## Purpose

The purpose of this guide is to assist recipients of grant awards from the U.S. Department of Justice's Office of Community Oriented Policing Services (COPS Office) with the reporting and accounting of their financial expenditures. This guide provides essential information for facilitating the completion and submission of the mandatory quarterly Federal Financial Report (FFR) on Standard Form 425 (SF-425).

## I. What is the Federal Financial Report (SF-425)?

The Office of Management and Budget (OMB) merged previous financial reporting methods into one comprehensive financial reporting form to give recipients of grants and cooperative agreements a standard format for reporting the financial status of their awards. The OMB combined the Financial Status Report (FSR, or SF-269/SF-269A) and the Federal Cash Transactions Report (FCTR, or SF-272) into one Federal Financial Report (FFR, or SF-425). In so doing, the OMB stated that the new form, the SF-425, went into effect with the first quarter reporting period of FY 2010.

Recipients of federal funds under COPS Office programs (awardees) are required to submit quarterly Federal Financial Reports (SF-425). The SF-425 is a standard form that awardees must use to report cumulative expenses (calculated by adding all expenses from the beginning of the award to date) incurred under each award number. These expenses can be categorized as cash disbursed or as incurred but not yet paid (accounts payable). When a recipient share is required, expenses incurred are further divided into federal share and recipient share (local matching contributions). An awardee should refer to the award documentation to review federal and recipient share information.

## II. When and How to Submit the SF-425

### Ongoing reporting

Upon project or award inception, awardees are required to submit one SF-425 per quarter for each award number. Awardees who do not submit SF-425s by the due date will be unable to draw down funds.

Under current regulations, SF-425s for COPS Office awards must be submitted **every quarter** and **no later than 30 days** after the last day of each reporting quarter, as detailed in the following table:

Reporting quarter	SF-425 due date
January 1 – March 31	April 30
April 1 – June 30	July 30
July 1 – September 30	October 30
October 1 – December 31	January 30

### Cumulative reporting

The SF-425 mainly differs from the SF-269A by requiring **cumulative reporting** of expenditures. Cumulative reporting provides a sum of expenditures for the life of the award. To arrive at your cumulative total, add all expenses incurred to date.

In the following example, “Block 10e. Federal share of expenditures” and “Block 10j. Recipient share of expenditures” continue to grow in each successive SF-425 to show the total amount of expenditures to date. If the awardee finds a reporting error has occurred, a deduction from either block is necessary to correct the SF-425, and the awardee is required to make a notation in “Block 12. Remarks.” Please note that not all awards will require a recipient share.

#### *Example of cumulative reporting*

For the reporting period 10/01/23 to 12/31/23, an awardee has spent the following:

- Federal share: \$28,358.00
- Recipient share (local match): \$7,098.50

For the reporting period 01/01/10 to 03/31/10, an awardee has spent the following:

- Federal share: \$14,042.00

- Recipient share (local match): \$7,401.50

The following examples of SF-425's section 10 shows how to report a cumulative total for both reporting periods. Additional reporting period expenditures will be added to the current total:

SF-425—Reporting period ending December 31, 2023		
<b>Federal expenditures and unobligated balance</b>		
10d.	Total Federal funds authorized	\$250,000.00
<b>10e.</b>	<b>Federal share of expenditures</b>	<b>\$28,358.00</b>

10k.	Remaining Recipient share to be provided (line i minus j)	\$48,000.00

## Reporting with no incurred expenses

An awardee is required to submit an SF-425 for **every quarter**, regardless of whether expenses were incurred or not, once the project has begun. Even if expenses have not been incurred during the quarter, the awardee must report the cumulative amount of expenses to date. If expenses have not yet been incurred during the life of the award, the awardee should report a zero cumulative total. Once a project has begun, an awardee will need to submit the most recent SF-425 before accessing funds. Contact the COPS Office Response Center at [AskCOPSRC@usdoj.gov](mailto:AskCOPSRC@usdoj.gov) or 800-421-6770 for more information.

## Early submission of an SF-425

There are two scenarios in which an awardee can submit an SF-425 prior to the reporting period end date:

1. **Final report:** A final report may be submitted no sooner than one quarter prior to the reporting period end date. For example, if the reporting period end date is December 31, 2023, an awardee could submit the final report as early as October 1, 2023.
2. **Non-final report:** A non-final report may be submitted no sooner than 10 calendar days prior to the reporting period end date. For example, if the reporting period end date is December 31, 2023, an awardee could submit a non-final report as early as December 22, 2023.

## Delinquent reporting

An awardee is required to submit an SF-425 **every quarter**, even if the awardee is delinquent in prior period reporting, once the project has begun or at least one report has been submitted. If the awardee is delinquent in reporting on multiple quarters, the awardee will be required to submit one SF-425 for each delinquent quarter. If multiple reports are delinquent, the reports must be submitted in chronological order, starting with the oldest.

### *Example of delinquent reporting*

The current reporting period is for the quarter ending on 09/30/23, and the award is not yet expired. The awardee's last quarterly report was submitted for the quarter ending on 12/31/08. The awardee must submit individual quarterly reports for the reporting periods ending on the following dates:

- 03/31/23
- 06/30/23
- 09/30/23

The awardee should report expenses in the quarter in which they were incurred and carry the cumulative totals forward to the next reporting quarter. Please contact the COPS Office Response Center at 800-421-6770 to discuss bringing SF-425 reporting up to date.

## Adjustments to previously submitted SF-425s

Adjustments to an SF-425 can be made only to the most recent report in the current quarter. For example, if the most recently submitted report is 12/31/23, an awardee can adjust this report until 01/31/10. After 01/31/10, if an adjustment is necessary, an awardee should use the current SF-425 to reflect the appropriate expenditures. The awardee is required to remark in “Block 12. Remarks,” denoting the revision and the reason.

### *Example of adjustments to previously submitted SF-425s*

The quarter ending on 12/31/23 has passed, and an awardee reported the following on that quarter’s SF-425:

- Federal share cumulative amount: \$100,000
- Recipient share (local match) cumulative amount: \$25,000

However, on 04/05/10, the awardee determines that, in actuality, only \$90,000 federal share and \$23,000 local share should have been reported on the 12/31/23 SF-425. The awardee is unable to adjust the 12/31/23 SF-425 at this time. Also, the awardee determines that \$4,000 federal share and \$1,000 local share have been expended for the 01/01/10 to 03/31/10 reporting period. As such, the awardee reports the following on the 03/31/10 SF-425:

- Federal share cumulative amount: \$94,000 (\$90,000 + \$4,000)
- Recipient share (local match) cumulative amount: \$24,000 (\$23,000 + \$1,000)
- Block 12. Remarks: “Adjustment for 03/31/10 SF-425 to reflect actual expenditures for 12/31/23 and 03/31/10.”

## Final SF-425 reporting by awardee

An awardee is required to submit a final SF-425 **no later than 120 days** after the awardee has reported and expended its total allowable federal share for the award number or after the expiration date of the award. In addition, after the 120-day period, the awardee is no longer eligible to draw down funds. A final SF-425 is indicated by checking “Yes” in “Block 6. Final report.”

Please note that the quarterly reporting due date still applies. Therefore, if an award expires late in a reporting period, the awardee will need to submit the final SF-425 in accordance with the 30-day due date. This final SF-425 will be editable until 120 days after the award has expired (see the following table).

Award expires on	Final SF-425 due on	SF-425 editable until
01/31/2025	04/30/2025	04/30/2025
03/31/2025	04/30/2025	06/30/2025
05/31/2025	07/30/2025	08/31/2025
10/31/2025	01/30/2026	01/31/2026

### Final SF-425 reporting by the COPS Office

The COPS Office reserves the right to update an SF-425 to “final” status if the awardee fails to submit an SF-425 marked “final” within 120 days after award period end date. At that time, the awardee forfeits the remaining eligible balance. The awardee is still required to meet the 30-day reporting requirement.

### Final draw down of funds

Awardees are required to submit a final SF-425 and draw down funds for allowable costs incurred within 120 days after the award period end date. If remaining funds are not drawn down within 120 days after the award period end date, the awardee forfeits the remaining eligible balance. The awardee is still required to report those funds on the final SF-425.

## III. How Many SF-425s to Submit

An awardee must submit one SF-425 per award number every quarter. The COPS Office will **not** accept Federal Financial Report Attachments (SF-425As).

- This field should be **checked no** until the awardee is ready to submit the final report.
- The final SF-425 is due either 120 days after the awardee has reported all federal and, where applicable, local recipient share expenses for **all** awards issued under the same award number or after the award period end date of the last award. An awardee may elect to choose “yes” to indicate a final report, even if all funds are not drawn down. In addition, after the 120-day period, the awardee is no longer eligible to draw down funds.
- The COPS Office reserves the right to update an SF-425 status to final if the awardee fails to submit the SF-425 marked as final in “Block 6. Final report” within 120 days after the award period end date. At that time, the awardee forfeits the remaining eligible balance.
- **Note:** If an awardee is using accrual basis of accounting and submits a final SF-425, “Block 10f. Federal share of unliquidated obligations” will automatically populate “\$0.00” because accruals are not acceptable for final reports.

## Glossary

**accrual basis of accounting.** Expenses are recorded in the period in which they are incurred, rather than when they are paid.

**Automated Standard Application for Payments (ASAP).** ASAP is a shared service provided by the U.S. Department of the Treasury for award payments. ASAP allows organizations receiving federal funding to draw funds securely through preauthorized accounts established by the agency issuing the payment. ASAP was launched on October 15, 2020 to modernize and improve the functionality of the payment management system. ASAP replaced the COPS Office's Grants Payment Request System (GPRS).

**award number.** This number uniquely identifies each award (e.g., 15JCOPS-22-GG-0000 or 2000SHWX0000). An SF-425 is required for **each** award number.

**cash basis of accounting.** Expenses are recorded in the period in which they are paid.

**COPS Office.** The Office of Community Oriented Policing Services is the grantor agency for the awardee's COPS Office awards. The office is directly responsible for programmatically administering and monitoring the award for the entire award period.

**Federal Financial Report.** The Federal Financial Report (FFR) is also known as Standard Form 425 (SF-425). The COPS Office will not accept the Federal Financial Report Attachment (SF-425A).

The Office of Management and Budget (OMB) has merged previous financial reporting methods into one comprehensive financial reporting form to give recipients of awards and cooperative agreements a standard format for reporting the financial status of their awards.

**federal share contributions.** The amount of federal funds an awardee can draw down to reimburse allowable expenses incurred during the award period. The allowable federal share may not always equal the maximum federal share.

**Justice Grants System (JustGrants).** JustGrants is a streamlined, end-to-end awards management system that provides applicants and awardees with an improved user experience throughout key parts of the awards management lifecycle. JustGrants was launched on October 15, 2020 to modernize and improve the functionality of the awards management system. JustGrants replaced the COPS Office's NexGen system.

**matching funds.** Certain COPS Office award programs require awardees to contribute a local match toward allowable costs of the program, project, or activity funded under the award. Any required local match can be found in the Project Budget Summary in the JustGrants system under Award Details tab.
