WHAT'S NEW

The logo features a central police officer badge with a star at the top and the words "POLICE OFFICER" in blue. The badge is superimposed over a stylized, metallic-looking building with a central tower. The letters "LAPD" are rendered in large, bold, metallic characters with a gold outline, positioned in front of the badge and building. Below "LAPD", the words "RESERVE CORPS" are written in a smaller, white, blocky font with a black outline. The entire graphic is set against a white background.
