[#Fergtards™](#) @fergtards 2m2 minutes ago

[@policetaskforce](#) Are you aware [@deray](#) is sending insulting tweets about the meeting content & all of the panelists? [#PoliceTaskForce](#)

[#Fergtards™](#) @fergtards 1m1 minute ago

[@policetaskforce](#) Why have a panelist who idolizes cop killers like Chesimard aka Assata? [#PoliceTaskForce](#)

**Denica Lorax De Foy** @D\_Cassandra\_D

William Lewinski is saying no one can believe their own eyes and that police are always right. Bill you're a disgrace [#PolicingTaskForce](#)

[#Fergtards™](#) @fergtards

Whoever has that [@deray](#) tweet where he called all cops racist handy, please send to [@policetaskforce](#) & also [#PoliceTaskForce](#). Thanks.

[#Fergtards™](#) @fergtards

The [#BlackLivesMatter](#) "movement" just deflated today thanks to [@deray](#) lying about [#PoliceTaskForce](#) [@policetaskforce](#)

[#Fergtards™](#) @fergtards

[@policetaskforce](#) Why did you invite [@deray](#) aka dip shit to your panel? Affirmative action? [#PoliceTaskForce](#)

@deray Good discussion re contamination versus accuracy of recall. #policingtaskforce  
#bodycameras #ForceScience ^h

**Pure Activist** @pureactivist

@policetaskforce #policetaskforce stats facts don't lie, only human need for power n control does  
like evil #ferguson

From 2003 to 2013 – USA **173 710 MURDERS**

**14 516 248 VIOLENT CRIMES** not  
murder (still includes shootings stabbings that did not kill)

**4 401 930 Robbery** (meaning assault,  
or weapons to rob) this number is not including burglary which  
would over double that number.

For over a decade they say approx. **3281** people killed by police  
**2151** were **WHITE** only **1130** were **BLACK**.

So in chasing **19 091 888 MURDERS OR VIOLENT CRIMINALS**  
NOT EVEN INCLUDING RAPE or BURGLARY, **That's about 0.01%**  
**that is (01% divided by 100)** were shot and killed by a cop. The  
argument that police are over killing is **RIDICULOUS....**  
**#FERGUSON IS A JOKE**

On average blacks were committing more murders, whites  
were being killed more by police... and as we can see by the  
numbers the entire claim is a joke... we clearly need police.

AGAIN over 19 million violent crimes alone and only 3 thousand  
deaths by cop. |

**#Fergtards™** @fergtards

.@policetaskforce Nice panelist. Y'all are racists according to @deray. And looting is okay.

**In Defense of Looting**  
For most of America's history, one of the most righteous anti-white supremacist tactics available was looting.

It's unfortunate that someone invited to the [#policingtaskforce](#) and asked for testimony would sit here, mock the process and call it a sham.

**#Fergtards™** @fergtards 29m29 minutes ago

.@policetaskforce, who is this Elliot Cohen? When he said "clearer policies," it sounded like "more lenient law enforcement for blacks."

**James E. Copple** @jcopple 30m30 minutes ago

Developing and implementing policies to build trust and legitimacy in policing is complicated but necessary! #PolicingTaskForce.

To me this suggests much about lack of tech adoption in lawenf. Get officers good tech they want to use. #PolicingTaskForce #GovTech

Sad there's zero discussion of broken #GovTech procurement - huge part of why policing tech struggles. #PolicingTaskForce #opengov #Gov20
