Program Description

Overview of the COPS Office

The **Office of Community Oriented Policing Services (COPS Office)** is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation's state, local, territorial, and tribal law enforcement agencies through information and grant resources. The COPS Office has invested more than \$14 billion to advance community policing, including grants awarded to more than 13,000 state, local and tribal law enforcement agencies to fund the hiring and redeployment of more than 134,000 officers. COPS Office information resources, covering a wide range of community policing topics such as school and campus safety, violent crime, and officer safety and wellness, can be downloaded via the COPS Office's home page, www.cops.usdoj.gov. For more information about the COPS Office please see "Other Information".

Statutory Authority

This program is authorized under the Omnibus Crime Control and Safe Streets Act of 1968 as amended by the Violent Crime Control and Law Enforcement Act of 1994, Title I, Part Q, Public Law 103-322, 34 U.S.C. § 10381 et seq.

The Attorney General shall use amounts otherwise appropriated to make competitive grants to State law enforcement agencies in States with high per capita rates of primary treatment admissions, for the purpose of locating or investigating illicit activities, through statewide collaboration, relating to the distribution of heroin, fentanyl, or carfentanil or relating to the unlawful distribution of prescription opioids.

Program Description

The AHTF program advances public safety by making competitive grants to State law enforcement agencies in States with high per capita rates of primary treatment admissions, for the purpose of locating or investigating illicit activities, through Statewide collaboration, relating to the distribution of heroin, fentanyl, or carfentanil, or relating to the unlawful distribution of prescription opioids. The goal of the AHTF program is to increase the capacity of law enforcement agencies at the state level to address heroin and opioid abuse through improving investigations and establishing and enhancing multijurisdictional task forces. By providing funding for additional law enforcement, civilian, and task force personnel, training, and equipment, the program seeks to increase the number of hours devoted to statewide task forces, increase the number and variety of agencies participating in task forces, and enhance the analytical capability of task forces. Anticipated outcomes of AHTF awards include: increased collaboration with federal agencies; increased analytical reporting; increased information sharing among participating agencies; increased number and efficiency of investigations; increased percentage of investigations resulting in arrests, referrals, prosecutions, and ultimately convictions; increased knowledge and use of community policing principles; increased number of drug-endangered children identified; and increased number of and size of drug seizures.

This is a competitive, discretionary program.

The Department of Justice is committed to advancing work that promotes civil rights, increases access to justice, supports crime victims, protects the public from crime and evolving threats, and builds trust between law enforcement and the community. Law enforcement plays a vital role in each of these areas, through developing and maintaining meaningful relationships with all segments of their communities, and working in partnership with those communities to provide effective crime prevention, intervention, and response services and resources. For all Fiscal Year 2021 COPS Office grant solicitations, applicants should consider these priorities when applying for COPS Office funding to advance community policing, and address these strategic planning priorities within their applications as applicable.

Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. This is a competitive solicitation. The COPS Office may elect to fund applications submitted under the FY 2021 AHTF solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and on the availability of funding.

Award Period and Amounts

The COPS Office anticipates making an estimated 15 AHTF awards to successful applicants, totaling approximately \$35 million. The maximum award amount is \$4,000,000. There is no local match (cost share) requirement; federal funds will cover 100 percent of program costs up to \$4,000,000 per award.

The award period of performance is three years (36 months). No-cost extensions of time (not additional funding) must be submitted prior to the end of grant period of performance and will be considered on a case-by-case basis.

Eligibility Information

Eligible Applicants

AHTF will be open to applications from state law enforcement agencies with multijurisdictional reach and an interdisciplinary team (e.g. task force) structures. The agencies must have primary law enforcement authority over state seizures of heroin and other opioids.

To advance Executive Order 13929 Safe Policing for Safe Communities, as of October 28, 2020, the Attorney General determined that all state, local, and university or college law enforcement agencies must be certified by an approved independent credentialing body or have started the certification process to be allocated FY 2021 DOJ discretionary grant funding, as either a recipient or a subrecipient. For detailed information on this new certification requirement, please visit <https://cops.usdoj.gov/SafePolicingEO>.

Cost Share (local match)

Cost share is not required.

Application and Submission Information

Address to Request Application Package

The complete application package (this solicitation, including links to additional documents) is available on Grants.gov and on the COPS website <https://cops.usdoj.gov/>

General Information

Completing an application under this program is a two-step process. Applicants must first register via www.grants.gov and complete an SF-424, the government-wide standard application form for federal assistance and the SF-LLL Lobbying Certification Form. The remainder of the application will be completed through the JustGrants System <https://justicegrants.usdoj.gov/>.

See How to Apply and Submission Date and Time below.

Applicants are strongly recommended to register immediately on www.grants.gov. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through JustGrants. For technical assistance with submitting the SF-424, call Grants.gov Customer Service Hotline at 800-518-4726, email support@grants.gov, or consult the Grants.gov Applicant User Guide at <https://www.grants.gov/help/html/help/index.htm>.

Failure to submit all required documentation at the time of the application may delay processing and/or result in the denial of your application. Unless otherwise noted, each section listed must be completed in its entirety.

For any attachments, please use appropriately descriptive file names (e.g., Program Narrative, Budget Narrative, Memoranda of Understanding, etc.). See instructions on JustGrants for information on allowable file types for uploading (e.g., .pdf, .doc).

Content and form of application

This application in JustGrants consists of a series of questions, a proposal narrative section, and a budget worksheet and budget narrative. Below is a summary of the questions that applicants will be required to complete. Applicants are encouraged to read through the online application questions in advance to ensure sufficient time to prepare answers to the questions.

- Agency Eligibility: See Eligibility section to ensure that your agency meets eligibility requirements.
- Law Enforcement and Community Policing Strategy: COPS Office funding must be used to reorient the mission and activities of law enforcement agencies toward the community or enhance their involvement in community policing. Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as nonviolent crime, violent crime, and fear of crime.

AHTF program applicants must indicate:

1. the level of community support for implementing the proposed award;
 2. the impact the proposed award will have on the jurisdiction; and
 3. whether the applicant's plans comply with the requirement to share information with the U.S. Department of Justice Organized Crime Drug Enforcement Task Force (OCDETF) Fusion Center.
- Need for Federal Assistance: All applicants are required to explain their inability to address the needs identified in this application without federal assistance. Applicants will answer a series of questions about their service population and about the fiscal health of their area, including operating budget, poverty and unemployment rates, and other indicators of fiscal health.

Information to Complete the Application for Federal Assistance (SF-424)

The applicant's SF-424 must be submitted online via www.grants.gov using the information provided on that site.

Note: Intergovernmental Review (SF-424 Question 19): This solicitation is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of Single Points of Contact (SPOC) under Intergovernmental Review: <https://www.whitehouse.gov/wp-content/uploads/2020/04/SPOC-4-13-20.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state's process under E.O. 12372. In completing the SF-424, such an applicant is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: "Program is subject to E.O. 12372 but has not been selected by the state for review."

Disclosure of Lobbying Activities (SF-LLL)

Applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

Standard Applicant Information (JustGrants 424 and General Agency Information)

Applicants must complete this web-based form in JustGrants, which is pre-populated with the SF-424 data submitted in Grants.gov. Applicants are required to confirm the two Authorized Representatives, verify the legal name and address, and enter the ZIP code(s) for the areas affected by the project.

In order for applicant to complete this section, the two Authorized Representatives – the Law Enforcement Executive and the Government Executive, must have established accounts in JustGrants after the Grants.gov portion of the application is submitted.

The Law Enforcement Executive is the highest ranking official in the jurisdiction (Director of Public Safety, etc.) and must be assigned the role: "Authorized Representative 1" in JustGrants.

The Government Executive is the highest ranking government official in the jurisdiction (secretary, attorney general, etc.) and must be assigned the role "Authorized Representative 2" in JustGrants.

Proposal Abstract

The Proposal Abstract is entered into a text box in JustGrants. Briefly summarize (no more than 2,000 characters) the proposed project, including names of applicant and partners, project title, purpose of the project (including goal, intended outcome and impact on public safety or crime prevention in your community), primary activities for which funds are requested, and who will benefit (including geographic area to be served).

This information will not be scored but may be used to keep Congress or other executive branch agencies informed about AHTF projects.

Proposal Narrative

The proposal narrative will address problem identification, current investigative activities, task force involvement, collaboration efforts, proposed project goals and objectives, project implementation plan, program outcomes, and primary treatment

admissions data for the last three years. The proposal narrative will also address how your agency will coordinate with community groups and with federal, state, local, and tribal law enforcement agencies to maximize the impact and effectiveness of the project; and how your agency will make use of any existing intelligence sharing resources within your jurisdiction including Fusion Centers, Regional Information Sharing Systems (RISS), etc.

Applicants are not required to submit supporting documentation at the time of application. However, applicants must maintain copies of the records used in this award submission for future review in the event of a site visit, audit, or other request. Data used must be data that was recorded in official records.

Failure to submit all required documentation in the correct format at the time of application may: delay processing; negatively affect application review; result in award conditions to restrict funding until conditions are satisfied; or result in the denial of your application.

Proposal Narrative Requirements

The proposal narrative must be uploaded to the "Proposal Narrative Section" of the application and should meet the following formatting requirements:

- Double-spaced, 12 point font, with page numbers and uploaded as a PDF.
- Headings and subheadings that correspond to the sections identified in this section of the solicitation.

The proposal narrative should be no fewer than two pages and must not exceed eight pages. Table of contents and cover pages will not count toward the overall page limit. Executive summaries, abstracts, timelines, graphs, and charts will count toward overall page limit. Appendices are strongly discouraged. In cases where the applicant's proposal narrative exceeds eight pages, reviewers may consider only the first eight pages of the proposal narrative in their evaluation.

The proposal narrative must respond to the solicitation and include the following sections:

1. Heroin and Other Opioids Problem Identification:

Using the most current and accurate information available, describe your jurisdiction's heroin, fentanyl, or carfentanil, or unlawful distribution of prescription opioids threat(s) that will be addressed with this grant and provide relevant facts, statistics, or other supporting information that documents the public safety need and the nature, prevalence, and severity of the problem (including rates of primary treatment admissions for heroin, fentanyl, carfentanil, and other opioids). A comprehensive narrative (illustrated with charts, graphs, tables, or other visual tools) should be developed that accurately and concisely describes: a) the extent of the threat; b) the significance of prescription drug diversion in the jurisdiction (identifying the most frequently diverted substance); c) the relative significance of pharmacy burglaries and robberies, doctor shopping, pill mills, prescription fraud, internet sales, etc.; and d) explain if the jurisdiction is a source of prescription drugs for other parts of the country.

2. Current Anti-Heroin Investigative Activities:

Describe your jurisdiction's current investigative activities used to locate or investigate illicit activities relating to the distribution of heroin, fentanyl, or carfentanil, or the unlawful distribution of prescription opioids.

3. Anti-Heroin Task Force Structure:

State whether your agency **currently participates** in an anti-heroin and other opioids task force. If so, please describe the following:

- a. task force name, structure, responsibilities, populations and jurisdictions served;
- b. number of agencies that participate in the task force, include the total number of full-time equivalents (FTE) sworn and civilian, assigned to the task force;
- c. your agency's role in the task force, include the specific contributions that your agency provides to the task force, and the number of FTEs (sworn and civilian) that your agency has allocated to the task force);
- d. coordination and consultation efforts with community groups and appropriate private and public agencies;
- e. include any additional information that will assist us in understanding your agency's participation in the task force.

If your agency **does not currently participate** in an anti-heroin and other opioids task force, describe the following:

- a. proposed task force name, structure, responsibilities, and the populations and jurisdictions to be served;
- b. proposed number of agencies that will participate in the task force, include the total number of FTEs (sworn and civilian) that will be assigned to the task force;
- c. your agency's and partner agencies' proposed roles in the task force, include the specific contributions that will be provided and the number of FTEs (sworn and civilian) that will be allocated to the task force;

- d. coordination and consultation efforts with community groups and appropriate private and public agencies;
- e. include any additional information that will assist us in understanding your proposed plan to develop a task force and your agency's proposed participation in the task force.

4. High Intensity Drug Trafficking Area (HIDTA) Threat Assessment

Provide a summary of your jurisdiction's HIDTA threat assessment with regard to heroin, fentanyl, carfentanil, and other opioids.

5. Proposed AHTF Project

Describe your agency's proposed AHTF project by responding to the following:

- a. Identify the long-term strategy and the goals that your agency is ultimately trying to accomplish through federal assistance and how the proposed project would fit into an overall effort to address the distribution of heroin, fentanyl, or carfentanil, or unlawful distribution of prescription opioids.
- b. How will funding, if awarded, be used to enhance your agency's current anti-heroin and other opioids investigative activities?
- c. How will your agency ensure effective implementation of the project? Include a brief timeline with a list of key activities and milestones to take place within the life of the grant funding period. Activities may be grouped by month, quarter, or other format at the applicant's discretion.
- d. How does your agency plan to determine the effectiveness of the project in meeting the program goals identified in question 5a? What strategies will be developed for measuring outcomes or progress towards program goals and objectives? List the outcomes and explain how they will be tracked, measured, and utilized.
- e. What plans does the agency have for obtaining necessary support to continue the proposed project or activity after the grant funding.
- f. How will your agency employ a multidisciplinary approach to combatting your jurisdiction's heroin and other opioids threat? Describe how funds will be used to reorient your agency's mission toward community-oriented policing or enhance its involvement in or commitment to community-oriented policing. Include a description of consultation with community groups and collaborative efforts with the public health community on prevention, data-sharing, treatment, and recovery efforts. Include the current or proposed disciplines and/or entities involved and the extent/level of their engagement.
- g. How will your agency coordinate with federal, state, local, and tribal law enforcement agencies and community groups to maximize the impact and effectiveness of the project? Identify related governmental and community initiatives which complement or will be coordinated with the proposal. How will your agency coordinate with the U.S. Attorney's Office in your state? How will your agency coordinate and work with local and tribal law enforcement agencies in areas impacted by project? How will your agency coordinate with other federal law enforcement partners such as the Federal Bureau of Investigation (FBI) or Drug Enforcement Administration (DEA) to assist tribal law enforcement agencies?
- h. How will your agency make use of existing intelligence sharing resources within your jurisdiction including Fusion Centers, Regional Information Sharing Systems (RISS), etc.?

Please do not submit any confidential data or reports with your application.

Budget and Associated Documentation

Applicants must complete the web-based budget worksheet form in JustGrants along with a narrative entry for each cost category.

Budget Worksheets and Budget Narrative Form

Budget requests must not exceed the three-year award period, and the total federal funds requested may not exceed the program cap of \$4,000,000. **The COPS Office reserves the right to deny funding for items not considered reasonable, allocable, and allowable, even if not specified on the funding restriction lists below.**

The COPS Office statutory nonsupplanting requirement mandates that AHTF funds be used to supplement (increase) the recipient's budget and may not supplant (replace) state, local, or Bureau of Indian Affairs (BIA) funds that a recipient would otherwise have spent on sworn officer positions in the absence of the AHTF award.

Recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

See below for non-exhaustive list of allowable and unallowable costs, as well as guidance for completing each budget category. Only direct costs will be covered; indirect costs are not allowable under this program.

Budget Narratives

The budget narrative for each cost category must (1) describe each item requested or group of similar items requested; and (2) link each item or group of items to implementation of the proposed AHTF project. **Every item included on the web-based budget worksheet must be described in the budget narrative.** Failure to provide this information may eliminate your application from consideration. All items will be reviewed on a case-by-case basis to determine reasonableness and allowability in the context of the allowable and unallowable costs of the program's purpose areas.

Budget Worksheet and Budget Narrative (Web-based Form)

Allowable Costs: Fundable requests

Personnel: Sworn officer position salaries

Sworn officer salary applies to new, full-time, sworn career law enforcement officers not already funded in the applicant's local budget. A "career law enforcement officer" is a person hired on a permanent basis who is authorized by law or by a state, local, or tribal agency to engage in or oversee the prevention, detection, and/or investigation of violations of criminal laws. Officers must be hired on or after the award start date, and positions must directly relate to the AHTF project. Officers previously employed by your agency may be re-hired using AHTF award funds. If current personnel are redeployed into this program, they must be paid with local funds. COPS Office award funds may be used to backfill the resulting vacancy with newly hired personnel for an equivalent amount of time.

When completing the budget worksheet, report your agency's current salary and benefits and identify the total salary and benefits request per officer position for the length of the award term. List the current base salary and fringe benefits rounded to the nearest whole dollar for one full-time sworn officer position within your agency.

Personnel: Civilian/Non-sworn personnel salaries

Civilian salary and fringe benefits apply to new personnel not already funded in the applicant's local budget. Staff must be hired on or after the award start date and positions must directly relate to the AHTF project. Examples of allowable personnel and fringe benefits costs include those for civilian AHTF project coordinators or anti-heroin/drug problem analysts. Salaries of personnel are costs based on the percentage of time spent working directly on the project. Salaries should be comparable to industry standards and the type of work being performed, and consistent in amount and percentage with organizational policy.

Fringe Benefits: for sworn and civilian/non-sworn positions

Fringe benefits typically covered by the applicant organization, as specified in the personnel and salary policies of that organization or any contractual agreements, and allowable under 2 CFR 200, will be covered. Examples of allowable fringe benefits include Social Security, Medicare, insurance (life, health, dental, etc), shift differential, retirement plans, and holiday pay. Severance pay, hazard pay, and training and equipment fringe benefits are not allowed.

List only your agency's contribution of fringe benefits; do not include employee contributions. If sick leave and/or vacation leave costs are already reflected in the base salary figure DO NOT also list these costs under fringe benefits.

Overtime for sworn officers and civilians engaging in AHTF-related activities is an allowable cost; however, any overtime expenses requested for sworn and civilian positions must be listed in the "Other Costs" section of your application's budget. Overtime expenses must exceed the expenditures that your agency is obligated or funded to pay in its current budget.

Equipment/Technology

Equipment is defined as tangible, nonexpendable personal property, including exempt property, having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Equipment and/or technology costs shall provide agencies with the ability to purchase new or enhance existing equipment exclusively related to heroin investigations. All items requested must be clearly linked to the enhancement or implementation of the AHTF project. See Application Resource Guide for information on the prohibition on purchasing covered telecommunications and video surveillance services or equipment for grants.

Supplies

Supplies include any materials valued at under \$5,000 per unit that are expended or consumed during the course of the AHTF project. Such costs may include training manuals, laptops, paper, printer ink, pens, postage, etc.

Travel/Training

Travel/training costs include award-related travel costs for the recipient or other (non-recipient) individuals to attend AHTF-related training and technical assistance conferences, seminars, or classes or to visit a site specified in the application. Expenses for ground and air transportation and parking fees, lodging including hotel tax and fees, meals, incidental expenses (if travel is more than 50 miles from the program location), conference registration, and temporary dependent care costs will be considered. Travel and subsistence estimates are based on the contemplated number of trips, places to be visited, length of stay, transportation costs, subsistence allowances, and the recipient's own travel policies. When charging travel costs to federal awards, award recipients must adhere to their internal travel policy.

If a recipient does not have a written travel policy, it must adhere to the Federal Travel Regulations (FTR).

For information on the FTR and U.S. Government General Service Administration (GSA) per diem rates by geographic area, please visit www.gsa.gov/portal/content/104790.

Contracts/Consultants

Consultant expenses and contracts include goods or services that directly contribute to the implementation or enhancement of the project. The use of a consultant should be more economical than direct employment. Contract/consultant costs may include costs to provide one-time training to staff for equipment operation/usage and contracting/consulting services that provide such things as needs analysis, installation, and testing.

Compensation for individual consultant services procured under a COPS Office award must be reasonable and allocable in accordance with OMB cost principles, and consistent with that paid for similar services in the marketplace. Unless otherwise approved by the COPS Office, consultant rates are based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day.

For consultant or contractor rates that exceed \$650 per day, the COPS Office requires written justification and recipients must receive COPS Office approval of those rates before drawing down funds. Determinations will be made on a case-by-case basis.

Other costs

Other costs may include such items as software and prepaid warranties or maintenance agreements (not to exceed 36 months), overtime costs for sworn officers and civilians engaging in AHTF-related investigative activities, or other miscellaneous items that have a direct correlation to the overall success of a recipient's project objectives and are necessary for the project to reach full implementation. Include all overtime costs in this section.

Sworn officer and civilian overtime costs may include the following fringe benefits only: FICA, worker's compensation, and unemployment compensation – all other fringe benefits are unallowable for overtime costs.

Unallowable Costs: Requests will NOT be funded

The items listed in this section are generally considered unallowable and are rarely approved by the COPS Office. Before including any of these items in your budget and application, please contact the COPS Office at 800-421-6770 or by email at askCOPSRC@usdoj.gov.

This is not an exhaustive list, and items not listed below will be reviewed on a case-by-case basis. The COPS Office reserves the right to deny funding for items that may not be included on this list. Agencies are expected to request items that show a direct link between the requested item and the applicant's AHTF project. All requests must contribute directly to the specific purpose of the award project and relate to the parameters stipulated in the appropriations language enacted for FY 2021.

This program will not provide funding for any positions or items that are funded in the applicant agency's budget with other sources of funding (state, local, or BIA). You may apply only for otherwise unfunded positions or items to supplement your agency's law enforcement budget.

Requests for reimbursement of items purchased or expenses incurred prior to the award start date (pre-award costs) will not be funded.

Personnel

- Salaries and benefits of existing employees
- Salaries and benefits of award writers or other staff who do not directly contribute to the implementation of the program
- Salaries and benefits for personnel engaged in prosecution
- Equipment/Technology
- Armored vehicles
- Bulletproof vests and accessories
- Bunker shield(s)
- Communications towers
- Construction and renovation costs
- Handcuffs, weapons, and ammunition (including training ammunition)
- Prisoner transport vehicles
- Radar guns/equipment

- Trinkets and other conference takeaways
- Unmanned aircraft systems (also commonly referred to as unmanned aerial vehicles or “drones”)
- Weaponized aircraft and vessels and weaponized vehicles of any kind

Travel/Training

- Local travel costs (lodging, meals, per diem, or transportation costs) within a 50-mile radius of the program location, including mileage reimbursement, rental cars, parking fees, and/or taxi fare for local travel
- Meals and/or refreshment costs associated with meetings

Contracts/Consultants

- Consultant fees in excess of \$650 per day must receive prior written approval from the COPS Office
- Maintenance and/or service contracts that extend the life of the award period (multiyear contracts and extended warranties are allowable but must be paid in full within the initial award period)

Supplies and other costs

- Animals
- Education and awareness campaigns
- Indirect costs
- Overtime fringe benefits for personnel except for FICA, worker’s compensation, and unemployment compensation
- Funding for buy-back and/or confidential informant purposes
- Naloxone
- Subawards
- Treatment programs

Non-competitive Justification

See the Application Resource Guide for information on sole source procurements. Upload required request to the application section titled “Non- Competitive Justification” if sole source information is available at time of application.

Consultant Rate

Prior approval is required for consultant or contractor rates that exceed \$650 per day. If known at the time of application, upload justification to the application section titled “Consultant Rate”. If not known at the time of applications, note that recipients must request and receive COPS Office approval of those rates before drawing down funds. Determinations will be made on a case-by-case basis.

Disclosures and Assurances

Review, complete and submit all disclosures, assurances, and certifications as described below. See the Application Resource Guide for the full text of the assurances and certifications. An application may not be funded or, if awarded, a hold may be placed on this application if it is deemed that the applicant is not in compliance with federal civil rights laws, is not cooperating with an ongoing federal civil rights investigation, or is not cooperating with a U.S. Department of Justice award review or audit.

Applicants must certify whether or not their agency will use COPS Office funds (if awarded) to operate an interjurisdictional criminal intelligence system. If yes, the applicant assures the COPS Office that it will comply with the requirements of 28 C.F.R. Part 23.

Disclosure of Lobbying Activities

Applicants must complete the SF-LLL Disclosure of Lobbying Activities in Grants.gov prior to beginning the application process in JustGrants.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants. Text of the Standard Assurances is available in the Application Resource Guide.

Applicant Disclosure of Duplication in Cost Items

Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal awards that support the same or similar activities or services for which award funding is being requested under this application. As a general rule, COPS Office award funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate.

To aid the COPS Office in the prevention of awarding potentially duplicative funding, the applicant must indicate whether your agency has a pending application and/or an active award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state subawarded federal funds) that supports the same or similar activities or services as being proposed in this COPS Office application.

Instructions: if applicable, upload to the application section titled "Memorandum of Understanding and other Supporting Documents" information in table form summarizing current or proposed non-COPS Office awards that support the same or similar activities. Include:

- Name of Federal Awarding Agency, or State Agency for Subawarded Federal Funding
- Award Number
- Program Name
- Award Start and End Dates
- Award Amount
- Description of how this project differs from the application for COPS Office funding

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants. Text of these certifications is available in the Application Resource Guide.

How to Apply

Applications must be submitted electronically through Grants.gov and JustGrants. See Submission Dates and Times below for a list of steps for registering with all required systems and deadlines for completing each step.

Unique Entity Identifier and System for Award Management (SAM)

Federal regulations require that an applicant for federal funding: (1) be registered in SAM before submitting its application; (2) provide a valid unique entity identifier in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. The COPS Office may not make an award to an applicant until the applicant has complied with all applicable unique entity identifier and SAM requirements and, if an applicant has not fully complied with these requirements by the time the COPS Office is ready to make an award, then the COPS office may determine that the applicant is not qualified to receive an award. See 2 C.F.R. §§ 25.200, 25.205 and the Award Terms and Conditions for further information.

The unique entity identifier that applicants for federal grants and cooperative agreements are required to have is a Data Universal Number System (DUNS) number. A DUNS number is a unique, nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS number should be available within two business days.

SAM centralizes information about grant recipients and provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic submission of grant applications.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited. The COPS Office strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes.

To ensure all applicants are able to apply by the deadline for this solicitation, applicants should obtain a DUNS number and registered online with the SAM and with Grants.gov well in advance of the JustGrants deadline below.

Submission Dates and Time

All completed applications must be submitted in Grants.gov by June 3, and in JustGrants by June 10.

After applicants obtain their DUNS number and register with SAM, they can begin the Grants.gov registration process. The applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with Grants.gov. The E-Biz POC oversees the applicant's Grants.gov transactions and assigns the Authorized Representative. The Authorized Representative submits the application to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for the applicant. Complete instructions can be found at www.Grants.gov.

In JustGrants, each applying entity will have an assigned Entity Administrator who is responsible for managing entity-level information and assigning roles in the system. The Entity Administrator is also the E-Biz POC designated in SAM.gov. For more information on registering with JustGrants, see <https://justicegrants.usdoj.gov/>.

It is the applicant's responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the list below to ensure that all required steps and deadlines are met. Failure to begin registration or application submission by the deadlines stated in the list below is not an acceptable reason for late submission.

Applicant Actions with Required Dates/Deadlines

1. Obtain a DUNS number. Apply for a DUNS number at <https://www.dnb.com> or call 1-866-705-5711.
2. Register with SAM. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/SAM> and follow the online instructions for new SAM users. If the applicant already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Organizations must update or renew their SAM registration at least once a year to maintain an active status.
3. Register with Grants.gov. Once the SAM registration is active, the applicant will be able to complete the Grants.gov registration.
4. Download updated version of Adobe Acrobat before the Grants.gov deadline. Applicants are responsible for ensuring that the most up-to-date version of Adobe Acrobat is installed on all computers that may be used to download the solicitation and to submit the SF-424 and SF-LLL on Grants.gov. To verify that the Adobe software version is compatible with Grants.gov, visit the following link: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.
5. Begin application submission process in Grants.gov as early as possible, but no later than 24 – 48 hours prior to the Grants.gov deadline. Applicants may find this funding opportunity on Grants.gov by using the CFDA number, Grants.gov opportunity number, or the title of this solicitation, all of which can be found on the cover page. Applicants will submit two forms in Grants.gov (SF-424 and SF-LLL).
6. The Grants.gov Workspace Status will change from "In Progress" to "Submitted" once the application has been successfully submitted in Grants.gov. Within 48 hours after submitting the application in Grants.gov, the applicant should receive four notifications from Grants.gov (i.e., submission receipt, validation receipt, grantor agency retrieval receipt, and agency tracking number assignment). (Note: It is possible to first receive a message indicating that the application is received, and then receive a rejection notice a few minutes or hours later.)
7. Within 24 hours AFTER receiving a confirmation email from Grants.gov, the Application Submitter will receive an email from JustGrants with instructions to complete the rest of the application in JustGrants. If the applicant is a new user in JustGrants, the email will include instructions on registering with JustGrants.

Upon receipt of this email, register with JustGrants (if necessary), invite additional users including Authorized Representatives, and begin to develop the application. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component and to submit the complete application package at least 24 – 48 hours prior to the deadline. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

8. Confirm application receipt: Applicants should closely monitor their email and JustGrants accounts for any notifications from Grants.gov or JustGrants about a possible failed submission. The user who is authorized to submit applications on behalf of the organization is the one who will receive these notifications. The COPS Office does not send out these notifications, nor does the COPS Office receive a copy of these notifications. It is the applicant's responsibility to notify the COPS Office of any problems with the application submission process. Submitting the application components at least 48 hours the deadline will enable the applicant to receive notice of a failed submission and provide an opportunity to correct the error before the applicable deadline.

Late Submissions: The COPS Office will review on a case-by-case basis requests for late submission due to unforeseen technical issues or extraordinary events such as extreme weather emergencies or mass casualty events. Applicants must provide notice prior to the close of the solicitation in Grants.gov. If the Grants.gov portion was submitted on time, notification must be made prior to the close of the solicitation in JustGrants. No late submission requests will be considered once the application closes.

Extension of deadlines is rare and is not guaranteed. To be considered for an extension, applicants must contact the COPS Office Response Center at 800-421-6770 to create a record of the issue, or send an email to AskCopsRC@usdoj.gov. The subject line should read "FY21 AHTF Extraordinary Circumstances: DUNS number, Agency Name, Application ID"; with your DUNS number and organization name included in the subject line. The message should include the nature of the disaster/issue and how it affected the applicant's ability to submit an application on time.

The COPS Office will respond to each applicant as soon as possible with an approval and instructions for submission, or a rejection. If the technical issues you reported cannot be validated, the application will be rejected.

The following conditions are *not* valid reasons to request an extension: (1) failure to begin the registration process in sufficient time; (2) failure to follow instructions on Grants.gov or JustGrants; (3) failure to follow all of the instructions in the CHP solicitation; (4) failure to register or update information on the SAM website; and (5) failure to register or complete SF-424 in grants.gov.

Application Review Information

The COPS Office is committed to ensuring a fair and open merit review process. Applications that meet eligibility and basic minimum requirements will be subject to a merit review and ranking process. The merit review will consist of both a programmatic and financial review, and will be conducted by COPS Office staff or in collaboration with other subject matter experts. The review will also assess whether costs are reasonable, necessary, allowable, and allocable under applicable federal cost principles, agency regulations, and the program.

Review Process

Applications will be evaluated and ranked according to financial need, primary treatment admissions data, and the proposed project within the narrative attachment. Only states with high per capita rates of primary treatment admissions will be funded. Additional consideration will be given to agencies participating in anti-heroin task forces with multijurisdictional reach and interdisciplinary team structures.

Proposal narratives will be reviewed and evaluated based on the following:

- Heroin and other opioids problem identification
- Current anti-heroin investigative activities
- Heroin and other opioids task force participation
- Collaboration, partnerships, and multi-disciplinary efforts
- Proposed strategies

Successful applications will identify and describe the problem in detail using relevant facts, statistics, or other supporting information as well as provide a budget that is complete, allowable, supports the total cost of the project, and directly relates to and supports the activities described in the proposal.

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the budget detail worksheet supports and explains project costs. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff.

In addition, prior to making an award greater than the simplified acquisition threshold (currently set at \$250,000), any information about applicants that is in the designated integrity and performance system accessible through SAM will be reviewed and considered. Applicants may review and comment on any information about them in SAM that a Federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

Past performance on previous awards may be in an indicator in this review process. Financial and programmatic performance factors may be included in the past performance review.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including, but not limited to, underserved populations, population served, geographic diversity, strategic priorities, past performance, risk, and available funding when making awards.

Federal Award Administration Information

Federal Award Notices

Award notification will be sent electronically from JustGrants. This award notification will include instruction on enrolling in Automated Standard Application for Payments (ASAP) and accepting the award. Recipients will be required to log into JustGrants to review, sign, and accept the award. The notice of award will contain details about the award including start and

end dates, funding amounts, and the award conditions. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants before you will be able to draw down funds or begin the program. By accepting the award and the COPS Office funding, your agency acknowledges that it will comply with these conditions and, if applicable, additional special conditions specific to your agency.

In limited circumstances, your award may be subject to special conditions that prevent your agency from drawing down or accessing award funds until the special conditions are satisfied as determined by the COPS Office. Any special conditions will be included with your award.

All applicants will be notified of funding decisions by September 30, 2021.

Administrative and National Policy Requirements

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with award terms and conditions, and other legal requirements including, but not limited to, OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

The COPS Office strongly encourages you to review applicable requirements and terms and conditions prior to submitting an application.

Terms and conditions for COPS Office awards are available here in the Application Resource Guide. Terms and conditions are subject to change before the award is issued.

Additional requirements which apply to this application and award, including audit requirements, suspension and termination requirements, are available in the Application Resource Guide.

Monitoring, Evaluation and Reporting Requirements

Law enforcement agencies receiving federal funding from the COPS Office will be monitored to ensure compliance with their award conditions and other applicable statutes and regulations, and track progress towards achieving the goal of advancement of community policing. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three- years after the submission of the final expenditure report.

Evaluation: Though a formal assessment is not required, awarded agencies are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping departments identify areas in need of improvement, providing data of successful processes and reducing vulnerabilities. Note that award funding cannot be used to for evaluations.

Reporting Requirements: If awarded, recipients will be required to submit quarterly financial and semi-annual progress reports.

Financial reporting: Recipients will be required to electronically submit a quarterly Federal Financial Report (FFR) using the SF-425 form by the 30th day following the end of each calendar quarter, and a final report is due 120 days following the award end date. Recipients who do not submit SF-425 reports by the due date will be unable to drawdown funds.

Progress reporting: Recipients will be required to electronically submit semi-annual progress reports, and a final progress report will be due 120 days following the award end date.

Public Reporting Burden- Paper Work Reduction Act Notice

The public reporting burden for this collection of information is estimated to be up to 11.3 hours per response, depending upon the COPS Office program being applied for, which includes time for reviewing instructions. Send comments regarding this burden estimate or any other aspects of the collection of this information, including suggestions for reducing this burden, to the

Office of Community Oriented Policing Services, U.S. Department of Justice, 145 N Street NE, Washington, DC 20530; and to the Public Use Reports Project, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

You are not required to respond to this collection of information unless it displays a valid OMB control number. The OMB control number for this application is 1103-0098, and the expiration date is 04/31/2021.

Performance Measures

To assist in fulfilling the U.S. Department of Justice’s (DOJ) responsibilities under the Government Performance and Results Modernization Act (GPRAMA) of 2010, P.L. 111-352, recipients who receive funding from the Federal Government must measure the results of work that funding supports. GPRAMA specifically requires the COPS Office and other federal agencies to set program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

Performance measures for AHTF will include:

Objective	Performance measures	Data recipient provides
Increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement’s capacity to prevent, solve, and control crime through funding for personnel, technology, equipment, and training.	Extent to which COPS Office award funding (e.g., personnel, equipment, training, etc.) has increased your agency’s community policing capacity?	Periodic progress reports providing an overview of how the AHTF award assisted with heroin and other opioid investigations
Extent to which COPS Office knowledge resources (e.g., publications, podcasts, training, etc.) have increased your agency’s community policing capacity?	Recipients will rate the effectiveness of the COPS Office funding in increasing community policing capacity. Data will be collected on a periodic basis through recipient progress reports.	

As part of the programmatic progress report, AHTF recipients will be required to report on their progress toward implementing community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to AHTF to better meet the program’s objective and law enforcement agency needs. For more information on community policing, please go to the COPS Office website at <https://cops.usdoj.gov/resources#cptopics>.

LAW ENFORCEMENT AND COMMUNITY POLICING STRATEGY

Instructions for Community Policing Definition Framework:

The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving.

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem solving techniques to proactively address the immediate conditions that give rise to public safety issues, such as crime, social disorder, and fear of crime.

The COPS Office has completed the development of a comprehensive community policing self-assessment tool for use by law enforcement agencies. Based on this work, we have developed the following list of primary sub elements of community policing. Please refer to the COPS Office web site (<https://cops.usdoj.gov>) for further information regarding these sub elements.

Community Partnerships:

Collaborative partnerships between the law enforcement agency and the individuals and organizations they serve to both develop solutions to problems and increase trust in police.

Problem Solving:

The process of engaging in the proactive and systematic examination of identified problems to develop effective responses that are rigorously evaluated.

- Scanning: Identifying and prioritizing problems
- Analysis: Analyzing problems
- Response: Responding to problems
- Assessment: Assessing problem-solving initiatives
- Focus: Using the Crime Triangle to focus on immediate conditions (Victim/Offender/Location)
