A. Applicant ORI Number: MI63808

The ORI number is assigned by the FBI and is your agency's unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county's code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your grant. ORI numbers assigned to agencies by the COPS Office may end in "ZZ."

B. Applicant Data Universal Numbering System (DUNS) Number: 074244286

A Data Universal Numbering System (DUNS) Number is required. SECTION 6A: LAW ENFORCEMENT & COMMUNITY POLICING STRATEGY

COPS Office grants must be used to reorient the mission and activities of law enforcement agencies through initiating community policing or enhancing their involvement in community policing. If awarded funds, your responses to this section will constitute your agency's community policing plan under this grant. Your organization may be audited or monitored to ensure that it is initiating or enhancing community policing in accordance with this plan. The COPS Office may also use this information to understand the needs of the field, and potentially provide for training, technical assistance, problem solving and community policing implementation tools.

We understand that your community policing needs may change during the life of your grant (if awarded), and **minor changes to this plan may be made without prior approval from the COPS Office**. We also recognize that this plan may incorporate a broad range of possible community policing strategies and activities, and that your agency may implement particular community policing strategies from the plan on an as-needed basis throughout the life of the grant. **If your agency's community policing plan changes significantly, however, you must submit those changes in writing to the COPS Office for approval.** Changes are "significant" if they deviate from the range of possible community policing activities identified and approved in this original community policing plan submitted with your application.

SECTION 6A: LAW ENFORCEMENT & COMMUNITY POLICING STRATEGY

Community Policing Definition Framework

The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving.

Community policing is a philosophy that promotes organizational strategies, which support the systematic use of partnerships and problem-solving techniques, to proactively address the immediate conditions that give rise to public safety issues, such as crime, social disorder, and fear of crime.

The COPS Office has completed the development of a comprehensive community policing self-assessment tool for use by law enforcement agencies. Based on this work, we have developed the following list of primary sub-elements of community policing. Please refer to the COPS Office website (www.cops.usdoj.gov) for further information regarding these sub-elements.

<u>Community Partnerships:</u> Collaborative partnerships between the law enforcement agency and the individuals and organizations they serve to both develop solutions to problems and increase trust in police.	<u>Organizational Transformation:</u> The alignment of organizational management, structure, personnel and information systems to support community partnerships and proactive problem-solving efforts.	<u>Problem Solving:</u> The process of engaging in the proactive and systematic examination of identified problems to develop effective responses that are rigorously evaluated.

SECTION 7: NEED FOR FEDERAL ASSISTANCE

A. Waivers of the Local Match

Section Not Applicable to 2011 COPS Application Attachment

B. Explanation of Need for Federal Assistance

All applicants are required to address the need for federal assistance. In the space below, please provide a brief explanation of your agency's inability to address your public safety needs and implement this project without federal assistance.

[Please limit your response to a maximum of 3,000 characters.]

Despite the need for increased school security, the local economic situation cannot support an increase in spending for school security. Southeastern Michigan is one of the regions of the country hit hardest by the major economic recession of the past several years, due in large part to its dependency on the troubled automotive industry. In 2010, one in 40 households (2.5%) were foreclosed on. Home values in the first quarter of 2011 were down 13% compared to the same time last year. The resulting loss in property tax revenue caused by these two trends is being compounded by an unemployment rate (12%) that is higher than the national average, with the result being a \$2.6 million reduction in the past year in locally generated revenue. Since the Waterford Police Department receives one-third of its funding from the Township, these factors have a significant impact on the Department's budget, which was reduced by almost \$2 million from 2010 to 2011. The school district has also faced huge budget cuts, including a \$7,000,000 reduction for the 2010-2011 school year. Another factor affecting the WTPD budget is a decrease in revenues generated by law enforcement activities (court fees, tickets, fines, etc.) due to more than a 20% reduction in the police force through attrition over the past 10 years. Finally, reductions in state revenue-sharing resulted in a decrease of \$374,000 in 2011. These significant cuts have forced reductions of programs that play a key role in crime prevention.

SECTION 8: CONTINUATION OF PROJECT AFTER FEDERAL FUNDING ENDS

SECTION 14: BUDGET DETAIL WORKSHEETS

Instructions for Completing the Budget Detail Worksheets

The following Budget Detail Worksheets are designed to allow all COPS grant and cooperative agreement applicants to use the same budget forms to request funding. Allowable and unallowable costs vary widely and depend upon the type of COPS program. The maximum federal funds that can be requested and the federal/local share breakdown requirements also vary.

Please refer to the program-specific Application Guide to determine the allowable/unallowable costs, the maximum amount of federal funds that can be requested, and the federal/local share requirements for the COPS program for which your agency is applying. To assist you, sample Budget Detail Worksheets are included in each Application Guide.

Please complete each section of the Budget Detail Worksheets applicable to the program for which you are applying (see the program-specific Application Guide for requirements). If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

All calculations should be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category, the total project costs, and the total federal and local shares.

SECTION 14: BUDGET DETAIL WORKSHEETS

Instructions: This worksheet will assist your agency in reporting your agency's current entry-level salary and benefits and identifying the total salary and benefits request per officer position for the length of the grant term. Please list the current entry-level base salary and fringe benefits rounded to the nearest whole dollar for one full-time sworn officer position within your agency. Do not include employee contributions. (Please refer to the program-specific Application Guide for information on the length of the grant term for the program under which you are applying.)

Any fringe benefits that are already included as part of the agency's base salary (Part 1, Section A of the Sworn Officer Budget Worksheet) should not also be included in the separate fringe listing (Part 1, Section B).

Non-expendable equipment is tangible property (e.g., technology) having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Expendable items should be included either in the “**SUPPLIES**” or “**OTHER**” categories. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “**CONTRACTS / CONSULTANTS**” category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made.

For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, wherever feasible, such voice or data communications equipment should be incorporated into an intra- or interjurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.

See the [program-specific Application Guide](#) for a list of allowable/unallowable costs for this program.

Agencies are encouraged to limit their requests to the lines shown below and group similar items together so that all items are accounted for on the budget worksheet for each category. SECTION 15A: ASSURANCES

Several provisions of federal law and policy apply to all grant programs. The Office of Community Oriented Policing Services needs to secure your assurance that the applicant will comply with these provisions. If you would like further information about any of these assurances, please contact your state's COPS Grant Program Specialist at 800-421-6770.

By signing this form, the applicant assures that it will comply with all legal and administrative requirements that govern the applicant for acceptance and use of federal grant funds. In particular, the applicant assures us that:

1. It has been legally and officially authorized by the appropriate governing body (for example, mayor or city council) to apply for this grant and that the persons signing the application and these assurances on its behalf are authorized to do so and to act on its behalf with respect to any issues that may arise during processing of this application.
2. It will comply with the provisions of federal law, which limit certain political activities of grantee employees whose principal employment is in connection with an activity financed in whole or in part with this grant. These restrictions are set forth in 5 U.S.C. § 1501, et seq.
3. It will comply with the minimum wage and maximum hours provisions of the Federal Fair Labor Standards Act, if applicable.
4. It will establish safeguards, if it has not done so already, to prohibit employees from using their positions for a purpose that is, or gives the appearance of being, motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties.
5. It will give the Department of Justice or the Comptroller General access to and the right to examine records and documents related to the grant.
6. It will comply with all requirements imposed by the Department of Justice as a condition or administrative requirement of the grant, including but not limited to: the requirements of 28 CFR Part 66 and 28 CFR Part 70 (governing administrative requirements for grants and cooperative agreements); 2 CFR Part 225 (OMB Circular A-87), 2 CFR 220 (OMB Circular A-21), 2 CFR Part 230 (OMB Circular A-122) and 48 CFR Part 31.000, et seq. (FAR 31) (governing cost principles); OMB Circular A-133 (governing audits) and other applicable OMB circulars; the applicable provisions of the Omnibus Crime Control and Safe Streets Act of 1968, as amended; 28 CFR Part 38.1; the applicable COPS Application Guidelines; the applicable COPS Grant Owner's Manuals; and with all other applicable program requirements, laws, orders, regulations, or circulars.
7. It will, to the extent practicable and consistent with applicable law, seek, recruit and hire qualified members of racial and ethnic minority groups and qualified women in order to further effective law enforcement by increasing their ranks within the sworn positions in the agency.
8. It will not, on the ground of race, color, religion, national origin, gender, disability or age, unlawfully exclude any person from participation in, deny the benefits of or employment to any person, or subject any person to discrimination in connection with any programs or activities funded in whole or in part with federal funds. These civil rights requirements are found in the non-discrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 U.S.C. § 3789d); Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000d); the Indian Civil Rights Act (25 U.S.C. §§ 1301-1303); Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794); Title II, Subtitle A of the Americans with Disabilities Act (ADA) (42 U.S.C. § 12101, et seq.); the Age Discrimination Act of 1975 (42 U.S.C. § 6101, et seq.); and Department of Justice Non-Discrimination Regulations contained in Title 28, Parts 35 and 42 (subparts C, D, E, G and I) of the Code of Federal Regulations.
 - A. In the event that any court or administrative agency makes a finding of discrimination on grounds of race, color, religion, national origin, gender, disability or age against the applicant after a due process hearing, it agrees to forward a copy of the finding to the Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531.
 - B. If your organization has received an award for \$500,000 or more and has 50 or more employees, then it has to prepare an Equal Employment Opportunity Plan (EEO) and submit it to the Office for Civil Rights ("OCR"), Office of Justice Programs, 810 7th Street, N.W., Washington, DC 20531, for review within 60 days of the notification of the award. If your organization received an award between \$25,000 and \$500,000 and has 50 or more employees, your organization still has to prepare an EEO, but it does not have to submit the EEO to OCR for review. Instead, your organization has to maintain the EEO on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. If your organization received an award for less than \$25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEO requirement. However, your organization must complete Section A of the Certification Form and return it to OCR.
9. Pursuant to Department of Justice guidelines (June 18, 2002 Federal Register (Volume 67, Number 117, pages 41455-41472)), under Title VI of the Civil Rights Act of 1964, it will ensure meaningful access to its programs and activities by persons with limited English proficiency.
10. It will ensure that any facilities under its ownership, lease or supervision which shall be utilized in the accomplishment of the project are not listed on the Environmental Protection Agency' (EPA) list of Violating Facilities and that it will notify us if advised by the EPA that a facility to be used in this grant is under consideration for such listing by the EPA.
11. If the applicant's state has established a review and comment procedure under Executive Order 12372 and has selected this program for review, it has made this application available for review by the state Single Point of Contact.

12. It will submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget for clearance under the Paperwork Reduction Act of 1995 if required.

13. It will comply with the Human Subjects Research Risk Protections requirements of 28 CFR Part 46 if any part of the funded project contains non-exempt research or statistical activities which involve human subjects and also with 28 CFR Part 22, requiring the safeguarding of individually identifiable information collected from research participants.

14. Pursuant to Executive Order 13043, it will enforce on-the-job seat belt policies and programs for employees when operating agency-owned, rented or personally-owned vehicles.

15. It will not use COPS funds to supplant (replace) state, local, or Bureau of Indian Affairs funds that otherwise would be made available for the purposes of this grant, as applicable.

16. If the awarded grant contains a retention requirement, it will retain the increased officer staffing level and/or the increased officer redeployment level, as applicable, with state or local funds for a minimum of 12 months following expiration of the grant period.

17. It will not use any federal funding directly or indirectly to influence in any manner a Member of Congress, a jurisdiction, or an official of any government, to favor, adopt, or oppose, by vote or otherwise, any legislation, law ratification, policy or appropriation whether before or after the introduction of any bill, measure, or resolution proposing such legislation, law, ratification, policy or appropriation as set forth in the Anti-Lobby Act, 18 U.S.C. 1913.

18. In the event that a portion of grant reimbursements are seized to pay off delinquent federal debts through the Treasury Offset Program or other debt collection process, it agrees to increase the non-federal share (or, if the awarded grant does not contain a cost sharing requirement, contribute a nonfederal share) equal to the amount seized in order to fully implement the grant project.

False statements or claims made in connection with COPS grants (including cooperative agreements) may result in fines, imprisonment, disbarment from participating in federal grants or contracts, and/or any other remedy available by law.

I certify that the assurances provided are true and accurate to the best of my knowledge.

Elections or other selections of new officials will not relieve the grantee entity of its obligations under this grant.
