HOW IT WORKS

1 Submit a request via www.CollaborativeReform.org

Requests must come from a law enforcement agency and be authorized by the chief executive of the agency.

2 An IACP staff member will contact the requestor and collect additional information.

3 The CRI TAC will assess the request and make a determination on type of TA to be delivered.

4 The CRI TAC will work with the agency and applicable partner organizations to develop a customized plan to include success metrics and follow up.

The IACP and the COPS Office have partnered with other leading law enforcement associations to ensure the most comprehensive and tailored solutions available for requesting agencies.

- Fraternal Order of Police
- FBI National Academy Associates
- International Association of Campus Law Enforcement Administrators
- International Association of Directors of Law Enforcement Standards and Training
- Major County Sheriffs of America
