How to Apply

The complete application package is available on Grants.gov and on the COPS Office website <https://cops.usdoj.gov/>. Completing an application under this program is a two-step process.

Please **do not** include any content, including attachments or language within your application, commenting, modifying, challenging, and/or editing the grant requirements including the terms and conditions. Such content, if included, will not be **reviewed or considered** when evaluating your application nor will any attachment from an applicant unilaterally change the terms of a grant if awarded.

Before You Begin: SAM.gov Registration and Unique Entity Identifiers (UEIs)

To submit an application, your entity must have an active registration in the **System for Award Management (SAM.gov)**. SAM.gov assigns entities a unique entity identifier (UEI) that is required for the entity to apply for federal funding. You will enter the entity's UEI in the application. Award recipients must then maintain an active UEI for the duration of their award. Visit SAM.gov for details and resources for first-time registration or renewal of an existing registration.

The registration and renewal processes can take several weeks. Start these processes at least 30 days prior to the Grants.gov deadline. Applicants who do not begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for a technical waiver that allows for late submission.

Step One: Grants.gov

Application for Federal Assistance (SF-424): Applicants must register via <https://www.grants.gov> and complete an Application for Federal Assistance, Standard Form 424 (SF-424). The SF-424 is a required standard form that collects the applicant's name, address, and UEI; the funding opportunity number; and the proposed project title, among other information. It is used as a cover sheet for submission of pre-applications, applications, and related information under discretionary programs. Applicants must complete and submit the SF-424 via <https://www.grants.gov> using the information provided on that site. The SF-424 must be signed by the Grants.gov authorized organizational representative.

Section 8F – Applicant Point of Contact: Enter the name and contact information of the individual who will complete application materials in JustGrants. JustGrants will use this information to assign the application to this user in JustGrants.

Section 19 – Intergovernmental Review: This funding opportunity is subject to **Executive Order (E.O.) 12372** (Intergovernmental Review). States that participate in the Intergovernmental Review process have an opportunity to review the applicant's submission. Find the names and addresses of state Single Points of Contact (SPOCs) for Intergovernmental Review at the following website: <https://www.ojp.gov/IntergovernmentalReviewSPOCList.pdf>.

If the applicant's state appears on the SPOC list:

- Contact the state SPOC for information and follow the state's process under E.O. 12372.
- On the SF-424, make the appropriate selection for question 19 once the applicant has complied with its state E.O. 12372 process.

If the applicant's state does not appear on the SPOC list:

- Answer question 19 by selecting, "Program is subject to E.O. 12372 but has not been selected by the state for review."

Applicants are strongly encouraged to register immediately on <https://www.grants.gov>. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through JustGrants. Refer to the U.S. **Department of Justice (DOJ) Application Submission Checklist** for additional details.

For technical assistance with submitting the SF-424, please call the Grants.gov customer service hotline at 800-518-4726, send questions via email to support@Grants.gov, or consult the [Grants.gov Organization Applicant User Guide](#). The Grants.gov Support Hotline operates 24 hours a day, 7 days a week, except on federal holidays.

Step Two: JustGrants Application

The remainder of the application will be completed through the Justice Grants System (JustGrants) at <https://justicegrants.usdoj.gov/>. No other form of application will be accepted. Applications with errors or missing information may be disqualified or rated accordingly. Please note that the application system will not accept incomplete applications or applications with errors.

Standard Applicant Information

To begin the JustGrants application, applicants must first complete a web-based form in JustGrants which is pre-populated with the SF-424 data submitted in Grants.gov. Applicants are required to confirm the two Authorized Representatives (see following) and verify the legal name, address, and enter the ZIP code(s) for the areas affected by the project. For statewide or nationwide projects, the applicant should enter “State” or “National” in this field.

The Authorized Representatives are the officials who have ultimate and final responsibility for all programmatic and financial decisions regarding this COPS Office application as representatives of the legal recipient (e.g., your agency or organization).

Who should be assigned as Authorized Representatives?

- For **law enforcement agencies**, COPS Office awards require that both the top law enforcement executive (e.g., chief of police, sheriff, or equivalent) and the top government executive (e.g., mayor, board chairman, or equivalent) sign the application, and (if awarded funding) accept the award package. Both the top law enforcement executive and the top government executive must be assigned the role of Authorized Representative in JustGrants.
- For **non-law enforcement agencies**, (institutions of higher education, school districts, private organizations, etc.), COPS Office awards require that both the programmatic official (e.g., executive director, chief executive officer, or equivalent) and financial official (e.g., chief financial officer, treasurer, or equivalent) sign the application, and (if awarded funding) accept the award package. These two officials must have the ultimate signatory authority to sign contracts on behalf of your organization. Both the programmatic official and the financial official must be assigned the role of Authorized Representative in Just Grants. Please note that nonexecutive positions (e.g., clerks, trustees) are not acceptable Authorized Representatives.

Before applicants can complete this section, the two Authorized Representatives must have established accounts in JustGrants after the Grants.gov portion of the application was submitted. **Please note: Users assigned as Authorized Representatives must log into the JustGrants system to activate their account. Users will not be visible in JustGrants until they have successfully logged into JustGrants.**

Complete Remainder of JustGrants Application per NOFO

Refer to the NOFO and complete the items identified in the “Application Contents and Format” section.

For technical support with the Justice Grants System (JustGrants) application, please contact JustGrants Support at JustGrants.Support@usdoj.gov or 833-872-5175. JustGrants Support operates Monday through Friday between the hours of 5:00 a.m. and 9:00 p.m. Eastern Time (ET) and Saturday, Sunday, and federal holidays from 9:00 a.m. to 5:00 p.m. ET. Training on JustGrants can also be found at <https://justicegrants.usdoj.gov/training-resources>.

Late Submissions

The COPS Office will review on a case-by-case basis requests for late submission due to unforeseen technical issues or extraordinary events such as extreme weather emergencies or mass casualty events.

- Requests for an extension of the Grants.gov deadline must be received no later than the grants.gov due date/time listed in the Notice of Funding Opportunity.
- Requests for an extension of the JustGrants deadline must be received no later than the grants.gov due date/time listed in the Notice of Funding Opportunity.

No late submission requests will be considered after the extension requests deadline. Extension of deadlines is rare and is not guaranteed.

To be considered for an extension, applicants must contact the COPS Office Response Center via email at AskCopsRC@usdoj.gov detailing the technical/extraordinary issues that impact application submission. This email must be submitted prior to the deadline for which the applicant is requesting an extension. The applicant's email must include the following information:

- UEI number
- Organization name
- Point of contact name and information
- Application ID
- Nature of the issue/disaster and how it affected the applicant's ability to submit the application on time
- The email subject line should read "FY26 TEP Extraordinary Circumstances: [UEI number, Agency Name, Application ID]," with your UEI number and organization name and details filled in.

The COPS Office will respond to each applicant as soon as possible with either an approval and instructions for submission or a rejection. If the technical issues you reported cannot be validated, the application will be rejected.

- The following conditions are not valid reasons to request an extension:
- Failure to begin the registration process in sufficient time
- Failure to follow instructions on Grants.gov or JustGrants
- Failure of the two assigned Authorized Representatives, with the proper authority, to activate accounts in JustGrants prior to application submission
- Failure to follow all the instructions in the notice of funding opportunity
- Failure to register or update information on the SAM website
- Failure to register or complete the SF-424 in grants.gov

Late submissions may be considered for review at the discretion of the COPS Office on a case-by-case basis due to unforeseen technical issues or extraordinary events such as extreme weather emergencies or mass casualty events.

Allowable and Unallowable Costs

This is not an exhaustive list, and items not listed below are reviewed on a case-by-case basis. The COPS Office reserves the right to deny funding for items that may not be included on this list and to remove requested items from the applicant's budget that are noted as unallowable.

Allowable Costs – Federal Fundable Requests

Applicants may request allowable costs which are allocable and reasonable and directly link to the project activities identified in the JES. Each budget item must programmatically link to the technology enhancement efforts described in your application. To the greatest extent practicable, all equipment and products purchased with these funds must be made in the United States.

Each of the categories that follows includes definitions as well as information on frequent requests and typically allowable costs.

- **Personnel: Civilian/Non-sworn Positions**

Salaries of personnel are costs based on the percentage of time spent (full time equivalent [FTE]) working directly on the project. The total salary percentage should be comparable and consistent with organizational policy. The total amount paid is comparable to industry standards and the type of work being performed.

A recipient may not use federal funds to pay total cash compensation to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the Federal Government's Senior Executive Service (SES) at an organization with a Certified SES Performance Appraisal System for that year. The 2026 salary table for SES employees is available on the U.S. Office of Personnel Management's [Executive Senior Level](#) web page. Note: A recipient may compensate an employee at a greater rate, provided the amount in excess of this compensation limitation is paid with nonfederal funds. (Nonfederal funds used for any such additional compensation will not be considered matching funds.) If only a portion of an employee's time is charged to a COPS Office award, the maximum allowable compensation is equal to the percentage of time worked times the maximum salary limitation.

- **Fringe Benefits for Civilian/Non-sworn Positions**

Fringe benefits typically covered by the applicant organization, as specified in the personnel and salary policies of that organization or any contractual agreements and allowable under 2 CFR 200, will be covered. Examples of allowable fringe benefits include Social Security, Medicare, insurance (life, health, dental, etc.), shift differential, retirement plans, and holiday pay.

Certain overtime costs are allowable but must be included in the "other" budget category.

If you are not requesting any civilian base salary and fringe benefits, move to the next section. For each civilian personnel request, applicants must complete the web-based form. If the individual will be working more than one year of the project, applicants will have the option to copy a year within the budget form.

The "additional narrative" section should be used to describe the employee's roles, responsibilities, and activities related to the work to be completed on the project. If the salary increases from one budget year to another because of cost-of-living increases, be sure to detail these increases in the budget description. Applicants will need to provide the appropriate percentage for each fringe benefit that the individual is allocated per the employee benefits.

Note: the system will not allow more than 6.2 percent for Social Security and 1.45 percent for Medicare.

- **Equipment/Technology**

Equipment is defined as tangible personal property (including information technology systems), having a useful life of more than one year and an acquisition cost of \$10,000 or more per unit.

Applicant may use its own capitalization policy for classification of equipment and supplies, but only where it is less than the Federal policy threshold of \$10,000. If your organization does not have a capitalization policy in place, you must use the Federal policy amount of \$10,000.

All equipment and technology items must be clearly linked to the enhancement or implementation of the TEP project.

Examples of such items may include the following:

- › Communication technology
- › Radio updates and interoperability systems
- › Emergency systems
- › Unmanned aircraft systems (also commonly referred to as unmanned aerial vehicles or “drones”)
- › Public Safety Equipment
- › Mobile Command Systems
- › Camera systems

If you are not requesting any equipment or technology, move to the next section. For each equipment request, applicants must complete the web-based form.

The “additional narrative” section should be used to describe the type of equipment, with a description and justification explaining why the equipment is necessary for the success of the project.

- **Supplies**

Supplies are defined as all tangible personal property other than those described in the *equipment* definition. Such costs may include training manuals, laptops, paper, printer ink, pens, postage, etc. Note: A computing device is a supply if the acquisition cost is below the lesser of the capitalization level established by the recipient or subrecipient for financial statement purposes or \$10,000, regardless of the length of its useful life.

If you are not requesting any supplies, move to the next section. For each supply request, applicants must complete the web-based form. The cost should be broken down to the lowest form; therefore, if you are requesting \$30 per month for office supplies, the calculation should be 12 x \$30 and not 1 x \$360.

The “additional narrative” section should be used to describe and justify why the supplies are necessary for the success of the project. Provide any additional calculations that make up the base cost.

- **Travel/Training**

Travel costs include grant-related travel costs for the recipient to visit other jurisdictions engaged in similar programs or to attend project-related training and technical assistance conferences that directly relate to the goals of the TEP project. Expenses for transportation, lodging, meals, and incidental expenses (if travel is more than 50 miles from the program location) will be reviewed in accordance with applicable regulations and guidelines as part of the application process.

If a recipient does not have a written travel policy, it must adhere to the Federal Travel Regulations (FTR). For information on the FTR and U.S. Government General Service Administration (GSA) per diem rates by geographic area, please visit <https://www.gsa.gov/travel/plan-book/per-diem-rates>. For all applicants (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

For each travel request, applicants must complete the web-based form. Each trip should be entered as an individual entry rather than a group of trips.

The “additional narrative” section should be used to describe the purpose of the trip, proposed destination, trip duration by day/night, and list of individuals traveling as well as a detailed cost breakdown for each travel category (lodging, per diem, etc.). The cost breakdown should include the following:

- › mode of transportation and proposed fare per trip (airfare, train, etc.) broken down by day;
- › mileage allowances if private vehicle will be used;
- › per diem rates for the destination per day (including full per diem and travel day per diem);
- › lodging costs per night;
- › transportation fees per day;
- › parking fees per day.

If you are not requesting any travel, training, or conferences, move to the next section.

- **Procurement Contracts/Consultants**

Procurement contracts are for the purpose of obtaining goods and services that are ancillary to the operation of the federal program for the non-federal entity's own use and create a procurement relationship with the contractor. The awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317–200.327. All sole source procurements of goods and services (those not awarded competitively) in excess of \$350,000 require prior approval from the COPS Office. See “Noncompetitive Justification.”

Consultant costs include professional and consultant services rendered by persons who are members of a particular profession or possess a special skill and who are not officers or employees of the non-Federal entity. See 2 CFR § 200.459. The use of a consultant should be more economical than direct employment. Compensation for individual consultant services procured under a COPS Office award must be reasonable and allocable in accordance with Office of Management and Budget (OMB) cost principles, and consistent with that paid for similar services in the marketplace. The services should be commensurate with the rate or salary paid by the primary employer.

Unless otherwise approved by the COPS Office, independent consultant rates will be approved based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day (or \$81.25 per hour). See the Consultant Rates section.

Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If individuals receive fringe benefits from their primary employer, such fringe benefit costs should not be included in the calculation of consultant rates. A consultant rate justification will need to be submitted for review and approval to the COPS Office for any consultants paid more than \$650 per day prior to incurring any costs. Determinations of approval will be made on a case-by-case basis.

Consultant travel costs should be included in the Procurement Contract budget category and should follow the same guidelines as “Travel.” These costs should not be reflected in the “Civilian personnel” or “Travel” categories.

All other consultant-related expenses should be included in this section such as supply and equipment requests. The same guidelines as previously stated in the above sections will apply.

- **Other Costs**

Items not included in the previous categories but that have a direct correlation to the overall success of a recipient’s project objectives and are necessary for the project to reach full implementation will be considered on a case-by-case basis by the COPS Office.

Other costs may include items that have a direct correlation to the overall success of a recipient’s project objectives, such as the following:

- › Maintenance service contracts and/or warranties that exceed the life of the award (multiyear contracts and extended warranties are allowable but must be paid in full within the award period of 24 months)
- › Overtime costs for civilian personnel engaging in TEP–related activities
- › Shipping costs
- › Software and prepaid warranties
- › Other miscellaneous items that have a direct correlation to the overall success of a recipient’s project objectives (such as awareness campaigns) and are necessary for the project to reach full implementation

For each request, applicants must complete the web-based form. The cost should be broken down to the lowest form.

The “additional narrative” section should be used to describe and justify why the item is necessary for the success of the project. Provide any additional calculations that make up the base cost.

If you are not requesting any other costs, move to the next section.

Unallowable Costs

Federal Funding Restrictions

Please be advised that COPS Office funding must not be used for the following:

1. To directly or indirectly support or subsidize an educational service agency, state educational agency, local educational agency, elementary school, secondary school, or institution of higher education that requires students to have received a COVID-19 vaccination to attend any in-person education program.
2. To promote gender ideology.
3. For projects that provide or advance diversity, equity, inclusion, and accessibility, or environmental justice programs, services, or activities.
4. State and local governments and law enforcement agencies that have failed to protect public monuments, memorials, and statues from destruction or vandalism.

If awarded, and it is determined that the applicant is not in compliance with the funding restrictions, the COPS Office may place a hold on the award and/or take other remedial action.

Requests That Will Not Be Funded

Before including any of these items in your budget and application, please contact the COPS Office at AskCopsRC@usdoj.gov. This is not an exhaustive unallowable expenses list. Items not listed will be reviewed on a case-by-case basis. The COPS Office reserves the right to deny funding for items not included on this unallowable expenses list. TEP applicants are expected to request items that show a direct link between the requested item and the applicant's TEP project.

- **Personnel**
 - › Salaries of sworn officer positions are not allowable under this NOFO, with the exception of overtime. All overtime requests should be in the "Other Costs" section.
 - › Salaries and benefits for personnel that do not work directly on the FY26 TEP project.
 - › For awards made to states or units of local government (including law enforcement agencies), salaries and benefits for positions (including exempt employees) that are already budgeted with state, local, or Bureau of Indian Affairs (BIA) funds and would be funded in the absence of this COPS Office award are also not allowed.
- **Travel/Training**
 - › Bar charges/alcoholic beverages
 - › Catering
 - › Entertainment, including amusement, diversion, social activities, and any associated costs (e.g., tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities)
 - › Food and beverages at conferences, meetings, or trainings
 - › Local travel costs (lodging, meals, per diem, or transportation costs) within a 50-mile radius of the project location, including mileage reimbursement, rental cars, parking fees, or taxi fare for local travel
 - › Paying for meals other than your own
- **Equipment/Technology**
 - › Facial recognition technology
 - › Incentives for research and/or participation in program activities
 - › The following equipment/technology is also generally considered unallowable and rarely approved by the COPS Office, but may be considered on a case-by-case basis:
 - Biometric technology (excluding facial recognition technology)
- **Supplies**
 - › Standard office supplies not directly related to the FY26 TEP project
 - › Trinkets and other conference takeaways
 - › Promotional items and memorabilia, including challenge coins, pins, models, gifts, souvenirs, or recreational supplies (such as Frisbees)

- **Subawards**
 - › A subaward is for the purpose of carrying out a portion of a federal award and creates a federal assistance relationship with the subrecipient. See 2 CFR § 200.331. Subaward costs are typically unallowable under this program.
- **Procurement Contracts/Consultants**
 - › Maintenance or service contracts that exceed the life of the award period. (Multiyear contracts and extended warranties are allowable but must be paid in full within the initial award period and must not exceed 24 months.)
 - › Salaries and benefits for contract or consultant personnel.
 - › Any consultant fees in excess of \$650 per day must receive prior written approval from the COPS Office.
- **Other**
 - › Advertising and public relations designed solely to promote the recipient
 - › Severance pay
 - › Hazard pay
 - › Land acquisition including renting, leasing, or construction of buildings or other physical facilities
 - › Non-holiday premium pay
- **Indirect Costs**
 - › Indirect costs are not allowable under TEP.

Application Review Information

The COPS Office is committed to ensuring a fair process for making awards. The COPS Office will review invitational applications to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the invitation to apply and any associated program(s) requirements and notice of funding opportunity. The review will also assess whether costs are reasonable, necessary, allowable, and allocable under applicable federal cost principles, agency regulations, and the program.

Basic Minimum Requirements (BMR) Review

Once the NOFO closes, COPS Office staff screen and evaluate applications for compliance with basic minimum requirements (BMR).

BMR Criteria

The BMR review ensures that each applicant's legal name (or "doing business as" name) coincides with the agency name listed in the JES.

Administrative Compliance Review

All advancing applications will undergo an administrative compliance review. Past financial and programmatic performance with U.S. Department of Justice (DOJ) award funding will be considered in this review process. Past performance may affect the overall rating and ranking of an application. Factors that may be included in the past performance review include the following:

- Applicant adherence to all award terms and conditions in prior awards
- Applicant compliance with programmatic and financial reporting requirements
- Applicant completion of closeout for prior awards in a timely manner
- Whether the applicant has received financial clearances in a timely manner
- Applicant timely resolution of issues identified in an audit or monitoring review
- Applicant adherence to single audit requirements
- Applicant timely completion of work and use of funds in prior awards

Pursuant to 2 C.F.R. Part 200 ("Uniform Guidance"), before award decisions are made, the COPS Office also reviews information related to the degree of risk posed by applicants. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, the COPS Office checks whether the applicant is listed in SAM as excluded from receiving a federal award.

The COPS Office must also review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, "FAPIIS"). Applicants may review and comment on any information about their organization or agency in SAM that a federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

The COPS Office may contact applicants regarding budget and financial questions as part of the review process. Contact is not indicative of an award decision. Based on risk findings, the COPS Office may remove an applicant from consideration or apply additional post-award conditions for oversight of the award should it be selected for funding.

Director Selection

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including prior funding history, current award balances, population served, agency type and geographic variety, strategic priorities, past performance, significant concerns regarding ability of the applicant to administer federal funds, and available funding when making awards.

Award Notification Process

It is anticipated that awards will be announced on or after October 1, 2026. Any public announcements will be posted on the [COPS Office website](#). All award decisions are final and not subject to appeal.

Federal Award Notices

Notice of award will be sent electronically from JustGrants to the Application Submitter, Authorized Representative, and Entity Administrator. Please note that this notice of award is NOT an authorization to begin performance. This award notification will include instructions on accessing the official award package in JustGrants, enrolling in Automated Standard Application for Payments (ASAP), and accepting the award. The notice of award will contain details about the award including start and end dates, funding amounts, and award conditions. Recipients will be required to log into JustGrants to review, sign, and accept the award package. Applicants not selected for award will receive notification after all award recipients have been notified.

The Federal Award Package

The federal award package is the document indicating your official award funding amount, the award number, the award terms and conditions, and award start and end dates. The award start date indicated in the award package means that your organization may be reimbursed for any allowable costs incurred on or after this date. The duration of award is 24 months.

Your FY26 award number is in the following format: 15JCOPS-26-XX-XXXXX-XXXX. The COPS Office tracks award information using this number; therefore, it is important to have your award number readily available when corresponding with the COPS Office.

The award terms and conditions are listed in the award package. In limited circumstances, your award package may include additional award conditions or high-risk conditions that prevent your organization from drawing down or accessing award funds until the COPS Office determines that these conditions have been satisfied. Acceptance of the award is an acknowledgement that you are obtaining federal funds from the COPS Office. As part of that agreement, your organization acknowledges that it will comply with all applicable award terms and conditions, including any award or high-risk conditions.

Administrative and National Policy Requirements

In addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must also comply with award terms, conditions, and other legal requirements including, but not limited to, Office of Management and Budget (OMB), U.S. Department of Justice (DOJ), or other federal regulations that will be included in the award or incorporated into the award by reference or applicability.

The COPS Office strongly encourages applicants to review applicable requirements and terms and conditions prior to submitting an application. Terms and conditions are subject to change before the award is issued. This guide also contains additional requirements which apply to this application and award, including audit requirements, suspension, and termination requirements.

Terms, Conditions, and Award Requirements

Please review carefully the full description of each of the listed terms, conditions, and other requirements for this COPS Office program in the Award Requirements (including Terms and Conditions) section. By submitting your application, your organization assures the COPS Office that you agree to the terms, conditions, and requirements. If awarded funds, by accepting your COPS Office award, your organization agrees to comply with all terms, conditions, and other requirements in your award package and any additional or high-risk conditions that may be imposed on your award.

Accepting the Award

To officially accept and begin your award, your organization must access your award package at <https://justgrants.usdoj.gov/>. Once you access your account, two Authorized Representatives will review and electronically sign the award document (including award terms and conditions and, if applicable, any award conditions or high-risk conditions) within **45 days of the date shown on the award congratulatory letter**, unless an extension is requested and granted.

The two assigned Authorized Representatives (Law Enforcement Executive / Programmatic Official and Government Executive / Financial Official), as described in the Application Contents and Format section, are required to sign the award package. If either or both Authorized Representatives change between application submission and award receipt, the Entity Administrator will need to update the Authorized Representative(s) in JustGrants.

Your organization will not be able to draw down award funds until the COPS Office receives your signed award document.

For more information on accepting your award, please visit the [JustGrants Training page](#) for step-by-step instructions.

Post-Award Requirements & Administration

Financial and Programmatic Reporting

If awarded funds, your organization will be required to submit quarterly Standard Form 425 (SF-425) and Federal Financial Reports (FFR) and semiannual Programmatic Performance Reports. Recipients should be prepared to track and report program award funding separately from other funding sources (including other COPS Office federal awards) to ensure accurate financial and programmatic reporting on a timely basis.

Recipients should ensure that they have financial internal controls in place to monitor the use of program funding and ensure that its use is consistent with the award terms and conditions. Good stewardship in this area includes written accounting practices, use of an accounting system that tracks all award drawdowns and expenditures, and the ability to track when award-funded positions are filled or approved purchases are made.

Failure to submit complete reports or submit reports in a timely manner will result in the suspension and possible termination of a recipient's COPS Office award funding or other remedial actions (see the Post Award Requirements & Award Administration section for details).

Performance Measures

To assist in fulfilling the U.S. Department of Justice's responsibilities under the Government Performance and Results Act Modernization Act (GPRA Modernization Act) of 2010, P.L. 111-352), recipients who receive funding from the Federal Government must measure the results of the work that funding supports. This act specifically requires the COPS Office and other federal agencies to set program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

The performance measures for this program can be found at [Compliance and Reporting | COPS OFFICE](#).

As part of the programmatic performance reports, all recipients will be required to report on their progress toward implementing community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to the program to better meet the program's objective and law enforcement agency needs.

Financial Management and System of Internal Controls

Award recipients and subrecipients must, as set out in the Uniform Guidance at 2 C.F.R. § 200.303, do the following:

- Establish, document, and maintain effective internal control over the federal award that provides reasonable assurance that the recipient or subrecipient is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award. These internal controls should align with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States and the "Internal Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- Comply with the U.S. Constitution, federal statutes, regulations, and the terms and conditions of the federal award.
- Evaluate and monitor the recipient's or subrecipient's compliance with statutes, regulations, and the terms and conditions of federal awards.

- Take prompt action when instances of noncompliance are identified.
- Take reasonable cybersecurity and other measures to safeguard protected personally identifiable information (PII) and other information. This also includes information the federal awarding agency or pass-through entity designates as sensitive or other information the recipient or subrecipient considers sensitive and is consistent with applicable federal, state, local, and tribal laws regarding privacy and responsibility over confidentiality.

Audit Requirement

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 C.F.R. Part 200, Subpart F – Audit Requirements, available at <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200/subpart-F>, establish the requirements for organizational audits that apply to COPS Office award recipients. Recipients must arrange for the required organization-wide (not award-by-award) audit in accordance with the requirements of Subpart F.

Program Evaluation

Though a formal assessment is not a requirement, awarded organizations are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping organizations identify areas in need of improvement, providing data about successful processes, and reducing vulnerabilities.

Selected award recipients shall be evaluated on the local level or as part of a national evaluation, pursuant to guidelines established by the Attorney General. Such evaluations may include assessments of individual program implementations. In select jurisdictions that can support outcome evaluations, measurement of the effectiveness of funded programs, projects, and activities may be required. Outcome measures may include crime and victimization indicators, quality of life measures, community perceptions, and police perceptions of their own work.

Civil Rights

All recipients are required to comply with nondiscrimination requirements contained in various federal laws. A memorandum addressing federal civil rights statutes and regulations from the Office for Civil Rights, Office of Justice Programs will be included in the award package for award recipients. All applicants should consult the Assurances form to understand the applicable legal and administrative requirements.

Monitoring

Federal law requires that agencies receiving federal funding from the COPS Office be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice.

In addition to required performance and financial reporting, awarded organizations will be responsible for the timely submission of a final Closeout Report and any other required final reports. All COPS Office recipients will be required to participate in such award monitoring activities of any part of the U.S. Department of Justice, including but not limited to the COPS Office, the Office of the Inspector General, or any entity designated by the COPS Office.

Please note that the COPS Office may take a number of monitoring approaches, such as site visits, enhanced office-based award reviews, alleged noncompliance reviews, and periodic surveys to gather information and ensure compliance. The COPS Office may seek information including, but not limited to, programmatic, and financial requirements of the award, and your progress toward achieving your crime reduction and public safety strategies.

The COPS Office is particularly interested in confirming that the purchase of items and/or services is consistent with the applicant's approved award budget.

If awarded funds, you agree to cooperate with and respond to any requests for information pertaining to your award in preparation for any of the above-referenced award monitoring activities. Please feel free to contact your COPS Office Grant Manager to discuss any questions or concerns you may have regarding the monitoring, reporting, and evaluation requirements.

Administrative Actions and Legal Remedies

Please be advised that an application may not be funded or, if awarded, a hold may be placed on this application if it is deemed that the applicant is not in compliance with federal civil rights laws, is not cooperating with an ongoing federal civil rights investigation, or is not cooperating with a U.S. Department of Justice award review or audit.

Misuse of COPS Office funds or failure to comply with all COPS Office award requirements may result in legal sanctions including suspension and termination of award funds, the repayment of expended funds, ineligibility to receive additional COPS Office funding, designation on the U.S. Department of Justice (DOJ) High Risk List, and other remedies available by law.

False Claims Act

Under the False Claims Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving COPS Office funds may be referred to the Office of Inspector General (OIG). The OIG may be contacted at oig.hotline@usdoj.gov, <https://oig.justice.gov/hotline/index.htm>, or 800-869-4499.

Remedies for Noncompliance

Under 2 C.F.R. § 200.339, if the recipient fails to comply with award terms and conditions, the Federal awarding agency may impose additional conditions or take one or more of the following actions as appropriate in the circumstances:

- Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
- Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- Wholly or partly suspend or terminate the Federal award.
- Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and Federal awarding agency regulations (or, in the case of a pass-through entity, recommend such a proceeding be initiated by a Federal awarding agency).
- Withhold further Federal awards for the project or program.
- Take other remedies that may be legally available.

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18. Awards terminated due to noncompliance with the federal statutes, regulations, or award terms and conditions will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

Funding to Faith-Based Organizations

Faith-based organizations may apply for this award on the same basis as any other organization subject to the protections and requirements of 28 C.F.R. Part 38 and any applicable constitutional and statutory requirements, including 42 U.S.C. 2000bb et seq. The Department of Justice will not, in the selection of recipients, discriminate for or against an organization on the basis of the organization's religious character, motives, or affiliation, or lack thereof, or on the basis of conduct that would not be considered grounds to favor or disfavor a similarly situated secular organization.

A faith-based organization that participates in this funded program will retain its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law. An organization may not use direct Federal financial assistance from the Department of Justice to support or engage in any explicitly religious activities except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements. An organization receiving Federal financial assistance also may not, in providing services funded by the Department of Justice, or in their outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

Any organization providing social services supported by financial assistance from DOJ must give written notice to beneficiaries and prospective beneficiaries of certain civil rights protections. In certain instances, a faith-based or religious organization may be able to take religion into account when making hiring decisions, provided it satisfies certain requirements. Further guidance on federal financial assistance for faith-based organizations can be found at [Civil Rights | Partnerships with Faith-Based and Other Neighborhood Organizations | Office of Justice Programs \(ojp.gov\)](#) and [Equal Treatment of Faith-Based Organizations in DOJ-Supported Social Service Programs](#).

Freedom of Information Act and Privacy Act (5 U.S.C. §§ 552 and 552a)

All applications submitted to the COPS Office (including all attachments to applications) are subject to the federal Freedom of Information Act (FOIA) and to the Privacy Act. By law, DOJ may withhold information that is responsive to a request if DOJ determines that the responsive information is protected from disclosure under the Privacy Act or falls within the scope of one or more of the nine statutory exemptions under FOIA. DOJ cannot agree not to release some or all portions of an application/award file in advance of a request pursuant to the FOIA.

In its review of records that are responsive to a FOIA request, the COPS Office will withhold information in those records that plainly falls within the scope of the Privacy Act or one of the statutory exemptions under FOIA. Some examples include certain types of information in budgets and names and contact information for project staff other than certain key personnel. In appropriate circumstances, the COPS Office will request the views of the applicant/recipient that submitted a responsive document.

State or local government entity recipients of this award, and any subrecipient of this award at any tier that is an entity of a State or of a unit of local government, must comply with 8 U.S.C. §1373, which provides that such entities may not prohibit, or in any way restrict, any government entity or official from sending to, receiving from, maintaining, or exchanging information regarding citizenship or immigration status, lawful or unlawful, of any individual with components of the U.S. Department of Homeland Security or any other federal, state or local government entity. This includes any prohibitions or restrictions imposed or established by a State or local government entity or official.

Any obligations or expenditures of a recipient or subrecipient that are impermissible under this condition shall be unallowable costs for purposes of this award.

4. Federal Civil Rights and Nondiscrimination Laws (certification)

The recipient agrees that its compliance with all applicable Federal civil rights and nondiscrimination laws is material to the government's decision to make this award and any payment thereunder, including for purposes of the False Claims Act (31 U.S.C. 3729-3730 and 3801-3812), and, by accepting this award, certifies that it does not operate any programs (including any

5. Federal Laws, Presidential Memoranda, and Executive Orders

Recipients of grant funding must comply with all applicable federal laws and Presidential Memoranda and all Executive Orders by the President.

6. Award Monitoring Activities

Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutes and regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, enhanced office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three years after the submission of the final expenditure report. (2 C.F.R. §§ 200.334 and 200.337, and, as applicable, 34 U.S.C. § 10385(a).)

7. Authorized Representative Responsibility

The recipient understands that, in accepting this award, the Authorized Representatives declare and certify, among other things, that they possess the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accept (or adopt) all material requirements throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

8. Contract Provision

All contracts made by the award recipients under the federal award must contain the provisions required under 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards. - (2) Another person engaged in the performance of the project or program under this award and not compensated by the recipient including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing requirements.

Private Entity means any entity, including for-profit organizations, nonprofit organizations, institutions of higher education, and hospitals. The term does not include foreign public entities, Indian Tribes, local governments, or states as defined in 2 CFR 200.1.

The terms “severe forms of trafficking in persons,” “commercial sex act,” “sex trafficking,” “Abuse or threatened abuse of law or legal process,” “coercion,” “debt bondage,” and “involuntary servitude” have the meanings given at section 103 of the TVPA, as amended (22 U.S.C. 7102).

1. When the recipient fails to comply with the terms and conditions of a Federal award.
2. When the recipient agrees to the termination and termination conditions.
3. When the recipient provides the COPS Office written notification requesting termination including the reasons, effective date, and the portion of the award to be terminated. The COPS Office may terminate the entire award if the remaining portion will not accomplish the purposes of the award.
4. Pursuant to any other award terms and conditions, including when an award no longer effectuates the program goals or agency priorities to the extent such termination is authorized by law (2. C.F.R. § 200.340).

13. Recipient Integrity and Performance Matters

For awards over \$500,000, the recipient agrees to comply with the following requirements of 2 C.F.R. Part 200, Appendix XII to Part 200 – Award Term and Condition for Recipient Integrity and Performance Matters:

I. Reporting of Matters Related to Recipient Integrity and Performance

(a) General Reporting Requirement.

- (1) If the total value of your active grants, cooperative agreements, and procurement contracts from all Federal agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient must ensure the information available in the responsibility/qualification records through the System for Award Management (SAM.gov), about civil, criminal, or administrative proceedings

described in paragraph (b) of this award term is current and complete. This is a statutory requirement under section 872 of Public Law 110–417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111–212, all information posted in responsibility/qualification records in SAM.gov on or after April 15, 2011 (except past performance reviews required for Federal procurement contracts) will be publicly available.

(b) Proceedings About Which You Must Report.

(1) You must submit the required information about each proceeding that—

(i) Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;

(ii) Reached its final disposition during the most recent five-year period; and

(iii) Is one of the following—

(A) A criminal proceeding that resulted in a conviction;

(B) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;

(C) An administrative proceeding that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or

(D) Any other criminal, civil, or administrative proceeding if—

(1) It could have led to an outcome described in paragraph (b)(1)(iii)(A) through (C);

(2) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(3) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.

(c) Reporting Procedures. Enter the required information in SAM.gov for each proceeding described in paragraph (b) of this award term. You do not need to submit the information a second time under grants and cooperative agreements that you received if you already provided the information in SAM.gov because you were required to do so under Federal procurement contracts that you were awarded.

(d) Reporting Frequency. During any period of time when you are subject to the requirement in paragraph (a) of this award term, you must report proceedings information in SAM.gov for the most recent five-year period, either to report new information about a proceeding that you have not reported previously or affirm that there is no new information to report. If you have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, you must disclose semiannually any information about the criminal, civil, and administrative proceedings.

- (e) Definitions. For purposes of this award term—

Administrative proceeding means a nonjudicial process that is adjudicatory in nature to make a determination of fault or liability (for example, Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with the performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

Conviction means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere. Total value of currently active grants, cooperative agreements, and procurement contracts includes the value of the Federal share already received plus any anticipated Federal share under those awards (such as continuation funding).

14. Reporting Subawards and Executive Compensation

The recipient agrees to comply with the following requirements of 2 C.F.R. Part 170, Appendix A to Part 170 – Award Term:

Unless the recipient is exempt as provided in paragraph (d) of this award term, the recipient must report each subaward that equals or exceeds \$30,000 in Federal funds for a subaward to an entity or Federal agency. The recipient must also report a subaward if a modification increases the Federal funding to an amount that equals or exceeds \$30,000. All reported subawards should reflect the total amount of the subaward.

 - (B) \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts) and Federal awards (and subawards) subject to the Transparency Act; and,

- (iii) The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986 after receiving this subaward. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>.)
- (2) Reporting Requirements. The recipient must report executive total compensation described in paragraph (b)(1) of this appendix:
 - (i) As part of the recipient’s registration profile at <https://www.sam.gov>.
 - (ii) No later than the month following the month in which this Federal award is made, and annually after that. (For example, if this Federal award was made on November 7, 2025, the executive total compensation must be reported by no later than December 31, 2025.)
- (c) Reporting of total compensation of subrecipient executives—

The performance report is used to track your agency's progress in implementing the award, and, as applicable, community policing strategies including gauging the effectiveness of your agency's community policing capacity. The Federal Financial Report is used to track the expenditures of the recipient's award funds on a cumulative basis throughout the life of the award.

24. System for Award Management (SAM) and Universal Identifier Requirements

The recipient agrees to comply with the following requirements of 2 C.F.R. Part 25, Appendix A to Part 25 – Award Term:

I. System for Award Management (SAM.gov) and Universal Identifier Requirements

(a) Requirement for System for Award Management.

- (1) Unless exempt from this requirement under 2 CFR 25.110, the recipient must maintain a current and active registration in SAM.gov. The recipient's registration must always be current and active until the recipient submits all final reports required under this Federal award or receives the final payment, whichever is later. The recipient must review and update its information in SAM.gov at least annually from the date of its initial registration or any subsequent updates to ensure it is current, accurate, and complete. If applicable, this includes identifying the recipient's immediate and highest-level owner and subsidiaries and providing information about the recipient's predecessors that have received a Federal award or contract within the last three years.

(b) Requirement for Unique Entity Identifier (UEI).

- (1) If the recipient is authorized to make subawards under this Federal award, the recipient:
 - (i) Must notify potential subrecipients that no entity may receive a subaward until the entity has provided its UEI to the recipient.
 - (ii) Must not make a subaward to an entity unless the entity has provided its UEI to the recipient. Subrecipients are not required to complete full registration in SAM.gov to obtain a UEI.

(c) Definitions. For the purposes of this award term:

System for Award Management (SAM.gov) means the Federal repository into which a recipient must provide the information required for the conduct of business as a recipient. Additional information about registration procedures may be found in SAM.gov (currently at <https://www.sam.gov>).

26. Criminal Intelligence Systems/28 C.F.R. Part 23 Compliance

If your agency is receiving COPS Office funding for equipment or technology that will be used to operate an interjurisdictional criminal intelligence system, you must agree to comply with the operating principles found at 28 C.F.R. Part 23. An “interjurisdictional criminal intelligence system” is generally defined as a system that receives, stores, analyses, exchanges, or disseminates data regarding ongoing criminal activities (such activities may include, but are not limited to, loan sharking, drug or stolen property trafficking, gambling, extortion, smuggling, bribery, and public corruption) and shares this data with other law enforcement jurisdictions. 28 C.F.R. Part 23 contains operating principles for these interjurisdictional criminal information systems which protect individual privacy and constitutional rights.

If you are simply using the COPS Office funds to operate a single agency database (or other unrelated forms of technology) and will not share criminal intelligence data with other jurisdictions, 28 C.F.R. Part 23 does not apply to this award.

27. Computer Network Requirement

The recipient understands and agrees that no award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities. (Annual Appropriation Act.)

28. Sole Source Justification

Recipients who have been awarded funding for the procurement of an item (or group of items) or service in excess of \$350,000 and who plan to seek approval for use of a noncompetitive procurement process must provide a written sole source justification to the COPS Office for approval prior to obligating, expending, or drawing down award funds for that item or service. 2 C.F.R. § 200.325(b)(2).

29. State Information Technology Point of Contact

Recipients agree to ensure that the appropriate State Information Technology Point of Contact receives written notification regarding any information sharing or technology project funded by a COPS Office award. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, recipients agree to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <https://it.ojp.gov/technology-contacts>.

30. Modifications

Award modifications are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308(i). For federal awards in excess of the simplified acquisition threshold (currently, \$350,000), any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent (10%) of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office.

31. Allowable Costs

The funding under this award is for the payment of approved costs identified in the Award Package.

32. Information Data Breach

Recipients that will use or operate a Federal information system or will create, collect, use, process, store, maintain, disseminate, disclose, or dispose of PII within the scope of the award must have procedures in place to respond to a breach and to notify the COPS Office in the event of a breach.

33. Domestic preferences for procurements

Recipient agrees that it, and its subrecipients, to the greatest extent practicable, will provide a preference for the purchase, acquisition, or use of goods, products, and materials produced in, and services offered in, the United States. 2 C.F.R. § 200.322 and Executive Order 14005, Ensuring the Future is Made in All of America by All of America’s Workers, January 25, 2021.

34. Extensions

Recipients may request an extension of the award period to receive additional time to implement their award program. Such extensions do not provide additional funding. Only those recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Extension requests must be received prior to the end date of the award. 2 C.F.R. §§ 200.308(f)(10) and 200.309.

35. Contracts and/or MOUs with Other Jurisdictions

Items funded under this award must only be used for law enforcement activities or services that benefit your agency and the population that it serves and cannot be utilized by other agencies unless the items benefit the population that your agency serves.

36. Copyright

If applicable, the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award in accordance with 2 C.F.R. § 200.315(b). The COPS Office reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish, or otherwise use the work, in whole or in part (including create derivative works), for Federal Government purposes, and to authorize others to do so. The COPS Office also reserves the right, at its discretion, not to publish deliverables and other materials developed under this award as a U.S. Department of Justice resource.

Products and deliverables developed with award funds and published as a U.S. Department of Justice resource will contain the following copyright notice:

“This resource was developed under a federal award and may be subject to copyright. The U.S. Department of Justice reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use the work for Federal Government purposes, and to authorize others to do so. This resource may be freely distributed and used for noncommercial and educational purposes only.”

37. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

Recipient agrees that it, and its subrecipients, will not use award funds to extend, renew, or enter into any contract to procure or obtain any covered telecommunication and video surveillance services or equipment as described in 2 CFR §200.216. Covered services and equipment include telecommunications or video surveillance services or equipment produced or provided by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities); Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities); or an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of China. The use of award funds on covered telecommunications or video surveillance services or equipment are unallowable. 2 C.F.R. § § 200.216 & 471. See also Section 889 of the John S. McCain National Defense Authorization Act of Fiscal Year 2019, Public Law 115-232.

38. Travel Costs

Travel costs for transportation, lodging and subsistence, and related items are allowable with prior approval from the COPS Office. Payment for allowable travel costs will be in accordance with 2 C.F.R. § 200.475.

39. Community Policing

Community policing activities to be initiated or enhanced by recipients were identified and described in their award application. Recipients develop a community policing plan for the award with specific reference to a crime or disorder problem and the following elements of community policing: (a) problem solving—a recipient’s plan to assess and respond to the problem identified; (b) community partnerships and support, including related governmental and community initiatives that complement a recipient’s proposed use of funding; and (c) organizational transformation—how a recipient will use the funds to reorient its mission to community policing or enhance its involvement in and commitment to community policing. Throughout the award period recipients are required to implement the community policing plan they set forth in the award application. 34 U.S.C. § 10382 (c)(10).

40. Unmanned Aircraft Systems

Recipients using award funding for Unmanned Aircraft Systems (UAS) understand and agree to the following:

- Any UAS purchased must be one manufactured by an entity included, as of the date of purchase, on the U.S. Department of War Defense Contract Management Agency (DCMA) Blue UAS Cleared List (available at <https://bluelist.appsplatformportals.us/>);
- Any UAS purchased must not be manufactured by an entity that will be included, as of the date of purchase, on the International Trade Administration of the Department of Commerce’s Consolidated Screening List (available at <https://www.trade.gov/consolidated-screening-list>);
- No modifications or additional accessories that are not on the DCMA Blue UAS Cleared List will be introduced to the purchased UAS. Further, the applicant understands that the entity operating the UAS must have sufficient policies and procedures regarding privacy, civil liberties, and information technology cybersecurity related to the operation of the UAS; and
- Counter-UAS or activities are unallowable under this program.

For the purpose of this award condition, the terms “unmanned aircraft system,” “drone,” and “unmanned aerial vehicle” all have the meaning given to the term “unmanned aircraft system” in 49 U.S.C. § 44801(12). The term “counter-UAS” has the meaning given to the term “counter-UAS system” in 49 U.S.C. § 44801(5).

41. Paperwork Reduction Act Clearance and Privacy Act Review

Recipients agree, if required, to submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget (OMB) for clearance under the Paperwork Reduction Act (PWRA) of 1995.

42. Buy America Preference

The recipient agrees to comply with applicable Build America, Buy America Act (BABAA) provisions found in Pub. L. No. 117-58, §§70901-52, as supplemented by OMB guidance M-22-11 (April 18, 2022) and M-24-02 (October 25, 2023) in the use of these award funds. Accordingly, the recipient agrees not use their award funds for infrastructure projects (e.g., construction and broadband infrastructure) unless the iron, steel, manufactured products, and construction materials are produced in the United States, or the recipient first requests and obtains a waiver of the requirements from the COPS Office.

43. Evaluations

The COPS Office may conduct monitoring or sponsor national evaluations of its award programs. The recipient agrees to cooperate with the monitors and evaluators. 34 U.S.C. § 10385(b).

44. Supplementing, not Supplanting

State, local, and tribal government recipients must use award funds to supplement, and not supplant, state, local, or Bureau of Indian Affairs (BIA) funds that are already committed or otherwise would have been committed for award purposes (hiring, training, purchases, and/or activities) during the award period. In other words, state, local, and tribal government recipients may not use COPS Office funds to supplant (replace) state, local, or BIA funds that would have been dedicated to the COPS Office-funded item(s) in the absence of the COPS Office award. 34 U.S.C. § 10384(a).

45. Compliance with National Environmental Policy Act and Related Statutes

The recipient agrees, upon request, to assist the COPS Office in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds. Accordingly, the recipient agrees to determine if new construction or renovation or remodeling of a property will be funded by the grant, and if so, agrees to comply with all NEPA requirements prior to obligating, expending, or drawing down award funds for any award purposes. The NEPA compliance process may take several months to complete. 42 U.S.C. §§ 4321 et seq.

Additional National and Administrative Requirements

The following section describes the additional requirements applicants should be aware of before applying to COPS Office programs. Please review each section carefully. The submission of the application assures the COPS Office that your agency will comply with all legal and administrative requirements that govern the award.

Disclosure of Lobbying Activities

The Anti-Lobbying Act (18 U.S.C. § 1913) restricts the use of appropriated funding for lobbying and makes these restrictions enforceable via large civil penalties, between \$10,000 and \$100,000 per each individual restricted occurrence of lobbying activity. These restrictions are in addition to the anti-lobbying restrictions and lobbying disclosure requirements imposed by 31 U.S.C. § 1352.

Indian tribes and tribal organizations are excluded from coverage under 31 U.S.C. § 1352 but only with respect to expenditures for purposes specified in 31 U.S.C. § 1352(a) that are permitted by other federal law. For these purposes, the terms “Indian tribe” and “tribal organization,” respectively, have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 5304).

Although Indian tribes and tribal organizations are excluded from coverage as set forth under 31 U.S.C. § 1352, these entities still must obtain lobbying disclosure documentation and any required certifications from any subrecipients (recipients of a subaward (see “subaward” definition at 2 C.F.R. § 200.1)) or procurement contractors (recipients of a contract (see “contract” definition at 2 C.F.R. § 200.1) and their subcontractors) that would be required to report lobbying activities consistent with 31 U.S.C. § 1352.

In general, under the statutes above and as set out in the Cost Principles at 2 C.F.R. § 200.450, for most organizations, no federally appropriated funding made available under this grant program may be used, either directly or indirectly, to support the enactment, repeal, modification, or adoption of any law, regulation, or policy at any level of government without the express prior written approval of the U.S. Department of Justice. Any violation of this prohibition is subject to a minimum \$10,000 fine for each occurrence.

I also acknowledge that the Department's awards, including certifications provided in connection with such awards, are subject to review by the Department, including by its Office of the Inspector General.

Appendix B. Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; Federal Taxes and Assessments; Drug-Free Workplace Requirements; Coordination with Affected Agencies

Although the U.S. Department of Justice (DOJ) has made every effort to simplify the application process, federal law requires that an applicant must provide with its application a certification as to certain matters in order to be eligible to receive a federal grant or cooperative agreement. Applicants are expected to read carefully the certification requirements as set forth below—and any cited statute, regulation, or other material—before determining whether a certification properly may be made. (As an example, the applicant should first determine whether any condition legally required to be met has been met, such that an applicant’s certification as to the condition would be verifiably accurate and true.)

Any certification that the applicant submits must be executed by an official who is both familiar with the requirements of the certification and authorized to make the certification on behalf of the applicant.

Elections or other selections of new officials—that is, changes in authorized representatives, such as a chief executive officer authorized to bind or otherwise act on behalf of the applicant—will not relieve the applicant of its obligations under any grant or cooperative agreement if funded.

Where the applicant is unable to make a certification or provide an assurance set out in this form, the applicant may still apply but is to attach an explanation to this application regarding the particular certification that cannot be made or assurance that cannot be provided. The DOJ may not be able to make an award to an applicant that is unable to make certifications or provide assurances required by law as a condition of eligibility for a DOJ federal award.

The DOJ will treat the applicant’s certifications, upon their submission with the application, as representations of fact upon which the DOJ will rely in making any determination with respect to the application or in making any decision to award a federal grant or cooperative agreement to the applicant.

False statements or claims made in connection with DOJ grants (including cooperative agreements) may result in fines, imprisonment, debarment from participating in federal grants or contracts, or any other remedy available by law.

1. *Lobbying.* As a general matter, 18 U.S.C. § 1913 prohibits lobbying with federally appropriated funds, except where expressly authorized by law. In addition, under 31 U.S.C. § 1352, applicants (and recipients) are prohibited from using federal appropriations to influence certain federal transactions, specifically including federal grant and cooperative agreement actions. Indian tribes and tribal organizations are excluded from coverage under 31 U.S.C. § 1352 but only with respect to expenditures for purposes specified in 31 U.S.C. § 1352(a) that are permitted by other federal law. For these purposes, the terms “Indian tribe” and “tribal organization,” respectively, have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 5304). Although Indian tribes and tribal organizations are excluded from coverage as set forth under 31 U.S.C. § 1352, these entities still must obtain lobbying disclosure documentation and any required certifications from any subgrantees (recipients of a subaward (see “subaward” definition at 2 C.F.R. § 200.92)) or procurement contractors (recipients of a contract (see “contract” definition at 2 C.F.R. § 200.22) and their subcontractors) that would be required to report lobbying activities consistent with 31 U.S.C. § 1352.

As required by 31 U.S.C. § 1352 and implemented at 28 C.F.R. Part 69, the applicant certifies and assures (to the extent applicable) the following:

- A. No federal appropriated funds have been paid or will be paid by or on behalf of the applicant to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the making of any federal grant; the entering into of any cooperative agreement; or the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.
 - B. If the applicant's request for federal funds is in excess of \$100,000 and any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal grant or cooperative agreement, the applicant shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities" in accordance with its (and any DOJ awarding agency's) instructions.
 - C. The applicant shall require that the language of this certification be included in the award documents for all subgrants and procurement contracts (and their subcontracts) funded with federal award funds and shall ensure that any certifications or lobbying disclosures required of recipients of such subgrants and procurement contracts (or their subcontractors) are made and filed in accordance with 31 U.S.C. § 1352.
2. *Debarment, Suspension, and Other Responsibility Matters (Direct Recipient)*. Pursuant to DOJ regulations on nonprocurement debarment and suspension implemented at 2 C.F.R. Part 2867 and other requirements for prospective participants in a primary tier "covered transaction" as defined at 2 C.F.R. § 2867.20(a), the applicant certifies that it and its principals for this covered transaction (that is, for the grant(s) or cooperative agreement(s) for which this application is being submitted)
- A. are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of federal benefits by a state or federal court, or voluntarily excluded from covered transactions by any federal department or agency;
 - B. have not within a three-year period preceding this application been convicted of a felony criminal violation under any federal law or been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, tribal, or local) or private agreement or transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion or receiving stolen property, making false claims, or obstruction of justice or commission of any offense indicating a lack of business integrity or business honesty that seriously and directly affects your present responsibility;
 - C. are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, tribal, or local) with commission of any of the offenses enumerated in paragraph (B) of this certification;
 - D. have not within a three-year period preceding this application had one or more public transactions (federal, state, tribal, or local) terminated for cause or default.

Where the applicant is unable to certify to any of the statements in this certification, it shall attach an explanation to this application. Where the applicant or any of its principals was convicted, within a three-year period preceding this application, of a felony criminal violation under any federal law, the applicant also must disclose such felony criminal conviction in writing to DOJ (for OJP Applicants, to OJP at Ojpcompliancereporting@usdoj.gov; for OVW Applicants, to OVW at OVW.GFMD@usdoj.gov; or for COPS Office Applicants, to the COPS Office at AskCOPSRC@usdoj.gov), unless such disclosure has already been made.

3. *Mandatory Disclosure.* Pursuant to 2 CFR Part 2800, the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards by the U.S. Department of Justice, and as set out at 2 C.F.R. § 200.113, the applicant certifies and assures that it
 - A. has not violated any federal criminal law involving fraud, bribery, or gratuity that may potentially affect the federal grant or cooperative agreement;
 - B. shall timely disclose in writing to the federal awarding agency or pass-through entity, as applicable, any violation of federal criminal law involving fraud, bribery, or gratuity that may potentially affect the federal grant or cooperative agreement;
 - C. shall require that the language of this certification be included in the award documents for all subawards (as the term “Subaward” is defined at 2 C.F.R. § 200.92) and shall require that all subrecipients certify and disclose accordingly.
4. *Federal Taxes and Assessments.*
 - A. If applicable, an applicant who requests an award in excess of \$5,000,000 certifies that, to the best of its knowledge and belief, the applicant has filed all federal tax returns required during the three years preceding the certification; has not been convicted of a criminal offense under the Internal Revenue Code of 1986; and has not, more than 90 days prior to certification, been notified of any unpaid federal tax assessment for which the liability remains unsatisfied, unless the assessment is the subject of an installment agreement or offer in compromise that has been approved by the Internal Revenue Service and is not in default or the assessment is the subject of a nonfrivolous administrative or judicial proceeding.
 - B. If the applicant is a corporation, the applicant certifies that either (1) the corporation does not have any unpaid federal tax liability that has been assessed for which all judicial and administrative remedies have been exhausted or have lapsed and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability or (2) the corporation has provided written notice of such unpaid tax liability (or liabilities) to the DOJ awarding agency (for disclosure to OJP, in writing to OJP at OJPcompliancereporting@usdoj.gov; for disclosure to OVW, in writing to OVW at OVW.GFMD@usdoj.gov; for disclosure to the COPS Office, in writing to the COPS Office at AskCOPSRC@usdoj.gov), and, after such disclosure, the applicant has received a specific written determination from the DOJ awarding agency that neither suspension nor debarment of the applicant is necessary to protect the interests of the Government in this case.

5. *Drug-Free Workplace*. As required by the Drug-Free Workplace Act of 1988 (41 U.S.C. § 8103) and implemented at 28 CFR Part 83 for recipients (other than individuals), as defined at 28 C.F.R. § 83.660—
- A. The applicant certifies and assures that it will provide or will continue to provide a drug-free workplace by
- (a) publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the applicant's (and, if funded, the recipient's) workplace and specifying the actions that will be taken against employees for violation of such prohibition;
 - (b) establishing an ongoing drug-free awareness program to inform employees about
 - (1) the dangers of drug abuse in the workplace;
 - (2) the grantee's policy of maintaining a drug-free workplace;
 - (3) any available drug counseling, rehabilitation and employee assistance programs; and
 - (4) the penalties that may be imposed upon employees for drug-abuse violations occurring in the workplace;
 - (c) making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (i);
 - (d) notifying the employee in the statement required by paragraph (i) that, as a condition of employment under the grant, the employee will
 - (1) abide by the terms of the statement; and
 - (2) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
 - (e) notifying the agency in writing within 10 calendar days after receiving notice under subparagraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title of any such convicted employee, to the following agencies, as applicable:
 - (1) For COPS Office awards: COPS Office, 145 N Street, NE, Washington, DC, 20530
 - (2) For OJP awards: Office of Justice Programs, ATTN: Control Desk, 810 7th Street, NW, Washington, DC, 20531
 - (3) For OVW awards: U.S. Department of Justice, Office on Violence Against Women (OVW), 145 N Street, NE, Washington, DC, 20530Notice shall include the identification number(s) (that is, the DOJ awarding agency-assigned grant or cooperative agreement number) of each affected grant;
 - (f) taking one of the following actions within 30 calendar days of receiving notice under subparagraph (iv)(b) with respect to any employee who is so convicted:
 - (1) Taking appropriate personnel action against such employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended
 - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, tribal, or local health, law enforcement, or other appropriate agency;
 - (g) making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (i), (ii), (iii), (iv), (v), and (vi).

- B. The applicant further certifies and assures that it will identify all known workplaces under each DOJ award in accordance with the provisions at 28 C.F.R. § 83.230.
6. *Coordination.* The Public Safety Partnership and Community Policing Act of 1994, as this Act specifies at 34 U.S.C. § 10382(c)(5), requires applicants to certify that there has been appropriate coordination with all agencies that may be affected by the applicant's grant proposal if approved. Affected agencies may include, among others, Offices of the United States Attorneys; state, local, or tribal prosecutors; or correctional agencies. The applicant certifies that there has been appropriate coordination with all affected agencies.

As the duly authorized representative of the applicant, I certify that (a) I am familiar with the requirements of these certifications and am authorized to make these certifications and provide these assurances and that (b) any statements or representations of fact contained herein have an adequate factual basis (as determined through inquiry, wherever appropriate) and are true and accurate to the best of my knowledge.

Appendix C. 2 C.F.R. Part 200, Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under

working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See §200.323.

(K) See §200.216.

(L) See §200.322.

Appendix D. 2 C. F. R. Part 200, Appendix XII to Part 200—Award Term and Condition for Recipient Integrity and Performance Matters

I. Reporting of Matters Related to Recipient Integrity and Performance

(a) General Reporting Requirement.

- (1) If the total value of your active grants, cooperative agreements, and procurement contracts from all Federal agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient must ensure the information available in the responsibility/qualification records through the System for Award Management (SAM.gov), about civil, criminal, or administrative proceedings described in paragraph (b) of this award term is current and complete. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in responsibility/qualification records in SAM.gov on or after April 15, 2011 (except past performance reviews required for Federal procurement contracts) will be publicly available.

(b) Proceedings About Which You Must Report.

- (1) You must submit the required information about each proceeding that—
 - (i) Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
 - (ii) Reached its final disposition during the most recent five-year period; and
 - (iii) Is one of the following—
 - (A) A criminal proceeding that resulted in a conviction;
 - (B) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - (C) An administrative proceeding that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
 - (D) Any other criminal, civil, or administrative proceeding if—
 - (1) It could have led to an outcome described in paragraph (b)(1)(iii)(A) through (C);
 - (2) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (3) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.

- (c) Reporting Procedures. Enter the required information in SAM.gov for each proceeding described in paragraph (b) of this award term. You do not need to submit the information a second time under grants and cooperative agreements that you received if you already provided the information in SAM.gov because you were required to do so under Federal procurement contracts that you were awarded.
- (d) Reporting Frequency. During any period of time when you are subject to the requirement in paragraph (a) of this award term, you must report proceedings information in SAM.gov for the most recent five-year period, either to report new information about a proceeding that you have not reported previously or affirm that there is no new information to report. If you have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, you must disclose semiannually any information about the criminal, civil, and administrative proceedings.
- (e) Definitions. For purposes of this award term—

Administrative proceeding means a non-judicial process that is adjudicatory in nature to make a determination of fault or liability (for example, Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with the performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

Conviction means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

Total value of currently active grants, cooperative agreements, and procurement contracts includes the value of the Federal share already received plus any anticipated Federal share under those awards (such as continuation funding).

Appendix E. 41 U.S.C. § 4712 - Enhancement of contractor protection from reprisal for disclosure of certain information

(a) Prohibition of reprisals.

- (1) In general.** An employee of a contractor, subcontractor, grantee, subgrantee, or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in paragraph (2) information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.
- (2) Persons and bodies covered.** The persons and bodies described in this paragraph are the persons and bodies as follows:
 - (A)** A Member of Congress or a representative of a committee of Congress.
 - (B)** An Inspector General.
 - (C)** The Government Accountability Office.
 - (D)** A Federal employee responsible for contract or grant oversight or management at the relevant agency.
 - (E)** An authorized official of the Department of Justice or other law enforcement agency.
 - (F)** A court or grand jury.
 - (G)** A management official or other employee of the contractor, subcontractor, grantee, subgrantee, or personal services contractor who has the responsibility to investigate, discover, or address misconduct.
- (3) Rules of construction.** For the purposes of paragraph (1)—
 - (A)** an employee who initiates or provides evidence of contractor, subcontractor, grantee, subgrantee, or personal services contractor misconduct in any judicial or administrative proceeding relating to waste, fraud, or abuse on a Federal contract or grant shall be deemed to have made a disclosure covered by such paragraph; and
 - (B)** a reprisal described in paragraph (1) is prohibited even if it is undertaken at the request of an executive branch official, unless the request takes the form of a non-discretionary directive and is within the authority of the executive branch official making the request.

(b) Investigation of complaints.

- (1) Submission of complaint.** A person who believes that the person has been subjected to a reprisal prohibited by subsection (a) may submit a complaint to the Inspector General of the executive agency involved. Unless the Inspector General determines that the complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant, the Inspector General shall investigate the complaint and, upon completion of such investigation, submit a report of the findings of the investigation to the person, the contractor, subcontractor, grantee, subgrantee, or personal services contractor concerned, and the head of the agency.

- (2)** Inspector General action.
 - (A)** Determination or submission of report on findings. Except as provided under subparagraph (B), the Inspector General shall make a determination that a complaint is frivolous, fails to allege a violation of the prohibition in subsection (a), or has previously been addressed in another Federal or State judicial or administrative proceeding initiated by the complainant or submit a report under paragraph (1) within 180 days after receiving the complaint.
 - (B)** Extension of time. If the Inspector General is unable to complete an investigation in time to submit a report within the 180-day period specified in subparagraph (A) and the person submitting the complaint agrees to an extension of time, the Inspector General shall submit a report under paragraph (1) within such additional period of time, up to 180 days, as shall be agreed upon between the Inspector General and the person submitting the complaint.
- (3)** Prohibition on disclosure. The Inspector General may not respond to any inquiry or disclose any information from or about any person alleging the reprisal, except to the extent that such response or disclosure is—
 - (A)** made with the consent of the person alleging the reprisal;
 - (B)** made in accordance with the provisions of section 552a of title 5 [5 USCS § 552a] or as required by any other applicable Federal law; or
 - (C)** necessary to conduct an investigation of the alleged reprisal.
- (4)** Time limitation. A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
- (c)** Remedy and enforcement authority.
 - (1)** In general. Not later than 30 days after receiving an Inspector General report pursuant to subsection (b), the head of the executive agency concerned shall determine whether there is sufficient basis to conclude that the contractor, subcontractor, grantee, subgrantee, or personal services contractor concerned has subjected the complainant to a reprisal prohibited by subsection (a) and shall either issue an order denying relief or shall take one or more of the following actions:
 - (A)** Order the contractor, subcontractor, grantee, subgrantee, or personal services contractor to take affirmative action to abate the reprisal.
 - (B)** Order the contractor, subcontractor, grantee, subgrantee, or personal services contractor to reinstate the person to the position that the person held before the reprisal, together with compensatory damages (including back pay), employment benefits, and other terms and conditions of employment that would apply to the person in that position if the reprisal had not been taken.
 - (C)** Order the contractor, subcontractor, grantee, subgrantee, or personal services contractor to pay the complainant an amount equal to the aggregate amount of all costs and expenses (including attorneys' fees and expert witnesses' fees) that were reasonably incurred by the complainant for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the executive agency.
 - (D)** Consider disciplinary or corrective action against any official of the executive agency, if appropriate.

- (2)** Exhaustion of remedies. If the head of an executive agency issues an order denying relief under paragraph (1) or has not issued an order within 210 days after the submission of a complaint under subsection (b), or in the case of an extension of time under paragraph (b)(2)(B), not later than 30 days after the expiration of the extension of time, and there is no showing that such delay is due to the bad faith of the complainant, the complainant shall be deemed to have exhausted all administrative remedies with respect to the complaint, and the complainant may bring a de novo action at law or equity against the contractor, subcontractor, grantee, subgrantee, or personal services contractor to seek compensatory damages and other relief available under this section in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy. Such an action shall, at the request of either party to the action, be tried by the court with a jury. An action under this paragraph may not be brought more than two years after the date on which remedies are deemed to have been exhausted.
- (3)** Admissibility of evidence. An Inspector General determination and an agency head order denying relief under paragraph (2) shall be admissible in evidence in any de novo action at law or equity brought pursuant to this subsection.
- (4)** Enforcement of orders. Whenever a person fails to comply with an order issued under paragraph (1), the head of the executive agency concerned shall file an action for enforcement of such order in the United States district court for a district in which the reprisal was found to have occurred. In any action brought under this paragraph, the court may grant appropriate relief, including injunctive relief, compensatory and exemplary damages, and attorney fees and costs. The person upon whose behalf an order was issued may also file such an action or join in an action filed by the head of the executive agency.
- (5)** Judicial review. Any person adversely affected or aggrieved by an order issued under paragraph (1) may obtain review of the order's conformance with this subsection, and any regulations issued to carry out this section, in the United States court of appeals for a circuit in which the reprisal is alleged in the order to have occurred. No petition seeking such review may be filed more than 60 days after issuance of the order by the head of the executive agency. Review shall conform to chapter 7 of title 5. Filing such an appeal shall not act to stay the enforcement of the order of the head of an executive agency, unless a stay is specifically entered by the court.
- (6)** Burdens of proof. The legal burdens of proof specified in section 1221(e) of title 5 [5 USCS § 1221(e)] shall be controlling for the purposes of any investigation conducted by an Inspector General, decision by the head of an executive agency, or judicial or administrative proceeding to determine whether discrimination prohibited under this section has occurred.
- (7)** Rights and remedies not waivable. The rights and remedies provided for in this section may not be waived by any agreement, policy, form, or condition of employment.
- (d)** Notification of employees. The head of each executive agency shall ensure that contractors, subcontractors, grantees, subgrantees, and personal services contractors of the agency inform their employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.
- (e)** Construction. Nothing in this section may be construed to authorize the discharge of, demotion of, or discrimination against an employee for a disclosure other than a disclosure protected by subsection (a) or to modify or derogate from a right or remedy otherwise available to the employee.

Financial Resources

All recipients must follow the guidance in the financial fact sheets as outlined in this manual. The following are the fact sheets that can be found on the [Award Management Materials web page](#):

1. [Consultant Contractor Fact Sheet](#)
2. [Sole Source Justification Fact Sheet](#)

In addition to the above fact sheets, recipients should also refer to the [DOJ Grants Financial Guide](#). The DOJ Grants Financial Guide (the “Guide”) serves as the primary reference manual to assist OJP, OVW, and COPS Office award recipients in fulfilling their fiduciary responsibility to safeguard grant funds and ensure funds are used for the purposes for which they were awarded. It compiles a variety of laws, rules and regulations that affect the financial and administrative management of your award. There may be instances where the requirements may differ among the three grant-making components; to the extent possible, those differences are spelled out throughout the Guide. However, recipients (and subrecipients) should refer to the award terms and conditions outlined in this Award Owner’s Manual to determine the specific requirements that apply to your award.
