient's COPS Office award funding or other remedial actions.*

In addition, if awarded, all recipients will be required to electronically submit quarterly progress reports and a final progress report. In addition, recipients will be responsible for the timely submission of a final Closeout Report and any other required final reports.

The COPS Office will notify recipients when the progress report is due and provide instructions for submission. By accepting a SVPP award, recipients agree to cooperate with and respond to any requests for information pertaining to their SVPP award.

Evaluation

Though a formal assessment is not a requirement, awarded agencies are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping identify areas in need of improvement, providing data regarding successful processes, and reducing vulnerabilities.

Performance Measures

To assist in fulfilling the U.S. Department of Justice’s (DOJ) responsibilities under the Government Performance and Results Modernization Act (GPRAMA) of 2010, P.L. 111-352, recipients who receive funding from the Federal Government must measure the results of work that funding supports. GPRAMA specifically requires the COPS Office and other federal agencies to set program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

Performance measures for SVPP are as follows:

Objective	Performance measures	Data recipient provides
Increase the capacity of states, units of local government and Indian tribes to implement strategies that improve security at schools and on school grounds through funding for personnel, technology, equipment, and training.	Extent to which COPS Office award funding (e.g., personnel, equipment, training, etc.) has increased your agency’s capacity to implement or enhance school safety?	Periodic progress reports providing an overview of how the SVPP award improved security at schools and on school grounds.
Extent to which COPS Office funding has increased your agency’s capacity to implement or enhance school safety?	Recipients will rate the effectiveness of the COPS Office funding in increasing their capacity to improve school safety. Data will be collected on a periodic basis through recipient progress reports.	

As part of the programmatic progress report, SVPP recipients will be required to report on their progress toward improving and implementing evidence-based school safety strategies and programs. SVPP recipients will also be required to describe how the personnel, technology, equipment, and/or training requested will assist in this goal.

Based on the data collected from recipients, the COPS Office may make improvements to SVPP to better meet the program’s objective and recipients’ needs.

Electronic submission of the SF-424 in two parts via Grants.gov and the COPS Office website

Please read the following important information before attempting to submit your application via the COPS Office website:

- Completing an SVPP application is a two-step process.** Applicants are first required to register via www.grants.gov and complete an SF-424. The Grants.gov funding code for this solicitation is COPS-SVPP-Application-2020. Once the SF-424 has been submitted, applicants will receive an email from the COPS Office with instructions on completing the second part of the SVPP application through the COPS Office Online Application System. If you have not renewed your COPS Office Account Access information, contact the COPS Office Customer Care Center at AskCopsRC@usdoj.gov or 800-421-6770.
- It is strongly recommended that applicants register immediately on Grants.gov.** In addition, applicants are strongly encouraged to complete the SF-424 as quickly as possible. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through Grants.gov or the COPS Office Online Application System. An application is not considered submitted until you have submitted your SF-424 on Grants.gov and the second part of the application on the COPS Office website.
- Confirmation of submission.** After completing the second part of the application and clicking “Submit,” applicants will receive a message stating “Your application has been successfully recorded.” The confirmation page will also provide the submission date, ORI number, confirmation number, and program type.
- For technical assistance with submitting the SF-424, call the Grants.gov Contact Center at 800-518-4726 or email support@Grants.gov. For assistance with submitting the application through the COPS Office Online Application System, please call the COPS Office Customer Care Center at 800-421-6770 or send questions via email to AskCopsRC@usdoj.gov.
- To apply for funding, applicants must have a DUNS number (DUNS numbers are required of all agencies requesting federal funding) and have an active registration with the System for Award Management (SAM) database. Applicants must also provide their registered DUNS name if it is different from their COPS legal name.
- Applicants must comply with any word and field limit requirements described in the program’s application guide.

- Applicants will have the opportunity to print a copy of the application prior to submission and another copy of the application after it has been submitted. Please note that the application package cannot be submitted until all required fields have been completed. Note: If Internet access is not available to print a copy of the application package, contact the Customer Care Center at 800-421-6770 to request that a printed copy be sent to you.
- Applicants will be able to print a copy of the application package only for reference while completing the application online via the COPS Office website. **The COPS Office will not accept applications submitted via mail or email.**
- **Do not wait until the application deadline date to begin the application process through the COPS Office website.** The registration steps may take several days to complete, and if you wait until the application deadline date you may be unable to submit your application online.

In addition, all applicants are required to maintain current registrations in the System for Award Management (SAM) database. SAM replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. The U.S. Department of Justice requires that all applicants (other than individuals who are not sole proprietors) for federal financial assistance maintain current registrations in the SAM database. Applicants must update or renew their SAM registration annually to maintain an active status.

Applicants that were previously registered in the CCR database must at a minimum

- create a SAM account;
- log in to SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM registration procedures can be accessed at www.sam.gov.

Register or Update an Account in the COPS Office Account Access

Estimated timeframe: up to one business day

All COPS Office applicants must have an account through the COPS Office Online Application System. The information in the COPS Office Online Application System will prepopulate section 4 of the application, so please ensure it is up-to-date. The following individual (s) is deemed critical for the submission of the application and will need to have current contact information and e-Signature (s) in the system:

- Government Executive (GE)

Please contact the COPS Office Customer Care Center at AskCopsRC@usdoj.gov or 800-421-6770 for assistance in creating an application or renewing your information.

Obtaining a Data Universal Numbering System (DUNS) number

The Federal Government requires that all applicants for awards, with the exception of individuals other than sole proprietors, have a Data Universal Numbering System (DUNS) number prior to application submission. The DUNS number is used to identify related organizations that are receiving funding under awards and to provide consistent name and address data for electronic grant application systems. A DUNS number may be obtained by telephone at 866-705-7511 or via the Internet at fedgov.dnb.com/webform.

Data Universal Numbering System (DUNS) number

- The DUNS number is a unique nine- or thirteen-digit identification number provided by Dun & Bradstreet (D&B).
- The DUNS number is site-specific. Therefore, each distinct physical location of an entity (such as branches, divisions, and headquarters) may be assigned a DUNS number. Organizations should try to keep DUNS numbers to a minimum. In many instances, a central DUNS number with a DUNS number for each major division/department/agency that applies for an award may be sufficient.
- You should verify that you have a DUNS number or take the steps needed to obtain one as soon as possible, if there is a possibility you will be applying for future federal awards. There is no need to wait until you are submitting a particular application.
- **If you already have a DUNS number.** If you, as the entity applying for a federal award or cooperative agreement, previously obtained a DUNS number in connection with the federal acquisition process or requested or had one assigned to you for another purpose, you should use that number on all of your applications. It is not necessary to request another DUNS number from D&B. You may request D&B to supply a family-tree report of the DUNS numbers associated with your organization. Organizations should work with D&B to ensure the right information is on the report. Organizations should not establish new numbers, but use existing numbers and update or validate the information associated with the number.
- **If you are not sure whether you have a DUNS number,** call D&B using the toll-free number 866-705-5711 and indicate that you are a federal award applicant or prospective applicant. D&B will tell you if you already have a number. If you do not have a DUNS number, D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.

To obtain your DUNS number

- The requestor may obtain a DUNS number via the Internet at fedgov.dnb.com/webform.
- The requestor may also obtain a DUNS number via telephone at 866-705-5711. The phone is staffed from 8:00 a.m. to 6:00 p.m. (local time of the caller when calling from within the contiguous United States). Calls placed to this number outside of those hours will receive a recorded message requesting the caller to call back between the operating hours. The process to request a number takes about 5–10 minutes. A DUNS number will be assigned at the conclusion of the call. You will need to provide the following information:
 - Legal name
 - Headquarters name and address for your organization
 - Doing business as (DBA) or other name by which your organization is commonly known or recognized
 - Physical address, city, state, and ZIP code
 - Mailing address (if separate from headquarters and/or physical address)
 - Telephone number
 - Contact name and title
 - Number of employees at your physical location

Managing your DUNS number

- D&B periodically contacts organizations with DUNS numbers to verify that their information is current. Organizations with multiple DUNS numbers may request a free family tree listing from D&B to help determine what branches or divisions have numbers and whether the information is current. Please call the dedicated toll-free DUNS number request line at 866-705-5711 to request your family tree.
- D&B recommends that organizations with multiple DUNS numbers have a single point of contact for controlling DUNS number requests to ensure that the appropriate branches or divisions have DUNS numbers for federal purposes.

- As a result of obtaining a DUNS number, you have the option to be included on D&B’s marketing list that is sold to other companies. If you do not want your name or organization included on this marketing list, request to be de-listed from D&B’s marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

Obtaining a DUNS number is absolutely free for all entities doing business with the Federal Government. This includes grant and cooperative agreement applicants or prospective applicants and federal contractors. Be certain to identify yourself as a federal award applicant or prospective applicant.

Registering with the System for Award Management (SAM)

Applicants for all federal awards are required to register with the System for Award Management (SAM). If your organization already has an Employer Identification Number (EIN), your SAM registration will take up to two weeks to process. If your organization does not have an EIN, then you should allow two to five weeks for obtaining the information from the IRS when requesting the EIN via phone, fax, mail, or Internet. Follow the steps listed below to register in the SAM:

To register in SAM, follow the next steps:

Step 1.

Obtain a DUNS number at www.dnb.com/us or call 866-705-5711.

Step 2.

Access the SAM online registration through the SAM home page at www.sam.gov and follow the online instructions for new SAM users.

Step 3.

Complete and submit the online registration. If you already have the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of your business or organization. Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status. If you are trying to register a new entity at www.sam.gov, you must provide a notarized letter stating that you are the authorized entity administrator before your SAM.gov entity registration will be activated. Please note that the notarized letter process is now applicable to both new and existing registrations.

To migrate your legacy system user account from Central Contractor Registration (CCR), FedReg, ORCA, or EPLS, you must first create a personal account in SAM by clicking on “Create an Account” on the homepage. An individual account is required to manage entity registrations in SAM. You will not be able to manage your registration unless you create a system account in SAM. Once you validate that you have access to the email address you provided during the registration process and login, you will see a message on the user dashboard (My SAM) that will ask you, “Would you like to migrate a legacy system account?” Click “Yes” to begin the migration process.

Alternatively, you may click on “Manage My User Roles,” then on “Migrate Legacy Account” link to begin the migration process. The roles you had with the legacy system will be mapped to your SAM account.

To update your entity's SAM registration, follow the next steps:

Step 1.

Go to the SAM homepage (www.sam.gov), enter your username and password, and then click the "Log In" button.

Step 2.

Select "Complete Registrations" under "Registration/Update Entity" in the left navigation pane.

Step 3.

Select the entity record that you want to update and click the "Update" button

For more details on updating your registration, please refer to the SAM User Guide, available at www.sam.gov.

If awarded funds, your agency must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

To review the System for Award Management and Universal Identifier Award Term, please see the appendices of this guide.

Civil rights

All recipients are required to comply with nondiscrimination requirements contained in various federal laws. All applicants should consult the Assurances form to understand the applicable legal and administrative requirements.

Please be advised that a hold may be placed on this application if it is deemed that the applicant agency is not in compliance with federal civil rights law and/or is not cooperating with an ongoing federal civil rights investigation.

28 C.F.R. Part 38 Partnerships with Faith-Based and Other Neighborhood Organizations

Recipients, and subrecipients at any tier, must comply with all applicable requirements of the DOJ regulation entitled “Partnerships with Faith-Based and Other Neighborhood Organizations” at 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Among other things, Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipients and subrecipients that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based organizations.

Freedom of Information Act and Privacy Act (5 U.S.C. § 552 and 5 U.S.C. § 552a)

All applications submitted to the COPS Office (including all attachments to applications) are subject to the federal Freedom of Information Act (FOIA) and to the Privacy Act. By law, DOJ may withhold information that is responsive to a request if DOJ determines that the responsive information is protected from disclosure under the Privacy Act or falls within the scope of one or more of the nine statutory exemptions under FOIA. DOJ cannot agree in advance of a request pursuant to the FOIA not to release some or all portions of an application or award file. In its review of records that are responsive to a FOIA request, the COPS Office will withhold information in those records that plainly falls within the scope of the Privacy Act or one of the statutory exemptions under FOIA. (Some examples include certain types of information in budgets and names and contact information for project staff other than certain key personnel.) In appropriate circumstances, the COPS Office will request the views of the applicant or recipient that submitted a responsive document. For example, if the COPS Office receives a request pursuant to the FOIA for an application submitted by a nonprofit organization, a for-profit organization, or an institution of higher education or a request for an application that involves research, the COPS Office typically will contact the applicant or recipient that submitted the application. The COPS Office asks the applicant or recipient to identify—quite precisely—any particular information in the application that the applicant or recipient believes falls under a FOIA exemption, the specific exemption it believes applies, and why. After considering the submission by the applicant or recipient, the COPS Office makes an independent assessment regarding withholding information.

Award Terms and Conditions/Funding restrictions/Administrative Requirements

Applicants to COPS Office programs are required to sign the standard Assurances and Certifications forms. Signing these documents assures the COPS Office that you have read and understood and that you accept the award terms and conditions as outlined in the Assurances and Certifications. Please read these documents carefully, as signatures on these documents are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to make an award.

III. Disclosure of Lobbying Activities (also refer to section 16A “Disclosure of Lobbying Activities” of this Application Guide and Standard Application forms.)

This disclosure form shall be completed by the reporting entity, whether subrecipient or prime federal recipient, at the initiation or receipt of a covered federal action, or a material change to a previous filing, pursuant to title 31

Complete all items that apply for both the initial filing and material change reports. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

If this applies to your agency, you are required to complete the disclosure form in section 16 of the application. If you need to complete and submit additional forms, please complete and submit them as attachments to your application online.

Please be advised that all recipients and subrecipients must comply with the provisions of 2 C.F.R. § 200.450, as appropriate, regarding unallowable costs under the Federal award associated with lobbying or influencing activities. Additional restrictions in 2 C.F.R. § 200.450(c) are applicable to nonprofit organizations and institutions of higher education.

IV. Nonsupplanting Requirement—Not applicable under SVPP

V. Procurement and Sole Source Justification

In general, recipients will be required to procure funded items through open and free competition when feasible. For the purchase of equipment, technology, or services under a COPS Office award, recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in the uniform administrative requirements (2 C.F.R. §§ 200.317 – 200.326). Consistent with the uniform administrative requirements that prohibit procurement practices that restrict competition, recipients and subrecipients may not discriminate against any person or entity on the basis of a person or entity’s status as an “associate of the Federal Government” (or on the basis of a person or entity’s status as a parent, affiliate, or subsidiary of an associate of the Federal Government). The term “associate of the Federal Government” means any person or entity engaged or employed (in the past or at present) by or on behalf of the Federal Government as an employee, contractor, subcontractor, award recipient, subrecipient, agent, or otherwise.

Sole source procurement, or procurement by noncompetitive proposals, is procurement through solicitation of a proposal from only one source. Sole source procurements must adhere to the standards set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.318..

For the purchase of equipment, technology, or services under a COPS Office award, recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in 2 C.F.R. § 200.320. A sole source procurement request should be submitted if a recipient determines that the award of a contract through a competitive process is infeasible. If a recipient determines that the award of a contract through a competitive process is infeasible, and if one of the following circumstances applies: (1)The item or service is available only from one source; (2) the public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation; (3) competition is determined inadequate after solicitation of a number of sources; or (4) the COPS Office expressly authorizes noncompetitive proposals in response to a written request from the award recipient.

The recipient must include this information in the sole source procurement request and submit it to the COPS Office. The recipient must seek written authorization from the COPS Office for sole source procurements in excess of \$250,000. Written approval for sole source procurements from the COPS Office must be received prior to purchasing equipment, technology, or services; obligating funding for a contract; or entering into a contract with award funds.

Requests for sole source procurements of equipment, technology, or services in excess of \$250,000 must be submitted to the COPS Office in writing certifying that the award of the contract through full and open competition is infeasible. The sole source procurement request must be prepared on department letterhead.

The request should also include the following information:

Section I – A brief description of the project, the amount to be designated for the sole source procurement, and the purpose of the contract.

Section II – A statement identifying which one (or more) of the four circumstances identified below apply to the procurement transaction and an explanation as to why it is necessary to contract in a noncompetitive manner. Include supporting information as identified below under the applicable section(s).

1. The item or service is available only from one source.
 - Uniqueness of items or services to be procured from the proposed contractor or vendor (compatibility, patent issues, etc.)
 - How the agency determined that the item or service is only available from one source (market survey results, independent agency research, patented or proprietary system, etc.)
 - Explanation of need for contractor’s expertise linked to the current project (knowledge of project management, responsiveness, experience of contractor personnel, prior work on earlier phases of project, etc.)
 - Any additional information that would support the case
2. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
 - When the contractual coverage is required by your department and why
 - Impact on project if deadline dates are not met
 - How long it would take an alternate contractor to reach the same required level of competence (equated to dollar amounts, if desired)
 - Any additional information that would support the case
3. The COPS Office authorizes noncompetitive proposals in response to a written request from the award recipient.
4. Competition is determined inadequate after solicitation of a number of sources.
 - Results of a market survey to determine competition availability; if no survey is conducted, please explain why not
 - Any additional information that would support the case

Section III – A budget breakdown for the contract.

Section IV – A declaration that this action or choice is in the best interest of the agency.

Upon receipt of the request for sole source authorization, the COPS Office will review to determine if competition is infeasible, and your agency will be contacted if any of the identified information is missing or if additional supporting information is required. If the COPS Office determines that the request does not meet the standards set forth above, the request will be denied.

Please be advised that conflicts of interest are prohibited under the procurement standards set forth in 2 C.F.R. § 200.318(c).

If you have any questions regarding the federal requirements that guide procurement procedures, please contact the COPS Office Customer Care Center at 800-421-6770.

VI. Criminal Intelligence Systems/28 C.F.R. Part 23 Compliance

If your agency is receiving COPS Office funding for equipment or technology that will be used to operate an interjurisdictional criminal intelligence system, you must agree to comply with the operating principles found at 28 C.F.R. Part 23. An interjurisdictional criminal intelligence system is generally defined as a system that receives, stores, analyzes, exchanges, or disseminates data regarding ongoing criminal activities (such activities may include loan sharking, drug or stolen property trafficking, gambling, extortion, smuggling, bribery, and public corruption) and shares these data with other law enforcement jurisdictions. 28 C.F.R. Part 23 contains operating principles for these interjurisdictional criminal information

systems that protect individual privacy and constitutional rights. If you are simply using the COPS Office funds to operate a single agency database (or other unrelated forms of technology) and will not share criminal intelligence data with other jurisdictions, 28 C.F.R. Part 23 does not apply to this award.

X. Federal Funding Accountability and Transparency Act (FFATA) — Reporting Subaward and Executive Compensation Information

The Federal Funding Accountability and Transparency Act of 2006 (FFATA) requires, among other things, that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Applicants should note that all recipients of awards of \$25,000 or more under this solicitation, consistent with FFATA, will be required to report award information on any first-tier subawards totaling \$25,000 or more and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. If applicable, the FFATA Subaward Reporting System (FSRS), accessible via the Internet at www.frs.gov, is the reporting tool recipients under this solicitation will use to capture and report subaward information and any executive compensation data required by FFATA.

The subaward information entered in FSRS will then be displayed on www.USASpending.gov, associated with the prime award, furthering federal spending transparency.

Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the applicable reporting requirements should it receive funding.

To review the FFATA Reporting Subaward and Executive Compensation Award Term, please see the appendices of this guide.

XI. Contract Provision under Federal Award

All contracts made by the recipients under the Federal award must contain the provisions required under 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards.

XV. Mandatory Disclosure

Recipients and subrecipients are required to timely disclose in writing to the COPS Office or pass-through entity, as applicable, all federal criminal law violations involving fraud, bribery, or gratuity that may potentially affect the awarded federal funding. Recipients agree to report certain civil, criminal, or administrative proceedings in SAM, if it received an award with the Term and Condition for Recipient Integrity and Performance Matters as outlined in 2 C.F.R. Part 200, Appendix XII to Part 200. Failure to make required disclosures can result in any of the remedies, including suspension and debarment, described in 2 C.F.R. § 200.338.

XVI. Debarment and Suspension

Recipients agree not to award federal funds under this program to any party which is debarred or suspended from participation in federal assistance programs. 2 C.F.R. XXI. Modifications

Occasionally, a change in an agency's fiscal situation necessitates a change in its COPS Program award. Award modifications are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308. For federal awards in excess of \$250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office. In addition, all modification requests involving new budget items must be approved, in writing, by the COPS Office prior to their implementation. In addition, please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

Recipients also agree to provide to their employees in writing (in the predominant native language of the workforce) of the rights and remedies provided in 41 U.S.C. § 4712. Please see appendix G in this Application Guide for a full text of the statute.

The progress report is used to track recipient’s progress toward implementing school safety strategies and

to collect data to gauge the effectiveness of increasing the recipient's capacity to improve school safety through COPS Office funding. The Federal Financial Report is used to track the expenditures of the recipient's award funds on a cumulative basis throughout the life of the award.

XXXI. Extensions

Recipients may request an extension of the award period to receive additional time to implement their award program. Such extensions do not provide additional funding. Awards may be extended a maximum of 36 months beyond the initial award expiration date. Any request for an extension beyond 36 months will be evaluated on a case-by-case basis. Only recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Reasonable justifications may include technology implementation delays, procurement challenges, change in administration, staff turnover of key award/award-funded personnel, training delays, hiring and recruitment delays or other circumstances that interrupt the 36-month award funding period. An extension allows recipient to compensate for such delays by providing additional time to complete the full 36 months of implementation.

Extension requests must be received prior to the end date of the award.

XXXII. Computer Network Requirement

Recipients agree that no award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

XXXIII. Award Monitoring Activities

Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutes and regulations. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office may include site visits, enhanced office-based award reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. Recipients agree to cooperate with and respond to any requests for information pertaining to their award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after submission of the final expenditure report. 2 C.F.R. § 200.328(e), and 2 C.F.R. §§ 200.333 and 200.336

XXXVIII. State Information Technology Point of Contact

Recipients agree to ensure that the appropriate State Information Technology Point of Contact receives written notification regarding any information sharing or technology project funded by a COPS Office award. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, recipients agree to maintain an administrative file documenting the meeting of this requirement.

The COPS Office reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use the work, in whole or in part (including create derivative works), for Federal Government purposes and to authorize others to do so. The COPS Office license applies to (1) the copyright in any work developed under the award including any related subaward or contract and (2) any rights of copyright to which the recipient, including its subrecipient or contractor, purchases ownership with award funds.

Recipients agree that they are responsible for acquiring the rights, and ensuring that their subrecipients/contractors/authors acquire the rights, to copyrighted material for inclusion in U.S. Department of Justice publications and other deliverables developed under the award, including the payment of required fees. The COPS Office may make available for reproduction material produced under the award by any means, including a DOJ website, a hard copy, or in electronic form, without restriction. The COPS Office reserves the right, at its discretion, not to publish products and deliverables developed under the award as a U.S. Department of Justice resource. Products and deliverables developed with award funds and published as a U.S. Department of Justice resource will contain the following copyright notice: “This resource was developed under a federal award and may be subject to copyright. XLIV. Comprehensive School Safety Assessments

Applicants who are awarded funding through the COPS Office School Violence Prevention Program must conduct comprehensive school safety assessments for all schools involved in the funded project within the 36-month grant implementation period. It is best to complete the assessments as soon as possible as they can be used as strategic evaluation tools to identify school safety issues and potential resolutions. This condition can be waived for recipients who can demonstrate that comprehensive school safety assessments have already been performed or updated within the previous three years. The COPS Office will be monitoring SVPP grants to ensure recipients comply with this condition. For more information about this condition, please call the COPS Office Grant Program Specialist via the COPS Office Customer Care Center at 800-421-6770.

XLVI. Information Sharing with Law Enforcement

Recipients will be required to ensure that schools within their jurisdiction will share school threat information and data with the appropriate local law enforcement agencies. For more information about this condition, please call the COPS Office Grant Program Specialist via the COPS Office Customer Care Center at 800-421-6770.

XLVII. Coordination with Stakeholders

To ensure that there is coordination with affected partners and stakeholders, the COPS Office will require applicants, as applicable, to provide supplemental letters of support and additional documentation from major partners and stakeholders describing roles and responsibilities in carrying out SVPP funded projects. As such, your award may be subject to a special condition, which may require you to provide additional documentation or Memorandum of Understanding (MOU) that demonstrates the coordination, as applicable.

Application review information

The COPS Office is committed to ensuring a fair and open process for making awards. The COPS Office will review the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. The financial review will be conducted by the COPS Office staff or in collaboration with the narrative review process.

Applications that meet eligibility and basic minimum requirements will be evaluated and ranked by reviewers. Applications will be evaluated according to financial need, security needs, and the proposed project within the narrative attachment. Project Narratives will be reviewed and evaluated based on the following:

- School Safety Planning and Assessment efforts
- Funding Request and Integration
- Management and Implementation Plan
- Sustainability Plan

Successful applications will identify and describe the problem in detail using relevant facts, statistics, or other supporting information as well as provide a budget that is complete, allowable, supports the total cost of the project, and directly relates to and supports the activities described in the proposal.

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the budget detail worksheet and narrative accurately supports and explains project costs. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff.

In addition, prior to making an award greater than the simplified acquisition threshold (currently set at \$250,000), any information about applicants that is in the designated integrity and performance system accessible through SAM will be reviewed and considered. Applicants may review and comment on any information about them in SAM that a federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered. Past performance on previous awards may be an indicator in this review process. Financial and programmatic performance factors may be included in the past performance review.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including underserved populations, population served, geographic diversity, strategic priorities, past performance, and available funding when making awards.

Federal award administration information

Federal award notices

Award notification will be sent electronically. To officially accept and begin your award, your agency must access www.cops.usdoj.gov and select the "Account Access" tab in the upper right corner to log in, review, and electronically sign the award document (including award terms and conditions) and, if applicable, the special award conditions or high risk conditions within 90 days of the date shown on the award congratulatory letter, unless an extension is requested and granted.

Your agency will not be able to draw down award funds until the COPS Office receives your signed award document.

For more information, please contact the COPS Office Customer Care Center at AskCopsRC@usdoj.gov or 800-421-6770.

The award document

The award document is the document indicating your official award funding amount, the award number, the award conditions, and the award start and end dates.

The award document is preprinted with your agency's government executive's name. If this information is incorrect or has changed, please update your "Agency Contacts" online at www.cops.usdoj.gov through the "Account Access" tab. If the government official has changed since the time of application, please have the current government executive for your agency create an account through the "Account Access" tab, log in, and electronically sign the award document once your agency contacts have been updated online. Once you have reviewed your award document, please electronically sign it and make a copy of all pages of the document for your records, along with all award condition pages, within 90 days of the date shown on the award congratulatory letter.

The award start date indicated on the award document means that your agency may be reimbursed for any allowable costs incurred on or after this date. The duration of your SVPP award is 36 months of funding for each award.

Your award number is in the following format: 2020-SVWX-0000 for awards funded in FY 2020. The COPS Office tracks award information based upon this number. Therefore, it is important to have your agency's award number (or your agency's ORI number) readily available when corresponding with the COPS Office.

Your originating agency identifier (ORI) number begins with your state abbreviation followed by five numbers or letters (e.g., VA00000). The COPS Office tracks programmatic award information based upon this ORI number. The COPS Office assigns a nonofficial ORI code to use as an agency identifier (in such cases, the last two characters will be "ZZ"). If you have any questions regarding your award, please refer to your award number or your agency's ORI number when you contact the COPS Office.

The award conditions are listed on your agency's award document, and if applicable, the Award Document Supplement. By accepting this award, you are obtaining federal funds from the COPS Office. As part of that agreement, if awarded, your agency will acknowledge that it will comply with these conditions (and, if applicable, additional special conditions or high risk conditions specific to your agency in the Award Document Supplement).

In limited circumstances, your award may be subject to special conditions or high risk conditions that prevent your agency from drawing down or accessing award funds until the special conditions or high risk conditions are satisfied as determined by the COPS Office. Any special conditions or high risk conditions will be included with your Award Document Supplement.

Administrative and national policy requirements

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with the STOP School Violence Act of 2018, 34 U.S.C. § 10551 et seq., the award terms and conditions, and other legal requirements including, but not limited to, OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

Please see general terms and conditions beginning on page 23.

Suspension or termination of funding

The COPS Office may suspend, in whole or in part, or terminate funding or impose other sanctions on a recipient for the following reasons:

- Failure to substantially comply with the requirements or objectives of the Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018, 34 U.S.C. § 10551 et seq., program guidelines, or other provisions of federal law
- Failure to make satisfactory progress toward the goals or strategies set forth in this application
- Failure to adhere to award agreement requirements or special conditions
- Proposing substantial plan changes to the extent that, if originally submitted, would have resulted in the application not being selected for funding
- Failure to submit required or requested reports
- Filing a false statement or certification in this application or other report or document
- Other good cause shown

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

Awards terminated due to noncompliance with the federal statutes, regulations, or award terms and conditions will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

What an application must include

Detailed explanations of required documents can be found on the following pages.

Required documents and sections for SVPP applications

An applicant should anticipate that failure to submit an application that contains all of the specified elements may negatively affect the review of its application; and, should a decision be made to make an award, such failure may result in the inclusion of award conditions that preclude the recipient from accessing or using award funds until the recipient satisfies the special conditions and the COPS Office makes the funds available. Applicants must comply with any word and field limit requirements described in this Application Guide.

Moreover, applicants should anticipate that an application that the COPS Office determines is nonresponsive to the scope of the solicitation or that the COPS Office determines does not include the application elements that the COPS Office has designated to be critical will neither proceed to narrative review nor receive further consideration. For this solicitation, the COPS Office has designated the following application elements as critical:

- Narrative Attachment (Combined Project Narrative and Budget Narrative - must be submitted as an attachment in section 13)
- Budget Detail Worksheets (section 14)
- Letters of Support

Table 2 shows the required documentation that must be completed and submitted for your application to be considered complete. Failure to submit all required documentation at the time of application may delay processing and/or result in the denial of your application. Unless otherwise noted, each section listed must be completed in its entirety. You can use this chart as an application checklist to ensure you have met all of the necessary requirements.

Section 1. COPS Office program request

Please ensure that the correct program box is checked. If you plan to apply for other COPS Office programs, a separate application must be completed for each COPS Office program for which you are applying. Please ensure that you read, understand, and agree to comply with the applicable terms and conditions as outlined in this application guide before finalizing your selections.

Verify that you are seeing “The program you have selected is: COPS Office School Violence Prevention Program.” If you do not see the correct program, please contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.

Section 2. Agency eligibility information

For this section, check the appropriate box, and choose the appropriate entity from the drop-down menu.

In section 2D, you will be asked several questions about eligibility to apply for an SVPP award. You will be asked whether your application was prepared after consultation with individuals not limited to law enforcement to ensure that improvements funded under the grant are consistent with a comprehensive approach to preventing school violence and individualized to the needs of each impacted school.

Section 3. General agency information

Please provide accurate agency information, as this information is used to identify your agency and may be used along with other data collected to determine funding eligibility.

Applicant ORI number. The ORI number is assigned by the COPS Office and is your agency’s unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county’s code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your award. ORI numbers assigned to agencies by the COPS Office may end in “ZZ.”

Applicant Data Universal Numeric System (DUNS) number. The Federal Government requires that all applicants for federal awards and cooperative agreements, with the exception of individuals other than sole proprietors, have a Data Universal Numbering System (DUNS) number prior to application submission. A DUNS number is a unique nine- or thirteen-digit sequence recognized as the standard identifier for entities receiving federal funds, and provides consistent name and address data for electronic award application systems. A DUNS number may be obtained by telephone at 866-705-7511 or via the Internet at fedgov.dnb.com/webform. For more information about how to obtain a DUNS number, please refer to the “How to Apply” section of this application guide. **If your registered name in DUNS is different from your legal name, please enter the registered name.**

System for Award Management (SAM). The System for Award Management (SAM) database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. The Federal Government requires that all applicants of federal award funds and cooperative agreements—with the exception of individuals other than sole proprietors—be registered in the database prior to application submission. Please contact the SAM Service Desk at 866-606-8220 or view or update your registration information at www.sam.gov. If your SAM registration is set to expire prior to September 30, 2020, please renew your SAM registration prior to completing this application. All applicants are required to maintain current registrations in the SAM database.

Please note that applicants must update or renew their SAM at least once per year to maintain an active status. For more information about how to register with SAM, please refer to the “How to Apply” section of this application guide.

Cognizant federal agency. A cognizant federal agency, generally, is the federal agency from which your jurisdiction receives the most federal funding. Your cognizant federal agency also may have been previously designated by the Office of Management and Budget. Applicants that have never received federal funding should select the “U.S. Department of Justice” as the cognizant federal agency.

Fiscal year. Enter the month, day, and year of the legal applicant’s fiscal year.

Law enforcement agency sworn force information. Not applicable under SVPP.

Civilian staffing. Not applicable under SVPP.

U.S. Department of Justice and other federal funding. Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal awards that support the same or similar activities or services for which award funding is being requested under this application.

Be advised that COPS Office award funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please list all pending applications and active awards your agency has with any other federal funding source (e.g., direct federal funding or indirect federal funding through state subawarded federal funds) that support the same or similar activities or services as being proposed in this COPS Office application.

Section 4. Executive information

Please ensure that information listed is current. If these officials are “Interim” or “Acting” at the time of application, check the appropriate box. Please note that this information will be used for any future correspondence regarding this award application, and ultimately, if funding is awarded, this information will be used for any award notifications.

A. For government agencies

This is the highest ranking government official within your jurisdiction (e.g., superintendent of schools, governor, mayor, municipal administrator, city manager, tribal chairman, or equivalent). If funding is awarded, the person in this position will ultimately be responsible for the financial management of the award. Please note that information for nonexecutive positions (e.g., clerks or trustees) is not acceptable. This section will be prepopulated from the information listed in your COPS Office Agency Portal account. If this information is no longer correct, please log in to your COPS Office Agency Portal account and make the necessary corrections before proceeding with this application.

Note: Listing individuals without ultimate programmatic and financial authority for the award could delay the review of your application, or remove your application from consideration.

Section 5. COPS Office officer request—Not applicable under SVPP

Section 6. Background Information and Need for Improved Security

In Section 6C, all applicants are required provide background information and information evaluating their need for improved school security and financial assistance. Applicants who are awarded funding through SVPP must conduct comprehensive school safety assessments for all schools involved in the funded project, within the 36-month grant implementation period. It is best to complete the assessments as soon as possible as they can be used as strategic evaluation tools to identify school safety issues and potential resolutions. This special condition can be waived for recipients who can demonstrate that comprehensive school safety assessments have already been performed or updated within the previous three years.

Section 7. Need for federal assistance

Section 7A. Explanation of need for federal assistance

In the narrative box and in the accompanying question set, all applicants are required to respond explaining your agency’s inability to implement the strategies of your proposed project without federal funding. Please limit your narrative to 1,000 characters or less. Questions 1–4 will provide information regarding the schools in your jurisdiction as well as your agency’s fiscal health.

Unanticipated Catastrophic Event or Incident: If applicable, please check the box and prepare a written narrative addressing the listed items in the application that supports and documents your unanticipated catastrophic event or incident. This narrative must be uploaded into your application in section 13 of the online application. Please create and upload your narrative in Adobe PDF format.

Section 8. Continuation of project after federal funding ends—Not applicable under SVPP

Section 9. School safety assessment—Not applicable under SVPP

Section 10. Project Abstract

Applicants are required to complete section 10 of the COPS Office Application Attachment to the SF-424 Form. Briefly summarize (in 2,000 characters or less) how your agency intends to use this award, if funded. Though succinct, the abstract should be detailed and structured with key points and information as it may be used to keep Congress or other executive branch agencies informed about SVPP projects.

Section 11. Project narrative (narrative attachment)—See section 13 of this application guide for more information.

Section 12. Official partner(s) contact information

All applicants should complete a partner form for each school or school district to be impacted with this funding.

Section 13. Application attachments

Once completed, all SVPP applicants must attach a **Narrative Attachment** that comprises both the Project Narrative and the Budget Narrative to section 13 using the appropriate title in the drop down menu below.

Letters of support are required from major partners and other significant stakeholders when a proposed project involves coordination with another jurisdiction or agency (city, county, law enforcement agency, school district, etc.). Letters of support should confirm major partners or significant stakeholders planned involvement and support of the project. Letters of support should be separate attachments and do not count towards the narrative page limit.

Sole Source Justification (if applicable), budget justification documentation (pay scales, travel policies, etc.), and documentation justifying consultant rates over \$650 per day if the consultant is hired through a noncompetitive bidding process (if applicable) should also be uploaded in this section.

In order for school safety interventions to be most effective, these measures should be incorporated into broader school safety planning and assessment efforts and be designed to meet the unique individualized needs of each school and challenges of each jurisdiction and each school at which they will be implemented. There are a wide-variety of available resources designed to assist local schools in this strategic planning process. Among other things, comprehensive school safety planning should include the following:

- **Site and risk assessments** that examine the overall safety, accessibility and emergency preparedness of school buildings and grounds and improve jurisdictions understanding of the likelihood of specific threats or hazards For assistance, please see
 - REMS Site Assess App, an application developed by the REMS TA Center to assist agencies in conducting site assessments, which can be found at online app stores. <https://rems.ed.gov/SITEASSESS.aspx>;

- **Coordinated emergency operations plans** that are developed in partnership with first responders (law enforcement, fire officials, and emergency medical services personnel), mental health entities, and community partners. For assistance please see *Guide for Developing High-Quality School Emergency Operations Plans*, https://rems.ed.gov/docs/rems_k-12_guide_508.pdf.
- Specific efforts, programs and policies designed to ensure **positive school climates** including the physical, social, and emotional elements that this entails. For assistance, please see *Department of Education School Climate Surveys (EDSCLS)* <https://safesupportivelearning.ed.gov/edscls>.
- Developing and implementing a specific on-going **threat assessment processes** and procedures. For assistance, please see *Threat Assessment in Schools: A Guide to Managing Threatening Situations and Creating Safe School Climates*, <https://www2.ed.gov/admins/lead/safety/threatassessmentguide.pdf>.
- **Routine training and drills** to ensure that plans are coordinated and effectively implemented. For assistance, please see *FEMA Toolkit Conducting Exercises and Drills*, <https://training.fema.gov/programs/emischool/el361toolkit/conductingexercisedrills.htm>.
- Maintaining effective **ongoing communication, coordination and partnerships** with all of those involved in school safety efforts within a jurisdiction.
- Regular **updating and review** of planning efforts.

In addition, according to a 2016 National Institute of Justice report funded as part of the Comprehensive School Safety Initiative,¹ jurisdictions should consider the following items before acquiring and deploying school safety technology:

- A positive school climate is paramount for learning; technology should not create a prison-like atmosphere or generate additional fears.
- Technology cannot compensate for inherent building design weaknesses.
- Without training, technology can prove ineffective.
- Without the appropriate culture, technology can be circumvented.
- Technology may evolve rapidly (and so does the software that may accompany it); consideration must be given to replacement, maintenance, and repair costs.
- Long-term support for the technology is a key factor.
- Technology selection should focus on addressing a specified problem.

¹ Johns Hopkins University Applied Physics Laboratory, *A Comprehensive Report on School Safety Technology* (Washington, DC: National Institute of Justice, 2016), <https://www.ncjrs.gov/pdffiles1/nij/grants/250274.pdf>.

In addition to these recommendations, all school safety equipment and technology implementation should be compliant with all applicable codes, including the building and life safety codes.

Narrative Attachment Instructions

Your application will be evaluated in part based on your ability to demonstrate that the resources that you have requested will be effectively integrated into other comprehensive school safety planning efforts taking place in your jurisdiction and that any technology will be acquired and deployed in a strategic manner.

Please use section 13 of the COPS Office Online Application System to submit the required narrative attachment that is comprised of the project narrative and budget narrative. **This should be one document/file.** Failure to provide this information may eliminate your application from consideration. The narrative attachment **must include both a project narrative and a budget narrative to be considered eligible.** Documents such as purchase invoices, memoranda, recommendation letters, or email correspondence are not considered to be the requested program and budget information, and will not be used as such by reviewers. Include “Project and Budget Narrative” and include your SVPP ORI number in your attachment’s title.

1. Project Narrative

The project narrative must meet the following requirements:

In cases where the applicant’s project narrative exceeds eight pages, reviewers will be instructed to consider *only the first eight pages of the project narrative* in their evaluation.

Letters of support are required from major partners and other significant stakeholders when a proposed project involves coordination with another jurisdiction or agency (city, county, law enforcement agency, school district, etc.). Letters of support should confirm major partners/significant stakeholders planned involvement and support of the project. Letters of support should be separate attachments and do not count towards the narrative page limit.

The project narrative must respond to the solicitation and include the sections outlined here:

1. School Safety Planning Efforts:

Please discuss the goals and objectives that you hope to achieve through the implementation of these resources. To the extent possible, please highlight the use of evidence-based strategies and programs. All funding requests items should be linked to the project and support one of our authorized purpose areas under the statute, 34 U.S.C. § 10551(b)(5)–(8).

2. Budget Narrative

The budget narrative must (1) describe each item requested or group of similar items requested; and (2) link each item or group of items to the proposed SVPP project. Please provide detailed information explaining how the items requested in the budget detail worksheets will be used in implementing your proposed SVPP project. This description should include the item(s) proposed for purchase, their purpose, and how the item(s) relate to the overall project. **Every item included on the budget detail worksheets must be included in the budget narrative.**

This section is in addition to the budget detail worksheets. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project description. Applicants must submit reasonable budgets based on the resources needed to implement their proposed projects. All items will be reviewed on a case-by-case basis and in context of the allowable and unallowable costs of the program's purpose areas. For more information, please see the "Allowable and Unallowable Costs" section of this application guide. **The budget narrative is a separate requirement of the application and therefore does not count towards the page limit of the project narrative.** At the end of your budget narrative, please be sure to indicate that your agency understands that the local match contribution is at least 25 percent of the *total* project costs.

Please refer to the program-specific requirements to determine if an MOU or other application attachments are required. The guide will also specify if optional attachments are permitted for submission. Please use appropriately descriptive file names (e.g., Narrative Attachment, Letters of Support, Memoranda of Understanding, etc.) for all attachments. Please do not submit executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: .com, .bat, .exe, .vbs, .cfg, .dat, .db, .dbf, .dll, .ini, .log, .ora, .sys, and .zip. The system may reject applications with files that use these extensions.

Section 14. Budget detail worksheets

Instructions for completing the budget detail worksheets

Included within this section are instructions and sample information for completing the budget detail worksheets. If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested. Budget requests must not exceed the three-year award period. The budget detail worksheets request that you provide a specific description for each item and explain how it supports the project goals and objectives outlined in your application. Applicants will be providing this information as part of the budget portion of the narrative attachment and not as part of the budget detail worksheets. Reminder: a separate budget narrative must be included in your application's narrative attachment and uploaded in Section 13.

To ensure proper classification of budget requests, please list items in the proper categories. The COPS Office reserves the right to deny funding for any items that may not be included in the program-specific application guide.

Sections 14B to 14G and the budget summary (14S) of the COPS Office budget detail worksheets are applicable to SVPP. Like items may be grouped together for ease of reporting. Budget requests may be made in the following categories:

- Civilian/Nonsworn personnel and fringe benefits
- Equipment/Technology
- Supplies
- Travel/ Training
- Contracts/Consultants
- Other costs.

Finally, every item included on the budget detail worksheets must be included in the budget narrative portion of the narrative attachment.

All final calculations should be rounded to the nearest whole dollar. Once the budget for your application has been completed, a budget summary page will reflect the total amounts requested in each category, the total project costs, and the federal share and local share amounts.

Sample budget detail worksheets

For your convenience, we have included sample budget detail worksheets as figures 1–10. The following budget detail worksheets are designed to allow all COPS Office award applicants to use the same budget forms to request funding. Please refer to the “Allowable/Unallowable Costs” section of this application guide, because these costs vary widely among programs.

If you need assistance in completing the budget detail worksheets, please call the COPS Office Customer Care at 800-421-6770.

Civilian/Nonsworn personnel

Salaries of civilian personnel are costs based on the percentage of time spent (FTE) working directly on the project. The total salary percentage should be comparable and consistent with organizational policy. The total amount paid is comparable to industry standards and the type of work being performed.

Equipment/Technology

Necessary equipment must be specifically purchased to implement or enhance the proposed project. Equipment is tangible, nonexpendable personal property, including exempt property, having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Applicants may use its own capitalization policy for classification of equipment and supplies, but only where it is less than the Federal policy threshold of \$5,000. If your organization does not have a capitalization policy in place, you must use the Federal policy amount of \$5,000.

Figure 2. Sample budget detail worksheets: Equipment and technology

C. EQUIPMENT/TECHNOLOGY

No Equipment/Technology Requested

Instructions: List non-expendable items that are to be purchased. Provide a specific description for each item in the description boxes below and explain how the item supports the project goals and objectives as outlined in your application. Non-expendable equipment is tangible property (e.g., technology) having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Expendable items should be included either in the "SUPPLIES" or "OTHER" categories. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "CONTRACTS / CONSULTANTS" category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made.

For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, wherever feasible, such voice or data communications equipment should be incorporated into an intra- or interjurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.

See <http://www.cops.usdoj.gov/Default.asp?item=46> for a list of allowable/unallowable costs for this program. Agencies are encouraged to limit their requests to the lines shown below and group similar items together so that all items are accounted for on the budget worksheet for each category. Supplies differ from equipment in that they are consumable, expendable, and of a relatively low unit cost, defined as less than \$5,000 per unit. Such costs may include paper, printer ink, pens, pencils, laptops, etc. Applicants may use its own capitalization policy for classification of equipment and supplies, but only where it is less than the Federal policy threshold of \$5,000. If your organization does not have a capitalization policy in place, you must use the Federal policy amount of \$5,000.

Travel/Training

Travel costs include the costs of transportation, lodging, meals, temporary dependent care, and incidental expenses incurred by personnel while on official business, such as attendance at an award-related meeting or conference when travel is further than 50 miles from the program location. Travel and subsistence estimates are based on the contemplated number of trips, places to be visited, length of stay, transportation costs, subsistence allowances, and the recipient’s own travel policies. When charging travel costs to federal awards, award recipients must adhere to their internal travel policy.

If a recipient does not have a written travel policy, it must adhere to the Federal Travel Regulations (FTR). For information on the FTR and U.S. Government General Service Administration (GSA) per diem rates by geographic area, please visit <https://www.gsa.gov/travel/plan-book/per-diem-rates>. For all applicants (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

Figure 4. Sample budget detail worksheets: Travel and training

E. Travel/Training

No Travel/Training Requested

Instructions: Itemize grant-related travel expenses of grantee personnel (excluding consultants, whose expenses are listed in Section F) by event (e.g., mandatory training, staff to training, field interviews, advisory group meetings). Identify the location of travel whenever possible, and show the number of staff expected to attend each event. Training fees, transportation, lodging and per diem rates for trainees should be listed as separate travel items. Grantee travel costs specific to the grant project may be based on the grantee's written travel policy, assuming the costs are reasonable. Grantees without a written travel policy must follow the established federal rates (found at <http://www.cops.usdoj.gov/Default.aspx?Item=46>) for lodging, meals, and per diem. For all grantees (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

See <http://www.cops.usdoj.gov/Default.aspx?Item=46> for a list of allowable/unallowable costs for this program. Contracts/Consultants

Contracts include goods or services that directly contribute to the implementation or enhancement of the project. The applicant should distinguish clearly between subawards and contracts in allocating any funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of obtaining goods and services for the recipient’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317- 200.326, and the issuance of subawards must meet the requirements of 2 C.F.R. § 200.331.

Any recipient of an award will be responsible for monitoring subawards and contracts in accordance with all applicable statutes, regulations, and guidelines. Primary recipients will be responsible for oversight of subrecipient/partner spending and monitoring specific performance measures and outcomes attributable to the use of COPS Office funds.

All sole-source procurements of goods and services (those not awarded competitively) in excess of \$250,000 require prior approval from the COPS Office. Please see https://cops.usdoj.gov/pdf/2020AwardDocs/Sole_Source_Justification_FactSheet.pdf for the Sole Source Justification fact sheet.

Appendix E. 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

NOTE: The National Defense Authorization Act for fiscal year 2018 (NDAA), Public Law 115–91, Division A, Title VIII, Section 805, raised the simplified acquisition threshold to \$250,000 for all recipients. The OMB Memorandum M-18-18 entitled Implementing Statutory Changes to the Micro-purchase and the Simplified Acquisition Threshold for Financial Assistance granted an exception for recipients to use the higher simplified acquisition threshold of \$250,000 effective as of June 20, 2018, in advance of revisions to the Uniform Guidance.

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See §200.322 Procurement of recovered materials.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. It does not include audits, site visits, corrective plans, or inspection of deliverables.

(1) In general.--An employee of a contractor, subcontractor, grantee, or subgrantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in paragraph (2) information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.

(2) Persons and bodies covered.--The persons and bodies described in this paragraph are the persons and bodies as follows:

(A) A Member of Congress or a representative of a committee of Congress.

(E) An authorized official of the Department of Justice or other law enforcement agency.

(F) A court or grand jury.

(3) Rules of construction.--For the purposes of paragraph (1)--

(A) an employee who initiates or provides evidence of contractor, subcontractor, or grantee misconduct in any judicial or administrative proceeding relating to waste, fraud, or abuse on a Federal contract or grant shall be deemed to have made a disclosure covered by such paragraph; and

(B) a reprisal described in paragraph (1) is prohibited even if it is undertaken at the request of an executive branch official, unless the request takes the form of a non-discretionary directive and is within the authority of the executive branch official making the request.

(b) Investigation of complaints.--

(1) Submission of complaint.--A person who believes that the person has been subjected to a reprisal prohibited by subsection (a) may submit a complaint to the Inspector General of the executive agency involved. Unless the Inspector General determines that the complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding

initiated by the complainant, the Inspector General shall investigate the complaint and, upon completion of such investigation, submit a report of the findings of the investigation to the person, the contractor or grantee concerned, and the head of the agency.

(2) Inspector General action.--

(A) Determination or submission of report on findings.--Except as provided under subparagraph (B), the Inspector General shall make a determination that a complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant or submit a report under paragraph (1) within 180 days after receiving the complaint.

(B) Extension of time.--If the Inspector General is unable to complete an investigation in time to submit a report within the 180-day period specified in subparagraph (A) and the person submitting the complaint agrees to an extension of time, the Inspector General shall submit a report under paragraph (1) within such additional period of time, up to 180 days, as shall be agreed upon between the Inspector General and the person submitting the complaint.

(3) Prohibition on disclosure.--The Inspector General may not respond to any inquiry or disclose any information from or about any person alleging the reprisal, except to the extent that such response or disclosure is--

(A) made with the consent of the person alleging the reprisal;

(B) made in accordance with the provisions of **section 552a of title 5** or as required by any other applicable Federal law; or

(C) necessary to conduct an investigation of the alleged reprisal.

(4) Time limitation.--A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.

(c) Remedy and enforcement authority.--

(1) In general.--Not later than 30 days after receiving an Inspector General report pursuant to subsection (b), the head of the executive agency concerned shall determine whether there is sufficient basis to conclude that the contractor or grantee concerned has subjected the complainant to a reprisal prohibited by subsection (a) and shall either issue an order denying relief or shall take one or more of the following actions:

(A) Order the contractor or grantee to take affirmative action to abate the reprisal.

(B) Order the contractor or grantee to reinstate the person to the position that the person held before the reprisal, together with compensatory damages (including back pay), employment benefits, and other terms and conditions of employment that would apply to the person in that position if the reprisal had not been taken.

(C) Order the contractor or grantee to pay the complainant an amount equal to the aggregate amount of all costs and expenses (including attorneys' fees and expert witnesses' fees) that were reasonably incurred by the complainant for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the executive agency.

(2) Exhaustion of remedies.--If the head of an executive agency issues an order denying relief under paragraph (1) or has not issued an order within 210 days after the submission of a complaint under subsection (b), or in the case of an extension of time under paragraph (b)(2)(B), not later than 30 days after the expiration of the extension of time, and there is no showing that such delay is due to the bad faith of the complainant, the complainant shall be deemed to have exhausted all administrative remedies with respect to the complaint, and the complainant may bring a de novo action at law or equity against the contractor or grantee to seek compensatory damages and other relief available under this section in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy. Such an action shall, at the request of either party to the action, be tried by the court with a jury. An action under this paragraph may not be brought more than two years after the date on which remedies are deemed to have been exhausted.

(3) Admissibility of evidence.--An Inspector General determination and an agency head order denying relief under paragraph (2) shall be admissible in evidence in any de novo action at law or equity brought pursuant to this subsection.

(4) Enforcement of orders.--Whenever a person fails to comply with an order issued under paragraph (1), the head of the executive agency concerned shall file an action for enforcement of such order in the United States district court for a district in which the reprisal was found to have occurred. In any action brought under this paragraph, the court may grant appropriate relief, including injunctive relief, compensatory and exemplary damages, and attorney fees and costs. The person upon whose behalf an order was issued may also file such an action or join in an action filed by the head of the executive agency.

(5) Judicial review.--Any person adversely affected or aggrieved by an order issued under paragraph (1) may obtain review of the order's conformance with this subsection, and any regulations issued to carry out this section, in the United States court of appeals for a circuit in which the reprisal is alleged in the order to have occurred. No petition seeking such review may be filed more than 60 days after issuance of the order by the head of the executive agency. Review shall conform to chapter 7 of title 5. Filing such an appeal shall not act to stay the enforcement of the order of the head of an executive agency, unless a stay is specifically entered by the court.

(6) Burdens of proof.--The legal burdens of proof specified in **section 1221(e) of title 5** shall be controlling for the purposes of any investigation conducted by an Inspector General, decision by the head of an executive agency, or judicial or administrative proceeding to determine whether discrimination prohibited under this section has occurred.

(7) Rights and remedies not waivable.--The rights and remedies provided for in this section may not be waived by any agreement, policy, form, or condition of employment.

(d) Notification of employees.--The head of each executive agency shall ensure that contractors, subcontractors, and grantees of the agency inform their employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.

(e) Construction.--Nothing in this section may be construed to authorize the discharge of, demotion of, or discrimination against an employee for a disclosure other than a disclosure protected by subsection (a) or to modify or derogate from a right or remedy otherwise available to the employee.

(f) Exceptions.--

(1) This section shall not apply to any element of the intelligence community, as defined in section 3(4) of the National Security Act of 1947 (**50 U.S.C. 401a(4)**).

(2) This section shall not apply to any disclosure made by an employee of a contractor, subcontractor, or grantee of an element of the intelligence community if such disclosure--

(A) relates to an activity of an element of the intelligence community; or

(B) was discovered during contract, subcontract, or grantee services provided to an element of the intelligence community.

(g) Definitions.--In this section:

(2) The term “Inspector General” means an Inspector General appointed under the Inspector General Act of 1978 and any Inspector General that receives funding from, or has oversight over contracts or grants awarded for or on behalf of, the executive agency concerned.

(h) Construction.--Nothing in this section, or the amendments made by this section, shall be construed to provide any rights to disclose classified information not otherwise provided by law.

Appendix H. Intergovernmental review process, points of contact by state

Executive Order 12372 requires applicants from state and local units of government or other organizations or individuals providing service within a state to submit a copy of the application to the state single point of contact (SPOC), if one exists and if this program has been selected for review by the state. Before the application due date, you must contact your state SPOC to find out if this program has been selected for review and comply with the state's process under Executive Order 12372. The Catalog of Federal Domestic Assistance reference for this program is number 16.710, "Public Safety and Community Policing Grants."

A current list of state SPOCs is listed at <https://www.archives.gov/federal-register/codification/executive-order/12372.html>. States that are not listed have chosen not to participate in the intergovernmental review process and therefore do not have an SPOC.

About the COPS Office

The **Office of Community Oriented Policing Services (COPS Office)** is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation's state, local, territorial, and tribal law enforcement agencies through information and grant resources.

Community policing begins with a commitment to building trust and mutual respect between police and communities. It supports public safety by encouraging all stakeholders to work together to address our nation's crime challenges. When police and communities collaborate, they more effectively address underlying issues, change negative behavioral patterns, and allocate resources.

Rather than simply responding to crime, community policing focuses on preventing it through strategic problem-solving approaches based on collaboration. The COPS Office awards grants to hire community policing officers and support the development and testing of innovative policing strategies. COPS Office funding also provides training and technical assistance to community members and local government leaders, as well as all levels of law enforcement.

Since 1994, the COPS Office has invested more than \$14 billion to add community policing officers to the nation's streets, enhance crime fighting technology, support crime prevention initiatives, and provide training and technical assistance to help advance community policing. Other achievements include the following:

- To date, the COPS Office has funded the hiring of approximately 130,000 additional officers by more than 13,000 of the nation's 18,000 law enforcement agencies in both small and large jurisdictions.
- Nearly 700,000 law enforcement personnel, community members, and government leaders have been trained through COPS Office-funded training organizations.
- To date, the COPS Office has distributed more than eight million topic-specific publications, training curricula, white papers, and resource CDs and flash drives.
- The COPS Office also sponsors conferences, roundtables, and other forums focused on issues critical to law enforcement.

COPS Office information resources, covering a wide range of community policing topics such as school and campus safety, violent crime, and officer safety and wellness, can be downloaded via the COPS Office's home page, www.cops.usdoj.gov. This website is also the grant application portal, providing access to online application forms.
