As shown in Table 1, award requirements may apply to some or all programs. In the following sections, the requirement applies to all programs (CHP, SVPP, AHTF, and CAMP awards) unless otherwise indicated.

I. & II. Assurances and Certifications (also refer to U.S. Department of Justice Certified Standard Assurances and U.S. Department of Justice Certifications Regarding Lobbying, Debarment, Suspension and Other Responsibility Matters, Drug-Free Workplace, and Law Enforcement and Community Policing Requirements in the appendices of this application resource).

Applicants to COPS Office programs are required to accept the standard Assurances and Certifications forms in JustGrants. Accepting these documents assures the COPS Office that you have read and understood and that you accept the requirements as outlined in the Assurances and Certifications. Please read these documents carefully, as acceptance of these documents are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to make an award.

## III. Disclosure of Lobbying Activities

This disclosure form shall be completed by the reporting entity, whether subrecipient or prime federal recipient, at the initiation or receipt of a covered federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. § 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or

an employee of a member of Congress in connection with a covered federal action. Complete all items that apply for both the initial filing and material change reports. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

If this applies to your agency, you are required to complete the disclosure form when initiating the application in grants.gov. If you need to complete and submit additional forms, please complete and submit them as attachments to your application online.

Please be advised that all recipients and subrecipients must comply with the provisions of 2 C.F.R. § 200.450, as appropriate, regarding unallowable costs under the Federal award associated with lobbying or influencing activities. Additional restrictions in 2 C.F.R. § 200.450(c) are applicable to nonprofit organizations and institutions of higher education.

## IV. Supplementing, Not Supplanting – Not applicable under SVPP

The COPS Office nonsupplanting requirement mandates that award funds not be used to replace state or local funds (or, for tribal recipients, BIA funds) that would, in the absence of federal assistance, be made available for award purposes (hiring, training, purchases, and/or other activities). Instead, award funds must be used to increase the total amount of funds that would otherwise be made available for award purposes. 34 U.S.C. § 10384 (a).

An award recipient may not use COPS Office funds to pay for any item or cost associated with this funding request that the recipient is already obligated to pay. Nonfederal funds allocated to pay for award purposes (hiring, training, purchases, and/or other activities), may not be reallocated to other purposes or refunded should COPS Office funding be awarded. Nonfederal funds must remain available for and devoted to that purpose, with COPS Office funds supplementing those nonfederal funds. Funding awarded cannot be obligated until after the award start date (unless an exception is authorized in writing by the COPS Office). This means that COPS Office funds cannot be applied to any agency cost incurred prior to the award start date.

The possibility of supplanting will be the subject of careful application review, possible pre-award review, and post-award monitoring and audit. Any supplanting of nonfederal funds by COPS Office award funds may be grounds for potential suspension.

If you have questions concerning the nonsupplanting requirement while completing this application, please contact the COPS Office Response Center at 800-421-6770 or **AskCopsRC@usdoj.gov** for further information.

## V. Procurement and Sole Source Justification – Not applicable under CHP

In general, recipients will be required to procure funded items through open and free competition when feasible. For the purchase of equipment, technology, or services under a COPS Office award, recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in the uniform administrative requirements (2 C.F.R. §§ 200.318 – 200.327). Consistent with the uniform administrative requirements that prohibit procurement practices that restrict competition, recipients and subrecipients may not discriminate against any person or entity on the basis of a person or entity's status as an "associate of the Federal Government" (or on the basis of a person or entity's status as a parent, affiliate, or subsidiary of an associate of the Federal Government). The term "associate of the Federal Government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the Federal Government as an employee, contractor, subcontractor, award recipient, subrecipient, agent, or otherwise. Sole source procurement, or procurement by noncompetitive proposals, is procurement

through solicitation of a proposal from only one source. Sole source procurements must adhere to the standards set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.320(c).

For the purchase of equipment, technology, or services under a COPS Office award, recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in 2 C.F.R. § 200.318(a).

Recipients may conduct noncompetitive proposals (or "sole source" procurement) by procurement through solicitation from only one source when one or more of the following circumstances apply:

- 1. The acquisition of property or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold.
- 2. The item or service is available only from one source.
- 3. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
- 4. Competition is determined inadequate after solicitation of a number of sources.
- 5. The COPS Office expressly authorizes noncompetitive proposals in response to a written request from the law enforcement entity.

The award recipient must seek written authorization from the COPS Office for sole source procurements in excess of \$250,000. Written approval for sole source procurements from the COPS Office must be received prior to purchasing equipment, technology, or services; obligating funding for a contract; or entering into a contract with award funds.

Requests for sole source procurements of equipment, technology, or services in excess of \$250,000 must be submitted to the COPS Office in writing certifying that the award of the contract through full and open competition is infeasible. The sole source procurement request must be signed and submitted on department letterhead.

The request should also include the following information:

**Section I** – A brief description of the project, the amount to be designated for the sole source procurement, and the purpose of the contract.

**Section II** – A statement identifying which one (or more) of the circumstances identified below apply to the procurement transaction and an explanation as to why it is necessary to contract in a noncompetitive manner. Include supporting information as identified below under the applicable section(s).

- 1. The item or service is available only from one source.
- Uniqueness of items or services to be procured from the proposed contractor or vendor (compatibility, patent issues, etc.)
- How the agency determined that the item or service is only available from one source (market survey results, independent agency research, patented or proprietary system, etc.)
- Explanation of need for contractor's expertise linked to the current project (knowledge of project management, responsiveness, experience of contractor personnel, prior work on earlier phases of project, etc.)
- Any additional information that would support the case

- 2. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
- When the contractual coverage is required by your organization and why
- Impact on project if deadline dates are not met
- How long it would take an alternate contractor to reach the same required level of competence (equate to dollar amounts, if desired)
- Any additional information that would support the case
- 3. Competition is determined inadequate after solicitation of a number of sources.
- Results of a market survey to determine competition availability; if no survey is conducted, please explain why not
- Any additional information that would support the case

**Section III** – A budget breakdown for the contract.

**Section IV** – A declaration that this action or choice is in the best interest of the agency.

Upon receipt of the request for sole source authorization, the COPS Office will review to determine if competition is infeasible, and your organization will be contacted if any of the identified information is missing or if additional supporting information is required. If the COPS Office determines that the request does not meet the standards set forth above, the request will be denied.

Please be advised that conflicts of interest are prohibited under the procurement standards set forth in 2 C.F.R. § 200.318(c).

If you have any questions regarding the federal requirements that guide procurement procedures, please contact the COPS Office Response Center at **AskCopsRC@usdoj.gov** or 800-421-6770.

# VI. Criminal Intelligence Systems/28 C.F.R. Part 23 compliance – Not Applicable under CHP

If your agency is receiving COPS Office funding for equipment or technology that will be used to operate an interjurisdictional criminal intelligence system, you must agree to comply with the operating principles found at 28 C.F.R. Part 23. An "interjurisdictional criminal intelligence system" is generally defined as a system that receives, stores, analyzes, exchanges, or disseminates data regarding ongoing criminal activities (such activities may include, but are not limited to, loan sharking, drug or stolen property trafficking, gambling, extortion, smuggling, bribery, and public corruption) and shares this data with other law enforcement jurisdictions. 28 C.F.R. Part 23 contains operating principles for these interjurisdictional criminal information systems which protect individual privacy and constitutional rights.

If you are simply using the COPS Office funds to operate a single agency database (or other unrelated forms of technology) and will not share criminal intelligence data with other jurisdictions, 28 C.F.R. Part 23 does not apply to this award.

## VII. System for Award Management (SAM) and Universal Identifier Requirements

Unless exempted from this requirement under 2 C.F.R. § 25.110, the recipients must maintain the currency of their information in the SAM until submission of the final financial report required under this award or receipt of the final payment, whichever is later. This requires recipients to review and update the information at least annually after the initial registration and more frequently if required by changes in information or other award term.

## VIII. Federal Funding Accountability and Transparency Act (FFATA) — Reporting Subaward and Executive Compensation Information

The Federal Funding Accountability and Transparency Act of 2006 (FFATA) requires, among other things, that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is **www.USASpending.gov.** 

Applicants should note that all recipients of awards of \$30,000 or more under this solicitation, consistent with FFATA, will be required to report award information on any first-tier subawards totaling \$30,000 or more and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. If applicable, the FFATA Subaward Reporting System (FSRS), accessible via the Internet at <a href="www.fsrs.gov">www.fsrs.gov</a>, is the reporting tool recipients under this solicitation will use to capture and report subaward information and any executive compensation data required by FFATA.

The subaward information entered in FSRS will then be displayed on <u>www.USASpending.gov</u>, associated with the prime award, furthering federal spending transparency.

Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the applicable reporting requirements should it receive funding.

To review the FFATA Reporting Subaward and Executive Compensation Award Term, please see the appendices of this application resource.

Recipients agree to report certain civil, criminal, or administrative proceedings in SAM if they received an award with the Term and Condition for Recipient Integrity and Performance Matters as outlined in 2 C.F.R. For federal awards in excess of \$250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office. The COPS Office will not approve any modification request that results in an increase of federal funds.

## Appendix C. 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

- (A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- (C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
- (D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- (E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis

of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- (F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

## Appendix D. 2 C. F. R. Part 200, Appendix XII to Part 200—Award Term and Condition for Recipient Integrity and Performance Matters

### A. Reporting of Matters Related to Recipient Integrity and Performance

#### 1. General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

#### 2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five-year period; and
- c. Is one of the following:
- (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
- (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
- (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
- (4) Any other criminal, civil, or administrative proceeding if:
- (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
- (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
- (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

### 3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

#### 4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

#### 5. Definitions

For purposes of this award term and condition:

- a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (*e.g.*, Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

#### (a) Prohibition of reprisals .--

- (1) In general.—An employee of a contractor, subcontractor, grantee, or subgrantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in paragraph (2) information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.
- (2) Persons and bodies covered.--The persons and bodies described in this paragraph are the persons and bodies as follows:
- (A) A Member of Congress or a representative of a committee of Congress.

- (3) Rules of construction.--For the purposes of paragraph (1)--
- (A) an employee who initiates or provides evidence of contractor, subcontractor, or grantee misconduct in any judicial or administrative proceeding relating to waste, fraud, or abuse on a Federal contract or grant shall be deemed to have made a disclosure covered by such paragraph; and
- (B) a reprisal described in paragraph (1) is prohibited even if it is undertaken at the request of an executive branch official, unless the request takes the form of a non-discretionary directive and is within the authority of the executive branch official making the request.
- (b) Investigation of complaints.--
- (1) Submission of complaint.--A person who believes that the person has been subjected to a reprisal prohibited by subsection (a) may submit a complaint to the Inspector General of the executive agency involved. Unless the Inspector General determines that the complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant, the Inspector General shall investigate the complaint and, upon completion of such investigation, submit a report of the findings of the investigation to the person, the contractor or grantee concerned, and the head of the agency.

- (2) Inspector General action.--
- (A) Determination or submission of report on findings.--Except as provided under subparagraph (B), the Inspector General shall make a determination that a complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant or submit a report under paragraph (1) within 180 days after receiving the complaint.
- **(B) Extension of time.**—If the Inspector General is unable to complete an investigation in time to submit a report within the 180-day period specified in subparagraph (A) and the person submitting the complaint agrees to an extension of time, the Inspector General shall submit a report under paragraph (1) within such additional period of time, up to 180 days, as shall be agreed upon between the Inspector General and the person submitting the complaint.
- **(3) Prohibition on disclosure.**—The Inspector General may not respond to any inquiry or disclose any information from or about any person alleging the reprisal, except to the extent that such response or disclosure is—
- (A) made with the consent of the person alleging the reprisal;
- (B) made in accordance with the provisions of section 552a of title 5 or as required by any other applicable Federal law; or
- **(C)** necessary to conduct an investigation of the alleged reprisal.
- **(4) Time limitation.**--A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
- (c) Remedy and enforcement authority.--
- (1) In general.--Not later than 30 days after receiving an Inspector General report pursuant to subsection (b), the head of the executive agency concerned shall determine whether there is sufficient basis to conclude that the contractor or grantee concerned has subjected the complainant to a reprisal prohibited by subsection (a) and shall either issue an order denying relief or shall take one or more of the following actions:
- (A) Order the contractor or grantee to take affirmative action to abate the reprisal.
- **(B)** Order the contractor or grantee to reinstate the person to the position that the person held before the reprisal, together with compensatory damages (including back pay), employment benefits, and other terms and conditions of employment that would apply to the person in that position if the reprisal had not been taken.
- **(C)** Order the contractor or grantee to pay the complainant an amount equal to the aggregate amount of all costs and expenses (including attorneys' fees and expert witnesses' fees) that were reasonably incurred by the complainant for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the executive agency.
- (2) Exhaustion of remedies.--If the head of an executive agency issues an order denying relief under paragraph (1) or has not issued an order within 210 days after the submission of a complaint under subsection (b), or in the case of an extension of time under paragraph (b)(2)(B), not later than 30 days after the expiration of the extension of time, and there is no showing that such delay is due to the bad faith of the complainant, the complainant shall be deemed to have exhausted all administrative remedies with respect to the complaint, and the complainant may bring a de novo action at law or equity against the contractor or grantee to seek compensatory damages and other relief available under this section in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy. Such an action shall, at the request of either party to the action, be tried by the court with a jury. An action under this paragraph may not be brought more than two years after the date on which remedies are deemed to have been exhausted.

- (3) Admissibility of evidence.—An Inspector General determination and an agency head order denying relief under paragraph (2) shall be admissible in evidence in any de novo action at law or equity brought pursuant to this subsection.
- (4) Enforcement of orders.--Whenever a person fails to comply with an order issued under paragraph (1), the head of the executive agency concerned shall file an action for enforcement of such order in the United States district court for a district in which the reprisal was found to have occurred. In any action brought under this paragraph, the court may grant appropriate relief, including injunctive relief, compensatory and exemplary damages, and attorney fees and costs. The person upon whose behalf an order was issued may also file such an action or join in an action filed by the head of the executive agency.
- (5) Judicial review.--Any person adversely affected or aggrieved by an order issued under paragraph (1) may obtain review of the order's conformance with this subsection, and any regulations issued to carry out this section, in the United States court of appeals for a circuit in which the reprisal is alleged in the order to have occurred. No petition seeking such review may be filed more than 60 days after issuance of the order by the head of the executive agency. Review shall conform to chapter 7 of title 5. Filing such an appeal shall not act to stay the enforcement of the order of the head of an executive agency, unless a stay is specifically entered by the court.
- **(6) Burdens of proof.**--The legal burdens of proof specified in <u>section 1221(e) of title 5</u> shall be controlling for the purposes of any investigation conducted by an Inspector General, decision by the head of an executive agency, or judicial or administrative proceeding to determine whether discrimination prohibited under this section has occurred.
- (7) Rights and remedies not waivable.--The rights and remedies provided for in this section may not be waived by any agreement, policy, form, or condition of employment.
- (d) Notification of employees.--The head of each executive agency shall ensure that contractors, subcontractors, and grantees of the agency inform their employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.
- **(e) Construction.**--Nothing in this section may be construed to authorize the discharge of, demotion of, or discrimination against an employee for a disclosure other than a disclosure protected by subsection (a) or to modify or derogate from a right or remedy otherwise available to the employee.
- (f) Exceptions.--(1) This section shall not apply to any element of the intelligence community, as defined in section 3(4) of the National Security Act of 1947 (50 U.S.C. 401a(4)).
- (2) This section shall not apply to any disclosure made by an employee of a contractor, subcontractor, or grantee of an element of the intelligence community if such disclosure--
- (A) relates to an activity of an element of the intelligence community; or

- (g) Definitions.--In this section:

- (2) The term "Inspector General" means an Inspector General appointed under the Inspector General Act of 1978 and any Inspector General that receives funding from, or has oversight over contracts or grants awarded for or on behalf of, the executive agency concerned.

- **(h) Construction.**--Nothing in this section, or the amendments made by this section, shall be construed to provide any rights to disclose classified information not otherwise provided by law.

### Appendix F. Intergovernmental Review Process, Points of Contact by State

Executive Order 12372 requires applicants from state and local units of government or other organizations or individuals providing service within a state to submit a copy of the application to the state single point of contact (SPOC), if one exists and if this program has been selected for review by the state. Before the application due date, you must contact your state SPOC to find out if this program has been selected for review and comply with the state's process under Executive Order 12372. The Catalog of Federal Domestic Assistance reference for this program is number 16.710, "Public Safety and Community Policing Grants."

A current list of state SPOCs is available at <a href="https://www.whitehouse.gov/omb/office-federal-financial-management/">https://www.whitehouse.gov/omb/office-federal-financial-management/</a>. States that are not listed have chosen not to participate in the intergovernmental review process and therefore do not have an SPOC.

## Appendix I. Determination of Suitability for Youth-Centered Awards Condition

By signing the Award Document to accept this award, the recipient agrees to comply with the following Special Award Condition.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

- 1. Advance determination regarding suitability. The recipient (and any subrecipient at any tier) may not permit any covered individual to interact with any participating minor in the course of activities under the award, unless the recipient or subrecipient first has made a written determination of the suitability of that individual to interact with participating minors, based on current and appropriate information as described in paragraph 3.E., and taking into account the factors and considerations described in paragraph 4.
- 2. Updates and reexaminations
- A. The recipient (or subrecipient) must, at least every five years, update the searches described in paragraph 3.E.1. and 2., reexamine the covered individual's suitability determination in light of those search results, and, if appropriate, modify or withdraw that determination.
- B. The recipient also must reexamine a covered individual's suitability determination upon learning of information that reasonably may suggest unsuitability and, if appropriate, modify or withdraw that determination.
- 3. Definitions
- A. "Covered individual" means any individual (other than a participating minor, as defined in this condition, or a client of the recipient (or subrecipient)) who is expected, or reasonably likely, to interact with any participating minor (other than the individual's own minor children). A covered individual need not have any particular employment status or legal relationship with the recipient (or subrecipient). Such an individual might be an employee of a recipient (or subrecipient), but also might be (for example) a consultant, contractor, employee of a contractor, trainee, volunteer, or teacher.

- B. "Participating minor." All individuals under 18 years of age within the set of individuals described in the scope section of this condition as it appears on the award document are participating minors.
- C. "Interaction" includes physical contact, oral and written communication, and the transmission of images and sound, and may be in person or by electronic (or similar) means. But "interaction" does not include--
- (1) brief contact that is both unexpected by the recipient (or subrecipient) and unintentional on the part of the covered individual -- such as might occur when a postal carrier delivers mail to an administrative office.
- (2) personally-accompanied contact -- that is, infrequent or occasional contact (for example, by someone who comes to make a presentation) in the presence of an accompanying adult, pursuant to written policies and procedures of the recipient (or subrecipient) that are designed to ensure that -- throughout the contact -- an appropriate adult who has been determined to be suitable pursuant to this condition will closely and personally accompany, and remain continuously within view and earshot of, the covered individual.
- D. "Activities under the award." Whether paid for with federal funds from the award, "matching" funds included in the COPS Office-approved budget for the award, or "program income" for the award as defined by the (DOJ) Part 200 Uniform Requirements), activities under the award include both --
- (1) activities carried out under the award by the recipient (or subrecipient); and
- (2) actions taken by an entity or individual pursuant to a procurement contract under the award or to a procurement contract under a subaward at any tier.
- E. "Current and appropriate information"

In addition to information resulting from checks or screening required by applicable federal, state, tribal, or local law, and/or by the recipient's (or subrecipient's) written policies and procedures, current and appropriate information includes the results of all required searches listed below, each of which must be completed no earlier than six months before the determination regarding suitability.

(1) Public sex offender and child abuse websites/registries

A search (by current name, and, if applicable, by previous name(s) or aliases), of the pertinent and reasonably-accessible federal, state, and (if applicable) local and tribal sex offender and child abuse websites/public registries, including--

- (a) the Dru Sjodin National Sex Offender Public Website (www.nsopw.gov);
- (b) the website/public registry for each state (and/or tribe, if applicable) in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and
- (c) the website/public registry for each state (and/or tribe, if applicable) in which the individual is expected to, or reasonably likely to, interact with a participating minor in the course of activities under the award.

(2) Criminal history registries and similar repositories of criminal history records
